### UNIVERSITY BLUES

Blues are awarded by the University to sportsmen and women for outstanding sporting achievement. Performance standards are set by clubs and approved by the University Blues Committee. For cricket, a Full Blue requires state representation whilst a Half Blue requires either 500 runs or 50 wickets in the club's highest team. Current student status is also necessary.

Previous awardees are:-

#### Full Blue

1971 K. Mackay

#### Half Blue

1970 M. Redden  
1971 F. Alley  
1972 J. Giuffre  
1972 P. Miller  
1977 L. Ager  
1978 P. Bourke  
1985 C. Welsby

## UNIVERSITY CLUB COLOUR AWARDS

In 1980 the University instituted the award of Club Colour to be presented to men and women who have made an outstanding contribution to Macquarie University Sport, through their respective clubs, from an administrative or organisational viewpoint. Cricket Club members who have received this award are:-

1980	P. Barclay G. Bleus M.R. Gwilliam P. Miller R. Vagg
1981	A. Faulks K. Henry
1983	G. Hargreaves B. Jones
1984	C. Welsby J. Wickham

## PRESIDENT'S REPORT

Macquarie University Cricket Club is approaching its twentieth year of existence as a sporting club. Now fully back in Shires cricket, we must endeavour to make the club a real force in shires cricket. I'm sure that for most of the players, this season has been very much an "average" one, one in which our expectations were not generally fulfilled. In this annual report, each captain offers some useful advice on how this situation can be remedied and each of us should consider carefully what they have to say. From my own view point, I would encourage all players to set themselves higher goals. Many players must rid themselves of a satisfaction with mediocrity. It is frustrating to hear some players passing the opinion that, "I've done my bit with my twenty runs". If you aim for mediocrity with performance, you no doubt will achieve it.

As a club, we must gain greater depth in quality of personnel. Each club member should consider all avenues in pursuing this point. As a cricket club, we have an enormous amount to offer the cricketer who wants to play more than just "park cricket".

It was pleasing to see many players, some for the first time, experience a winning sequence with the club. Now that they have tasted some degree of success I hope that knack of winning, and more importantly, the methods of how to go about winning, won't be lost. Many of these players were in the C's, who obtained a semi-final birth, our first for quite a while. To Nick Rountree and the players in the C's-well done. Let's aim to improve further on that performance next season.

As normal, Charlie Seaton's wickets were generally of excellent quality. We look forward to the introduction of the new oval and the usual top notch Seaton production on the wicket table.

Administratively, the club has been honoured in having our hard-working Secretary of five years, Allan Mahoney, receive the Sports Administrator of the Year Award, at this year's University Blues Awards. Congratulations Allan, you have served the club faithfully and enthusiastically over a long period of time-well done.

This season also marked the first year of a D Shires side within the club's hierarchy. The job of captaining and administering the club's fourth team is always an arduous one. Larry Lambert undertook this job not only with great zeal but with tremendous efficiency. The club owes him a great deal.

Finally, let me express our congratulations to Epping, Auburn and Burwood for their respective premierships wins in each of the grades.

Warrick Folkard.

## SECRETARY'S REPORT

Gentlemen, I have pleasure in presenting my fifth report as Secretary of Macquarie University Cricket Club.

The 1985/86 season saw the Club fielding four Municipal and Shires teams for the first time since 1978/79. The season started with all members being full of hope that 1985/86 would see M.U.C.C. being consistently successful through all grades thus helping to erase the bitter memories of the Club's demise from the Sydney Grade Competition.

However, the season developed into one of unfulfilled promise. A grade, despite 3 wins, a tie, 3 draws and 6 losses, finished with the wooden spoon. Yet, after round 4, they were running 4th. B grade finished 6th, yet after round 5 they headed the table and by the end of the season had beaten four of the five teams who finished higher on the table. C grade finished a very good 3rd to be the Club's most successful side, but unfortunately were not able to go on with it in the semi-final. D grade, after a promising start, fell away to finish near the bottom of the table. The Club finished 8th in the Club Championship.

As I have written in previous reports M.U.C.C. is never going to be consistently successful unless all members commit themselves to playing and training for the full season. The Club's aim is to win the Club Championship. This would require all four teams to make the semi-finals. From there, to state the obvious, it requires two more wins to take off a premiership.

From an administrative viewpoint the Club has continued to progress. 1985/86 saw the purchase of a new cover and a super-sopper and the erection of a storage shed.

Socially, members were seen to enjoy themselves at the annual dinner, on the harbour cruise and at a couple of wine tasting and trivia evenings.

In conclusion, many thanks to my fellow committee members for their efforts during 1985/86 and to you all for your friendship. I hope to see everybody returning in 1986/87.

Allan Mahoney.

## COMMITTEE MEETINGS

During the 1985-1986 season the committee met on 13 occasions. Attendances were as follows:-

13	Warrick Folkard	13	Allan Mahoney
12	Ivan Blyth	12	Chris Welsby
12	Mark Schaafsma	12	Michael Cashman
12	Ian Jessup	11	Steve O'Reilly
10	David Lewis	10	Steve Campbell
8	Simon Burchett

### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. These financial accounts have been prepared on the basis of historical costs and do not take into account changing money values.
2. Interest has been brought to account as it is credited to the various accounts.
3. Expenses incurred but not yet invoiced have been accrued on the basis of best available information.
4. Funds provided by Macquarie University Sports Association for use by Macquarie University Cricket Club are accounted for on a calendar year basis.
5. Equipment purchased by the club is expensed in the year of purchase.
6. Stock on hand as at 30th April, 1985 consists of Clothing and Drink Cans.

## TREASURER'S REPORT

The 1985/86 season was financially successful for the club. The surplus of \$970.63 is at a more realistic level than the 1984/85 year.

During the year the club engaged in major expenditure in that we purchased a large cover and an equipment shed on a concrete base. Both projects were paid on a half-share basis with Macquarie University Sports Association.

We must extend a thankyou to the Sports Association for the assistance they give us. They supply assistance with special projects such as covers and the equipment shed. This year's recurrent assistance totalled \$1,956. This recurrent grant only just covers the cost of cricket balls, so most of the gear replacement must be made directly from our funds. The Sports Association also provides the grounds at no charge and use of the Sports Centre where revenue can be raised and functions held. Most other clubs don't have these facilities. Special thanks should also be made to Courtney Bacon for the assistance given on Saturdays during the season and Charlie Seaton and his Ground staff for the excellent wicket he prepares for both match and social days.

While handing out thanks some criticism should also be made. The Sports Association requires all invoices to be paid within 60 days and if they aren't paid penalties are imposed. It is interesting to note that Macquarie University Sports Association still owes the club its half-share of the shed. This was invoiced in March and still not paid in mid-July, even though it has been promised twice. Surely the Sports Association could comply with its own rules.

Social profits were down this year due to a decision to be a little freer in this area. During the year such functions as the Annual General Meeting, Wine Tasting (twice), Shed Opening, the Spit, were run at no charge or minimal cost. Refreshments were also provided to workers on such things as concrete laying. Towards the middle of the year we also had "break-in" problems on Sunday mornings before events. Subsequently, alarm facilities have been installed in the Sports Centre. The charge for beer has also remained constant for five years even though the cost is approaching our charge price.

The cost of clothing used dropped dramatically during this season as we did not give T-shirts away with each subscription.

