1983 - 84	A. Lindsay
1984 - 85	G. Craighead
1985 - 86	S. O'Reilly
1986 - 87	I. Blyth
1987 - 88	K. Dixon
1988 - 89	G. Brown
1989 - 90	I. Jessup
1990 - 91	P. Notaras
1991 - 92	T. Ritchie

UNIVERSITY BLUES

Blues are awarded by the University to sportsmen and women for outstanding sporting achievements. Performance standards are set by the Clubs and approved by the University Blues Committee. For Cricket, a Full Blue requires State representation whilst a Half Blue requires either 500 run or 50 wickets in the Club's highest team. Current student status is also necessary.

Previous awardees are:

Full Blue

1971 K. Mackay

Half Blue

1970 M. Redden
1971 F. Alley
1972 J. Giuffre
1972 P. Miller
1977 L. Ager
1978 P. Bourke
1985 C. Welsby
1988 I. Blyth

VALE - ROSS GWILLIAM

Long standing Club members will be deeply saddened by the recent passing (May 1993) of Ross Gwilliam, our Club Patron, after a long illness.

Ross was our second, and longest serving, president, from 1969 to 1979. He was a Life Member and recipient of a Club Colour Award. One of our grounds, the newly resurfaced "original" field is named after Ross as a result of his acknowledged services to the cricket Club.

Ross was easily our most "seasoned" administrator and always spoke in a delightfully slow, deliberate and thoughtful style. In a Club whose administrators have always been notoriously youthful, Ross's eloquent and often lengthy "chats" would entertain, fascinate and quite often infuriate younger, brasher and less experienced Committee members. But Ross's opinion was always valued, especially in dealing with administrative problems in a positive and diplomatic way.

I first met Ross in his capacity as an Educational Officer on campus. Often I would seek Ross's opinion on educational matters only to spend ninety per cent of the time, often a lengthy period of time, talking cricket.

Ross was very much a cricket traditionalist and took a great personal pride in identifying a youthful student of his by the name of R.B. Simpson and his apparent ability in the game.

Ross was an important, if not *the* most important person, in there *being* a Macquarie University Cricket Club. He was there at the Club's humble beginnings, and even played a game or two. In my early years at the Club, Ross was often in residence with his cloth cap and obligatory pipe. He oversaw the Club's growing strength and movement into grade cricket. He was present during the Club's twentieth anniversary celebrations although he was not well. His interest in the Club never waned.

He will be greatly missed.

Warrick Folkard

PRESIDENT'S REPORT

Success - at last. The team "word" was well used on Sunday 28 March 1993! For the first time in fifteen seasons we *really* celebrated! Sorry about that Jock! Congratulations to Al and the B's.

The hunt for the silverware started four seasons ago when for only the second time in eleven years a Macquarie team reached the final. Two men can take a large slice of the credit for the turn around in the Club's performance. Four years ago Alan Davies was elected Club President. Alan's drive and enthusiasm for the Club has seen results! Alan was the guiding force behind the changes to the Club. He almost single handedly organised the last UK tour and instigated the employment of Greg Gavin.

Greg Gavin is the other person responsible for the changes at Macquarie. Under his leadership, we have gone from middle-of-the-road 'pussy cats' to a fiercely competitive and well respected M&S Club. Most of the people are the same but the attitude is different - losing is unacceptable. A complete turn around in three years! In the last four years we have had one premiership, two minor premiers, four finalists and five semi-finalists. Compared to the previous eleven years - there is little. On a personal note, I would like to thank Greg for his help with ideas, advice and his donation of the major prizes for the end of year raffle. Gavo also organised another Club first - the former Australian test cricketer Geoff 'Henry' Lawson to speak at the annual dinner. Everyone that I've spoken to since, commented on how thoroughly they enjoyed hearing 'Henry' speak. In a season of highlights, having 'Henry' at the dinner certainly stood out!

To both Alan and Gavo, on behalf of the Club, Thanks!

I would like to thank the Committee. In particular, I must thank the Executive members, Steve O'Reilly, Richard Mather, Mark Ramsland and Barry Brien for the extra effort that they put in. Thanks to Simon Wolfe (92-93 Clubman) for his behind-the-scenes contributions.

Just as important to the smooth running of the Club as the Committee, are the team captains. On Friday and Saturday, these people's stress increases as they search for extra players. Particularly to the lower grade captains, thanks!

I would also like to thank Jock and the ground staff for their efforts during the season. It is easy to become complacent about the excellent facilities and pitches that we have. It is always a stark reminder of how lucky we are when you play away.

The statistics for the season are contained later but it is pleasing to see good up and coming young players. Ben Bradley, Brendan Fletcher, Nick Housman, Damon Law, Sam Herps and Andy Cearns to name a few. Congratulations to Matt Edgerton on receiving most improved. His last four innings of the season showed his talent and depth of concentration under pressure. Some players are born with a bat or a ball in their hands. Dave Webb is one of these natural sportsmen. After two seasons of consistent performance, he richly deserves to be named winner of the Gwilliam Shield as player of the year. I would like to congratulate the fifth team captain Steve Jurd on his hat-trick. It was achieved over two innings and Twenty-nine years. To the other pewter winners congratulations!

The women's team continues to grow in confidence. They have tasted the delights and anguish of semi-final cricket. Seeing so many of you at the annual dinner means that the team is here to stay. Janine Newby put in a mammoth effort this year and her enthusiasm will ensure the continued success of the team.

"These are the best of times, these are the worst of times". In a season where we at last celebrated, it is hard to imagine that times can be anything but good. Alas, with the advent of one of those horrible cliches "user pays" the Blue Barclay is open to the public after 6:30pm on Saturdays. As MUSA

increases the push towards "user pays" we must do the same. There is also pressure to replace the Northern Oval with a synthetic wicket because of the cost of maintaining three turf wickets. If we are to continue to have the use of these excellent facilities we need to be responsible for our actions even in times of celebration!

On a sad note, I would like to send our condolences to the family and friends of the Club's late patron, Ross Gwilliam, who passed away recently.

Finally, I look forward to seeing you in August as we start on the road to another successful season.

Bruce Hort
President

SECRETARY'S REPORT

After three seasons of coming so close to winning a premiership, we finally did it. Congratulations to Al Mahoney and B Grade for a huge effort. Let's hope it's a sign of things to come.

This season saw the Club consolidate its expansion and concentrate on fielding 6 competitive teams every weekend. Club numbers once again increased to over 80 registered players. This included a high proportion of students, a sign of our high profile on campus.

Once again Macquarie started the season slowly dropping games to lowly-rated sides. However, intensity towards the end of the season saw Macquarie come close to clinching the club championship in the final round. Unfortunately bad weather washed out most of the round. Macquarie finished a close 3rd, behind Roseville and Lindfield. Congratulations Roseville on your first Club Championship.

The teams were placed as follows:

A Grade	2nd
B Grade	1st
C Grade	6th
D Grade	6th
5th Grade	7th
Women	4th

As in the 91-92 season, wet weather intervened throughout the season, costing the lower grades, notably C's & D's, valuable competition points. Congratulations go to the eventual winners Lindfield (A's), Wentworthville (C's), Roseville (D's), St Leo's (5th's) and Bankstown Sports (Womens).

The 5th Grade men's team has continued to improve under the captaincy of Stephen Jurd, again narrowly missing the semis. This year it was decided to move the team into the Gordon District Junior Cricket Association competition for a number of reasons. Primarily, a fixtures draw in line with the M&S competition, thereby making promotion to higher grades much easier. Also, other M&S clubs have teams in this competition thereby making this a defacto E Grade and there was a considerable cost saving. I feel this move was a great success.

After lengthy discussions on the continued feasibility of a Women's XI, it was pleasing to see the consistent increase in the number of players each week. Making the semis in their second season shows a strong commitment and a positive outlook for the future. Thanks to Janine Newby for organising and captaining the team.

The refurbished Gwilliam oval, after some early problems, allowed for another Macquarie team to play at home. Jock once again produced ovals of a high standard. Macquarie's main oval was voted as one of the top cricket ovals in the Sydney area and second behind Weldon in the M&S competition.

As the Club looks forward we must continue to play positive cricket. The current Ashes tour and Macquarie's proposed UK Tour in 1994 should once again increase player numbers and strength. Hopefully this will lead to more premierships next season and/or a 7th side.

As I stand down as Secretary, I would like to thank the Committee for their continued support during the season. Good luck for the future.

