

MACQUARIE UNIVERSITY CRICKET CLUB

ANNUAL REPORT

1983-84 SEASON

**Wise
investors
go by the
book.**

Whether you're dealing with personal finances or making decisions on behalf of a business, National Australia Bank's Savings Investment Account is a wise financial choice.

It combines the high interest usually restricted to specialized investment accounts with the flexibility of an "at call" passbook account.

Wise investors go by the book. Contact us for more information on how.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. These financial accounts have been prepared on the basis of historical costs and do not take into account changing money values.
2. Interest has been brought to account as it is credited to the various accounts.
3. Expenses incurred but not yet invoiced have been accrued on the basis of best available information.
4. Funds provided by Macquarie University Sports Association for use by Macquarie University Cricket Club are accounted for on a calendar year basis.
5. Equipment purchased by the club is expensed in the year of purchase.
6. Stock on hand as at 30th April, 1984 consist of Clothing and Drink Cans.
7. The cost of the covers and nets will be charged as a cost against various seasons, based on their estimated life spans.

C.M. Welsby.
Honorary Treasurer.

TREASURER'S REPORT

The preceeding reports show that the club maintained the previous years growth and recorded a surplus of \$ 1497.94.

From the Income and Expenditure Statement it can be seen that we relied on the increased cricket associations rebate to offset the effect of decreased social receipts - traditionally our largest income item. The Annual Dinner continues to lose money despite its popularity amongst the attendees. The large raffle raised \$ 207 despite a number of washouts immediately before its draw.

The Balance Sheet discloses little movement from the last year except that this year's surplus paid last year's liabilities. For the first time in a number of years the Sports Association is up to date with their invoicing.

The Statement of Receipts and Payments only reflects the flow of cash through the Cricket Club for the year. There is no allowance made for uninvoiced charges which we are still awaiting.

With the Cricket Club now in a healthy financial position consideration perhaps should be made to improving various playing conditions around the ovals. Perhaps the Cricket Association grant could go directly towards new covers or sightscreens for the top oval. Moderating this thought however, is the future of the top oval. It is of little use spending thousands of dollars on sightscreens if the top oval will only be used for two more seasons.

A slight change in treasurer's policy has occurred over the last couple of years. Previously when most people were at the sports centre after a match the price of beer was a little inflated. However, due to the fall-off in trade only the regulars currently breast the bar. It would be unfair to have this few financially supporting the rest. As a result of this, for the last three years, beers have remained at \$1 a can and I hope this status will be maintained this year.

Finally, I would like to thank all those who worked behind the bar and helped at functions during the year. In particular to Allan Mahoney who we must not "burn out" with overwork. I wish everyone every success in 1984/1985 and may we give out many performance trophies next year.

Next season with restructured sides and everyone playing on the same day, it may be easier to hold more social functions which generally increase the coffers.

Chris "Grizzle" Welsby

UMPIRES AND SHIRES GAMES REPORT

Due to the demand for grounds by the C Shire side and other hirers of the University grounds, only a limited number of social games were played during the year. The four Sundays where cricket club were directly involved were the Shires Representative games and the social game against the umpires.

It was a surprise to turn up at Macquarie early one Sunday morning to find many middle aged gentlemen already seriously practising. After being invited to toss by the umpires captain, Dick French (the current test umpire), and Dick having called heads, the Macquarie captain found the coin to be a double headed coin. Is this what happens in test matches?

The home team batted first and rattled up 247, with credit due to our top order batsmen of Steve O'Reilly, 47 and Steve Campbell with over 80. Umpire "W.G." batted eleven for Macquarie and exclaimed "That's the first time in about ten years I've hit a boundary".

Once bowling, Macquarie made early inroads with a few batsmen asking for the bowling to slow down and be directed at their bats (no Laurie Ager was not one of the bowlers asked to slow down.) Ron Aitken and Steve Campbell (again) did well with the ball. Dick French with over 50 not out excelled in the umpire's batting order.

Our thanks must be extended to the two lady umpires who completed their task under extreme pressure from their colleagues. The game was enjoyed by all who played in it and will no doubt be a prime date on our calendar next year.

On 10th December, 1983 two Shires North v's South of the harbour games were played at Macquarie. One being an under 21 game and one open game. Unfortunately about noon, a torrential downpour occurred. The cover floated off the wicket and the cover pole had to be retrieved after it had floated across the ground and was heading towards the Lane Cove River.

The games were replayed on the 17th January with the South of the harbour sides winning both games. As these occasions are ideal ways of raising finance it was disappointing to see only two Macquarie representatives help with the organisation.

From the regional sides a combination Shires side was selected and played the N.S.W. under 19 side at Macquarie on 7th March. The cricket association side scored in excess of 250 with only Ian Hinton (Wentworthville) and Laurie Monaghan (Roseville) causing the batsmen trouble. In reply, the Shires side were soon in trouble and only a blazing 43 by Ian Hinton allowed the Shires side to top 175.

This type of game is a very good "P.R". exercise with both the Cricket Association as well as other Shire clubs. With a little more help from club members this day can become a show-piece for Shires cricket, and a financial bonanza for Macquarie.

With a forthcoming reorganisation in Macquarie sides this perhaps is the opportunity to set up a series of social games as was done seven years ago by Peter Clark.

Chris Welsby.

TOOHEYS SEVEN -A- SIDE REPORT

On Sunday 4th December, 1983 Macquarie University Cricket Club hosted the Sixth Annual Tooheys Seven -a- Side knock out competition. Entries were received from ten Municipal and Shires Clubs, Meadowbank C.C, "Typhoons 7" and the "Country Specials".

Torrenhal rain the previous day forced the abandonment of the repercharge round and some hasty improvisation on the oval in order that the main draw could proceed. However, with the bowling all coming from the northern end into a wicket placed halfway down the original pitch play commenced only a little behind time. To everybodys credit all teams joined in the spirit of the occasion and a successful day resulted.

Following their success of the previous season the "Country Specials" started as favourites. They looked good as they progressed to the final to meet a young and impressive Wentworthville-Blacktown side.

The "Country Specials" batted first and scored 2 for 75 in their six overs (Nev Castle 31 n.o. and Dave Glasson 17) with four wides from Wenty eventually proving very costly. Wenty at bat always looked to have a chance, particularly after 2 overs when they were 1/32. However, tight bowling and good fielding saw a final that the Australian Cricket Board could not have asked for.