I must thank all people who helped during the year, such as Al Mahoney, Sticks Lewis, Warrick Folkard, Mark Schaafsma and Ivan Blyth who collected subs or drove to Cash and Carry or ran 7-A-Side. Thanks must also be extended to all the behind-the-bar helpers. Let's all look forward to a successful 1986/87 season.

C.M. WELSBY,  
Honorary Treasurer.

## 1985-86 7-A SIDE REPORT

This season's 7-A Side competition was held on Sunday the 1st of December, and, as has been the trend in the last couple of seasons, rain fell during the week-end to hamper the running of the competition.

Again a number of Shires Clubs failed to support the day, some failing to attend after indicating they would be fielding teams.

Macquarie fielded 3 teams, including a gentleman's seven. As would be expected the gentlemen's contribution off the field was more substantial than their on-field contribution, and they bowed out in the first round.

The Macquarie 1's team scraped through their first round against Roseville with Steve O'Reilly and Ian Jessup taking 36 runs off the second last over. Most of these were in wides (4 runs for each wide) but Steve and Ian aren't telling anyone else that! Dave Craig made sure the Macquarie 2's didn't progress past the early rounds with a bowling performance similar to that of the Roseville bowler.

Macquarie 1's, capably captained by Mark Schaafsma, won through to the final with some solid performances, while Meadowbank were shock finalists after defeating Burwood in a semi-final. Macquarie bowled and fielded very tightly, taking some good catches under pressure, to set up a convincing victory.

Highlight of the day to many was when Grizzle got the opportunity most umpires long for in their careers and signalled "two short" on one occasion.

Although the day was a success, it was not as successful as past 7-A Side competitions have been, and more effort is needed in future years in promoting the competition amongst the Shires clubs, encouraging sides such as the Country Specials to attend and in getting Macquarie players to play and assist with catering if the competition is to remain an enjoyable and financially rewarding day on the Macquarie calendar.

Ivan Blyth.

## 1985-86 OUTRIGHT LOSS AVOIDANCE COMMITTEE REPORT.

This Committee commenced the season as the Macquarie Wet Weather Committee but changed its name in early November when it realised that on certain occasions it would be logical to call off a game, even in dry weather.

After an overnight downpour in the middle of an evenly poised game it was a relieved Epping Side which, after inspecting the wicket, learnt that they would not have to face the might of the Macquarie Side.

While one Epping player commented that Macquarie players would not be able to fight their way out of a wet paper bag, another suggested that a meeting of the Macquarie Wet Weather Committee would be necessary to determine what a wet paper bag looked like. Brother Sticks thinks he might have been misunderstood when, beer-can in hand, he suggested it was a fairly dry argument. The Epping players brushed this suggestion aside, feeling that Sticks was a bit wet behind the ears.

The Loss Avoidance Committee maintained its reputation for Consistency and integrity by allowing the seven-a-side competition to continue in what from the dressing room appeared to be fairly dry conditions.

## Loss Avoidance Committee Report (con't)

That's all for this year's report - remember - make hay while the sun shines!

Hoping we can be of assistance again next season.

The O.L.A.C.  
(Chairman I. Blyth.)

### CAPTAIN'S REPORT A SHIRES

At the start of the season I was very confident that we had the players to form a successful combination. At the end of the season, I had not changed my opinion.

My early confidence was justified after the first four games in which we had registered two wins, a tie against the defending premiers and a moral victory (draw). In the next game we were comprehensively and embarrassingly beaten by a far better team and it seemed to take a long time to extinguish the memory of this resounding loss.

In Rounds 5-12 the only points we received were from a washed out game. Of minor consolation is the fact that three losses occurred in the last over while a further loss was registered in the second last over. However, all good things come to those who wait, and having waited eight games, we rallied at the end of the season and chalked up three consecutive wins. Our zest in the redraws enabled us to improve our position and we had the distinction of being the last team in the Club to hang up our boots for the season.

The team suffered throughout the season because of losses in playing personnel. Macquarie University Cricket Club, by the very nature of the population from which it draws, is continually beleaguered by the loss of players at crucial times during the season. The significance of the loss of Paul Notaras after only five games is highlighted by the fact that he easily topped the batting average and still managed to come fifth in the batting aggregate. Another notable loss during the season was Trevor Norton after only two games due to work commitments (attendances at games will never be the same Trevor). Also lost during the season were Alan Davies and Andrew Harrex both of whom are more than capable of rewriting the record books if they play a full season. Losses of players do damage team morale and the departure of Brian King made our task all the more difficult.

Commitment is a word which some players could do well to heed. Other clubs do not tolerate anything less than a total commitment from their players and the same rules should apply at Macquarie. I accept as inevitable that players will usually at some stage of the season be genuinely unavailable. What I do find hard to accept is the unavailability of players for what I consider to be totally unacceptable excuses.

Our losses in playing staff during the season occurred mainly in the bowling department. This was reflected in many of our games during the drought (Rounds 5-12) where our batsmen had posted a winning score but we lacked the penetration to come away with the six points. Towards the end of the season we found the right bowling formula only to find that the standard of batting had fallen. The return of Laurie Ager to our ranks added penetration and variability to our attack and those "big in-duckers" (as one dismissed batsman was head to say) claimed no fewer than 21 victims in 6 games at an unbelievable average of 10.5. Craig Edwards worked hard all year and topped the wicket tally with 29.

## Captain's Report A Shire (con't)

Indoor was often required to do a lot of work on flat Macquarie wickets and every time he was handed the ball he went about his task with keenness and determination. Trevor Lockett was always consistent and bowled without luck on many occasions. Towards the end of the season he developed the knack of nearly always achieving the early breakthroughs. Warrick bowled with guile beyond his years and emerged a better bowler for his many marathon spells. Warrick can take heart from the fact that Bob Holland did not play for Australia until he was in his late thirties.

On the whole it could be said that the batting was disappointing with only three players scoring more than 250 runs. Nevertheless there were instances where our batting was very sound and well disciplined. The batting problems stemmed from the inability to find a suitable opening pair. During the season five pairings were employed but the highest opening partnership of the season of 31 speaks for itself. Coupled with our opening partnership problem was our failure to ensure the opposition's opening partnership was cheaply broken.

Of the batsmen, Brian Jones proved to be an aggressive top order batsman and played some very useful innings in compiling 283 runs. Graham Lego scored 251 and has the potential to double this next season while Ivan Blyth (210) would agree that its hard to produce the sensational form of last season scoring 174 runs at 21.75 batting mainly down the order.

Peter Garty gave a tidy display behind the stumps and was often required to spend long afternoons in the crouching position with little if any sign of a chance coming his way. He was also quite useful with the bat and averaged 17.

Thanks to everyone who stuck at it during the season because there were times when "the going got tough". Thanks also to Ivan for his support and insights during the year. I believe that we have learned a considerable amount from our first year out of grade and we can build on this next October and become a real force in Shires cricket again.

Steve O'Reilly.

## MATCH REPORTS - A SHIRES

### vs. Pennant Hills

Macquarie University 8/270 DREW with Pennant Hills 8/243.