Richard Mather
Honorary Secretary

COMMITTEE MEETINGS

During the 1992-93 season the Committee met on 8 occasions. Attendances were as follows:

B. Hort	8
S. O'Reilly	7
B. Brien	7
R. Mather	7
M. Ramsland	7
M. Noonan	7
D. Folkard	7
S. Wolfe	7
G. McFadden	6
J. Breden	6
S. Herps	5
J. Newby (guest)	4

TREASURER'S REPORT

I am pleased to report that the club continues to enjoy a sound financial position.

During the 1992/93 year, accumulated funds grew by over \$1,000 and now exceed \$17,000. This result is particularly pleasing given that the club, with the assistance of the Macquarie University Sports Association, has already put aside \$7,000 towards the 1994 UK tour.

Congratulations to Allan Mahoney and B Grade on bringing the first premiership trophy back to Macquarie in more than a decade. Allan has had a tremendous record as a captain over several years and his commitment to the club over the last 16 seasons has been an inspiration to us all.

Congratulations also to Greg Gavin who captained the A Grade team to within a whisker of their first premiership. It is no coincidence that the unprecedented successes of the club over the last three years correspond to Greg's three years as A Grade and Club Captain.

I would also like to congratulate the other captains for their enthusiasm and dedication. In particular, Janine Newby deserves a special mention. In only the second season we have fielded a women's XI, Janine's team missed out on a grand final appearance by the narrowest of margins.

In this my last year as Treasurer, I would like to close by expressing my continued appreciation of the Macquarie University Sports Association. The high standard of facilities and equipment that we enjoy is a direct reflection of the considerable financial assistance provided by MUSA over many years.

Steve O'Reilly
Honorary Treasurer

CAPTAIN'S REPORT - 'A' SHIRES

Oh, for a good old-fashioned slog over mid-wicket, a nick through slips, anything! I still wake in the middle of the night with both hands firmly on the handle trying to push one through the covers. It is very disappointing to get to within one good hit of winning the premiership. However, there are a lot of positive things to come out of it. I'm sure I'll think of some in the future!

This has been another great year in the history of the Club.

A Grade in the Final

B Grade Premiers

Women's XI 3rd

3rd in the Club Championship.

If we continue this progression, maybe we'll crack it in A's next year.

Our team has done a turn around in the three years I've been at the Club. In the first year the batters were the dominant force with 3 players averaging over 60, now the same players are averaging 30. To be fair, we did play on some wet wickets. In some games wickets were sacrificed in an attempt to force a result before rain or the end of the day's play.

Steve O'Reilly headed the batting average with 35.8 and scored 394 runs. Steve's batting saved the side on a few occasions but none more importantly than his 62 against Auburn in the last round when we were 6/27. Paul Notaras scored the most runs with 487 at 30.4 and at times showed glimpses of his old form. Other memorable innings included Peter Murphy's 51 against Strathfield when we were 6/113 chasing 190. Warrick Folkard and Dave Budge put on 51 for the last wicket against Burwood when we were 9/114. The partnership took us to 165 and gave us a chance of victory.

Dave Webb spearheaded our strong bowling attack this season. Webby took 39 wickets at 14.66 including 5 wickets in an innings 4 times. He justly deserved to win the Gwilliam Shield as player of the year. Congratulations Dave. He was well supported by Dave Budge with 26 at 17.84 and Peter Murphy with 22 at 13.12. Paul Notaras also captured 24 wickets at 22.04 to complete a good all-round season. Very useful contributions were made by newcomer Paul Howarth and "Gus" Hook is one of the best Clubmen I know. "Linus" McFadden has settled in as A's keeper and had a good year behind the stumps. Two players that deserve special mention are Graham Lego and Jamie Breden. They were promoted on form. Jamie's 40 in the final almost won the game for us. He certainly showed how we should have batted. Thank you to the other players who contributed throughout the year.

Behind every successful Club is a good Committee and at Macquarie we have one of the best. Congratulations to Bruce Hort and the Committee on a job well done.

Finally a word of thanks to the other selectors. It is not easy picking the teams each week, especially if you are selecting the lower grades.

In closing, we have a fine Club and it is getting better each year. We have a lot of very talented players that are backed up by a well organised and enthusiastic Committee. It is important that we maintain the same levels of performance and behaviour, on and off the field. If we do this, then MUCC will continue to be one of the strongest and most respected Clubs in the Shires Competition.

Greg Gavin

'A' Grade Captain.

MATCH REPORTS - 'A' SHIRES

vs Lindfield 213 lost to Lindfield 253.

We played away and Lindfield scored 253 after being 6/139. We failed to hold our catches in this game and should have had them out for a lot less. In reply we were bowled out for 213. The honours went to Paul Notaras (4/40 off 16 overs), Gavo (54) and Bruce Hort (51).

vs Wentworthville 182 defeated Wentworthville 167 & 5/98.

Some excellent bowling at home on a rain affected wicket saw us dismiss Wenty for 167. This was largely due to Todd Ritchie's 4/35 off 16 overs. In the chase Nasty scored a very good 75 in the total of 182. This gave us our first win of the season. In Wenty's second innings they were 5/98 with Dave Budge taking 4/19 off 9 overs.

vs Bexley 8/171 defeated Bexley 135.

Winning the toss at home, I asked Bexley to bat and we bundled them out for 135. Budgy (3/26) and Webby (3/47) were the destroyers. We scored the necessary runs for the loss of only 5 wickets and finished with 8/171. Gavo (51x) and Ivan (31) were the main contributors.

vs Roseville 5/116 defeated Roseville 107.

Away at Roseville Chase and Roseville batted first. Some great bowling by Webby, 4/41 and Peter Murphy 3/22 saw Roseville crash to 107. We went for the runs that night to set up an outright win. With that in mind all the batters attacked the bowling and we got the points, finishing the day at 5/116. There was no play the next week.

vs Canterbury 8/168 drew with Canterbury 209.

Round 5 resulted in a very tight draw at home. With only 2 hours play possible on day 1 it was a full day next week. Canterbury were bowled out for 209 with Murph taking 4/23 off 12. After a solid start of 43 the batting struggled except for Nasty who played a lone hand of 63. At stumps we were a very shaky 8/168. Phantom was the next best with 38.

vs Warringah drew with Warringah 9/327.

Warringah batted first on a great Macquarie wicket and were 9/327 at the close of play. We had our chances and dropped their top scorer 6 times on his way to a hundred. Murph was again the best of the bowlers with 3/62 off 27. As fate would have it rain washed out play the second week.

vs Baulkham Hills 7/246 drew with Baulkham Hills.

At McLaughlin Oval we won the toss and batted. At stumps we were 7/246. Steve O'Reilly top scored with 80x which included 2 sixes and 5 fours. The following week was again washed out.

vs Burwood 165 lost to Burwood 8/234.

Surprise, surprise this round was played over 2 days of brilliant sunshine. It was a great pity that our cricket didn't match the weather. Playing away at Burwood, we won the toss and batted. We started badly and struggled to 9/114. Gavo top scored with 43 (runs not age) and Nasty with 33 were the only ones to score more than 7. Then came a great 10th wicket partnership of 51 between Budgy 26x and Wick 29. They at least gave us a fighting chance. The next week the bowlers kept us in the game and Burwood were gone at 6/101. We then proceeded to drop 6 catches before they passed our score. They finished with 8/234 with Budgy, Murph and Gus taking 2 wickets each.

vs Epping 8/272 drew with Epping.

Playing at home we won the toss and batted on a good strip. We scored 8/272 with most batters getting a start. A brilliant innings of 66 by Paul Howarth was the highlight and included 2 sixes and 7 fours. Phantom got 57 and Graham Lego 44. The next week you guessed it, it rained all day!

vs Strathfield 9/198 defeated Strathfield 197.

Strathfield won the toss at their home ground and had an emergency team meeting to decide what to do. They were looking good at 2/156 but all of a sudden we hit a purple patch and took the last 8 wickets for 41 including 7 for 14. Wick was the destroyer with 5/44 off 20.1 overs. He was ably supported by Murph with 3/28 off 15. Our batting faltered a couple of times and we were 6/113 at one stage. Then a great fight back was led by Peter Murphy with 51 and Glen McFadden with 18 saw us pass them 8 wickets down. This was a terrific game of cricket and the result kept us in the race for the semis.

vs Lane Cove 9 (dec) 142 defeated Lane Cove 112 & 4/119.