With one delivery remaining the last Wenty batsman made his way to the crease with his team requiring 6 runs to win the game. He took guard to the strains of "How Do You Feel", the crowd came to silence as the bowler moved in, the batsman swung and connected, result: caught one metre inside the midwicket boundary. "Country Specials" had got up by 5 runs, Wenty being all out for 70 off their 6 overs.

A marvellous finish to a great day.

Allan Mahoney.

CAPTAIN'S REPORT - THIRD GRADE

The 1983-1984 season saw Macquarie emerge as a competitive force in third grade.

At the beginning of the season we had to rebuild the team after losing many of last years players. The injection of new blood in to third grade enabled us to develop an enthusiastic side which remained in contention for a semi-final position throughout the season and only a few poor performances towards the end of the season saw us miss out.

We were fortunate to have three of our top order batsmen in good form throughout the season and this usually enabled us to build respectable scores. Grizzle led the way and proved that he is the most consistent batsman in the club with a total of 620 runs. Andy Lindsay showed the benefit of a season in England and was a reliable number Three batsman while newcomer to the club "Tiger" O'Reilly quickly forced his way in to third grade and proved himself to have a sound technique and a natural cricketing ability. Down the order Goldie and Phi Walker both played a number of valuable, often match winning innings. Goldie also gave a very tidy display as wicket-keeper.

In bowling we lacked a genuine quick bowler, but we were fortunate in having an intelligent attack who always kept the pressure on the batsmen. Craighead and Ager bowled consistently, but it was the slow left arm spin of Lindsay that was our main weapon. Andy bowled with immaculate control throughout the season and always had the opposition struggling.

Finally I would like to thank the players for an enjoyable season and wish you luck in 1984-1985.

Grant Craighead.

MATCH REPORTS - THIRD GRADE

vs Southern Districts

Macquarie University 261 and 3/46 defeated Southern Districts 129 and 9/115

We began the season well by rattling up 261 thanks mainly to Welsby (48), Lindsay (44) and Mahoney (44). Southern Districts struggled in reply thanks to good bowling from Lindsay (3/26), Craighead (3/35) and Steenkamp (3/51). We declared at 3/46 leaving Southern Districts 178 to win. They began well putting on 79 for the first wicket, but then collapsed badly to finish at 9/115 an exciting finish. Steenkamp (4/42) and Lindsay (2/3) did most of the damage.

vs Canterbury-Bankstown

Macquarie University 198 lost to Canterbury-Bankstown 5/242

Batting first all our top order got a start but failed to go on to a big innings. Welsby (37), Schaafsma (35), Lindsay (31) and Griffin (29) were the best.

In reply Bankstown were generally in control, eventually passing us five down. Craighead (2/44) and Lindsay (2/72) got through alot of overs.

vs Northern Districts

Macquarie University 5/213 defeated Northern Districts 5/210

In the first of the numerous one day matches Northern Districts batted well to make 210. Craighead (2/36) was the pick of the bowlers. In reply we were always going to score the runs thanks to magnificent batting from Welsby (78) and Lindsay (76).

vs Waverley

Macquarie University 150 lost to Waverley 7/234

On a disgraceful ground we bowled badly to let Waverley slog up 234. Edwards (2/44) was the best of the bowlers. In reply we scored a miserable 150 with only Mahoney (44) getting runs. A match to forget.

vs Gordon

Macquarie University 8/318 defeated Gordon 229.

On a good wicket we bowled well to restrict Gordon to 229. Walker (3/48), Lindsay (3/57) and O'Rielly (2/62) were the best of the bowlers. Lindsay (54) and Welsby (44) steered us towards victory, but it was a powerful 78 from Gold that finally got us there. Gold received good support from Walker (45x).

vs Sutherland

Macquarie University 221 and 4/113 dec. defeated Sutherland 152 and 5/95.

On a sub-standard pitch we were given a good start with a grafting 54 from Welsby, but the rest of the top order failed and we were in trouble at 6/116. Adcock came to the rescue with an excellent 43 and he was given support from Gold (26) and Walker (22). Sutherland were always struggling in reply with Walker 4/52 bowling well. Edwards (3/4) cleared up the tail.

Welsby was again the top scorer in the second innings with a flashy 47 and we were able to set a target of 182. Sutherland was struggling at 5/58 but held on for the draw. Craighead (4/26) bowled well.

vs Mosman

Macquarie University 3/199 defeated Mosman 7/197

Mosman were restricted to 7/197 in this 60 over match, with Craighead (3/61) and Lindsay (2/26) bowling well. Welsby (36) again got us off to a good start, but the honours were with Lindsay (69) and O'Reilly (63 not out) whom both batted brilliantly to give us an easy victory.

vs Balmain

Macquarie University 170 lost to Balmain 9/234

We did well to restrict Balmain through the early part of their innings, but they really got away from us at the end to finish with 234. In reply we lost wickets regularly and only a brilliant 72 not out from O'Reilly kept us in reach of our target. Eventually he ran out of support and we were dismissed for 170.

vs Manly

Macquarie University 59 and 7/140 lost to Manly 7/154

On a bad track we only put up a token resistance to some genuine fast bowling and were dismissed for a paltry 59. Manly had no trouble passing us and were only restricted by some well controlled bowling from Lindsay (6/60). We showed much more resilience in our second innings and avoided outright defeat thanks to a classy 69 from Lindsay and a patient 18 not out from Scotter.

vs Sydney

Macquarie University 136 lost to Sydney 158

Sydney were always struggling against tight bowling and were dismissed for 158. Ager (4/58) and Lindsay (3/34) were the pick of the bowlers.

In reply we were given a reasonable start by Welsby (28) and O'Reilly (30) but the middle and lower order failed miserably with only Schaafsma (30 not out) showing resistance. This is a game we should have won easily.

vs North Sydney

Macquarie University 8/183 defeated North Sydney 181 and 5/96

We saved one of our better bowling performances for the competition leaders and dismissed them for 181 on a good batting wicket. Craighead (4/49) and Lindsay (3/43) did most of the damage.

Lindsay (47) gave us a good start to our innings, but a middle order collapse saw us struggling at 5/106. Gold quickly swung the match back our way with an aggressive 54 and the victory became a formality.

vs Petersham

Macquarie University 7/309 defeated Petersham 142 and 3/115

On a good batting track Welsby provided us with the batting highlight of the season in scoring a fine 108. O'Reilly (38) and Lindsay (32) also batted well to give us a great start to the innings. Late in the day Walker (50 not out) and Craighead (44 not out) finished the attack off to enable us to declare at 7/309.