Batting first our hopes of posting a big score took a major setback when our first wicket fell on the second ball of the season. Wickets fell steadily throughout the first session and at 6/91, shortly after tea, a disastrous start to the season was threatening. However, Paul Notaras and Brian King had other ideas and surpassed the previous club record for the 7th wicket with a partnership of 137. Paul hammered an unbeaten 118 in 124 minutes and Brian a forceful 56 with 7 boundaries. The following week saw Pennant Hills bat on an obviously well-rolled wicket with no encouragement whatsoever for our bowlers. At 1/139 the opposition was in a good position to launch an assault on the target but through tight bowling and fielding, Pennant Hills stumbled to 8/230 before closing up shop. Brian King and Craig 'Indoor' Edwards toiled hard and were rewarded with 3 wickets each. It is not possible to comment on this game without mentioning several appalling decisions made by the Pennant Hills umpires which were largely responsible for the outcome of the game.

vs. Wenworthville.

Macquarie University 6/150 DEFEATED Wentworthville 9/146.

An extremely tidy bowling effort from all bowlers restricted Wentworthville to 146 from 52 overs, with only three of their batsmen reaching double figures. "Indoor" collected 4/32 from 15 nagging overs and his ability to beat the bat and find the outside edge could have easily produced a 6 wicket haul. Chasing a small target we started slowly but with wickets in hand the pressure was always on the fielding side. Brian Jones (38) and Paul Notaras (25 not out) gave a great exhibition of sensible and powerful hitting and the target was achieved with almost 2 over to spare. Earlier in the innings, Graham 'Legs' Lego scored 31 including, believe it or not, a lofted on drive that raced away to the boundary.

vs. Burwood.

Macquarie University 8/204 TIED with Burwood 9/204.

After losing the toss and being invited to bat on a well-grassed wicket, it was obvious that Burwood, the defending premiers, were confident of dismissing us cheaply. The field for the first over comprised 4 slips, a gully, a leg slip, 2 short legs and cover point. As our innings gained momentum it was pleasing to see the competition front-runners become more and more defensive. The main contributors in the batting department were Ivan Blyth (46), Steve O'Reilly (84) and Brian Jones (35).

The formidable Burwood batting line-up began slowly but with wickets in hand, they were always going to give the target a shake. At 8 wickets down and needing 10 to win off the last over, the equation was the last pair at the crease. With 9 men on the boundary and in poor light, the Burwood No.9 creamed a drive and found the short boundary. The result: a relieved Burwood side, a somewhat disappointed Macquarie side but to use a well worn cliché - cricket was the winner. Of our bowling, Craig Edwards (5/64) continued his good form, Brian King picked up three wickets and Paul 'Nasty' Notaras bowled with fire and beat the batsmen for pace on many occasions.

vs. Lindfield.

Macquarie University 9/160 DEFEATED Lindfield 136.

One look at the Lindfield pitch and it was obvious that low scores would be the order of the day. The low bounce made run scoring very difficult and after 55 overs, Macquarie had reached 160 for the loss of 9 wickets with Graham Lego top-scoring with 41.

Lindfield were in the game until Alan "Destroyer" Davies produced a devastating second spell capturing 4/2 from 6.4 superbly accurate overs. Alan finished with match figures 6/27 from 15.4 overs, a performance which earned him the 'Mug' on his A shires' debut.

vs. Epping

Macquarie University 95 LOST to Epping 2/169.

Although we hadn't been defeated in our first four games, our first loss of the season was both surprising and humiliating. We simply surrendered our first innings and were dismissed for a miserable 95. 'Sticks' Lewis was the only one to show any fight and made a determined 27 after coming to the wicket with the score at 6/32.

The Epping batsmen blazed away from the very first over and rattled up 2/169 in just two hours. Playing against his old club, Sticks was the only success-

ful bowler. The ease with which Epping tore our attack apart was just as alarming as the ease with which they routed our batting line up which, prior to this game, had not been dismissed. Fortunately for Epping the second day of the match was abandoned as we were keen to regain our lost pride with a good performance.

vs. Warringah.

Macquarie University 7/183 LOST to Warringah 7/186.

Batting first on a wicket where the ball was not quite coming on to the bat, Macquarie posted 7/183 off 55 overs. Blyth (31), O'Reilly (49) and Folkard (36) contributed the bulk of the runs.

The game seemed to be in our keeping with the Warringah top order finding the task of scoring more than 3 runs an over beyond them. Play continued as light rain fell and Warringah stumbled to 4/45 off 20 overs. However as the rain continued the ball started to skid off the pitch and come on to the bat to the liking of the late-order Warringah batsmen. Catching became difficult as evidenced by the fact that 3 chances were grassed during one Folkard over. At 7/126 the game should have been ours but an unbroken whirlwind partnership of 60 wrested victory away from us, the winning runs being hit with two balls of the last over to spare. Warrick was the pick of the bowlers with 4/68 and was supported by 'Big Bad B. Brian' King who snared 3 scalps.

vs. Bexley.

Macquarie University 9/203 DREW with Bexley 8/225.

In the two previous games we found difficulty in achieving an early breakthrough. In this game Brian King removed both openers very cheaply but we were unable to capitalise and the 3rd, 4th and 5th wicket partnerships realised 56, 49 and 57 runs respectively. Nevertheless our bowlers contained the Bexley batsmen for most of the day and it was only a last hour flourish that pushed their score from 140 to 225. Craig Edwards (3/55) and Brian King (2/44) were the main strikers.

The following week we had high hopes of passing Bexley's score and at 1/60 we looked to be in the box seat. However wickets started to tumble at regular intervals and at 8/148 Indoor joined Legs at the crease. Indoor, relishing his opportunity at batting number 10, kept the hostile Bexley attack at bay for a considerable time in scoring 29 with red ink. Legs scored a breezy 36 (by Legs' standards), the 9th wicket partnership boasting 53 runs. Earlier, Ivan had continued his form of the previous week by posting a well compiled 56. Perhaps the highlight of this game was that in the quick departure after the last over, poor Legs found that his transport had left without him.

vs. Canterbury.

Macquarie University 4/221 LOST to Canterbury 4/222.

After winning the toss and electing to bat, we were soon in trouble at 2/9. A third wicket partnership of 92 between Schaafsma (56 on debut) and O'Reilly (80) set the scene for 200 plus score. President Folkard chipped in for a valuable 39 not out and Brian Jones gave a fireworks display that rivalled New Years Eve in blasting 30 not out in no time at all (5 boundaries).

Canterbury commenced their innings in fine style and scored at 4 an over from the word go. One Canterbury batsman seems to score a century against us every season and this game was no exception as he carried his bat for 102. Had we held our chances we would have been able to exert more pressure

on the batsmen. This was one day when the Macquarie oval proved to be too big to defend a score on, and the liberal interpretation of the one day wide rule by the umpires made our task all the more difficult.

vs. Baulkham Hill.

Macquarie University DREW with Baulkham Hills 7/257.

Batting on a Macquarie mirror it was always going to be a long afternoon. The bowlers toiled hard and on numerous occasions the opposition batsmen managed to chip wide or short of or beyond eager Macquarie fieldsmen. Warrick Folkard to be the most successful bowler in snaring 5/92 from a countless number of overs. His performance prompted the comment from a certain talkative member of the cricket club that "Warrick is really developing into a fine young all-rounder."

During the following week the heavens opened all too frequently and on Saturday the Wet Weather Committee (WWC or alternatively OLAC) felt fit to deny us another win.

vs. Strathfield.

Macquarie University 160 LOST to Strathfield 3/218.

