UNIVERSITY BLUES AWARDS

Full Blue and Half Blue awards are presented to sportsmen and women who achieve the high performance standards set by clubs and approved by the University Blues Committee. For cricket, a Full Blue requires State Representation and the standard for a Half Blue is either 500 runs or 50 Wickets in the club's highest team. Student status is also necessary.

Previous awardees are:-

<u>Full Blue</u>		<u>Half Blue</u>	
1971	K. Mackay	1970	M. Redden
		1971	F. Alley
		1972	J. Giuffre
		1972	P. Miller

		1978	P. Bourke

PRESIDENT'S REPORT

Players and supports of the Macquarie University Cricket Club can look back on the 1982-83 season with a sense of achievement. During the season the club developed a strong sense of unity fostered through well organised, well attended and enjoyable social functions. This spirit was evident despite our low placings in Grade and shortage of victories amongst the Shires teams.

This season was another in which we developed in playing strength and administrative accomplishments. We fielded five teams for the first time, practised on turf pitches, used wicket covers in 3rd and 4th Grades, built some portable scoreboards, established an honour board and held our fifth annual seven-a-side competition for Municipal and Shires clubs.

The Macquarie University Cricket Club now has the facilities, administrative structure, finances, and the support of the Sports Association and groundstaff for entry into 1st Grade from 1984-85. There is also sufficient cricketing ability amongst the University population to succeed at the higher level. Talented players in this Club need to be given the opportunity to play 1st Grade cricket for their University. At present many of our players are either lost to other clubs or are held back at a standard below their capabilities.

We look forward to the day when the goal of this Club is achieved by promotion to 1st Grade.

John Wickham.

SECRETARY'S REPORT

In presenting my second report as Secretary of Macquarie University Cricket Club, I would like to focus on how I see this club progressing in the immediate future, rather than to dwell on last season's achievements and failures.

On Saturday 28 May, the N.S.W. Cricket Association conducted a "summit" to discuss the future of cricket in NSW. Macquarie University Cricket Club was an invitee to the summit, I attended as our representative. Amongst the many opinions put forward and agreements reached was an overwhelming desire to see the progression and the rationalisation of cricket in NSW. In particular the rationalisation of Sydney Grade cricket. The consensus was for a reduction in the size of the Sydney Grade Competition.

Now, it is a fact that we will again be playing in third and fourth grade in season 1983-84. Beyond that, our future rests with the deliberations of the NSW Cricket Association, given the information that was gathered at the summit.

If this club is not to be cast to the wilderness the season after next, we must make an impact in the coming season in order that we have a case to state for the future. That impact of necessity must start at the top. Any clubman playing sport will know that the success of a club is a direct reflection of that club's senior team. Consequently, our third grade side must succeed next season and success will only come through hard work by all this club's players. To play in the senior team is a goal which each player should set himself from now. It is not good enough to feel satisfied with anything less. With this attitude each team through the grades will be successful.

At Macquarie we have the best facilities possible, we need to prove that as a club we are worthy of them and are worthy of a place in Sydney Grade cricket. Playing cricket for Macquarie should be a pursuit that consumes many hours of practice and commitment through the week, not just a social outing on a Saturday afternoon. There are plenty of other teams around that cater to that attitude. Also, the only reasons for missing a game should be injury, illness or bereavement.

The only direction for Macquarie to travel in season 1983-84 is forward. We need enthusiasm, leadership and hard work. Are you going to be a part of it?

Allan Mahoney
Honorary Secretary.

SEVEN-A-SIDE REPORT

TOOHEY'S SHIELD

On Sunday 5 December 1982, Macquarie University Cricket Club hosted the fifth annual Tooheys Seven-a-side Competition. Entries were received from seven Shires Teams, Meadowbank C.C. and the "Country Specials".

Undoubtedly the highlight of the day was the appearance of Doug Walters to present the trophy and offer his congratulations to the winners and runners up.

The competition was won by the "Country Specials", a team of mainly expatriate Macquarie players who have gone bush to teach. In a thrilling final the "Country Specials" squeezed out the Macquarie I side, scores were 2/72 v 4/65. Congratulations to Phil Jirman and the boys. The repercharge was won by the quite unfancied Macquarie IV side (2/58 v 6/57). Dave Clarke is still smiling after that effort. To the unsuccessful teams, we will see you back next season for another try.

Also a record individual high score was set when yours truly managed 61 not out (in a total of 115) against Pennant Hills.

Finally a word of thanks to the umpires, who after surviving their early morning game against the "gentlemen", went on to provide excellent service all day.