In reply Petersham were always struggling against good bowling and could only manage 142. Ager in particular bowled well to take 4/35.

vs Parramatta

Macquarie University 89 and 4/36 lost to Parramatta 5/90

Another match to forget. There were no highlights in our scoring a miserable 89. Parramatta were struggling at 5/43 in reply, but we didn't have the runs to take advantage. Lindsay (3/37) again bowled well.

vs Penrith

Macquarie University 80 lost to Penrith 126 and 2/118

We put in our best effort in the field for the season to dismiss Penrith for only 126. Lindsay (4/16), Ager (3/41) and Edwards (2/18) did most of the damage. We were very disappointing in reply and could only muster 80.

vs Parramatta

Macquarie University 213 lost to Parramatta 241

In a meaningless redraw played on a sub-standard ground Parramatta slogged up 241 with Craighead picking up 5/79. In a cavalier reply of 213 the main scorers were Welsby (47), Maskey (43), Gold (30) and a personal best of 36 not out from Edwards. The fact that 17 sixes were hit in the match was in indication of the size of the "oval".

CAPTAIN'S REPORT FOURTH GRADE

The season as far as results were concerned was not a brilliant one. Once again the team showed its potential by beating some top teams only to be beaten by lower placed teams. Attendance at practice was not satisfactory. Players should bear in mind that it is almost impossible to turn up on Saturday afternoon and expect to perform well without having any practice whatsoever during the week.

We were fortunate to gain many new and talented players to the club this season, the experience gained during the season should be of immense value to them next season, some of them were playing cricket on turf for the first time. Trevor Norton, Richard English, David Scotter, Glen Startor, Paul Tutt, Danny McVey and Greg Truman all playing their first season with the club established themselves as vital members of the team. Of the established players Brian Van Zuylen once again proved what concentration is all about. David Baker making his fourth grade debut after playing shires for a few years was the find of the season in the bowling department and should be very successful next season provided he plays a full season of cricket.

The batting let us down on numerous occasions and only one batsman Michael Denlow got over 300 runs for the season. The spearhead of the bowling was Laurie Ager our skipper during the first half of the season. Laurie's services were required in Third Grade and he did continue his good form with the ball in third grade. Trevor Norton playing his first season with the club was the other most successful bowler. Trevor not only practised twice a week but also arranged all net practices during the year. A special thank you to Trevor for undertaking this task.

As captain my thanks for the support of the team and the Committee. My thanks also to Darlene Norton for helping out with the scoring and afternoon teas. To Charlie and his staff thanks for the fantastic wickets prepared. I hope some of the other ground staff around Sydney take a leaf out of Charlie's book when it comes to preparing wickets. Thanks also to the other Captains for their time throughout the season. Hope to see you all in 84/85 for what we hope is a more successful season.

Michael Denlow.

MATCH REPORTS - FOURTH GRADE

vs Southern Districts

Macquarie University 9/236 defeated Southern Districts 228

A great start to the season, batting first Southern Districts were dismissed for 228 on a good track. Craig Edwards playing his first match for the club was the most successful bowler picking up 4/78 from 38 overs. Phil Smith (2/43 from 22 overs) was the other successful bowler. Excellent batting by Anderson 47, Blyth 43, Garty 38, Smith 28 not out and Denlow 25 helped Macquarie to 9/236 and first innings points.

vs Bankstown

Macquarie University 152 lost to Bankstown 4/173

Batting first on a damp wicket and slow outfield we were all out for 152. O'Reilly top scored with a stylish 46, Anderson 31 and Denlow 23 were the only batsmen to get a start. Bankstown batting on a good track and a dry outfield had no trouble passing our score. Smith was the most successful bowler with 2/19.

vs Northern Districts

Macquarie University 102 lost to Northern Districts 5/178

Batting first in a limited over game we were all out for 102. Our Batsmen played some rash shots and at times looked completely out of form. Walker 22 was the only batsman who offered any resistance to the Northern Districts attack. Northern Districts were 5/178 after 53 overs. Ager 2/20 was our most successful bowler.

vs Waverley

Macquarie University 9/218 lost to Waverley 241

Waverley scored 241 off 56 overs in this limited over game. Ager 5/60 from 19 overs and Geraghty 2/52 were the pick of the bowlers. Chasing 241 runs for victory we did not get off to a good start losing 3 wickets for 53. The feature of the innings was a great fourth wicket partnership of 106 between Adcock 69 and Garty 28. We were 9/218 at the end of 56 overs thus going down to Waverley.

vs Gordon

Macquarie University 209 defeated Gordon 198 and 1/64

Gordon batting first were dismissed for 198. Ager had the great figures of 8/34, Laurie had the Gordon batsmen in all sorts of trouble right from start. In this game some great catches were taken which made the bowlers tasks much easier. Chasing the modest 198 set by Gordon we lost four quick wickets and were reeling at 7 for 60 at one stage but then a ninth wicket partnership of 98 between Veteran McGinnity (56) and rookie Geraghty (55) put us within 16 runs of victory, going in at No. 11 Skipper Ager alonge with the solid McGinnity carried the score past the 198 runs required for victory. We were finally dismissed for 209. It was a really tense match and proved what application could do as demonstrated by the tail end batsmen.

vs Sutherland

Macquarie University 216 lost to Sutherland 9/327

Sutherland batting first were let off the hook after losing their first 3 wickets for only 26 runs. Dropped catches once again proved very costly. Sutherland declared at 9/327. Ager 4/95 (35 overs) and Norton 3/63 bowled their hearts out. Chasing a mammoth score we got off to a great start with Denlow (70) and Blyth (28) putting on 88 runs for the first wicket. Denlow's knock included 10 4's and 1 six. Unfortunately we lost a few quick wickets which made our task more difficult. McGinnity (27) was the only other batsmen to offer any resistance to the Sutherland bowlers. We were finally dismissed for 216.

vs Mosman

Macquarie University 9/164 lost to Mosman 8/234

Mosman batting first in this limited over game were 8/234 after 57 overs. Norton 4/57 was the pick of the bowlers. Once again our batting let us down, we could only manage 9/164 at the end of 57 overs. The highlight of the innings was an excellent batting display by young Glen Stanton (82 not out).

vs St. George

Macquarie University 109 drew with St. George 4/82

Rain delayed the start in this limited over game. The game was reduced to 38 overs. Sent in to bat on a wet track we were 8 for 109 at the end of 38 overs. Maskey (25) Truman (18 not out) were the pick of the batsmen. St. George were 4 for 82 when the heavens opened. Truman bowled well to pick up 2/33.