This was only our second drubbing of the season. Being sent in on a 'strange' wicket we were always struggling and it was not until shortly before tea that the boundary was reached for the first time. The Strathfield bowlers were very ordinary but found a great ally in the wicket itself. Craig 'Runs' Anderson top scored with 32, Schaafs grafted 23 and Indoor kept intact his record of hitting a six each season in scoring 20.

At the close of the first day's play Strathfield were conservatively estimated at 1/12 and we were still in the game. The second day's play was on the following Monday and it was remarkable how the wicket had transformed into a run paradise. Rumours that the Hudson Oval curator paid his Sunday overtime money into a Swiss Bank account are yet to be confirmed. One of the Strathfield batsmen (an ex first-grader) tore the heart out of our attack and scored 150 not out. He shared in a third wicket partnership of 165 of which he contributed 130 (shades of the famous Monaghan/Folkard partnership). Brian King, playing his "farewell" game, was the pick of the bowlers with 2/27 from 16 overs.

vs. Auburn

Macquarie University 8/133 LOST to Auburn 7/135.

Batting first only three of our batsmen came to terms with the renowned Mona Park track. Brian Jones welcomed his promotion up the order and defied the Auburn attack to score 58. Craig Edwards (17) and Peter Garty (24 not out) gave our total some respectability given the conditions and frustrated the Auburn attack.

A score of more than 100 being something of a rarity at Mona Park, we thought we were in with a good chance. With Auburn at 4/18 we thought we had an excellent chance. However, the next wicket fell at 107 and although it triggered a minor collapse, crucial fielding errors let the premiership semi-finalists off the hook. Auburn were quite relieved to come away with the two points after passing our score with 8 balls to spare. Edwards charged into his bowling and was rewarded with 5/33 from 17 and Trevor Lockett worked hard to take 2/34 from 13. Another game that got away.

vs. Roseville

Macquarie University 239 LOST to Roseville 249.

This match marked the emergence of a promising young bowler by the name of Laurie Ager. He bowled with the cunning and guile of a much more experienced bowler in capturing 5/84 from 28 overs on a pitch that offered little assistance to the bowlers. Trevor also bowled well to take 3/40.

The run chase the next week began at a snail's pace with Legs making an unlikely anchor man. It is believed that he set a new Macquarie record in battling for the entire first session in scoring 18 runs. After tea the scoring picked up markedly with Legs (71) and O'Reilly (56) combining to score 93 for the fourth wicket. Needing 85 to win off the last twenty overs with six wickets in hand, it looked like the game was going to go down to the wire. At 5/208 the wheels were turning smoothly but the loss of Scotter (27) and Legs without addition to the score put the pressure on the lower order batsmen and the final wicket fell in the twentieth over.

vs. Lane Cove

Macquarie University 4/162 DEFEATED Lane Cove 153.

This game was a very satisfying way to end the competition rounds. By defeating Lane Cove so comfortably and in so doing knocking them out of the four, we turned the premiership contenders into premiership pretenders. The victory was set up on the first day through excellent bowling by Messrs. Ager, Folkard and Lockett. The Lane Cove batsmen had no answer to the swing of Ager who managed to rattle the stumps on four occasions in taking 6/50 from 24.2 overs. Folkard tied the batsmen in knots in taking 2/27 from 23 flighted overs, and Lockett once again achieved the early breakthroughs (2/25 from 13).

Resuming at 1/1 overnight, Edwards, the nightwatchman, proved to be an obstacle the Lane Cove bowlers could not overcome until the score was 117. By this time the game for the club, shared in a partnership of 92 for the third wicket with Edwards (58). The Lane Cove captain admitted after the game that "your left hander was one of the better batsmen we've come across this season". The confidence and shot-making displayed by Edwards certainly did no harm to his claims for all-rounder status.

REDRAWS

Round 1 vs Canterbury

Macquarie University 5/136 DEFEATED Canterbury 135

The weather was so miserable for our revenge game against Canterbury that, for the first time all season, the cricket jumpers were given an airing. The Canterbury team capitulated against the tight Macquarie attack with "Teeny" Ager (4/11) and Trevor Lockett (3/21) doing the most damage.

In reply, a second wicket partnership of 60 between Ivan Blyth (34) and the Minister for the Shed Ian Jessup (55) put us on the path to victory. The responsibility of the No. 3 position was not lost on Jessup who realised that Indoor's innings at No. 3 the previous week had won us that game. Towards the end of our innings, the run rate dropped and it was left to Graham "Pinch Hitter" Lego to smash two boundaries in the second last over to seal the victory.

### Round 2 vs Lane Cove

Macquarie University 9/110 DEFEATED Lane Cove 9/106.

With our annihilation of Lane Cove two weeks ago still fresh in our minds, we were keen to prove that it wasn't a fluke. After being confined to a paltry 110 the chances of repeating our earlier success looked slim. The standard of our batting was reflected in that only two batsmen reached double figures. Legs continued his big hitting of the previous week in hammering 5 sixes in scoring 32, a feat of which Roy (a batsman very much in the same mould as Legs) would have been proud. To put Legs' efforts into perspective, I must point out that, due to local rules, the two biggest sixes did not find their way into the scorebook.

The Lane Cove side were well placed at 3/77 but their run rate was a bit behind that required. A period followed where we were able to pressurise the Lane Cove batsmen into making mistakes. Indoor captured three wickets in what was easily the longest over of the season. The over took some 15 minutes to complete because, firstly, the next man in happened to be umpiring at the time, and secondly, another incoming batsman was so confident of victory that he had already changed out of his whites. It came as no surprise therefore that the allotted overs could not be completed within the allotted time, and with one over remaining, Lane Cove were saved from the embarrassment of losing their last wicket. The wickets were shared between Craig (3/23), Laurie (2/18) and Warrick (2/25).

### Semi-Final vs Warringah

Macquarie University 9/94 LOST to Warringah 6/97

This was our chance to avenge our first round loss to Warringah but there's always another chance next season. Mark Schaafsma top scored with 26 and Peter Garty (16 not out) was responsible for lifting our score to anywhere near the ton.

It was a credit to the bowlers that we were able to come out of this game with our respectability intact. Another inspired four wicket spell from Ager saw the top four Warringah batsmen on their way to climb the 54 steps. Ivan bowled extremely well to take 2/9 from 6 overs and the game was into the final 5 overs before the curtain came down on the 85/86 season. Despite the loss we could take consolation from the fact that we did not have to play the following week (Easter Saturday).

## CAPTAIN'S REPORT B SHIRES

The 1985/86 Season in B Shires was the most successful in six seasons, however it still fell short of expectations. From 15 games played we had seven wins, two draws and six losses. At round five we were running first on 28 points after already having played a number of the top sides. Uni. "holidays" occurred, the side was drastically changed, and we never regained the momentum of the first five rounds. We were never short of motivation against the top sides. Fine winning performances were put in against the eventual premiers, Auburn, as well as semi-finalists, Epping and Wentworthville. Other good performances against Lindfield and Burwood had the Epping and Auburn captains not wanting us in the semis. Perhaps next year a little more consistency against the lower sides and we will be there with a big show.