We won the toss and asked Lane Cove to bat on a good Macquarie deck in an attempt to set up an outright win. Wickets fell consistently and they were 8/68. Their last 2 partnerships added another 44 and wasted precious time. Webby bowled magnificently to finish with 6/40 off 15. In an attempt to secure 1st innings points, the batters threw their wickets away and we finished the day at 6/100. Surprisingly, the sun was shining and we passed their total without much concern. I batted on for a few more overs and we established a 30 run lead in the hope that if we batted again our target would not be all that great. Top score was Murph with 29x. The theory was working well enough when they were 3 for 3. However, they established a couple of partnerships and the game fizzled out.

vs Pennant Hills 3/133 & 4/122 defeated Pennant Hills 132 and 121 outright.

Away at Pennant Hills and good fortune, I won the toss. Hills batted first and could only manage 132 off 59 overs. Dave Webb took 6/55 off 28.1 overs. Paul Howarth, the "Heinz" spinner, used every delivery known to man, finished with 4/51 off 19 overs of spin and imagination. The total was passed early on day 2 thanks to a great 50 by Nasty and we closed at 3/133. Hills were soon in trouble trying to set us a reasonable target and were dismissed for 121. The outright was secured by Phantom 38x and Gavo 34.

vs Auburn 147 & 4 (dec) 63 defeated Auburn 103 & 6/62.

The last round saw us away at Mona Park which has proved a nightmare for MUCC in the past. Auburn won the toss and sent us in. At 6/27 things looked dim to say the least. A truly great 62 by Phantom and a brutal 41 by Jamie Breden took us to 142. Some inspired bowling by Paul Notaras with 5/35, Dave Budge 3/43 and Dave Webb 2/16 had Auburn all out for 103. We batted again and closed at 4/63 with a lead of 107. We tried to bowl them out for the outright. However this was not to be and they were 6/62 at stumps.

Semi Final

vs Canterbury 195 defeated Canterbury 128.

We won the toss and batted on a wicket that looked good and likely to get no better. The game had several interruptions due to rain and this was a worry considering a draw would have seen us out in similar circumstances to last year. Our innings lasted 103.5 overs. Nasty made a magnificent 84. The brilliance of his innings was shown by the second top score of 24 by Paul Howarth. Our commitment was spot on from the start. Our bowling, led by Dave Webb (5/41), proved more than Canterbury could handle. They were all out for 128 despite a great little innings of 56 from their No. 8. At last Macquarie had made a Final! I must congratulate Canterbury on the way they played the game and also their Committee on the way they looked after us. I have no doubt they will be a force next season.

Final

vs Lindfield 95 lost to Lindfield 100 & 9/209.

The team selected to represent the Club in this match at Lindfield was:

Greg Gavin (c)	Graham Lego
Ivan Blyth	Paul Notaras
Steve O'Reilly	Paul Howarth
Dave Webb	Jamie Breden
Glen McFadden	Warrick Folkard
Dave Budge	Mark Noonan (12 man)

The wicket was wet from overnight rain and the pitch had been covered by gladwrap. Play was delayed until 1:30pm and to our delight I won the toss and sent them in. Dave Webb bowled outstandingly to take 6/31 off 14 overs and was well supported by Paul Notaras with 4/38 off 16.2 overs. Lindfield were bundled out for 100. We could not have been happier. With 16 overs left in the day, the going was tough but with 4 overs to play and 0/21 the score things were looking good. Then disaster, 3 wickets fell in the space of 5 balls for no runs. At stumps we were 3/21.

The next morning the sun was shining and the wicket looked to be a little better and you could almost smell victory. Then more disaster, 5 wickets fell for the addition of 15 runs. With the score at 8/36 the game was shot. Jamie Breden went to the wicket and batted like all before him should have, that is, he hit the ball. He had reached 40 and our score was 8/84 when he was out LBW. Dave Budge and Warrick Folkard tried hard to get the winning runs but the last wicket fell at 95. This left us an agonising 5 runs short of the Club's first A Grade Premiership. Lindfield batted again and we tried unsuccessfully to win outright.

CAPTAIN'S REPORT - 'B' SHIRES

The Club's first premiership in fifteen years was the culmination of a wonderful season for B Grade. It was apparent from the first game of the season that second was not going to be good enough. On every occasion when an effort was needed to pull us through the resolution and spirit of the team was magnificent.

The B Grade competition was very even in 1992/93 with the difference between our minor premiership and missing the Semi-Finals being less than 2 games. There were 6 games where the second day was washed out, so the luck of the draw and the ability to get points on day 1 had a significant influence on final placings. Fortunately for us we managed a win in one day against Warringah and also had two fine days against the very weak Lane Cove team which helped us to outright points. The outright defeat of Pennant Hills in Round 12 on a rock hard Macquarie track was the win that took us to the minor premiership. That was an exhilarating game of cricket and one to remember.

Both the Semi-Final and Final were games of unremitting batting concentration, we batted for a total of 369 overs for 744 runs for the loss of 15 wickets over the 4 days. In both games Baulkham Hills and Lindfield were shut out, both teams knew that they had been well beaten. Lindfield's good grace at the end of proceedings is to be applauded.

You will see from the statistics that follow the match reports the individual contributions made by the B Grade players this season. Legs was quite outstanding with the bat. All of the batsmen contributed at some point. The bowling attack in my opinion, was the best in the competition. Brien was sensational and when he and Deller came together in Round 6 it became apparent that with Brown, Ramsland and Dixon to follow, we could dismiss any other team. Wheeler kept fearlessly and on occasions with a great deal of pain. It is reasonable to say that our bowlers got us to the Minor Premiership, the batters, by virtue of sheer tenacity, got us the premiership.

I would like to thank the Committee for their hard work during the season. In particular to Bruce Hort for a job well done. To the ground staff for providing consistently excellent facilities, *THANK YOU*. Also, thanks to my fellow captains.

To my team mates, it's been a privilege to share a wonderful season with the best possible conclusion. In years to come when you pick up and read this report, we will all remember the unique thrill and joy associated with our time together in Season 1992/93.

Allan Mahoney
'B' Grade Captain

MATCH REPORTS - 'B' SHIRES.

v Lindfield 202 defeated Lindfield 176.

Round 1 saw a rematch of the previous season's final and as such this was an eagerly awaited fixture. Played at Macquarie, Lindfield won the toss and batted on a good wicket. A combination of steady bowling and rash shots saw Lindfield dismissed for 176. Breden 4/56 and Brien 3/33 both bowled well. In reply the target was achieved for the loss of 8 wickets. Lego top scored with 45, the undoubted highlight of the innings was Dixon's 24 in 15 minutes, the rush being due to Ken's need to leave early for a wedding. This was a very satisfying victory for all concerned, particularly those who had been involved in the disappointment of the 1991/92 washed out final. Lindfield were considered a quality side and a benchmark for future success.

v Wentworthville 160 lost to Wentworthville 5/285.

We were sent in on a damp wicket at Monty Bennett and from the beginning struggled. A combination of poor batting, good bowling and substandard umpiring saw us 8/126 at stumps. On day 2 the pitch was flat and hard and Wentworthville took full advantage. A match best forgotten.

v Bexley 9/250(dec) and 0/0(dec) defeated Bexley 95 and 7/50.

I chose to bat on a crusty Bexley wicket. One end played OK, the other at times dangerously. Batted into day 2 and declared at 9/250. Lego showed great concentration and top scored with 57, Brown 35 and Ramsland 34 both made worthwhile contributions in difficult circumstances.

Bexley had no idea how to go about the task of either scoring runs or surviving, losing 17 wickets in 69 overs.

Brown and Folkard both got 5 wickets and Ramsland 4 over the 2 innings. A dominant performance.

v Roseville 3/248 drew with Roseville.

I had no hesitation in choosing to bat on an excellent Macquarie wicket. The day belonged to Lego with an all-day, unbeaten 109. An innings of wonderful application. Mahoney 51, Brown 38 and Breden 36x also contributed. Day two was washed out.

v Canterbury 4/42 drew with Canterbury 146.

Canterbury elected to bat on a flat wicket at Lance Hutchinson Oval. At 6/25 it looked as though we would be batting before tea, however we went to sleep and Canterbury recovered to be dismissed for 146. Brien bowled with hostility to capture 3/24. In the 26 overs before stumps we struggled to 3/28. On day 2 the ground was swamped by a thunderstorm soon after the start and play was abandoned. A disappointing end to what promised to be an interesting afternoon.

v Warringah 1/84(dec) defeated Warringah 76 and 1/56.