Allan Mahoney
CAPTAIN MACQUARIE I's

CAPTAINS REPORT - THIRD GRADE

The 1982-83 season which promised so much resulted in a disappointing conclusion with the Third Grade side finishing in the bottom half of the competition. Inconsistent batting and fielding were the causes of our poor season.

The irony was that in a season of poor batting for the team Tony Monaghan scored three sparkling centuries and Al Mahoney scored runs consistently. Our bowlers worked hard and were equal to any other combination we faced throughout the competition.

We are left with one inescapable conclusion that Third Grade's and the Club's fielding is not of a standard which is required to win matches consistently in Grade Cricket. If the club is to have the impact on the Grade competition that comes successful batting and bowling.

Despite our lack of success we managed to enjoy our cricket. A large part of that enjoyment was due to the efforts of the executive and the social committee and we thank them.

Finally I would like to thank all the players in Third Grade for their support throughout the season and their attitude towards the game. I wish each of you a successful 1983-84 season. Let us all make the effort to produce the determination to make Macquarie University successful in the Grade Competition.

Chris Gardoll.

CAPTAIN'S REPORT - 4TH GRADE

The 1982-83 season saw 4th grade finish in the middle of the competition once again which is a little disappointing when you consider the ability and experience of the individual players. We wasted too many chances early in the season and it wasn't until after Christmas that we started playing with the consistency necessary to win a competition.

The team relied heavily on the same old faces from past seasons. Grizzle Welsby had a good season with the bat, topping the aggregate with 479 runs and generally giving us a solid start to the innings. He was well supported down the order by Chris Gold who produced numerous valuable innings. Andy Pavlov had his best year with the bat for Macquarie and quickly established himself in 4th grade with a succession of fine innings. Mark Adcock provided the individual highlight of the batsmen with his excellent century against Mosman. Down the order Andy Corish batted consistently, generally in pressure situations.

Laurie Ager and Grant Craighead were the backbone of the bowling, both getting through a lot of tight overs and producing a number of match winning performances. Andy Corish also bowled well, especially later in the season on unresponsive wickets. Greg McFadden only had limited appearances this season but still bowled with pace, while new boy "Splash" McGinnity also produced some good performances both on and off the field.

Once again 4th grade was an enjoyable team to play in and the team spirit was a big help when the pressure was on.

Grant Craighead.

MATCH REPORTS - 4TH GRADE

vs Gordon

Macquarie 9/256 tied with Gordon 6/256 dec.

Rain washed out the first days play and the game was reduced to a one day, unlimited over match. When Gordon declared at 6/256 a draw seemed inevitable, but Denlow gave us a chance with a typical whirlwind 88. Good support was provided by Mahoney (51) and McGinnity (50) and in a thrilling finish, with the light failing the match was tied.

vs Penrith

Macquarie 9/233 drew with Penrith.

After being 6/77 we were saved by a responsible partnership between Corish (61) and Lindsay (47) to finish the day at 9/233. Rain washed out the second days play.

vs North Sydney

Macquarie 154 defeated North Sydney 76 and 2/248.

We were given a good start by Schaafsma (44) and Welsby (20) but the rest of our batting lacked discipline and we were dismissed for 154. Excellent bowling from McFadden (5/46) and Craighead (5/27) enabled us to dismiss North Sydney easily and enforce the follow-on. North Sydney quickly got on top in the second innings however and batted out the day.

vs Sydney University

Macquarie 8/316 lost to Sydney 2/331.

The Macquarie batsmen appreciated good batting conditions and were always on top of the Sydney University attack. The major contributions came from Gold (56), Lindsay (52), Welsby (40), Corish (28) and Craighead (29 not out).

In reply Sydney University made the most of the good conditions and mixed good batting with dubious umpiring and found it a winning combination.

vs Balmain

Macquarie 199 & 4/85 lost to Balmain 272.

Batting first we should have had a good start with Welsby scoring a fine 46, but the other top order batsmen were disappointing. At 6/83 we were in a lot of trouble, but Gold was in an aggressive mood, eventually throwing away a century when he holed out for 91. He was given patient support by Corish (20). In Balmain's innings Ager bowled very well taking 6/69 from 31 overs, but we wasted too many chances and they eventually got away from us.

vs Western Suburbs

Macquarie University 186 & 0/53 lost to Western Suburbs 303.

After a woeful start (4/18) we were treated to a fine display of driving from Pavlov (79) and a powerful innings from Gold (51), but we still only managed to score 186. Despite good tight bowling we failed to take our chances and Western Suburbs passed us with 7 wickets down.

vs Central Cumberland

Macquarie 5/177 defeated Central Cumberland 175.