There were many fine performances during the year, not the least being "Sticks" Lewis record-breaking 35 wickets in a season. "Sticks" passed legends Dr "Flash" Leslie and Bob Vagg by one wicket, even though he played four games in A Shires. Richard Najdzion, with 24 wickets, could improve further with more experience, Ken Dixon, with 20 wickets, finished the season strongly showing a very mature approach to his cricket and Allan Davies with 17 wickets were the three great finds of the season. Ronnie Ait ken with 10 wickets from his 5 games gave us all a lesson in out-swing bowling and was particularly helpful to Richard. Thanks for this Ron, Richard will no doubt benefit greatly.

The batting started aggressively early in the season and started to die towards the end. The leading run getter was "Grizzle" Welsby with 327 although many averaged higher than him. Harrex with an average of 63, Folkard and Jessup 38, O'Brien 36, Schaafsma 30 and Craig 24, all averaged well, although, for one reason or another, didn't play the full season in B's. Ken Dixon averaging 23 from 187 runs showed what a good all-rounder he is. Al Mahoney, with some inspired hitting at the season's end, finished with 143 runs at 20. "Roy" Denlow, with some strong hitting early, helped with some important early wins. Richard Najdzion showed his own style (very similar to Roy's) which earned him two great 50's to average 22.

A number of wicket-keepers were used during the season. Andy Harrex finished with 5 catches and one stumping from four games and was the most productive. The general catching in the middle of the season let us down.

The side experienced many variations in wickets and opposition behaviour. We had the unpredictable wet wicket at Macquarie or the dry, hard slabs which are great for batting. Wet wickets at Warringah, Epping and Wentworthville all behaved in different ways. We also experienced a "wet" wicket at Roseville that was called off even though by match time the top had cracked!

Opposition behaviour varied greatly from say Wentworthville, who were the perfect hosts, to other less savvy sides who refused to leave the cricket on the field.

The wide experience the B's had in both wickets, behaviour and umpiring should help the younger players with their future cricket. This season really was a season of many extremes.

Future seasons look rosy for the "B"'s. The current personnel are quite capable of taking out the flag particularly with the excellent facilities we play under. With larger covers and super-soppers we will have very few games washed out, where other people may not play. If every player is also on the lookout for additional players, we as a club, can only become stronger. We will be able

to play on the new oval and a women's side may also not be out of the question.

The "B" Shires would like to congratulate the eventual premiers - Auburn upon winning the competition, and any other side that played in a competitive and fair spirit. Our congratulations must also go to the "C" Shires for making the semi-finals - it's a pity about the rain. My sincere thanks should go to Nick, Harry and Warrick for putting up with calls late in the week to fill "drop-outs". My thanks also go to people in the side who do all the tasks that need doing:- the scoring, kit-packing, serving behind the bar, afternoon teas, collecting the flags and stumps, statistics - all tasks which make a captain's job easier. My thanks go to each and every player in the side during the year as each player's contribution and personality made it a very enjoyable year. Finally, thanks for putting up with me for the whole season.

Let's see everyone at the pre-season trainings early in August and let's look forward to a successful 1986/87 season.

Chris Welsby.

## MATCH REPORTS - B SHIRES

### vs Pennant Hills

Macquarie University 1/106 and 4/129 DEFEATED Pennant Hills 105 and 126 outright

Pennant Hills batted first and was dismissed after tea. The successful bowlers were new chum Allan Davies 5/17 and "Sticks" Lewis 3/31. A first innings victory was sealed on the first day when "Grizzle" Welsby 50 n.o. and Andrew Harrex 40 n.o. scored briskly to allow a first day declaration. Tight bowling again restricted Pennant Hills to a poultry 126 in 63 overs. Bowling honours went to "Sticks" Lewis who took 7 for 25, giving him match figures of 10 for 56. We took 23 overs to gain maximum points with Andy Harrex being 64 n.o. Tight fielding and bowling helped the victory, as well as two run outs from Dave Craig.

### vs Wentworthville

Macquarie University 6/137 DEFEATED Wentworthville 8/135

Again, tight bowling on the "sixpence" at Wentworthville kept the home side to the low total of 135 in 55 overs. A marathon spell by Allan Davis of 28 unchanged overs returning 3/72, Sticks Lewis with 3/33, while Trevor Lockett 1/28 off 15, kept Wenty to this small total. The batting was off to a brisk start with the 50 coming up in the 6th over, mainly due to a whirlwind 36 from Roy Denlow. Andy Harrex with a neat 38 and Ken Dixon with a 12 not out helped steer us past the Wentworthville total.

### vs Burwood

Macquarie University 177 DREW with Burwood 7 for 142

In heavily overcast conditions Macquarie were sent in and were 4 for 69 when rain washed out play after 27 overs. On the second day Macquarie was dismissed in the 70th, and last, over of allowable batting. Grizzle Welsby 76 and Ken Dixon 30 were the major scores. The atmosphere towards the end of our innings was extremely warm as Burwood was losing control of the game. The Burwood innings started slowly. However, it quickly warmed to the run chase. With 8 overs to go and 5 wickets in hand and 54 runs required we put the brakes on. Four overs later we were on top with the furthest person from the bat being the bowler. Congratulations to Petes Garty, who during the innings, made his 100th dismissal as wicket-keeper. Trevor Lockett took 2/26 and Allan Davies took 1 for 25 off 14 overs in run-chase situations.

The side matched Burwood, probably the best side in the competition, so all goes well for future games.

### vs Lindfield

Macquarie University 3 for 116 DEFEATED Lindfield 114

Putting pressure on Lindfield's early order batsmen by insisting that they were at the crease on time, as well as very tight bowling, had Lindfield 5 for 30 after they won the toss and batted. Lindfield's innings was highlighted by very good catching and a very good final six-over spell by Richard Najdzion who took 4/10 to give him final figures of 5 for 22. Ron Aitken took 2 with "Hot Dog" Dixon and "Mario" Folkard obtaining one each.

The batsmen had no trouble passing the small total despite the opposition's go-slow tactics. Folkard with 40 not out, Welsby 38 and Michael Denlow 30 ensured the game was over by tea.

vs Epping

Macquarie University 8 for 244 DEFEATED Epping 94

This was our best win of the season so far. Both weeks were delayed due to overnight rain. Epping batted first and after an early partnership were soon in trouble. Folkard used flight, spin and variation to go straight through the Epping top order to take 5 for 26 off 12 overs. Richard Najdzion took the first wicket and the tail to finish with 4 for 11 off 12.1 overs. Special mention should be made of Ken Dixon who bowled from one end almost throughout the whole innings and kept the pressure on.

Epping broke through early having us 3 for 12 at one stage. Great pressure batting from Folkard 52, Ian Jessup 46 and Craig Anderson 14 under difficult conditions saw us pass the Epping total. Dave Craig 79 and Jamie Denlow 28 not out finished Epping off. Dave's innings was a power-laden innings with the Epping spinner being very harshly treated.

vs Warringah

Macquarie University 161 LOST to Warringah 6 for 165

We lost the toss and had to bat on a slightly wet wicket. Welsby was hit under the eye early and this may have caused the dismissal of some early order batsmen. Mark Schaafsma struck a patient 67 although he took 22 off two overs from their captain. Other batsmen into double figures were Welsby 22, Dixon 17, J. Denlow 10 and Lewis 16 not out.