We made the journey to Weldon, Warringah elected to bat on a grassy strip and had no answer to the pace and aggression of Brien 5/24 and Deller 5/37. First innings points came on day one with Lego continuing to be unbeatable with 42x. Day two was washed out. This was a significant match for us, firstly it provided 6 points in a day which proved vital at the end of the season. Secondly the opening combination of Deller and Brien came together for the first time. They were to form an excellent combination for the remainder of the season.

v Baulkham Hills 5/246 drew with Baulkham Hills.

Another belter to bat on at Macquarie and again Lego's day. This time, though, he was dismissed for the first time in two months, unfortunately run out for 99 by an over enthusiastic Brown, who contributed 45. Mahoney 42 and Deller 24x both batted well. Day two was washed out.

v Burwood 227 lost to Burwood 8 dec/286.

More runs to be made at Macquarie, this time it was Burwood's turn. They won the toss and batted into the second day. Ramsland bowled a marathon 35 overs taking 4/91. The equation; 287 off 78 overs. At tea we needed 206 off 50 overs with 9 wickets in hand. Unfortunately, batsmen 3 to 7 wanted to finish early, played a series of indiscreet shots and thereafter we were never going to get close. Deller 57x added respectability at the end. Lego 48 again batted well.

v Epping 259 drew with Epping.

Mercifully won the toss and batted at Epping oval on the hottest day of the season. Hort, down from A grade, opened and after a slow start played a punishing innings to score 106. He and Brown 41, shared an opening stand of 107. Mahoney scored 59. An opportunity to score well over 300 was wasted by the middle and lower orders. Day two was washed out.

v Strathfield 217 defeated Strathfield 89.

I elected to bat on an excellent Macquarie wicket. Strathfield bowled tightly and we progressed slowly to 8/215 at stumps. The innings was held together by O'Keeffe 70 and Hort 63. Elected to bat into day two, however the bowlers wanted to bowl and we lasted 1 over. The young Strathfield batting line up could not combat a very committed Macquarie bowling attack. Brien 4/19, Deller 2/31 and Brown 3/27 were simply too good. A great result from a must-win game.

v Lane Cove 6/120(dec) & 4/37 defeated Lane Cove 65 & 91 outright.

Sent Lane Cove in to bat on a green Longueville wicket. Our bowlers had a picnic against sub-standard opposition. Brien was best with 5/19. Took 6 points on day one and had 10 by 2.15pm on day two. Brien again starred in the second innings with 4/35. This match was notable for 2 stunning catches by Deller and, of course, 10 very valuable points which took us to within 2 points of the competition lead.

v Pennant Hills 6/148(dec) & 6/140 defeated Pennant Hills 96 and 9 dec/190 outright.

This was a crunch match for both teams; for us to remain in the top 4 and for Pennant Hills, who were one point behind us on the table, to go past us. I'd taken the unorthodox step of selecting Brien knowing he was unavailable for day 2 (more weddings). Pennant Hills chose to bat on a typically flat Macquarie wicket. Deller picked up the first wicket in the 12th over to have the visitors 1/25, in the following over Brien turned the match by taking 3 wickets. Great support from Brown 4/9 and Deller 3/36 had Pennant Hills dismissed for 96. We batted out the day to finish 6/148, Edgerton compiling a polished 45 and Brown a rushed 42 before he too went to a wedding. On day two to their credit Pennant Hills were

determined to set us a target in search for points. They declared at 9/190, Ramsland was the best of the bowlers with 3/60. We needed 139 off 23 overs, a run a ball. The run chase was tense, exciting and great fun. We made it with 4 balls to go and two wickets in hand (we were two short now, O'Keeffe's turn to go to a wedding). Everybody contributed but special mention to Edgerton for a great 43. The 10 points from this game took us to the top of the table. Outright wins at Macquarie are rare events and this was one to remember.

v Auburn; 0/11 drew with Auburn 225.

Auburn's turn to bat at Macquarie. A truly horrible fielding display helped them to 225. The second day was washed out meaning that interest turned to Epping Oval where Lindfield needed to beat Epping to take the Minor Premiership. Thankfully they were held to a draw by a dogged Epping and the Minor Premiership was ours!

Semi-Final

vs Baulkham Hills 8/415 drew with Baulkham Hills.

As Minor Premiers, we took a home ground advantage into the semi-final. The Baulkham Hills captain was obviously in a dilemma upon winning the toss and after much deliberation chose to bowl on the flattest of Macquarie tracks in bright sunshine. It was a decision he came to regret some 169 overs later. By this time we had accumulated a club record score and booked a place in the final. Edgerton 56, Hort 32, Mahoney 55 and Brown 24 were dismissed on day 1 before play was halted for the day due to a heavy thunderstorm. Stumps score was 4/212. Edgerton in particular batted with great poise and application. On day 2, Dixon 91 and O'Keeffe 88 survived 2 rain interruptions to post a record B Grade 5th wicket stand of 138. Unfortunately, neither reached a well-deserved century, however, both recorded personal bests for the club. They displayed great concentration and completely shut Baulkham Hills out of the game. It was later revealed that O'Keeffe had almost no sleep on the Saturday night due to his engagement party. On to the final!

Final

vs Lindfield 7/329 drew with Lindfield and won the Competition.

The team selected to represent the Club in this match at Macquarie was:

Allan Mahoney (c)	Bruce Hort
Matt Edgerton	Ken Dixon
Mark O'Keeffe	Greg Brown
Dave Deller	Mark Ramsland
Chris Hook	Phil Wheeler
Barry Brien	

A rematch of the previous season's final between the two best teams in the competition with everything to play for! We won the toss and elected to bat.

The same track that had been used in the semi-final was in use for this game. What followed was 200 overs of total dedication and concentration to the task at hand. Lindfield bowled very well, but it must be said, fielded poorly, they dropped a host of catches over both days. On day 1 we crawled to 4/172 off 110 overs. Hort went early after 13, Edgerton again displayed great poise and fighting spirit in making 49, Mahoney made 34, O'Keeffe was disappointed to go cheaply. Brown came to the crease at 1:47pm, Dixon at 3:02pm. Both were still there at stumps. On day 2 they batted on and on, both were still there at lunch. Dixon was dismissed at 2:16pm for 67, Brown shortly after for 68. It wasn't pretty, but it was overwhelmingly effective. Your team mates are all grateful. Deller came and made 45x. Ramsland was exhausted from the tension and went for 4. Hook was there at the end for 10x. With 20 overs scheduled to be bowled. Lindfield had had enough and we adjourned to the pavilion to savour the joy of a long awaited premiership. Every one of us had some past disappointment to carry into the game and this was reflected in the commitment and discipline displayed over the 2 days of the final. We now have something to treasure.

CAPTAIN'S REPORT - 'C' SHIRES

1992/93 was totally dominated by rain. The C's finished with 4 first innings wins, 6 draws (5 rain affected) and three losses. A total of 34 points - 6 points (I think he meant points - Ed) outside the four. Macquarie finished with a better percentage than most in the semi-finals. In the end we were three runs from the semi-finals (1st game). A side cannot expect to make the semi-finals with one win at Christmas.

The side basically batted soundly but the loss of most of last year's bowling attack meant that rebuilding was in order. Nick Housman came to the fore as the team's strike bowler due to controlled swing and change of pace. Nick was always a threat to the batsmen and should do very well in higher grades. Jon Shwabsky gained confidence during the year. Towards the end he was able to match his pace to that required by the wicket. His slower and arm balls worked very efficiently by season's end.

The nature of the Macquarie wickets often meant that wicket keepers were injured due to the lack of bounce in the pitch. In most home games we used two wicket keepers; in one game we were forced to use three. Although a difficult task, keeping sets the tone for the rest of the fieldsmen. The recent retirement and unavailability of three of the club's top keepers gives opportunities for others to shine. This is one area where some effort should be placed in the coming year to assist in the all-round strength of the club.

Earlier in the season one pitch was used for 5 consecutive games. Maybe this could be looked at as until this area is resolved games will continue to be weighted heavily in favour of the batsmen.

I would like to congratulate Al Mahoney and the B's on their long overdue premiership win. Their blitzing of the opposition in the finals certainly showed their strength.

It is not only the players that experience the season. Wives and girlfriends are virtual cricket widows. For their patience, thank you very much. Janette also dealt with many wet weather calls during the year. Her assistance was much appreciated.