In the first of the one day matches we bowled well to restrict Cumberland to 175. In reply we were always on top thanks to a fine display of stroke making from Schaafsma (76). He was well supported by a patient innings from Garty (40).

vs Sydney

Macquarie University 191 lost to Sydney 4/203.

After bowling well through most of the innings, Sydney got away on us towards the finish to make 4/203.

In reply we were always struggling despite good knocks from Welsby (35) and Pavlov (50). We only got as close as we did thanks to a spirited innings of 24 from Wiblin at the finish.

vs Randwick

Macquarie 7/178 lost to Randwick 9/179.

Batting first we got off to a slow start and never got on top of the bowling, apart from Garty who compiled a good 58. The total was given respectability thanks to a quick 30 late in the innings by Corish.

Randwick were restricted by tight bowling, especially from Ager (5/49 from 20 overs), but the afternoon heat took its toll and in an exciting finish the winning run was scored off the second last ball with one wicket in hand.

vs Sutherland

Macquarie 140 & 188 lost to Sutherland 251.

Sutherland batted first and scored steadily on a good pitch to finish with 251. Best of the bowling was Jirman (4/46) making his annual comeback.

In reply we were given reasonable start by Welsby (39) but a dismal collapse saw us at 8 for 79 at one stage. The tail wagged thanks to an aggressive 42 from McFadden but we still forced to follow on. The batting was no better in the second innings, with Griffen (47) and Jirman (35) giving the score respectability. Wiblin showed the batsmen how it should have been done with an entertaining 41 at the finish.

vs Mosman

Macquarie 7/264 defeated Mosman 259.

With Mosman batting first on a perfect strip we put down too many chances, but still did reasonably well to dismiss them for 259, thanks mainly to a fine display of spin bowling from Corish (4/61 from 24 overs).

In reply we made a steady start, but didn't get on top until Garty and Adcock came together. When Garty was dismissed for 24 Cummins found his back to form, with a good 49 but the day belonged to Adcock who was in fine touch and went on to produce an excellent century. When he was dismissed for 104 the victory was formality.

vs Manly

Macquarie 201 and 7/55 defeated Manly 127 and 7/105.

We batted first and after a very fast start from Welsby (43) and Griffen (50) we stopped scoring and were out for a disappointing 201 with Madden producing a patient 33. With rain the following week Manly struggled to 127 avoiding the follow on by 1 run. Noted mudlarks Craighead (5/34) and Ager (4/56) bowled well.

With time running out we set Manly a target of 130 and at 7/75 we had a big chance, but they held out for a draw. Craighead (5/45) again enjoyed the conditions.

vs St. George.

Macquarie 129 and 3/77 lost St. George 3/132.

Playing in a 60 over game we only used 42 of them and were out for a meagre 129 with only Gold (39) showing any sort of form. St. George were untroubled to complete the victory.

vs Petersham

Macquarie 130 defeated Petersham 107.

Batting first in a one day match we were again dismissed in 42 overs for a disappointing 130, with Denlow (26) top scoring. The bowlers came to the rescue against some poor batting and managed to salvage a good victory. McGinnity (4/14) took out the bowling honours.

vs NSW University

Macquarie 217 defeated NSW University 206.

Welsby (54) saved his best form for the end of the season and was given good support by Blythe (31), Corish (32) and Pavlov (21 not out) to give us a reasonable total of 217. In reply NSW University struggled especially in the middle of their innings. A rally from the total nearly cost us the match but we lasted well under pressure. Corish (4/56) was the pick of the bowlers.

vs Northern Districts.

Macquarie 165 lost to Northern Districts 9/174.

In a relaxed atmosphere Northern Districts made more of their chances to win a meaningless redraw match. The highlight of the day was a fine knock of 68 by Welsby who appeared to loose weight during his innings.

CAPTAIN'S REPORT - "A" SHIRES

Our worst season for any Macquarie side? Perhaps. It certainly was the most difficult for all the players, including the skipper. It is a shame to see players of ability unable to perform to their potential.

They need to be led by a player of greater experience and ability, preferably one of a current 3rd graders. Back him up with a good opening bowler and batsman and A Shires would be a remarkably different side, certainly capable of matching the other teams who always field their club's best side as against our 3rd best.

I urge our Club to consider this approach to the 1983-84 season. We certainly have nothing to loose and we need winning lower teams to give our 3rd and 4th grade sides proper support during the pre and post-xmas exodus of players. This view is held by the majority of current A Grade Players.