vs Parramatta

Macquarie University 42 and 6/104 lost to Parramatta 8/140

Our rorror match of the season. We were shot out for a paltry 42. A combination of bad batting and an underprepared wicket could be blamed for this disaster. Parramatta declared at 8/140. McGinnity 4/36 was our most successful bowler. Norton 2/36 and Folkard 2/20 also bowled well. Forced to follow on in this one day limited over game we fared much better in our second innings and were 6/104 at stumps. Van Zuylen (38 not out) batted through the innings and showed us all how to bat on this wicket.

vs Penrith

Macquarie University 165 and 72 lost outright to Penrith 2 dec. 173 and 2/66

Batting first on a good batting track we were dismissed for 165, once again our top order batting let us down and at one stage we were 6/59 only Denlow (30) offered any resistance. An entertaing seventh wicket partnership of 71 between McVey (48) and English (27) helped us to a respectable 165. Penrith declared at 2/173. Once again our fielding let us down. Batting a second time we could only manage 72 leaving Penrith 64 runs for victory which they got for the loss of two wickets.

vs University of N.S.W. (Redraw)

Macquarie University 106 lost to University of N.S.W. 119

University of N.S.W. were dismissed for 119 in 45.3 overs. David Baker 6/51 was the main destroyer. David bowled superbly and had all the batsmen in all sorts of trouble. It was a tremendous effort by David playing his second game in grade cricket. Chasing a moderate total of 119 we were dismissed for 106. David Scotter top scored with 29.

vs Balmain

Macquarie University 9/153 defeated Balmain 95

Batting first in this limited over game we got off to a disastrous start and were 5 for 29 at one stage. A great innings of 54 by English helped us to 9/153 at the end of 60 overs. Once again a tremendous bowling performance by the evergreen Ager 6/36 sent Balmain reeling to a first innings defeat. Balmain were dismissed for 95 off 46 overs.

vs North Sydney

Macquarie University 141 lost to North Sydney 234

Batting first on a good track North Sydney were dismissed for 234. After being 5 for 56 at one stage we let them off the hook with some poor fielding. Batting the second day on a wet wicket we were dismissed for 141. English (28 n.o.) and Garty 29 were the only batsmen able to master the bowling, we were finally dismissed for 141.

vs Sydney

Macquarie University 119 lost to Sydney 163

Sydney were dismissed for 163 in this limited over game in 52 overs. Norton 3/25 and Steenkemp 3/63 were the pick of the bowlers. Chasing 163 once again our top order batting let us down, we were 4 for 39 at one stage which made our task even more difficult. Norton (27) Anderson (19) and Truman (19) were the only batsmen who entered double figures.

vs Petersham Marrickville

Macquarie University 214 defeated Petersham 124 and 0/31

Winning the toss and batting first we scored 214. The highlight of the innings was a entertaining knock of 91 by Denlow who together with Van Zuylen (42) put on 120 for the third wicket. Maskey (31) also batted well. Petersham were dismissed for 124 which put them out of Contention for the final four. Norton (4/27) and Truman (2/44) bowled extremely well and had all the batsmen in trouble. Young Paul Tutt was very impressive behind the stumps picking up 5 catches and also involved in 3 run outs.

CAPTAIN'S REPORT - A SHIRES

The 1983-1984 season in A Shires was not a good one performance wise. There were numerous reasons for the lack of success on the field. The main contributory factor was inconsistent batting, with the exception of Bill Congreve, who performed with great consistency. Added to batting deficiencies, was a bowling attack which quite frankly, was not up to A Shires standard. Very seldom were we able to put any real pressure on the opposition early in their innings.

The problem with the side's batting was quick to show itself and really, was never solved. There were too many unexplicable middle-order washes. This was especially frustrating, as the side had four fifty-plus starts from their openers. Many players seem to have forgotten how to win games by building an innings. Players must now show some commitment to the club by reviewing their performances and exploit avenues, within and outside the club, to improve next season. Practice must be well attended and relevant. There is no value in practising leg-spin if you're an opening bowler and vice-versa. Also, if the practice wickets are a bit 'dodgey' there are no kudos to be gained from making batsmen duck and weave from "inspired" bowling. All it does is ruin fellow players confidence. During the game itself, attention must be focused on the game on the top oval, not events on the bottom ground. It is also wise to arrive at least half an hour prior to the start of the game.

During the season, Andy McShane, the Epping opener who has accumulated many runs against Macquarie sides over the years, complimented us on our fighting attitude when playing them. "not many smiles, and you could see everyone was trying hard". This attitude must be maintained.

Bill Congreve's performances deserve special recognition. Bill not only broke the A Grade Record aggregate but was responsible for getting the side away to a rapid start and many sides felt the sting of his powerful driving. Bill's consistency in making over 500 runs was matched by his consistency at practice. I'm sure there's a lesson in there somewhere.

Nine players in A Grade represented the club at Fourth grade level. Singelling one out, it was especially pleasing to see Dave Baker, after yeoman service in Shire's cricket, do so well. It's up to these players to consolidate their position in the coming season. Hopefully, the competition will be keen as this will also help the A's. Generally, the fielding in the A's was quite sound.

A Shires cricket is vitally important to this club while the side is the third in the club's hierarchy, it is the top side in the Shire's Competition. This year was an improvement in the competitiveness of the previous couple of seasons. Let's dedicate ourselves to improve upon that competitiveness by not only unloading the wooden spoon but lifting the club higher in the cricket championship.

Let me thank Bill Congreve and Steve Campbell for taking charge in my absence, and Michael Denlow and Barry Keast, the captains on either side of me, who either delighted or disturbed me, depending on their news over the phone. Thanks also to the A Shires players who were generally consistent in their availability and extremely supportive. It was greatly appreciated.

Warrick Folkard.