I would like to thank the team, particularly those who assisted in the smooth running of the side off the field. Mark Noonan with the covers, Shane Vella with the stumps, Andy Pavlov with animal stories, all helped the side.

Chris Welsby
'C' Grade Captain

MATCH REPORTS - 'C' SHIRES

vs Lindfield 9/295 drew with Lindfield 297.

We started the first week short after not being told about the earlier pre-daylight saving start time. Warrick "Mario" Folkard (playing injured) was quickly into the Lindfield batting order taking 4/22 from 12 overs at tea. "Mario" finished with 6/91 off 29 and new boy Nick "Glen" Housman impressed with 4/62. Lindfield added 166 runs for the last 4 wickets on the very even and easy paced wicket.

Macquarie lost wickets quickly to be 4/105. Lindfield then placed the "dustpan" field for "Grizzle" Welsby - 2 fieldsmen 2 yards apart, 40 yards away at backward square for the sweep shot. This allowed Welsby 66, Lenard 45, Edwards 45 and Housemen 48 to all profit. With 3 overs remaining we had 3 wickets in hand needing 7 runs to win. We quickly lost two wickets and fell 3 short of victory. A hard game played for no result.

vs Wentworthville 176 lost to Wentworthville 207.

Our first taste of home for the year resulted in Wentworthville struggling to 207 with Nick Housman taking 4/73 off 34 and "Mario" Folkard finishing with 4/53 off 29. Both these two bowlers bowled unchanged after tea to complete Wenty's innings.

Chasing 207 we were 1/123 with Matt Edgerton 54 and Paul Chew 40 batting well before a collapse which resulted in Macquarie losing 9/53, well short of the required target. In this game we saw our first umpire for the year.

vs Bexley 4/182 defeated Bexley 7/181.

This was the start of the big wet. This game was limited overs and at least brought a result. One bowler down after a breakdown in the 9th over, the remaining bowlers - Noonan 1/52 off 21, Deller 0/59 off 23 and Matt Edgerton 1/12 off 7 all bowled very well to limit the Bexley total. Matt's new medium pace helped in the final few overs. Four batsmen were run out by very good Macquarie fielding.

Although losing 3/11 in the middle of the chase we finished with overs to spare. Welsby 74x, and Edgerton 46 were the pick of the batsmen.

While umpiring, all players need to be alert for even the simplest of things. During the innings a batsman noticed 3 fieldsmen behind square leg, charged the bowler and luckily hit it for four, the umpire remained unaware of the goings on. This could have changed the course of the game had he been dismissed.

vs Roseville 241 drew with Roseville 1/13.

Macquarie won the toss and batted on a flat Roseville wicket. Solid batting by Matt Edgerton 70, coupled with a 40 from Richard Mather and 44 from Nick Housman, including a first ball six which landed on his own bonnet, set the scene for the strong position. An early wicket kept Macquarie on top looking for an easy win next week.

The following week brought rain and no play.

vs Canterbury 9/(dec)279 drew with Canterbury 2/25.

Macquarie were sent in and were soon in trouble at 2/18. Two large partnerships, both involving Richard Mather (116) were to help Macquarie into a good position. Richard's innings started slowly but soon gathered momentum with many drives through cover, mid-wicket and glances to fine leg. An even time 44 by Colin Kendall and 33 by Chris Welsby allowed the imposing target.

After 17 overs, Canterbury were 2/25, both opening bowlers with a wicket apiece, when a storm arrived. Although the umpires restarted play on the main oval, Canterbury decided the outfield of the Northern Oval was too damp and refused to again take the field, a decision obviously influenced by the state of the game.

vs Warringah 1/39 drew with Warringah 165.

Another game where we were robbed by the rain. Macquarie, playing with 10 players after an opening bowler didn't turn up, easily accounted for Warringah. Housman, swinging the ball both ways, finished with the excellent figures of 5/44 off 18 overs which included the first five wickets to fall. After tea "Silver" Harrison quickly wrapped up the tail taking 4/13 off 8 overs of good off-cutters.

We were in no difficulty until the rain and the second week was completely washed out.

vs Baulkham Hills drew with Baulkham Hills 8/293.

During this game we used three wicket keepers - all due to injury on a typically low and flat Macquarie wicket. After having Baulkham Hills 4/128, 'Hills continued to register quite large partnerships after tea. Fielding was not the best, despite this the best bowlers were Housman 3/77 off 27, Harrison 2/37 off 15 and Noonan 2/54 off 15.

Baulkham Hills did to Macquarie what Macquarie normally does to all other sides, grinding out the runs, retaining wickets, with the pitch giving no assistance to the bowlers. We probably did well to keep 'Hills to this score. Yet again the second week was washed out.

vs Burwood 143 & 6/107 lost to Burwood 3/154.

This game was played on a new, underprepared wicket with cracks as wide as the stiches on the ball. At the end of the first week three holes on a good length fitted half a six sticher. The pitch was very dangerous with a number of batsmen and wicket keepers visiting hospital after play. Representatives of the Cricket Association inspected the wicket the day after play - the nature of this particular pitch didn't present the Club in the best of lights.

Macquarie batted first, the only batsmen to register double figures were Housman 38, Edgerton 29, Welsby 26 and Vella 15. Both weeks the wicket settled down later in the afternoon except for the ball pitching in holes. Burwood reached 154 with Jon Shwabsky (3/54 off 22 overs) taking all three wickets to fall.

Despite some retired hurts the next week, Macquarie avoided the outright loss through Pavlov 28x, Welsby 20 and Housman 18. This game showed which batsmen would grit and grind out when conditions were not in their favour. Batsmen cannot be just good wicket batsmen, they should be able to adapt their style to poorer wickets.

vs Epping 258 drew with Epping.

Macquarie won the toss and batted but were soon in trouble at 5/115. Larger partnerships and big hitting by Jamie "Toy" Breden 84 turned it around to have Macquarie finish in an excellent position. Other good batting contributions included Matt Edgerton 53, Pavlov 44 and Welsby 24.

The second week was washed out with Macquarie in another good position .

vs **Strathfield** 8/319 & 0/(dec.)0 lost outright to Strathfield 5/(dec)131 & 3/193.

Macquarie won the toss and batted on our first Saturday/Sunday game. We were bounced on this wicket and Colin Kendall came to the fore with a swathe of hooks, pulls, cuts and the occasional drive. Col raced to 92 before tea. He gathered himself during the break and continued onto 122 including 17 boundaries. The opening partnership was 120 with Simon Burchett contributing 36. If Kendall wasn't enough, the bowlers then pitched the ball up to Jamie Breden who then took over and smashed his way to 16 boundaries in 98 runs including 5 six's. There was some dispute whether he was actually out, some claiming he was caught over the boundary for what would have been a six.

Strathfield were in early trouble. Macquarie, a bowler short due to injury, offered the double declaration, to earn Macquarie 6 points before tea.

A bowler short and poor catching enabled Strathfield to reach their target fairly easily. The game finished with some very tired players, both sides scoring over 300 runs and sharing 6 competition points each.

vs **Lane Cove** 7/210 defeated Lane Cove 178.

Lane Cove won the toss and batted without losing wickets early. Jon Shwabsky was needed and starred taking 4/34 off 19 overs, varying his pace very well and extracting some spin. Steve Bateman took early wickets which enabled him to bowl 14 overs and also wrap up the tail to finish with 5/31 - most of these bowled by sheer pace.

A 71 opening stand effectively killed any chance Lane Cove thought they had. Burchett 60, Mather 48 and Welsby 23 all ground out the runs to achieve an easy win.

vs **Pennant Hills** 3/(dec)104 & 2/30 defeated Pennant Hills 62 and 156.

Pennant Hills won the toss and batted. Their opening batsman was run out first ball. All bowlers achieved wickets the best being Mark Noonan 3/9 off 12 overs, Steve Bateman 2/7 off 6 and Jon Shwabsky 1/0 off 2 overs. Chasing quick runs, we reached the target easily with Kendall 49 and Welsby 51x sharing a very quick 99 partnership. We declared but were unable to take wickets the first evening off the remaining 13 overs.

The next day was a long hard struggle with Pennant Hills batting to avoid outright defeat. The second new ball was needed to finish the innings. The best bowler was Housman (6/25 off 25).

Eight runs per over was beyond us, so we settled for a 1st innings win.

vs **Auburn** 183 lost to Auburn 193.