Finally, my thanks to the A Grade players who gave me full support during the season and thanks to the Club Sports Association of Charlie Seton for the long awaited practice wickets. Now for the sightboards!

MATCH REPORTS - "A" SHIRES

vs Bexley

Bexley 3/188 defeated Macquarie University 184.

This was a match that set the pattern for Macquarie's performance for the season. Low opening partnerships, two or more comfortable scores by batsmen with the rest not getting out of their "teens", and bowlers taking only a few wickets.

In this match reduced by rain to a one-day contest Macquarie batted first on a damp track. Only Peter Garty (36) and Graeme Mitchell (64 not out) did anything with the bat, the latter enjoying a fine 38 run last wicket partnership with Jamie Wiblin (12).

Unfortunately Macquarie's bowling simply couldn't penetrate Bexley's batting. Their first wicket fell at 1 and the second at 104 as did the third. No further wickets fell before Bexley reached their target of 184.

vs Roseville

Roseville 3/105 defeated Macquarie University 97.

Sent in by Roseville on a suspect pitch at Roseville Oval Macquarie saw two batsmen score more than 10. Ivan Blythe (53) and Alan Nutton (17). Roseville's Stuart-Jones (7/31) and Laurie Monaghan (3/48) put the cleaners right through Macquarie however, Macquarie couldn't return the favour only taking 3 wickets (W. Howard 2/25) before being passed.

vs Burwood

Burwood 7/180 defeated Macquarie University 176.

This match played on a good batsman's pitch saw the Maccas bat first and although losing early wickets established a handy start at 3/94. Blythe (57) again in the 50's and Wilcoxon (31) were unfortunately let down by the middle order although Mitchell (22) and Baker (19 not out) scored helpful runs.

Burwood started well (0/66), but then lost their next 7 wickets for 75 runs. At this stage Phil South (4/54) and Steve Baker (2/54) had put the skids under Burwood and were well supported in the field by all players. However, Macquarie couldn't quite finish off and saw Burwood escape with the match. Things are looking up.

vs Canterbury

Canterbury 3/263 defeated Macquarie University 261.

Macquarie once more won the toss and elected to bat on a good track. As things turned out their batting, thanks to Bill the Barman (64), Dave Baker (50) Joe Nabuka (28) and Phil Smith (32 not out) laid the foundations for a winning score. They were supported by four other batsmen who again made the teens but couldn't go on with it. Please not the last wicket stand between Smith and Baker of 81 runs, which carried on an hour into the second day and managed to maintain our cordial relations with Canterbury.

Canterbury for their part played impressively an opening stand of 215 destroyed any chance Macquarie had and full marks must go to the Canterbury batsmen. There simply was no penetration in the Macquarie bowling, and that was the story of the match. Oh, for an opening bowler

vs Pennant Hills

Pennant Hills 2/214 defeated Macquarie University 211.

Again a good day found Macquarie batting first on a pretty dead pitch. In no time at all Macquarie were 4/42 and in strife once more. Andy Pavlov (85) came to our rescue supported by Graeme Mitchell (26) and Phil Smith (22 not out), however the writing was on the wall when we needed to bat into the second day for a miserable 211.

Once again our bowling didn't trouble the opposition who passed our score at only two down. A painful match.

vs Lindfield

Lindfield 6/283 defeated Macquarie University 130 & 97.

Macquarie sent Lindfield in on a good wicket in fine weather and paid the price dearly. By 4.15 Lindfield declared at 6/283 and sent Macquarie in. Brian Van Zuylen (10) and John Wilcoxon (24) batted extremely well to keep Lindfield out but unfortunately Brian lost his wicket on the last ball of the day. Brad Walker had bowled well taking 4/111 during the day.

On the second day it rained enough to delay the start. Macquarie was caught on a sticky wicket and suffered the consequences. Steve Campbell (40) put some respectability into the innings with support from John Wilcoxon (54), Bill the Barman (21) and Phil Smith (20). The second innings was best forgotten although Bill (24) and Dave Baker (20 not out) made it look better than it was.

vs Warringah

Warringah 7/271 defeated Macquarie University 77 & 4/32.

Warringah won the toss and batted. The contest was fairly even when Warringah were 3/106, but at this stage they took the upperhand and added 139 runs for their next two wickets. Jamie Wiblin 4/82 of 28 overs bowled very well and always troubled the batsmen. John Hatton 2/56 made notable debut in A grade.