MATCH REPORTS - A SHIRES

vs Lane Cove

Macquarie University 95 and 8/175 defeated Lane Cove 3/100 and 166

Macquarie struggled on a grassless track and against tidy bowling. The team's season trend was set after we were 3/76 and all out 19 runs later. Despite an heroic effort from Trevor Norton, with (2/26) Lane Cove achieved their target in quick time and declared. Bill Congreve and Richard English gave us a great start of 59 in the second innings and determined, if not slow, batting saw us declare after tea at 8/175. Bill Congreve, a "violent" 52, Paul Tutt, a steady 41 and Trevor Norton 26 contributed well. Lane Cove accepted the challenge and after initial set backs courtesy of Trevor, at 4/133 were well set for victory. Macquarie spinners, Mark Wormell (4/35) and Steve Wiblin (2/52), kept plugging away despite the pressure and we won an exciting game.

vs Lindfield

Lindfield 7/250 defeated Macquarie University 6/64

After Lindfield were 3/20, a wet ball and some very powerful middle order batting, saw them recover to 7/250. Greg Truman 4/78 was easily the best of the bowlers. Lindfield's bowlers used the conditions beautifully and also seemed less affected by the "gloomy" conditions in the middle stages of our innings. They won with enforcement of the 25 over count back rule.

vs Auburn

Macquarie University 118 drew with Auburn 1/75

An escape we didn't deserve. A terrible batting performance on a flat pitch. Never had I seen leg spin so poorly played.

vs Epping

Epping 3/118 and 6/97 defeated Macquarie University 93 and 8/165

I completely mis-read the pitch normally Epping is a batsman's paradise but this pitch allowed abnormal left and plenty of seam. However our 93 all out takes on disabological proportions when you realise we were 3/73 at one point. Epping moved comfortably to 3/118 at the close and declared. If the pitch was two-heighted the first week it was more so the second week, with the first ball of the day nearly decapitaling Bill Congreve. Unlike the first week, the middle fought much harder and Folkard (70 not out) received valuable support from Greg Truman (16) and Mark Wormell (26 not out). With Epping initially taking up the run chase, the A's turned on one of their best fielding performances of the season. Glen Stanton's beautifully flighted left arm wrist spinners provided one of season's highlights. Epping closed up well and truey on the back post. A good recovery.

vs Wentworthville

Wentworthville 4/291 defeated Macquarie University 249

Probably the season's most disappointing defeat. Hard-hitting batting, poor directional bowling and Dave Baker's hand being rearranged all contributed to a fearful run-rate. However, a steady Brian Van Zuylen and a cavalier Bill Congreve saw us to 0/67 at the close with one ball to go but recovery was dampered by Bill's "unfortunate" dismissal on the last ball of the day. Things were looking great at 1/168 on a hot day and the bowlers struggling. Unfortunately 1/168 deteriorated to 8/217. Martin Jones (25) got us much closer with some spirited hitting than we really deserved. A hard defeat to get over. One reasonable middle order stand and we might have won a very good victory against the eventual premiers.

vs Pennant Hills

Pennant Hills 278 defeated Macquarie University 60 and 142

The first day fluctuated quite markedly. Pennant Hills got away to a flying start being 1/115 at one stage. They were held in check by some very accurate line and length bowling, just what was needed, by Dave Clarke (5/46) and Greg Truman (3/56). Our fightback was soured by a chanceless last wicket stand of 57. The second week was a disaster. First innings all out 60. I can offer no reason.

vs Canterbury

Macquarie University 7/104 drawn

Van Zuylen and Congreve got the side away to another solid start of 58. An all too familiar mega-crash saw us slide to 6/68 against another leg spinner. Phil Smith, a very cool head in a pressure situation, and John Wickham, steadied the situation. With 12 overs to go after the lunch break the heavens opened. The Canterbury captain approached me to call the game off. It rained that much.

vs Burwood

Burwood 2/124 defeated Macquarie University 113 and 1/45

Macquarie lost the toss and were sent in on a lively, grassy wicket. The less said about this innings the better, although several batsmen made starts and Steve Roberts batted well to topscore with (34). Burwood passed us easily and declared. We went back in after tea with Burwood hoping for an outright result. The dour pairing of Van Zuylen and Wilcoxon thoroughly frustrated them in this intention.

vs Bexley

Macquarie University 212 drew with Bexley 2/38

Macquarie batted first on a perfect pitch and were soon in trouble. However Steve Campbell and Bill Congreve combined with some lusty hitting to take the score to 2/109. Campbell was out for his first half century and his highest score for the club of 63. Congreve continued on to make 84, our highest score for the season. Unfortunately, like so many other times this season, we slipped from a strong 5/193 to be all out for 212. This was to be our second best batting performance for the season.

At stumps we had Bexley struggling at 2/38. We were looking forward to the second week but unfortunately, in damp but definitely playable conditions, the Bexley groundsman had not prepared a pitch. Hence we were "rained out" for an unlucky draw.

vs Warringah

Warringah 2/152 defeated Macquarie University 150 on 1st Innings

Rain interrupted play at tea the first week with Macquarie looking good at 2/83. The following week we continued to 2/100 but, again, collapsed to be all out for 150. The best of the batsmen were Roberts with 26 and Congreve with 62. Danny McVey (2/28) was the best of the bowlers as the strong Warringah batting lineup ran away with the game.

vs Roseville

Roseville 8/206 (dec) and 1/27 defeated Macquarie University 176 on 1st Innings

Another game we should have won. A couple of lucky partnerships allowed Roseville to reach a total they felt confident of declaring on. David Clarke (2/27), David Baker (2/63) and Danny McVey (2/35) were the best of the bowlers.

Once again bad batting contributed to the defeat. Seven of the top eight batsmen made solid starts but only Steve Roberts (46) and Danny McVey (45) carried on in any fashion.

Roseville then soured what turned out to be a good game by futilely asked us to bowl again for a half hour after they had already won.

vs Lane Cove

Lane Cove 1/115 defeated Macquarie University 97 and 0/31

Our second time around with Lane Cove and same first innings result. Only Folkard (37) made a notable score. A terrible display. Lane Cove obtained their lead with little trouble. A second time we were 0/31. Despite a frantic effort from the Lane Cove "ground staff" play was abandoned due to the wet surrounds on the second week.

vs Epping

Epping 8/178 defeated Macquarie University 177 on 1st Innings

Rain turned this match into a one day affair. Macquarie batted first and after making a good start at five runs an over slipped to be all out for 177, in 49 overs. Eight of the top nine batsmen made starts but only Congreve (43) and Campbell (30) carried on. If we are to win games then more batsmen must make runs after starting.

If not for one partnership of 62 from Hearne and the ever-awkward Andy McShane Epping would not have made the runs. Dave Baker with (3/14) from 12 overs was by far the best of the bowlers. Dave Clarke also contributed with (3/59).

vs Roseville

Roseville 3/143 defeated Macquarie University 140

The first match of the one day circus. Once again eight of the top nine Macquarie batsmen made starts but only one carried on. Bill Congreve hit 46 in a typically lusty manner with 2 sixes and 6 fours. On the way he passed 500 runs which has been a long standing Macquarie record. Congratulations Bill.

Unfortunately our bowlers couldn't trouble the Roseville batsmen on this occasion and they passed us with only 3 wickets down.

vs Lane Cove

Lane Cove 8/154 defeated Macquarie University 9/102

For the third time this season we played Lane Cove. They batted first and were lucky to reach 154 on an awkward wicket. Jamie Wiblin (2/25) and Dave Clarke (2/35) were the best of the bowlers.