The bowlers were also a little ragged early which put Warringah in front of the run rate throughout their innings. Lewis with 3 for 42; Aitken 2 for 42 and Najdzion 1 for 36 were the wicket-takers.

vs Bexley

Macquarie University 183 and 3 for 36 LOST to Bexley 7 dec 237

Macquarie won the toss and batted on a normal Macquarie wicket. We were soon in trouble being 5 for 42 and 8 for 102. The tail wagged very well with Richard Najdzion topping with 50 and being helped with 19 from John Charlton and James Denlow; 32 by Mark Schaafsma and 12 not out by Laurie Ager.

On a dry, hard wicket and umpires with no fingers, we found it hard to break through. Most people had a bowl. Richard Najdzion with 3 for 52 and Laurie Ager 0 for 21 off 16 overs were the best.

Tempers were running high and we batted for 19 overs in our second innings.

vs Canterbury

Macquarie University 2/137 DEFEATED Canterbury 136

Canterbury won the toss and were away to a good start with a 50 opening stand which was broken by a smart Al Mahoney run out. Ron Aitken took a sensational catch at mid-off to dismiss the second wicket, then we were on a roll. "Sticks" Lewis bowled well on this small ground and cleaned up the remaining batsmen to take 7 for 44 of 18 overs. No batsman was able to get on top of "sticks" during this uninterrupted spell.

There was no trouble passing Canterbury with Al Mahoney 58, Ken Dixon 35 n.o. and Grizzle Welsby 23 doing it easily.

vs Baulkham Hills

Macquarie University did not bat DREW with Baulkham Hills 9/275

Playing "away" on Macquarie University I we lost the toss and chased leather all day. At the end of the day we all agreed that we actually got off lightly. All bowlers performed well with Ken Dixon 3 for 44 off 16; Richard Najdzion 2 for 53 off 20; Sticks Lewis 2 for 83 off 20 and Ron Aitken 1 for 37 off 9 being the most successful. Roy Denlow also took a wicket before receiving some of his own treatment back.

The second week was completely washed out.

vs Strathfield

Macquarie University 257 LOST to Strathfield 286

Macquarie players witnessed a jem of an innings where the Strathfield opening bowler blasted 80 runs in 35 minutes after we had them 8 for 206. Ron Aitken bowled a great line to return 5 for 69 off 24 while Richard Nadjzion assisted with 3 for 55 off 17. During this innings, we dropped about 12 catches which in itself tells the tail.

Although behind the eight ball early, a 126 partnership between John O'Brien 76 and Ian Jessup 61 gave us a great chance. We needed 71 off the last 20 overs with 7 wickets in hand. Unfortunately we fell short, although it was exciting for quite sometime. Other players to reach double figures were Grizzle 39, Col Radford 19 and John Charlton 18.

vs Auburn

Macquarie University 104 DEFEATED Auburn 81

Sent into bat on a wet Macquarie wicket we struggled to 104. Folkard played brilliantly for 25 and the tail wagged as the wicket began to dry. Ken Dixon 13, John O'Brien 11, Allan Davies 7, Col Radford 7 and "Boy" Charlton 7 not out put on really important runs.

In an extremely close game the first eight wickets fell to catches, some being very good close wicket catches. The return for the three bowlers was Ken Dixon 4 for 8, Al Davies 4 for 49 and Richard Najdzion 2 for 22. Richard blasted through them early with Ken doing plenty with the ball later, all while Allan plugged away at the other end.

vs Roseville

Macquarie University 217 LOST to Roseville 3 for 219

Sent into bat the fireworks started early with Mahoney and Welsby bringing up the first 50 mid way through the seventh over. Obviously we were not able to keep this up although we were short in making only 217 off our 55 overs.

Roseville passed us easily with Silkman making 124 no against us. Without him, I'm sure we would have won.

The first week of this game was washed out when no rain was recorded in the metropolitan area in the previous 24 hours. Two games in all of Sydney were washed out, we were one of them.

vs Lane Cove

Macquarie University 184 LOST to Lane Cove 256

After the previous game wash out debacle against Roseville, we needed an outright win here. Again another one hundred by an opener was scored. We were tight to keep them to 256 on the first day. The best bowlers were Lewis 4 for 73, Al Davies 3 for 41 and Ken Dixon 2 for 54.

Our openers "went" again with one opening bowler having 37 taken from his first 4 overs. Best of the batsmen were Ken Dixon 44, Dave Craig 30 and Andy Harrex 29.

In our quest for an outright win we threw away our chance for the first innings result.

vs Canterbury

Macquarie University 5 for 108 DEFEATED Canterbury 9 for 105

In a game played through steady rain, and on an ice skating rink as a wicket, a most enjoyable game was played. Ken Dixon 3 for 16, Richard Najdzion 2 for 20 and Mark Schaafsma (no, I'm not joking) 2 for 19 were the pick of the bowlers.

Mark Schaafsma with 44 not out helped by John O'Brien 22 and Andy Harrex 18 helped us through to a win.

This win was particularly good as we were playing with ten players.

vs Strathfield

Macquarie University 204 LOST to Strathfield 210.

Both captains "lost" their watches on this extremely hot day and the game continued to just about 6.30p.m. Lewis with 4 for 46 was the best of the bowlers.

In reply we were behind the eight ball until Dave Craig 61 and Najdzion 50 with their unique style of batting, took us within 25 of victory. Richard's powerhouse hitting had fieldsmen running in all directions.

This wicket was at its best, it's a pity a few more batsmen couldn't take advantage of it.

## CAPTAIN'S REPORT C SHIRES

C Shires had a successful season. We finished equal second on the points table, (third on averages), and were beaten in the semi-final by the eventual winners of the competition.

We had 9 first innings wins, 1 outright win, two first-innings losses and a draw. As the season progressed, the side welded into a balanced, enthusiastic and powerful cricket team. Many core players had played in the previous season in A Shires and had copped a thrashing each week. It was important that we developed a winning habit and saw ourselves as winners. I believe this attitude developed as the season progressed. Above all, it was a year, during which, this team enjoyed playing cricket. There were some fine individual performances - these are noted in the reports on each match - but the cohesiveness this team developed meant that as a unit it was better than the sum of its parts.

Nick Rountree.

## MATCH REPORTS C SHIRES

### vs Pennant Hills

Macquarie University 8 declared 202, Pennant Hills 179 and 3-67

This game was played on the synthetic surface at Pennant Hills No. 2 and for many of the Macquarie side it was their first game on this type of surface. Pennant Hills won the toss and elected to bat. After a slow day's play, they were all out with about forty minutes of play remaining. The best of our bowlers were Najdzion (3-46) and Brash (2-43). At the close of play Macquarie had lost 2-38. Solid batting the next week by Congreve, Rountree and Keast enabled Macquarie to declare at 8-202 after tea. Pennant Hills in its second innings were 3-67 when play was stopped.

### vs Wentworthville

Macquarie University 8-164, Wentworthville 161

This match was the first one-day round of the season. Macquarie University won the toss and asked Wentworthville to bat. The morning session was evenly balanced after Wentworthville got off to a good start. After lunch our bowlers improved their line and length markedly and put pressure on the Wentworthville middle order. A feature of the day was the excellent catching of Macquarie.