Macquarie began their innings on the second day and were soon 3/9. Steve Roberts (17) and Graeme Mitchell (19) held things together in an incredibly boring but valuable stand. However it was to no avail as Maccas were soon out for 77. The second innings was equally disastrous until Roberts and Mitchell got together and set about putting spectators and players to sleep once more. The Warringah skipper gave up knowing there was no way through such stern defence. His players were thankful.

vs Wentworthville

Wentworthville 5/275 defeated Macquarie University 263.

Macquarie won the toss at home and batted. Once more the opening stand was nothing to write home about. Bill the Barman stayed around long enough to frustrate his way to a good 68 while John O'Brien top scored with a (74) in his first match of the season. Greg Nolan (25) Dave Clarke (24) and Brian Van Zuylen (22-5,4²!!) supported these two. We thought we had a winning score but soon found out Wenty had other ideas.

On opening stand of 83 followed by another of 80 knocked the stuffing out of Macquarie. Again our bowlers performed as well as they could, no one doubts their heart however, they simply couldn't get the breakthroughs when we most needed them. Phil Smith 2/75 off 18 was the best performed. A disappointing result.

vs Epping

Epping 3/291 defeated Macquarie University 109 & 100.

Eppings track always seems to be spongy ever during drought conditions, so we put Epping in and were quickly rewarded having Epping 2/57 then 3/97. But that was it the opposition set about the bowling fairly ruthlessly and declared at 3/291, sending us in around 5.00pm.

Catastrophe was a good way of describing our start, from 1/22 we finished the day at 5/35, and followed on the next week eventually crashing for 109. Only John O'Brien 27 in the first innings and later 23 in the second performed as our batsman should have. Phil Smith (36) and Jamie Wiblin (11 not out) tantalised the opposition in the final wicket stand of the second innings, however Epping finally won through in the second last over. A write off!

vs Lane Cove

Lane Cove 5/105 defeated Macquarie University 102 & 3/48.

Macquarie batted first on a delightfully prepared pitch but didn't match this with a good batting performance. 102 runs without anyone getting over 20. Lane Cove batted intent on a quick 1st innings victory in quest of an eventual outright one. There really was no contest as they passed us after losing 5 wickets. The second innings didn't really eventuate on the second day as we were rained out.

vs Auburn

Macquarie University drew with Auburn.
Best Result.

Three batsmen Peter Garty (47), Greg Nolan (51) and a "new boy" Greg McCulloch (68) put a lot of beef into Macquarie's batting. It was a good performance but let down a little by a lower middle order collapse, until Jamie Wiblin (22) once again rescued the side putting on (63) with Greg McCulloch for the last wicket.

Unfortunately the second week was rained out, definitely robbing us of victory. Still our best performance to date.

REDRAWS

1. Warringah 3/142 defeated Macquarie University 132.
2. Roseville 185 defeated Macquarie University 117.
3. Rained out.
4. Lane Cove 165 defeated Macquarie University 118.

These "nothing" matches again saw us go through defeated. Notable performances were Bill the Barman 31 and Peter Cummins 37, both against Warringah. Brad Walker took 4/33 against Roseville, his best performance of the season, not before time. Phil Smith took 3/35 against Lane Cove. We also unearthed a new wicketkeeper prospect.

Best players during the year were Phil Smith, Bill the Barman, John O'Brien and Ivan Blythe. Thanks to all participants in a very difficult season.

MATCH REPORTS - "B" SHIRES

vs Bexley

Macquarie 183 lost to Bexley 190.

New player to the club, Bill Congreve notched up a fine 92. Also Steve Campbell playing his first game hit a fine 21. Reliable tail ender Wally Hodgetts hit a whirlwind 32 not out.

Poor efforts from the middle order batsmen found us unable to gain the necessary 250 plus.

With Bexley off to a good start the bowlers spirit but lacked penetration. B. Congreve 3/35, B. Dowe 2/41 and R. Aitken 2/48.

vs Roseville

Macquarie 94 drew with Roseville 6/39.

The openers had a reasonable start, although we soon found ourselves 8/63. Spin bowling seemed to deter our batsmen. Another good knock by newly found opener Steve Campbell (19), also tailenders D. Clarke (13) and B. Dowe (15). With only 94 to play with, the bowlers had little hope.

After $\frac{1}{2}$ an hour we had them 2/25. Mark Wormell (1/7) and Dave Clarke (4/9) his best figures for the season, skittled four of their batsmen for 9 runs. With a win in sight, it started to rain.

vs Burwood

Macquarie 117 and 106 lost outright to Burwood declared 5/128 & declared 4/97.