Unfortunately our batting did not match our bowling. Five batsmen made starts but only a welcome return to form by Ian Blyth with (41) saw any substantial number of runs added. Dave Clarke and Jamie Wiblin put together a very enjoyable entertaining and completely frustrating last wicket partnership to hold out Lane Cove.

vs Canterbury

Canterbury 4/147 defeated Macquarie University 143

After a fine start, we collapsed to be all out for 143. Phil Smith batted confidently and was unluckily, but brilliantly, caught for 49. Andrew Harrex batted impressively for his 19. Jamie Wiblin also chipped in with a fine 15 not out. While our bowlers tried hard, the target set was no problem for Canterbury and they won the game with overs to spare.

CAPTAIN'S REPORT "B" SHIRES

The 1983-1984 season started as one of great promise for all Shires teams. We had our 80 players "on the books" as well as the "I'll play if you are desperate" to fall back on in times of shortage. The pre-season practice sessions were well attended and spirited and everyone was optimistic. Then came the crunch we had to put players on the field. The first game I had nine players until I recruited two at the game. Glen Edwards, who had come to watch his brother play Fourth's, and David Scotter who came to watch a friend play B's. Both continued with the club to be important club players both on and off the field. The second game saw us start with eight players and build to ten including one who had not played cricket for 20 years. The third game saw us start with eight players, build to eleven by 2pm but drop back to ten at 3pm as one had to attend examinations. This sort of start to a season is not good enough. We were defeated before we went on the field, the opposition knew they had us beaten before a ball was bowled. By early 1984 we had committed players playing B Shires the on-again off-again players where elsewhere, this showed in our results. We had two good wins and a couple of very close games that could have gone our way.

Overall the 1983-1984 season was a very enjoyable season for me (my first as captain) and I would like to thank all players who played in B Shires for making it such an enjoyable task to captain the side and for supporting every decision I made. Special thanks must go to Malcolm Patterson for his preparedness to go from captain in my absence to wicket-keeper, to opening bowler, to third change bowler, from opening batsman to number five batsman, all with the same knowing nod and minimal complaint.

B. Keast.

MATCH REPORT "B" SHIRES

vs Lane Cove

Macquarie University 234 lost to Lane Cove 6/274

Macquarie batted first on a dry wicket with seven batsmen getting over 15 but only Dave Scotter (59) being able to carry on to get a good score. P. Cook with 28 kicked the tail along. The second week saw perfect conditions for batting and Lane Cove took full advantage of them passing our score only six down. Best bowler was Hunter Leonard with 3/53.

vs Lindfield

Macquarie University 2/56 draw Lindfield 4/207 dec.

This was the first all day game and is best forgotten. It was cloudy and overcast with very light drizzle. Lindfield batted first and we fielded with nine players, the tenth arriving nearly two hours late. The conditions made bowling very difficult and the ball slippery. Dropped catches did not help our cause. Play was abandoned after lunch when conditions got worse.

vs Auburn

Macquarie University 0/23 draw with Auburn 3/274 dec.

Auburn batted on a perfect batting wicket, while we fielded with eight players. The ninth and tenth arrived during the next half hour but the eleventh arrived at 2pm. We had eleven for one whole hour, before another had to leave. Trying to contain Auburn on a good wicket with eleven players is hard enough but being one short makes it impossible. Best bowler was Dave Baker 2/43. Rain cancelled the second day's play.

vs Epping

Macquarie University 139 and 4/67 lost to Epping 6/214 dec.

Macquarie batted first on a good batting wicket and got away to 50 before the first wicket fell. We cruised to 2/96 and then lost 8 wickets for 43 runs on a good batting wicket. Again four batsmen got good starts but could not go on with it. Van Zuylen (34) Campbell (29) Patterson (22) and Keast (21 not out). Epping started slowly and at 4/82 we were an outside chance, but their middle order showed batting skill and they passed us 5 down. Left with the after tea session to bat Macquarie tried to dig in and were 4/67 at stumps. Van Zuylen (24 not out) and Keast (22) showed fighting spirit.

vs Wentworthville

Macquarie University 115 and 8/158 lost to Wentworthville 205

This is the game that "slipped through our fingers". We dropped too many catches including 4 in 5 balls. With this good fortune Wenty scraped through to 205 runs. Best bowlers were Wilby 3/30 and Nugan 4/55. Macquarie managed to score 115 in the first innings, the scores being 58 from Malcolm Patterson and 21 from Robert Nugan. Sent back in Macquarie were 8/158 at stumps. Patterson 65, Wilcoxson 39 and Wilby 21 not out were the main contributors.

vs Pennant Hills

Macquarie University 71 and 135 lost outright to Pennant Hills 4/75 and 2/135

Macquarie lost the toss and batted on a very wet wicket, all out for 71 with Brad Renton top scoring with 21. Pennant Hills batted on a drying wicket and were never really in trouble declaring at 4/75. The second innings from Macquarie showed no real resistance as wickets fell regularly. McCoy 38, Nugan 34 were the best performances. Pennant Hills scored the required runs for victory with 13 overs to spare and only 2 down.

vs Canterbury

Macquarie University 9/192 lost to Canterbury 4/193

This was a game we should have won. It was a 50 over match and after 19 overs when rain stopped play we were 1/105 and looking good. Two quick wickets at the resumption of play left us 3/106 and we had trouble scoring quick runs, only 192 after our 46 overs. Craig 51, Wilcoxson 44, Singh 41 were the best. Canterbury batted on a dry wicket passing us 4 down with one over to spare. Some poor fielding early in their innings took the pressure off their batsmen.

vs Burwood

Macquarie University 80 and 44 outright to Burwood 7/261 and 0/0

Burwood batted first and aided by some poor fielding and dropped catches raced to 261 runs in their 50 overs. Some terrible batting, good bowling and catching saw us collapse for 80 runs in 29 overs. Burwood sent us back in and shortened any confidence we had left and we capitulated for 44 runs in just 17 overs. Craig with 36 in the first innings and Renton 21 in the second innings were the only batsmen to get runs.