Auburn turned up without a score book, kit or stumps and batted on an easy paced wicket at Auburn. The figures by tea were 42 calls from cars, 7 wheelies, 4 ambulances, 3 Police cars and 1 car accident. The best bowler was Jon Shwabsky with 4/53. We lost both opening batsmen on the first afternoon.

The second day was wet, but playable. We played to quite an exciting finish. Brendan Fletcher 53, night watchman Mark Noonan 23 and Richard Mather 28 were the best batsmen. Ben Bradley almost won the game at the end with 24 well struck runs. In the end the conditions won out.

CAPTAIN'S REPORT - 'D' SHIRES

A season that promised much ended in the disappointment of not making the Semi-Finals. Of the 13 matches played, 6 ended up with no result due to the second Saturday being rained off. Of the remaining 7 matches, we won 4 on first innings (although 2 were lost outright after declaring 0/0), 2 were lost and 1 drawn.

The bowling throughout the season was of quite a high standard. However, due to continual changes in personnel in this department no one person managed a high number of wickets.

Three of the top wicket takers were spin bowlers with 42 of the 105 wickets. These were John Shwabsky (15), Mark Smith (15) and Douglas Latto (13). Richard Joyce was the other bowler to reach double figures with 15 in a promising debut season. There were some notable performances with the ball. Simon Wolfe opened the season with 5/52 against Lindfield. Richard Joyce had 5/70 in his debut against Wentworthville. John Shwabsky took 6/107 against Roseville in his first season. Mark Smith showed a welcome return to form with 6/78 against Epping. However, the most impressive single bowling performance came from newcomer Damon Law with 2/11 and 5/34 against Pennant Hills. The latter was off 15 overs when the opposition was batting aggressively.

The ground fielding was much improved over previous seasons with a number of run outs. However, the catching, yet again, let us down both behind the wicket and in the inner fielding positions. It was definitely a major factor in missing the semis.

The batting showed a great transformation at the end of the season. By round 7 only two players had passed 50, Shane Vella twice with 61 not out and 55, Douglas Latto with 66. The match against Burwood saw our first dominant batting display with 3/257. Simon Burchett returned to form with 90 and Ben Bradley scored his first century with 100 not out. Our next batting display against Strathfield also saw a newcomer, Grant Hooper, scoring 51 not out. However, we lost this match from a strong position and we still had a bit of work to do to make the Semi-Finals.

It is at this point that I realised that our problem was that we were batting too slowly, even when we were in strong positions. Too many of our batsmen played "nets" cricket and forgot to look for singles, preferring to wait 6 or 7 overs for a bad ball to hit for 4. Therefore some major changes to the batting were made with dramatic results.

In the last three matches we made 234 against Lane Cove (which would have been 350 on any other outfield), 9/278 against Pennant Hills and 300 against Auburn. All were made at a quicker rate.

There were some remarkable batting performances in the matches. Paul Chew and Douglas Latto had opening partnerships of 79, 140 and 81 giving a total of 300. The 140 was a D Grade first wicket record. Paul Chew had scores of 44, 64 and 125, his first hundred and a very impressive one. Douglas Latto finished the season with 65, 40, 80 and 38. Simon Wolfe regained his form with 62 not out as did Dave Kidd with 57.

We were looking for outright victories in these matches and lost to Lane Cove and Pennant Hills attempting this, but not before achieving first innings victories and declaring 0/0. In the latter match, a dropped catch off the last ball would have sealed victory, but saw us lose instead. An outright win in the last match against Auburn could also have seen us in the Semi-Finals. This was a real possibility. However, the weather had the last say with the final Saturday being washed out. So we ended up 6th, only 6 points outside the Semi-Finals. I believe that the team that we had at the end of the season was the best in the league. The cricket played at the end of the season was both positive and enjoyable. If this impetus is continued into next season there is a real chance we will win the league.

Finally, I would like to thank all the players who played for "D's" and made this season my most enjoyable in six years at the club.

Douglas Latto
'D' Grade Captain

MATCH REPORTS - 'D' SHIRES

v Lindfield 9/202 defeated Lindfield 201.

Winning the first toss, we asked Lindfield to bat. Three early wickets seemed to vindicate the decision. However, a 4th wicket partnership put us under pressure. Accurate bowling by S Wolfe 5/52 and D Whitehead 3/43 saw Lindfield dismissed for 201. A solid 40 run opening partnership was undone by the fall of three quick wickets. A 4th wicket partnership of 76 between D Latto (66) and P Hart (41) put us back on target. However, slow batting and a steady fall of wickets saw us needing 19 runs with two wickets left. A Cearns and M Ercelenk saw us home.

v Wentworthville 8/197 drew with Wentworthville 9/282.

Wentworthville won the toss and elected to bat. Their batting was based around one player who scored 159. In a third wicket partnership of 123, he scored all but 11. We had ourselves to blame with a number of straight forward catches dropped early in his innings. R Joyce, in his first match for Ds, took 5/70 off 23 overs with an impressive effort. J Shwabsky toiled manfully for 3/99 off 27 overs. Macquarie lost wickets regularly and at 6/103 it required a rearguard action. This came from S Vella who stayed to the end with 61x and Andrew Doherty with 25.

v Bexley 109 lost to Bexley 9/114.

Restricted to a one day game, we won the toss and elected to bat. The wicket had unpredictable bounce and we were dismissed for 109. Bexley had similar problems with the wicket and were 8/60 with D Poder, W Montford taking 3 wickets each. However, their tail end batsmen saw them home. They were 9/86 and went on to win by 1 wicket. They showed us how to bat on a bad wicket.

v Roseville drew with Roseville 9/303.

Macquarie put Roseville in and at 0/76 things looked bad. However, the spin twins, J Shwabsky and D Latto, bowled accurately to bring Macquarie back into match. At 9/232 they had all the wickets. D Latto took 3/54 and J Shwabsky an impressive 6/107 off 31 overs. Unfortunately the last wicket put on an unbroken 71 runs. The second Saturday was washed out.

v Canterbury 7/60 drew with Canterbury 159.

Macquarie won the toss and put Canterbury in. Dismissing them for 159 seemed to vindicate this decision. D Latto took 3/16 and R Joyce 3/55. The end of the first day saw us at 7/35! The batsmen had only themselves to blame. M Noonan and H Leonard batted 11 overs the next Saturday and took the score to 7/60 before the rain came.

v Warringah 2/25 drew with Warringah 262.

Warringah won the toss and batted. At 4/72 we were looking good but a fourth wicket partnership of 82 put Warringah back into the game. Again, dropped catches let us down. At 7/185 we still could have had a successful day but the tail waggled to see them up to 262. The pick of the bowlers were J Shwabsky 4/38 and S Le Bas 3/73. We were 2/25 at the close. The next Saturday was washed out.

v Baulkham Hills 236 drew with Baulkham Hills.

Macquarie won the toss and batted. S Vella was the mainstay with a solid 55. D Law (35), A Davies (30) and T Barnes (30) got starts but failed to go on with it. A highlight was a last wicket partnership of 45 with J Shwabsky getting 27x. The next Saturday was washed out.

v Burwood 3/257 defeated Burwood 145.

Burwood won the toss and batted. They were 8/92 before staging a slight recovery to 145. R Joyce 3/33 and D Latto 3/43 were the main wicket takers. At the end of the first day we were 1/56. The next Saturday saw us bat slowly, but steadily. S Burchett and A Davies put on 63 for the second wicket and we passed them 2 wickets down. There was not enough time for a second innings, so we had some batting practice. S Burchett was eventually out for a solid 90 and B Bradley scored an aggressive 100 not out, his first ever century.

v Epping drew with Epping 9/229.

Epping won the toss and elected to bat. They had a good start with 60 runs on the board before M Smith caused a minor

collapse. One of their players hit an aggressive 62 but we were well placed at 7/169. The eighth wicket put on 51 runs at about 1½ per over and play ceased at 9/229. M Smith 6/78 showed a welcome return to form and D Whitehead bowled better than 2/34. The next Saturday was washed out.

v Strathfield 234 lost to Strathfield 5/263.

Winning the toss and batting, Macquarie got off to a solid start with a 45 opening partnership and 57 for the second wicket. At 1/102, we were in a strong position but then we collapsed to 8/165. D Latto scored 65. A ninth wicket partnership of 63 between a restrained S Le Bas (26) and G Hooper (51x) saw us reach 234.

At 4/72 Macquarie were getting on top. However, a fifth wicket partnership of 117, saw Strathfield to a 5 wicket win. One of their players scored a century. Again we were let down by dropped catches.

v Lane Cove 234 & 0/0 (dec) lost outright to Lane Cove 5/105 (dec) & 5/131.