No improvement in the batting, found us rolled for 117. Burwood quickly set to the task and sent us back in only five wickets down.

Trying to avenge a first innings loss we slumped again. Burwood easily passed our meagre total.

vs Canterbury

Macquarie 238 lost to Canterbury 4/341.

Sent in to bat on a hot day the Macquarie batsmen kept their heads down and batted well to be 8/213 at the end of the day. Steve Campbell made a fine (45) in two hours as an opener, Greg Nolan struck the ball well for his (25) and Dave Clarke stamped himself an all-rounder with a determined (29).

We added a further 25 runs the next week leaving Andy Pavlov unbeaten on (69).

The pitch was ideal for batting and Canterbury had no trouble in passing our score and no hesitation in batting on until sunset. Jamie Wiblin was the best of the bowlers and Andy Pavlov the most versatile taking a wicket with medium pace and off spin.

vs Pennant Hills

Macquarie 189 lost to Pennant Hills 5/316.

With a great effort by our top order batsmen, the first wicket fell at 87, a decent total looked in sight.

Steve Campbell (42) and Simon Burchett (39) almost batted through the session. Disaster struck ten minutes before tea with us losing four quick wickets.

A solid 37 from Larry Lambert helped us to the disappointing 189 run total.

Pennant Hills on a good batting track found the target an easy one. Dave Clarke, W. Hodgetts and R. Aitken bowled long spells without success.

vs Lindfield

Macquarie 113 and 38 lost outright to Lindfield 5/118 and 2/42.

With a make-shift side we suffered our worst defeat of the season.

S. Burchett (36), and D. Renton (23). A great moral boosting effort by John Hatton, sent Lindfield reeling, taking 5/48. The following week, caught on a wet wicket, we were bundled out for 38.

vs Warringah

Macquarie 238 defeated Warringah 114 and 3/166.

Winning the toss and having our best batting line up so far, we had Warringah chasing the leather.

R. Edenborough (50), J. O'Brien (40), M. Denlow (31), G. Nolan (34*) and D. Baker (36 including 9 4's) all performed with the bat.

Finally with a target to bowl at we were soon on top.

D. Baker (3/44), I. Brown (2/29) R. Aitken (4/28).

vs Wentworthville

Macquarie 241 lost to Wentworthville 6/247.

Another fine effort by the batsmen led to a reasonable total. S. Burchett (51), R. Francis-Jones (26), L. Lambert (33) and G. Dignan (79).

With Wenty on a moist wicket we started well, having them 3/28.

Home ground advantage and a drying wicket saw the Wenty batsmen pass our total.

A. Vietri (2/39) the best of the bowlers.

vs Epping

Macquarie 171 & 3/57 lost to Epping 6/270.

Our early breakthrough of 3/24, soon turned to disappointment. With only ten men due to injury Epping set us a difficult target.

A fine display of swing bowling by L. Ager, 27 overs 3/81, was the only highlight.

A steady loss of wickets around a fighting knock of 61 by R. Francis-Jones, saw our hopes fade. A "never-say-die" knock of 40 by B. Higgins kept our total respectable.

vs Lane Cove

Macquarie 1/7 Lane Cove 336 (washout)

With a weakened bowling attack, Lane Cove set us the impossible target of 336.

R. Aitken 5/85, J. Wilcoxon 3/111, D. Clarke 1/65 and A. Vietri 1/55.

Luckily the second week was washed out.

vs Auburn

Macquarie 103 & 51 lost outright to Auburn 6/104 & 3/51.

Auburn, taking some brilliant catches left us reeling. A fighting 28 by B. Folkard and J. Wilcoxon (20) accounted for the batting.

The bowlers, bowled without luck, due to fieldsmen and umpires. A. Vietri (3/49), D. Clarke (2/6) and R. Aitken (1/41).

A pitiful display of batting, except for S. Wiblin (27), ended any chance of batting out the afternoon.

Although a meagre total, Auburn were made to fight for every run. A. Vietri (2/24) and D. Clarke (1/24).

vs Bexley

Macquarie 6/136 defeated Bexley 9/132.

It took us until the first of the one day games to record our second win. The bowlers applied the pressure from the start and rolled them for 9/132.

A. Vietri (2/13, D. Clarke (2/20), R. Aitken (3/21) and G. Dignan (1/23).

Sensing victory, the batsmen took control. G. Digan (59) and S. Burchett (34).

vs Pennant Hills

Macquarie 125 lost to Pennant Hills 8/155.