Best bowlers were Brash (4-42) and Cashman (3-19). After the early loss of Gilling. Rountree and Burchett batted solidly taking the score to 89 before Rountree was out for 43. The game looked well in hand at this stage but a middle order collapse saw the sixth fall at 111. A hard-hitting innings from Keast (29) supported by Radford, enabled us to pass Wentworthville's score.

vs Burwood

Macquarie University 4-108, Burwood 105

In a rain-affected match, in which we won the toss and put Burwood in on a wet wicket, the outstanding bowling performance was Richard Najdzion who took 7-29. Play was stopped because of rain on the first day at about 2.30pm at this stage Burwood were 4-40 having faced half their allotted overs. On the second day Burwood had to try to force the pace. Accurate bowling and good fielding saw them dismissed for 105. In reply Macquarie lost 3 quick wickets before Scotter (52) and Jessup (35 not out) steadied the innings with a fine partnership.

vs Lindfield

Macquarie University 8-170, Lindfield 6-173

A scheduled 2 day match, this became a 1 day game after the first Saturday was washed out. Macquarie won the toss and elected to bat. Burchett was out first ball but Campbell (45) and Congreve (20) turned the game in our favour with a fine partnership of 71. Unfortunately from 2-71 we reached only 170 at the end of our 55 overs. Our problems were compounded by erratic bowling and poor fielding. Lindfield passed our total with plenty to spare. A lacklustre performance.

vs Epping

Macquarie University 128, Epping 3-67

Epping won the toss and sent us in on a rain-affected pitch. We were in trouble immediately. The only resistance came from Rountree (33) and McCoy (26) before Andrew and Ian Brown helped our score past 100 with a swash buckling display. At the end of the first day Epping were 3-67. The second day was washed out.

vs Warringah

Macquarie University 177, Warringah 6-254

Warringah won the toss and elected to bat in this one day game. In short, they massacred our "attack". Our fielding was woeful and apart from Ian Brown (5-85) the bowling was inaccurate and lacking in penetration. Rain interrupted our innings and it was shortened, so that we had to score 194 to win in 41 overs. Despite solid batting from Burchett (48) and Ryan (25) we fell short of this target.

vs Bexley

Macquarie University 155, Bexley 153

This game was played on a synthetic surface in very hot weather. Bexley won the toss and elected to bat. Our bowlers stuck to their task well up until tea at which stage Bexley were 5-65. After tea Bexley were able to score more freely finally being dismissed for 153. The best of our bowlers was Andrew Brown 4-28. On the second Saturday, following a solid innings by Simon Burchett (45) we were 5-105 at tea. Following a collapse of the lower middle-order, it was left to Col Radford (20 not out) to steer us to a narrow win in very tense circumstances.

### vs Canterbury

Macquarie University 7-200, Canterbury 8-197

Macquarie won the toss and sent Canterbury in to bat in this limited-over match at Bland Oval. A good performance by their middle order saw them reach 197 at the end of their 55 overs. The best of our bowlers was Andy Pavlov (3-42). In reply Rountree (31) and Burchett (46) got us off to an excellent start, losing our first wicket at 67. This was followed by solid batting by Sidhu (24) and Congreve (32) to leave us at 4-177 and looking set for an easy win. The loss of 3 quick wickets, and a number of overs without scoring, saw us lose the initiative. We scraped past their score in the final over after a couple of lusty blows from Dave Baker.

### vs Baulkham Hills

Macquarie University 3-109, Baulkham Hills 100

Another game on a synthetic track. Baulkham Hills won the toss and elected to bat. They were all out for 100 following fine bowling by Col Radford (6-20) and excellent fielding all round. The icing was put on the cake when we passed their score on the first day with Sidhu (36), Keast (18x) and Wiblin (18) standing out. The second day was lost due to rain.

### vs Strathfield

Macquarie University 3 declared 137 and 6-85, Strathfield 106 and 4-232

The final game for the year on a synthetic surface was against Strathfield. Macquarie won the toss and sent Strathfield in to bat. A fine performance by Dave Baker (6-31) who spearheaded the attack, saw Strathfield all out for 106 in their first innings. In reply, we closed our first innings at 3-137 at the end of the day following a powerhouse display by Mick Denlow (79). Strathfield in their second innings were much more determined and capitalizing on our fielding mistakes scored 4-232. This left us to score 202 for outright points. After losing early wickets we played safety-first cricket to end the day at 6-85.

### vs Auburn

Macquarie University 164, Auburn 152

Our match against competition leaders Auburn was a thriller. We won the toss and elected to bat. Most batsmen got a start but failed to go on with their innings. The best performance was Dave Scotter (34). We were dismissed short of 55 overs for 164. Our total was looking very small at tea when Auburn were 1-60 and cruising. But an inspired spell of off-spin after tea from Stanley Sidhu (6-42) and terrific commitment in the field saw us dismiss Auburn for 152. A really good effort.

### vs Roseville

Macquarie University 6 declared 277, Roseville 233

Back home at Macquarie for the first time in 6 games, we won the toss and batted on a flat Macquarie track. After a reasonable start, some indifferent batting saw us slump to 5-63, before Pavlov (100 not out) and Keast (100) came to the wicket in a magnificent partnership of 183. Barry Keast's innings was a powerhouse display and the ideal foil for Andy Pavlov's elegant and equally valuable innings. Roseville, who had a strong batting line-up, stuck to their guns after an early setback. Ron Aitken's bowling (7-58) was penetrating

and economical, a really fine display. The fielding was of a high standard as we wore Roseville down. A very good win with 3 fine individual performances.

#### vs Lane Cove

Macquarie University 5-98 and 6-151, Lane Cove 92 and 156

Our only outright victory of the season was built around some strong bowling. Lane Cove won the toss and elected to bat. Dave Baker, bowling a consistently good in-swing, was the best of the bowlers taking 6-26, and was well supported by Ron Aitken with 4-26. At the end of the first day we had passed Lane Cove's score with good performances from Steve Wiblin (20) and Steve Campbell (24). In Lane Cove's second innings we had to work much harder but everybody rose to the task. Michael Denlow bowled tightly (3-30) as did Dave Baker (2-32) and Mick Cashman (2-17). Chasing 151 we were given a boost by Michael Denlow's quick 44 which was consolidated by Bill Congreve (31) and Barry Keast (29). Another good win.

#### Semi-Final

Macquarie University 98 and 5-132 vs Epping 149

The semi-final was a great disappointment. After losing the toss we were asked to bat on a rain-affected wicket. We lost an early wicket after which the rest of the day was lost through rain. As Epping had a better for-and-against-position than we did, we needed to win this game—a draw was no good. Consequently, we were under some pressure to force the pace of the second day. We were travelling quite well until the loss of the third wicket at 68. From here we then lost 7-30, in an immature display, to be all out for our lowest score of the year.

Chasing 98 Epping were set when their second wicket fell at 84. An excellent spell from Stanely Sidhu, 5-30, restricted Epping to their lowest score for the season. It was also the first time they had been bowled out. Another 50 runs and it might have been a different game. In our second innings we were 5-132 at the end of the day. We will benefit in the future, from having players with semi-final experience.

## CAPTAIN'S REPORT D SHIRES

The 1985-86 season for 'D' shires was the first entry for our club in the grade and as such was a history in the making event. While our overall performance may not have matched our hopes and expectations, we did put together three good wins for 22 competition points and featured well in the club's individual achievements.

The 'D' side had a good many players pass through its ranks and yet, despite this unsettling effect, we did manage good and on occasions, outstanding fielding efforts. This coming season we should look to actively develop comparable batting skills to give the bowlers much needed support.