Put in by Lane Cove on slow wicket with a slow outfield we got off to a solid start with 79. P Chew (44) and D Latto (40) were the participants. There was a minor collapse to 5/128 but we were 5/196 at the end of the first day. Some quick runs saw us declare at 9/234. Lane Cove did not look like scoring the runs despite an outfield that had quickened. At 5/105 they declared and we declared 0/0 leaving 130 runs to be scored off 26 overs. We opened with our slow bowlers who were hit around the field. However, Joyce and Montford got us back into the game with 2 wickets each and we had a chance for an outright at 5/99. However, they got home with 2 overs to spare. M Smith had the best bowling performance in the first innings with 4/31.

v Pennant Hills 9/278 & 0/0(dec) lost outright to Pennant Hills 9/103(dec) & 8/176.

Winning the toss and batting, P Chew (64) and D Latto (80) quickly put on 140 in a D Grade record opening partnership. The rest of the team went for quick runs and we declared after 77.5 overs at 7/278. S Wolfe (30) & D Law (32) made useful contributions. Pennant Hills were 1/32 off 6 overs at the close and should have been 3 or 4 down. Next Saturday they collapsed to 9/103 (they were one man short). This was despite Macquarie being without their two opening bowlers at the start. We declared 0/0 leaving Pennants Hills to score 176 off 53 overs. The outcome was in doubt right up to the end with wickets falling at regular intervals. They needed 2 runs to win with 2 overs and 2 wickets to go. The next ball was pulled fiercely in the air and dropped. It went for 2 runs - thus losing a dramatic but important game. D Law put in a great bowling effort with 2/11 and 5/34. It seemed an injustice that both sides obtained 6 points. However, we had only our catching to blame.

v Auburn 300 drew with Auburn 3/16.

Auburn put us in. P Chew & D Latto (38) had their third successful opening partnership in a row with 81. The second wicket hit 130 with D Kidd showing a welcome return to form with 57. The later batsmen lost their wickets chasing quick runs. P Chew went on to score his maiden century with an impressive 125. In the final 11 overs of the day, Auburn were 3/16. This could easily have been 5/16. We needed an outright win to reach the Semi-Finals and there was great disappointment when we lost our seventh Saturday of the season to rain.

CAPTAIN'S REPORT - B GRADE G.D.J.C.A.

A rich season of cricket was had by MUCC's 5th team. Thirty seven players played in the team. Five wicket keepers were used. The fifth team played its first competition matches at home on the Gwilliam field, with its smooth, large outfield and fast turf pitch, all of which came as a surprise to our visitors. Our away grounds, though usually small, were well tended and had regular outfields (with one notable exception).

After a brisk start to the season, winning our first 3 games, we fell in a hole and only achieved one more victory all season. Yet a mighty win that was, with a six being hit off the last ball for victory! Another legendary Mark Warren story: Ken Wiblin carried his bat in our second game against Maccabi - a rare feat made possible on this occasion by the rest of the team's batting ineptitude. I achieved a hat-trick after twenty nine seasons of military medium pace.

Several discoveries for the club found their way in via our team. Ben Bradley cemented his place in D Grade with a century. Damon Law's all round skills were soon appreciated. Richard Joyce took plenty of D Grade wickets, as did an old "new" find, Mark Smith. Steve Le Bas spent a couple of games with us before serving at higher levels. Richard Lawson took 10 wickets at 15.9 each in the last 5 games of the season. Paul Sweeney took 13 wickets at 11.6 and will take many more for the club.

A special note of thanks goes to Mark Hughes, the only constant in the ever-changing team. He played all 13 games and retained a positive attitude throughout.

See you next season!

Stephen Jurd
5th Grade Captain

MATCH REPORTS - GDJCA 'B' GRADE

vs Lindfield 8/266 defeated Lindfield 5/250 dec

With the captain on conference duty in Thredbo, Ken Wiblin stood in and uncharacteristically won the toss and sent Lindfield in to bat. A novice bowling attack, supported by the Wiblin brothers had Lindfield in trouble at 2/13 and 3/57. They recovered and enjoyed the benefits of the short boundaries and the hard outfield. They declared at 5/250, and we were one wicket down at stumps.

We were never in the hunt, with wickets falling regularly til we were 7/141. Then in a heroic partnership, Ben Bradley (67) and Richard Joyce (64x) took the team to the brink of victory. Ben hit 9 fours and one six. Richard hit 9 fours and 3 sixes. A great first club game for two young cricketers!

vs NSW Maccabi 0/118 defeated NSW Maccabi 113

Lost the toss (*captain's back!*) and were asked to field in this 40 over a side one day game. The inability of one of our bowlers to bowl out his spell was not a worry as due to the pace and control of "Dermie" Deller (3/34) and the guile of Mark Smith (4/12), Maccabi only lasted 34.2 overs and set us a target of 113 runs. Ken Wiblin (53x) and Dave Kidd (60x) put on an unfinished opening partnership of 118, seeing us to victory in 30 overs.

vs Pymble Barbarians 6/305 (dec) & 0/4 defeated Pymble 143 & 165 outright

The ground was in good condition despite overnight rain, so we decided to ignore the "ground closed" sign. The opposition straggled in, won the toss and decided to field with 7 men. Although we started 15 minutes late, another 2 fieldsmen arrived after the start of the game. After the loss of an early wicket, Sam Herps (81) and Alan Davies (63) put on a 145 run 2nd wicket partnership. We went on to top 300, with Steve Jurd (52x) and Tony Felet (21x) adding 73 runs in an unfinished 7th wicket stand. Our opposition's lack of discipline is seen in the 52 extras conceded in 71 overs. Next week saw the Barbarians arrive with 8 players, and get rolled twice. They decided attack was the best form of defence, scoring 143 off 22 overs in the first innings and 165 off 28 overs in the second innings. This left us to get 4 runs for outright victory. Irfan Yusuf, who had bought long white trousers for this his only game of the season, clubbed the 2nd ball to the boundary.

vs Trundlers 183 lost to Trundlers 9/324

Played on a postage stamp called Koola, this game was remarkable for the caning we received in the field. Dropped catches cost us dearly - at least 100 runs for one batsman! Damon Law (2/66 off 15 overs) playing his first game for the club, was the pick of the bowlers. Mark Smith 3/78 was rewarded for persistence. Chasing a huge score, we were rarely in contention for anything except a draw. Simon Burchett returned to form with 52 careful runs and Damon Law showed batting skill in compiling his 44 runs.

vs Bluegum Barbarians 1/6 drew with Bluegum Barbarians 270

First of the opposition arrived at 1:28 for a 1:30 start and we were underway by 1:45, with Bluegum winning the toss and deciding to bat. At 4/99, we were looking on track to contain their score, but we were thwarted by a chanceless undefeated century from a class opposition batsman.

Chasing 270 was a daunting task, starting 16 minutes late, a further handicap, but at 2:07 the heavens opened and we witnessed a full hour of the heaviest rain I have seen. The Barbarians were drinking beer under the shelter of a van's back door, but reluctant to call it a day. After 10 minutes of squelching round the field, in continuing light rain, the opposition captain decided to drink on but at a different location!

vs West Pymble 178 drew with West Pymble 2/31

Won the toss and decided to bat, on an interesting looking pitch, to mark my first home game as captain. The opposition were surprised to find we were playing on turf, but bowled reasonably well and contained us to a moderate score. Simon Wolfe (54) enjoyed the drop in standard and Bill Congreve made a hard hitting 40.

In the 35 minutes before stumps, Paul Sweeney gave them something to think about, taking 2/5 off 4.1 overs. All the thought and plans were to no avail, as mother nature precluded play on the second day of the game. This game gave Simon Burchett a brief chance to show off his wicket keeping skills.

vs St Leo's 125 lost to St Leo's 137

The trip to St Ives was rewarded by a sizeable ground and a heavy outfield. We lost the toss and were asked to bat. At 3/8 off 12 overs, we were looking pretty desperate. Their bowling attack remained sharp, accurate and devious. We struggled all day to score 125 runs. We were best served by a gritty 35 from Mark Hughes. Only two boundaries were hit all day. Next week found the outfield still slow and the astro turf still bouncy. Our pace bowlers took manfully to the task. Paul Sweeney (5/31) bowled with controlled hostility, and he was well supported by Mark Warren (2/21) and Richard Joyce (2/42). At 8/104 and one man short, we had become short priced favourites, but the luck and the decisions did not go our way.

vs Roseville 8/125 lost to Roseville 156

This 40 over game at Lofberg Oval was remarkable for the 6 foot by 2 foot by 3 foot deep hole at backward square leg, the 5th debut of Richard Mather, Steve Bateman's initial performance as a wicket keeper, and a solid all round performance from Hunter Leonard.