Some fine fielding and attacking bowling contained Pennant Hills. D. Clarke (2/22), A. Vietri (1/6) and R. Aitken (2/31).

Going for the runs from the start we quickly overhauled the high run rate required.

On a slow outfield B. Congreave contributed with a hard hitting (39). With wickets falling all around him B. Folkard made a near match winning score of (54).

vs Lane Cove

Macquarie 141 lost to Lane Cove 7/243.

Off 39 overs Lane Cove scored a mammoth 243 runs.

M. Wormmal (2/58) , A. Vietri (2/42).

After a poor start B. Van Zuylen and M. Wormell (45), J. Wickham (36) and B. Van Zuylen (29).

CAPTAIN'S REPORT - "C" SHIRES

Despite a disappointing season on the field, the first year for Macquarie fifth side was in many ways a success. The club developed a larger pool of players to draw from, and was able to keep many good players who would otherwise have drifted away. We were able to feed in form players up to "B" Shires and above, instead of them having to call upon players right out of form and practice as in prior seasons. Despite a number of frantic Friday nights and Saturday mornings, it proved little harder to fill "C" Shires sides than had been the case with "B" Shires in the past (that's not to say it was easy).

On the field we had very little luck, and with kinder fortunes could easily have won 3 or 4 games. The toss of the coin proved decisive in the games against Burwood, Epping I's and Wenty, whilst injuries also affected us severely on a number of occasions. Having said that however, there is no doubt that like many of the sides we faced, we lacked depth at times in both batting and bowling. Being the fifth side we were inevitably handicapped by a constant turnover of players, which made it very difficult to build a combination.

The batting was generally disappointing, with too few batsmen going on to build scores once they had a start. Nick Francis-Jones played many gritty innings at the top of the order. Malcolm Patterson showed genuine class at Number 3, without getting the scores he was capable of. Larry Lambert and Brad Renton both showed good form early in the season to earn promotions.

The bowling was good in the opening games, although lack of depth enabled the opposition to get away later in the season. John Hatton provided penetration early in the season. Andrew Vietri showed considerable potential, and will do well once he sorts out his run up. Wally Hodgetts was a great workhorse, and could always be counted on to bowl a consistant line and length.

Our fielding was top class in the early games, with very few catches being missed. Later on the standard slipped, due mainly to lack of fielding practice.

Overall, despite our disappointments the season was an enjoyable one, and team spirit remained good. My thanks to all those who played "C" Shires and in particular to Wally Hodgetts, for his tremendous help and support throughout the season, and for taking over the captaincy. Thanks also to the other captains for their help. especially Ronnie Aitken, who pulled rabbits out of the hat to save us on several occasions.

Very best of luck to the team and the club in the future.

Bruce Donald

MATCH REPORTS - "C" SHIRES

vs Lindfield

Macquarie 77 & 3/52 lost to Lindfield 168 on the 1st innings.

Macquarie received a torrid welcome back to "C" Shires as Lindfield "cowboyed" their way to 94 without loss. However despite playing 1 short, our perseverance in the field paid dividends as Lindfield collapsed to be all out for 168. John Hatton was the star with a magnificent (7/60), while Larry Lambert performed well with 2/46 plus a run out. Bill Chakravarti's bear bugs also featured strongly

Unfortunately our batting could not match our earlier efforts with only Nick Francis-Jones (a gritty 13 plus 27*) and Brade Renton (17*) displaying any form.

vs Canterbury

Macquarie 0/11 drew with Canterbury 8/175 declared.

"C" Shires were again in the wars with early breakdown of John Hatton, but the bowling and fielding responded well as we restricted Canterbury to 8/175 on the small bland oval. Andrew Vietri (4/39 from 18 overs) and Chris May (3/65 from 22 overs) both toiled manfully. Unfortunately rain washed out the second day with the game evenly poised.

vs Burwood

Macquarie 61 & 122 lost to Burwood 6/78 dec. & 3/35.

A lost toss played a big part in this game at the Birthgrove Jungle, but we still turned in a most disappointing effort. After being in nightmare positions of 7/12 and 9/30. Brad Renton (30*) and Andrew Vietri doubled our score to regain a little pride. A shorter outfield (you could even run 2's) and too many sundries ruined our chances for victory. Only Wally Hodgetts bowled at his top to take (3/23) from 17 overs. In the second dig entertaining knocks by Larry Lambert (29) and Adrian Hooper (22) helped us avoid the outright.

vs Auburn

Macquarie 155 lost to Auburn 8/220 declared.