vs Bexley

Macquarie University 107 lost to Bexley 5/112

Macquarie batted first and just could not get runs. Patterson 32, Renton 18 were the best. Bexley had little trouble getting the required runs on the first day and were 5/112 at the end, the next week was a washout. Best bowler was Ron Aitken with 3/25

vs Warringah

Macquarie University 117 and 3/86 lost to Warringah 5/218

Warringah batted first and scored 5/218 with Edwards taking 3/54 and Dowe 2/56 being the successful bowlers. Macquarie's batting again just never got going, Leonard 35 and Singh 32 were the best. Warringah sent us back in and at stumps we were 3/86 with Lambert scoring 30 and Singh 20.

vs Roseville

Macquarie University 9/178 defeated Roseville 163

Macquarie batted first in the one day game and after a shaky start managed 178 off 50 overs. Lambert 44, Keast 26 not out and 30 wides helped us to our total. Roseville never got going with 2 wickets in the first over from Brian Dowe. Their middle order tried hard but some excellent fielding and controlled bowling had them 9/132. A nail biting finish resulted when their injured batsmen managed to hold up his end but old Bassil finally fell with the score on 163 with 4 overs to go.

vs Lane Cove

Macquarie University 124 drew with Lane Cove 4/56

Macquarie batted first on a wet wicket. After an slump (4/19) we fought to 124 with Dave Scotter scoring 53 and Singh 25. Lane Cove always looked to be in trouble against some very good swing bowling from Jamie Wiblin (3/19) and tight aggressive bowling from Leonard 0/12 off 7 overs. Rain saved Lane Cove from contain defeat the second week.

vs Epping

Macquarie University 84 and 7/154 lost to Epping 1/93

Batting first, again we lost cheap early wickets being 2/3 but struggled on to 84 on what started as a tricky wicket but dried to a good batting strip. Leonard 30 and Wilcoxson 28 not out were the best. Epping easily scored the required runs losing only one wicket. They sent us back in but on a dry wicket. Singh blazed 69 runs, helped by Wilcoxson 22 and Osborn 24 not out. We were 7/154 when stumps were drawn.

vs Bexley (1st Redraw)

Macquarie University 138 lost to Bexley 6/141

We batted first with cheap early wickets falling. The middle order put some respectability into the score with Osborn 32 and Keast 22 the main scores. A run out on the last ball of the 38th over meant we had to bowl a full 50 overs at them. Bexley struggled against tight bowling and excellent fielding to pass our score with 3 overs to spare. Best bowling Leonard 3/4 off 8 overs. Keast 1/14 off 6 overs.

vs Wentworthville

Macquarie University 5/135 defeated Wentworthville 134

Wentworthville batted first and did not apply themselves to the task. They scored very quickly but also lost wickets. They were rolled for 134 in only 30 overs. Deegan with 4/15 off 5 overs was the best bowler. Our fielding was of the highest standard with some excellent catches held. Macquarie were never in trouble scoring the runs, the only flutter being when the 4th and 5th fell at 102 and 106 respectfully. Wilcoxson with 46 and Bigalow 27 were the main scores.

vs Lane Cove

Macquarie University 8/146 lost to Lane Cove 8/192

Lane Cove batted first and scored 192 not without their problems losing 4 wickets for 6 runs in their middle order. Deegan was the best bowler with 3/26 off 8 overs. Macquarie were always in hunt until John Wilcoxson was forced to retire hurt for the second time so the tail end just batted out time. Best batsmen were Wilcoxson 40 retired hurt, Wilby 28 not out and Patterson 27.

CAPTAIN'S REPORT - C SHIRES

It was a disastrous season in many ways for the "C" Shires, but with a detailed explanation it would almost appear in some ways a success. The wooden-spoon was retained although more points were gained this season including an outright win at Canterbury; something Macquarie sides in the past have only dream about. Two possible wins against Wentworthville and Warringah were interrupted by rain, many losses though were not. The largest number of players to play in one Macquarie side did not allow any stability to be established, and this perhaps was the cornerstone of our troubled season.

The performances on-field were inconsistent in both batting and bowling, assisted by poor umpiring and little luck. Too few batsmen relished easy paced wickets and the opportunity of batting first to build big innings. Indiscretion on the part of many brought apart many promising partnerships and the result was constant pressure upon lower order batsmen. The fact that twenty-five per cent of our innings were ducks did not assist the cause at all. Consistency lacked in many batting displays with a number of middle-range scores never built upon. The result was that eight team scores were below one-hundred and seventeen of the eighteen team innings were below two-hundred.

Lack of depth and variation in bowling saw many opponents take full toll on us and meant only three times did we dismiss a whole innings. Also any bowler showing potential was quickly promoted and this resulted in bowlers with little experience and consistency being called upon to bowl for long periods.

Our fielding was good with many fine catches taken including a couple of extraordinary ones which lifted team morale better than any motivational speech. If an acceptable standard is to be maintained a committed attempt by all players has to be made to practice.

Nevertheless, despite many difficulties some players had an enjoyable season. There are many changes that have to be made in administration before Macquarie can seriously consider itself being a full grade club. Selectors must be appointed and meet each round and once a player is selected in a team only exceptional circumstances should result in a change. This means "poaching" of players which happened to us continuously on a Friday and Saturday would not occur. To be told "it is better for C's to go in without than B's" is intolerable and against the club spirit. Spirit needs to be built up or Macquarie will appear to be "two clubs within one", a situation which arose this season. Performances in administration and on the field must improve, by full commitment for a season this can be a reality. To those who endured 1983-1984 with "C"'s, let it be a lesson that firstly the club as a whole comes first and let us work together in 1984-1985 to make Macquarie the club it should be.

Chris Kitching

MATCH REPORTS - C SHIRES

vs Warringah

Macquarie University 99 and 87 lost to Warringah 248 outright

The season could not have started in worse fashion! Bowling was good and varied with seven players used on a easy paced wicket. Warringah were dismissed with K. Singh (3/44) and D. Folkard (3/19) the most damaging. Unfortunately, the strong batting line-up didn't perform because of four ridiculous run outs, lack of concentration and indiscrete strokes. Only John Wilcoxson (57) showed any aptitude to batting.

vs Lane Cove

Macquarie University 193 lost to Lane Cove 5/171 on run rate

A top-order batting display lacking against Warringah pushed "C" Shires to a strong position at 5/162. However, 5/31 saw us dismissed well short of an expected total. J. McCoy (51), Critchley (38) and K. Singh (32) with good support gave us a reasonable score and each of these three showed that they were of a higher team standard. Bad luck with rain interrupting made Lane Cove's task easier and we were unlucky not to leave with the points.

vs Pennants Hills

Macquarie University 1/31 drew with Pennant Hills 6/230 declared

Rain again has our enemy and ruined what could have been an exciting second day's play. The bowlers led by K. Wiblin (3/24) and K. Singh (2/43) showed tremendous spirit in bowling on an unresponsive Macquarie track. A large target faced us but we had the team to do it.