Roseville won the toss and decided to bat and quickly found themselves in trouble. After 13 overs they were 6/30, but made an excellent comeback to score 7/156. Paul Sweeney (2/21 off 10) was the pick of the bowlers, well supported by Hunter Leonard (1/23 off 10 overs).

We never really looked likely to get the runs. Early on Steve Bateman hit an exciting 26 runs and later Hunter Leonard clubbed 33, otherwise we folded - 31 runs short.

vs NDC Hogs 107 lost to NDC Hogs 1/114

Mid January saw us desperate to find new cricketers. We blooded 5 players in this game, taking to 34 the number of players who had played GDJCA for Macquarie in the first 9 games! After much pestering, Mark Hughes was given the wicket keeping gloves, making him our 5th wicket keeper in 9 games. I won the toss and elected to bat on a well grassed track. Grant Hooper (31) impressed with his first innings for the club. Jeffrey Gilling (22) and Richard Shapiro (17) hit the ball hard, but no-one else made double figures. All out for 107 before 4:30pm.

In the remaining 80 minutes, Hogs showed some very enterprising batting and managed to pass our score on the first day. Our time in the field was unrewarded apart from Andrew Linfoot's first wicket of the season (a stumping from Mark Hughes!)

Rain prevented play on Day 2.

vs Lindfield 9/194 defeated Lindfield 6/193

This was a 40 over game, the team captained by Steve O'Reilly, due to the captain being at a wedding (*it was my sister*). Lindfield won the toss and batted. Tight bowling spells from Mark Warren (1/13 off 7 overs) and Damon Law (2/33 off 10 overs) prevented a large total from being a huge total.

In reply, we were 5/39 and in deep trouble when Richard Shapiro (24) and Damon Law (83) came together. They doubled the score, then Andrew Cearn (34) and Law combined to put on 100 runs for the seventh wicket. We were 8 wickets down and 8 runs short of victory at the start of the last over. First ball produced no runs and Andrew Cearn was run out on the 2nd ball. 8 runs, 4 balls, 1 wicket. There were 2 runs off the next 3 balls, leaving us with Mark Warren (at that moment averaging 1.0 from 3 completed innings) needing to hit a six off the last ball for a win. He did it. By several accounts, the ball was still rising as it crossed the boundary. *Wazza, you're a hero!*

vs NSW Maccabi 122 and 3/85 lost to NSW Maccabi 173 and 5/59 (dec)

Lost the toss and bowled on another well-grassed Gwilliam track. That we were to be let down by our fielding was revealed in the first over when action replay catches were dropped at 1st slip off successive deliveries! Nonetheless, at 7/106 we had contained their score. They went on to be 7/173 when Steve Jurd (4/40) took the last 3 wickets in 4 balls, leaving himself on a hat-trick for a week. Richard Lawson bowled well (3/25).

At stumps, we were 2/56 and looked set for a win. It rained Friday night, the covers leaked and provided a large sticky patch short of a length at one end. Ken Wiblin (59x) showed considerable courage and determination to carry his bat when no-one else made double figures on day 2.

Their 2nd innings commenced with all fieldsmen but one (Richard Lawson at fine leg) clustered around the bat for the hat-trick delivery. All the mental rehearsing was to no avail, as the fantasised full length outswinger in reality becoming a half-tracker popping out of the damp patch. The batsman tried to hit it for six, got a top edge which flew high and straight to fine leg. I waited twenty-nine seasons for a hat-trick.

Richard Lawson (3/30) again was rewarded for his steady bowling. They declared at 5/59 leaving us 17 overs to get 110. Andrew Cearn (31 not out) and Dave Kidd did some hard hitting but we fell well short of the target.

vs Roseville 107 and 5/90 lost to Roseville 7/109 dec

Our poor batting performances continued. We crumbled before a spirited attack. Only Mark Warren (29) and Dave Kidd (21) showed real resistance. They were 2/16 at the end of the day, giving us some hope.

Next week they moved steadily to 2/75, but then lost 5 wickets quickly, before passing us 7 down. Richard Lawson's good form with the ball continued (4/26 off 15 overs). Mark Warren (2/26) provided good support. Dave Kidd (28) and Jeffrey Gilling (27) enjoyed the batting practice.

vs NDC Hogs 115 lost to NDC Hogs 9/342

We needed to win this game outright to make the semis so when we won the toss, we decided to bowl. A hostile opening spell from Paul Sweeney (2/71) was rewarded with a couple of wickets. From there on we began to drop catches and 2/23 became 2/227, and the trauma continued. Only Mark Hughes who held four catches, came through with his fielding reputation intact. Mark Warren worked hard, and despite the heavy hitters came back for more, to finish with 6/102.

Our batting resembled our fielding in its lack of concentration and ill-discipline. Mark Hughes top scored with a patient 26. Paul Sweeney scored 21.

CAPTAIN'S REPORT - SWCA 5TH Grade

After some debate at the AGM, it was agreed that the Club would again field a Women's side. A lower grade, combined with a stronger, more dedicated group of players, led to the side's improved results this season. In the second half of the season we were lucky enough to use the refurbished Gwilliam field as our home ground. Being able to play at home enabled us to sample turf and reduced our travelling considerably.

For most of the season we were in second place, only dropping to third in the last few rounds. Looking at the team statistics most players achieved personal bests during the season. In particular Carolyn Brown contributed heavily, taking all awards except bowling aggregate and most catches. These outstanding achievements went to Laura McInnes and Alison Culpin respectively.

Congratulations to Morna King (most dismissals by a keeper in 5th grade) and Carolyn Brown (best bowling average in 5th grade) who picked up trophies at the SWCA Annual Dinner - history in the making! This is a sign of things to come from the Women's XI.

The ability of everyone to play successfully as part of the team was very pleasing. This was illustrated when we reached the semis. We were in a winning position against a team that we hadn't beaten during the season when rain stopped play. We lost on run rates (0.5 of a run!). Despite this disappointment, the Women's side had a successful season and I look forward to continued improvement next season.

Janine Newby
Captain Women's XI

UNDER 24's COMPETITION - MATCH REPORTS

v Warringah No play due to rain.

v Strathfield 117 lost to Strathfield 8/243.

Due to a depleted team and with the captain unavailable due to injury, the game against Strathfield was always going to be tough assignment. Jamie Breden took over the captaincy and was the only light in a dismal batting response to Strathfield's competitive 8/243. Jamie scored a responsible 51. Jamie and Barry Brien contributed with the ball. However, lack of experience among other members of the side cost valuable runs in both the fielding and bowling department.

v Lane Cove 6/193 defeated Lane Cove 9/192

Lane Cove won the toss at Macquarie No. 1 and decided to bat. They lost a wicket in the first over to Mr Damage Brien. He led the way with the ball taking 2/21 off his maximum ten overs. Unlike the game against Strathfield, the fielding and bowling remained of a high standard and all were to be congratulated on an enthusiastic performance. This kept the Cove down to a meagre total of 192. Richard Mather (3/35) and Nick Housman (2/33) were the other bowlers of merit.

Our response was a sound and measured win due to Brendan Fletcher (41) and Richard Mather (56x). It was clearly Richard who deserved the player of the match award for an all round solid performance (Good on yah Richie !!) A relatively easy win and one that gave us great confidence going into the match against Epping.

v Epping 3/237 def Epping 8/236.

Epping won the toss at Macquarie No. 1, and (predictably) batted. After a quick wicket, the ensuing partnership of 162 was a costly one and at lunch we looked like we would have to chase a large total. However, with some application after the break we managed to keep Epping down to a gettable 236. Baz Brien took bowling honours with 3/32. I also chipped in with 2/35.

A solid start was provided by openers Glen McFadden (47) and Matt Edgerton (62). Matt was unfortunately run-out when a Dave Webb straight drive ricocheted off the bowler's hand onto the stumps with Matt out of his ground. After a slow start, Dave Webb completely dominated the bowling to notch an unbeaten 74. A very satisfying win for all concerned.

Mark Ramsland
Under 24's Captain