One of the great difficulties with the bottom side, which is well understood, is in attempting to put together an effective level of consistency with a side that so greatly varies from week to week. This fundamental instability is a major problem, it produces negative effects on team morale and team performance.

It is of course recognised that there are no easy or obvious answers, however, as a club, we must not cease or be afraid to explore innovative solutions.

I would like to thank all the team players for their support and especially to Jamie Wiblin who gave nothing less than a one hundred per cent effort. My thanks also to the other Captains and Committee members for their organisation, time and advice through the season. I was particularly pleased to see the deserved recognition given by the club to Warrick Folkard at this season's presentations. I look forward to seeing you all again in the coming 86/87 season.

Larry Lambert.

## MATCH REPORTS - D SHIRES

### vs Pennant Hills

Macquarie University 135 and 2/78 LOST to Pennant Hills 146 and 109

It is of some comfort to recognise that we could have won this match given that we managed to dismiss Pennant Hills twice with relative ease for a total of 225. Our good effort in the field was headed by our bowlers (Gunasekera 10/77, Baker 5/74) who were well supported with 9 catches being held.

Regretably our batting generally failed to follow the fielding standard although McCoy (38) and Lambert (31 not out) put us within 12 runs of what should have been easy 1st innings points.

### vs Warringah

Macquarie University 144 LOST to Warringah 1/145

Warringah proved to be a strong, well-disciplined young side and were in control of the match at all times. It was not a matter that we played badly but that we were simply outclassed by the better side on the day.

vs Lane Cove

Macquarie University 113 DEFEATED Lane Cove 62

This was our first win ever in 'D' Shires for the club and as such we can overlook our poor batting performance. With so few runs to defend, and with threatening weather, it was important to attack and take control of the match from the first ball we bowled. Our fielding effort was another excellent performance, and we took the points comfortably. J. Wiblin (4/26), Concannon (3/8) and G.Edwards (3/23) were well supported in the field with 7 catches.

vs Strathfield

Macquarie University 5-218 DEFEATED Strathfield 42 and 78

Strathfield was a relatively young and inexperienced side and it was important for us to do well and win against them. This objective was achieved by a good overall effort and we took the 10 points with an over to spare. Highlight of the match was Craig Anderson's 92 which included 15 boundaries. Craig was well set up by the openers Concannon (38) and McCoy (28). This time, with plenty of runs to support the bowlers, we managed another fine fielding performance. A. Brown (11/37), Ryan (5/30), O'Brien (3/22), Concannon (1/11).

vs University of N.S.W.

Macquarie University 110 and 153 LOST to University of N.S.W. 4/167 and 7/101

University of N.S.W. would have been a difficult side to beat due to their obvious batting strength. However there were plenty of runs available from their bowling attack which we were unable to exploit. In partial defence of our batsmen, we were not used to a wicket on which the ball "gets up". Even so, a credible performance was necessary and expected, but didn't happen.

While the game appeared to be one-sided when judged by the result, University of N.S.W. made a match of it by going for the outright. Requiring 100 runs off 23 overs there was plenty of excitement to make the match enjoyable.

Best of our batting Ryan (44), Burchett (38) and J. Wiblin (23 not out).

vs Burwood

Macquarie University 118 LOST to Burwood 160

This was another disappointing match in the sense that we could have won had it not been a one-day outing. Burwood did very well to reach 160 off 54 overs and were always under pressure from our bowling and fielding. In reply Ken Wiblin and Martyn Gilling gave us a good start, however we slumped badly in the middle-order, taking too many overs to score too few runs.

Burwood's attack proved to be quite shallow and offered a lot of runs to the lower-order batsmen but by that time we were faced with an impossible run-rate. Our last 5 wickets fell gallantly chasing the impossible dream.

vs Wentworthville

Macquarie University 195 DEFEATED Wentworthville 183

Our 3rd victory of the season and a very hard fought match. We at last put together a good batting performance to set up the winning opportunity. The last-wicket stand of 39 between Mick Cashman and Nick Francis-Jones typified

the effort. In reply, Wentworthville proved more than we bargained for, however Errol Gunasekera and Stanley Sidhu both took vital wickets to allow Mick Cashman's (6/48) superb second spell of bowling, to win us the match.

Best of our batting S. Sidhu (57), Lambert (23), Cashman (21), Dunne (20).

#### vs Epping (3)

Macquarie University 95 and 1-87 LOST to Epping (3) 5/197

Except for Tim Concannon (30), Jeff Davis (24 not out) and Jamie Wiblin's (60 not out), this was a match most of us would prefer to forget. Scoring only 95 off 45 overs in the 1st innings we left ourselves little chance. Epping showed no mercy and smashed 197 off 36 overs to defeat us easily. Jeff Davis and Jamie Wiblin recovered some of our dignity and prevented any chance of an outright against us with some fine batting in our 2nd innings.

#### vs Epping (1)

Macquarie University 87 LOST to Epping (1) 3/116

The highlight of this match was rain on the second day.

#### vs Lindfield

Macquarie University 51 and 152 LOST to Lindfield 123 and 107

This match was played in great sporting spirit and was certainly one of the most entertaining of the season. Our poor batting performance of only 51 in the 1st innings robbed us of the opportunity to take points. However with a good overall fielding performance and an improved batting effort in the 2nd innings, despite being a player short, Lindfield were forced to struggle all the way.

Best in batting: Lambert (22 & 42), Gilling (30), Osborn (21).

Best in bowling: Osborn (5/17 & 2/13), J. Wiblin (5/21).

#### vs Canterbury

Macquarie University 100 and 75 LOST to Canterbury 5/105 and 4/77

There is little to be said for this match except that while attempting to play with a good deal of purpose, we were generally ineffective in both batting and bowling departments. Ken Wiblin, however, had a fine knock with well earned 32.

It's worth noting that Bland is long way to drive to be ineffective.

Best in batting: K. Wiblin (32), J. Wiblin (22), P. Donnolly (21).

Best in bowling: M. Ryan (3/23).

#### vs Baulkham Hills

Macquarie University 110 and 143 LOST to Baulkham Hills 5/212 and 1/43

This was only our second outing on synthetic and for most of the team their first experience on this type of wicket. Once again regrettably our batsmen struggled and failed to give the bowlers a reasonable 1st innings total

to bowl at, despite some good individual performances. As it was, our bowlers came in for some very severe treatment at the hands of Mr. A. Cummins, who totally outclassed our attack to score an effortless 118. He was out only after some very determined strategy from Martyn Gilling.

Glen Edwards tried chucking and Marty Ryan tried abuse in the last over of the day but it was a case of too little too late and we failed to pick up any match points.

Best in batting: G. Edwards (35), Concannon (31), Lambert (22), Gilling (21 and 19), Sowerby (19).  
Best in bowling: J. Wiblin (3/61).

#### Limited over round 2: Roseville

Macquarie University 148 TIED with Roseville 148

A tie was probably a fair result from two well-matched sides. Our batting effort was good in terms of past performances and , despite the loss of some early wickets, our bowling attack fired again. It was a good overall performance with the honors being shared. However irritated a tied result may leave you, there are worse ways to end a match and a season.

Best in batting: Donnelly (27), Gilling (26), McCoy (20).  
Best in bowling: Donnelly (2/22), Concannon (2/24).