vs Auburn Lidcombe

Macquarie University 152 and 5/114 lost to Auburn-Lidcombe 8/161 dec. on 1st Innings

The same old story was reappearing with the batting again showing lack of concentration and practice as well as immaturity. The L.B.W. decisions did not help the team but at least we can say we are honest. K. Singh (35) and D. Folkard (23) lifted our total to a moderate one, on a small Mona Park though it was never enough. Auburn were in trouble at 5/81 but were let off the hook. We came back to have them 8/130 but could not get the breaks we needed. D. Clarke (3/61) off 26 overs and K. Singh (6/65) off 25 overs turned in the best bowling displays of the whole season. Our second innings was to play out time with B. Renton (47 not out) gaining good practice.

vs Canterbury

Macquarie University 117 and 184 beat Canterbury 1/145 and 126 outright

This has the game of the season for 'C' Shires and boosted morale for the upcoming university holidays. We were not to realise the excitement of the second day's play when we were barrellled out cheaply for 117 on day one and saw Canterbury cowboy their way to an innings lead. A "sporting" declaration made with the scent of an outright gave us the chance we needed. J. McCoy (64) led the way with P. Dolan (32) and D. Costigan (24) supporting. With only 156 runs we had to bowl tightly and get wickets too. B. Dowe (5/45) tore through Canterbury and their last five wickets fell for 24 runs. A great fielding display enabled Macquarie to gain sweet victory over our arch rivals of many seasons.

vs Epping 2

Macquarie University 208 lost to Epping 2, 6/213 on 1st Innings

Our best batting display should have been much better because at 5/168 we lost 5/40. D. Craig (78) and B. Keast (48) with the highest partnership of the season gave us a big hope of another win. We started well with A. George (4/46) off 20 overs leading the attack and at 4/86 we were confident of "going on with the job". Strong middle order batting and poor fielding let Epping off and not even two late wickets could get victory as the Epping captain steered his team home.

vs Lindfield

Macquarie University 53 and 85 lost to Lindfield 0/56 dec. and 2/86 outright

The loss of key players and the beginning of "guest players" appearances heralded a mid-season change for 'C' Shires. Losing the toss we were put in on a sticky wicket and with accurate bowling we were never at ease going from 6/17 to all out for 53. Lindfield quickly notched up the runs against a depleted attack and all we could do was avert an outright in a one day game. At 5/19 we knew we were gone with only A. Hooper (35) providing any resistance. Better bowling did not prevent Lindfield from taking outright points.

vs Strathfield

Macquarie University 91 lost to Strathfield 224

A Sunday game on Macquarie Oval proved too big a hurdle as 'C' Shires succumbed to nerves which saw Strathfield cowboy their way to 2/96. After lunch we came back strong with J. Claney (5/30) off 10 overs leading the way with accurate off-spin; to take the last seven wickets for 101 runs. Strathfield entered 'C' Shires with a fierce attack and soon put Macquarie back on their heels with overs running out and 5/54 the score. S. Burchett (23) and C. Kitching (12) were the only batsmen to reach double figures as Macquarie capitulated to all out for 91 and go to a Christmas break with lots of problems.

vs Wentworthville-Blacktown

Macquarie University 117 drew with Wentworthville 6/70

The easiest of batting wickets and a hot dry day gave Macquarie ideal conditions to bat in. K. Wiblin (27) opened the batting and proved to be a backbone against a weak attack which mysteriously routed us for 117. A highly motivated attack led by K. Singh supported by excellent fielding quickly had Wentworthville reeling at 6/70 with K. Singh, C. Cohen and K. Wiblin taking two wickets each. Unfortunately the second day was washed out and we lost valuable points we were confident of gaining.

vs Epping 1

Macquarie University 84 and 151 lost to Epping 6/147 dec. and 0/90 outright

More guest players gave Macquarie an unknown quantity against competition leaders Epping 1. Fortunate to win the toss and use a good track inexperience took control and saw us 9/59 with only newcomer R. Clarke (38) showing any resistance. C. Kitching (23) and S. White added 35 valueable runs but 84 was never going to be large enough. Epping set up a hardy lead and then went in for the kill. Macquarie had a good chance of saving an outright loss with S. Fisher (34) A. Hooper (27) K. Wiblin (24) and J. Pais (20) getting amongst the runs. A lead of 90 was never enough to hold Epping and they cruised to victory losing no wickets against a dispirited Macquarie.

vs Burwood

Macquarie University 117 and 9/103 lost to Burwood 3/124 dec. on 1st Innings

More new faces, synthetic grass pitch and a highly competitive opposition did not assist us against a side eager to make the semi-finals. We found the different batting surface difficult to handle although R. Clarke (38) and S. Fisher (22) got amongst the runs. We lost 5/33 and lost any chance of victory. Burwood found our bowlers in full flight with R. Clarke (3/16) off 12 overs creating plenty of trouble sending Burwood to 3/41. Poor fielding let them off the hook and they declared to go for the outright. We were very obliging to their wishes collapsing to 6/36 and with plenty of time left outright seemed highly probable. C. Kitching (33) and R. Nugan (29) ably supported by J. Campbell (17 not out) batted out the last hour to save Macquarie further embarrassment.

vs Warringah

Macquarie University 0/39 drew with Warringah 7/243 dec.

A depleted attack had difficulty in dismissing Warringah and thankfully they declared instead. Inaccurate bowling, poor ground fielding and generally an air of laziness dominated our performance on the first day. When we appeared to be coming back into the game we could not sustain pressure long enough and thus even on an easy Macquarie wicket a big score was against us. K. Wiblin (12) and Folkard (24 not out) posted our highest opening stand of 39 and gave us every confidence of batting all the second day for victory. However, rain ruined any chance of play although it took almost two hours to persuade the Warringah captain that we could not play.

vs Lindfield

Macquarie University 13 and 59 lost to Lindfield 7/265 outright

This was the blackest day of the whole season. Only eight players decided to turn up giving us little chance against the semi-final contenders Lindfield. They batted first butchering our attack on the small pottery green ground to amass 7/265 off 50 overs. G. Dignan was the best bowler with 3/37. Our weakest batting line up all season in terms of batsmen and talent saw us fail for a dismal 13 and then improve somewhat to 59 with G. Dignan completing a good double scoring 26.

A black day for Macquarie to finish the season and for the immediate future competing in 'C' Shires. Blame for this is not just upon the 'C' players but the whole club.