"C" Shires again showed character in adversity in this game. The bowling and fielding never gave in throughout a very hot day. Wally Hodgetts continued his good form with (4/36) from 16 overs.

The following week we had to bat one short as our best batsman was absent injured. At 3/111 Macquarie had a good chance, with Larry Lambert (50) and Brad Renton (22) combining in a fine partnership. We could not sustain the effort, but in the end only just failed to force a draw.

vs Roseville

Macquarie 129 & 3/124 lost to Roseville 135 on 1st innings.

A lack of application in our batting cost us victory in this game. Seven out of ten batsmen got a start but nobody went on with it. Nevertheless we were all set for a win when Roseville were 8/84 but were unable to finish them off. John Hatton (3/44) and Grant Craighead (3/46) were the pick of the bowlers. Craighead then finished the game with a fine (73) in a record partnership of 100 with Nick Francis-Jones (32).

vs Warringah

Macquarie 156 lost to Warringah 6/222 declared.

A depleted attack had difficulty in dismissing Warringah with poor catching costing us dearly. Both Andrew Vietri (3/44 from 27 overs) and Wally Hodgetts (2/53 from 24 overs) worked up a sweat! A slow but sure start from the Francis-Jones saw us 0/68 and later 1/93. Richard made 43 and Nick 33, but they only received support from Malcolm Patterson (30) and K. Singh (18), as the middle order collapsed.

vs Epping I

Macquarie 78 & 7/126 lost to Epping I 5/204 declared.

The weather ruined what could have been a great match against our traditional rivals, in our first real home game of the season. Batting first we found a soft track difficult to handle and it was left to the experienced Ian Harding (29) and Craih Anderson (17) to show us how to play. Epping then flexed their muscles as they saw the chance of an outright. A sound 46 from Anderson and a useful 29 from Michael Birch ended their hopes, although a later collapse added spice to the final overs.

vs Wentworthville

Macquarie 111 lost to Wentworthville 9/229 declared.

If the weather hurt us last game it killed us this time. We were condemned to field first on the hottest day I have experienced in nine seasons at Macquarie. Bruce Higgins showed a welcome return to form with (3/48). We ruined our chances in reply with three stupid run outs, including Steve South, who had batted impressively for (21).

vs Lane Cove

Macquarie 168 lost to Lane Cove 7/224 dec. & 4/85.

A correct call saw Lane Cove sent in on a wicket containing some life. We restricted Lane Cove early, but a lack of depth in our bowling let them get away. Bruce Donald bowled steadily with (3/62) from 19 overs. He received good support from Ian Harding (2/33) from 17 overs, while Wally Hodgetts bowled as consistently as ever. When we batted, Harding provided the class with (43), Donald the sheet anchor with (47) and Hodgetts plenty of entertainment with (33*). Highlight of Lane Cove's second dig was some good off spin bowling from Wiblin - Ken that is!

vs Pennant Hills

Macquarie 184 lost to Pennant Hills 1/190.

Sent in on the best batting track of the season, Bruce Donald (52) and Michael Birch (36) showed their appreciation in a fine stand of 83. From there we butchered 250, as the remaining batsmen committed suicide against a rubbish bowler. Malcolm Patterson (24) and Barry Keast (21) were the best of the rest. The following week a thin attack could not make effective use of a soft wicket. The game ended with Pennant Hills hitting the winning runs in a downpour.

vs Epping I

Macquarie 64 lost to Epping 3/73 dec. on 1st innings.

Total lack of batting application lost this game for us. Chris Kitching (12) and Kaku Singh (14) were the only batsmen to reach double figures. Brian Dowe bowled well (2/41 off 8 overs). The second day was washed out to end the game in a 1st innings loss for Macquarie.

vs Warringah

Macquarie 130 lost to Warringah 9/188.

Warringah elected to bat first and through some ability aided by a poor fielding effort and four dropped catches on our part, amassed their rather respectable total. Playing this game with only ten players handicapped us slightly. Michael Bigelow bowled and batted well, (2/28 off 7 overs and 49 runs) and proved to be a great asset to the team. Brad Renton got a confident start with (22).

vs Roseville

Macquarie all out for 170 defeated Roseville all out 67.

First win of the season! I think we're more suited to limited overs cricket. Malcolm Patterson (41), Wally Hodgetts (37) and Kaku Singh (28 not out) performed well with the bat while the best bowling performances came from Kaku Singh (4/16 off 7 overs) and Barry Keast (2/3 off 3 overs). The fielding effort in this game was the best at the season to date with Ken Wiblin, and Peter Dowding outstanding.
