MAQUARIE UNIVERSITY SPORTS AND RECREATION AWARDS

CLUB OF THE YEAR AWARD

The 1990 Club of the Year winner was the Cricket Club.

SPORTS ADMINISTRATOR OF THE YEAR

In 1984 MUSR instituted the award of Sports Administrator of the Year. The award is presented to a leading Club Administrator for service over and above that normally expected. The Cricket Club members to receive this award are:

1985 Allan Mahoney 1996 David Webb 1997 David Folkard

BRIAN SPENCER AWARD

This award is given in recognition of outstanding service to a club and/or to MUSR by an individual on or off the field.

2001 Allan Mahoney 2003 Warrick Folkard

ROOKIE OF THE YEAR AWARD

The Rookie of the Year acknowledges the efforts of a student in their first year of involvement in a sporting club.

In 2002 Peter Procopis became the first member of the Cricket Club to win this award.

JOHN LINCOLN SERVICE AWARD

The John Lincoln Service Award acknowledges the efforts of a Club Administrator or Member who has provided outstanding service to their Club over many years.

In 2008 David Smith became the first member of the Cricket Club to win this award.

UNIVERSITY BLUES

The University awards blues to sportsmen and women for outstanding sporting achievements. Performance standards are set by the Clubs and approved by the University Blues Committee. For Cricket, a **Full Blue** requires *State representation* whilst a **Half Blue** requires either *500 runs or 50 wickets* in the *Club's highest team*. *Current student status* is also necessary.

Full Blue

1971 Kerry Mackay

Half Blue

1970 Mick Redden

1977 Laurie Ager

1971 Frank Alley

1978 Paul Bourke

1972 John Guiffre

1985 Chris Welsby

1972 Peter Miller

1988 Ivan Blyth

UNIVERSITY CLUB COLOUR AWARDS

In 1980 the University instituted the award of *Club Colour* to be presented to men and women who have made an outstanding contribution to Macquarie University Sport, through their respective clubs, from an administrative or organisational viewpoint. Cricket Club members who have received this award are:

1980 Peter Barclay

1981 Andrew Faulks

1987 Allan Mahoney

Grahame Blues

Keith Henry

1990 Al Davies

Ross Gwilliam

1983 Graham Hargreaves

Warrick Folkard

John Wickham

David Webb

Brian Jones

PRESIDENT'S REPORT

The end of my first year as President, and it has to be said that it was an immensely tough season, on and off the field. A season of administration, captaincy, playing and umpiring has left me pretty drained, and it is clear that there is a lot of hard work to be done in the off season to rectify the clubs standing.

Smithy left me with the on field legacy of a 2nd placing in the club championship, and in the end, I came nowhere near living up to it. Our performances on the field in season 2008/09 were well below par. We struggled to have the numbers to field full sides each weekend in the lower grades, and we struggled to get results all over the park. Of the Shires grades, only the 4th grade old brigade made the finals, but after a weekend of controversy, they succumbed to Burwood in the semi's in what I believe was the first ever 50 over a side finals match.

The Master juggernaut, consisting of a large number of the 4th grade side also continued their dominance, claiming yet another Premiership, and extending their winning streak to well over 24 months. These were the only bright notes of the season from a team perspective.

As I said previously, we struggled to find numbers some weeks, with our total roster, and peoples general availability both being down. The Executive will be working hard during the off season to ensure that our numbers will be better for season 2009/10, and this is already looking very possible with the return of Charlie Carter and confirmation of two other young tourists from England attending the club next season. I have always found in the past that having some overseas talent at the club seems to improve the mood and commitment, so here's hoping that the trend continues.

Attendance at training this season was another factor in our poor on field performance. Each and every week it was the same faces that were there, and the same faces that were not. There has been much talk amongst the membership about the standard of our facilities, and a lot of feedback has made it back to the committee, and in turn been used in discussions with the University.

The most common comment has been that there's no point in training on our pitches because they don't represent match day conditions. There are two things that I'll say on the subject. One, we are working hard to try to ensure that the facilities are of a standard that is not dangerous. This is the primary concern for this committee. As far as likeness to match conditions goes, we never know what kind of pitch we're going to find on the weekend, so being realistic, there is no specific pitch that will always give you the exact match conditions from the previous, nor the next weekends match. My advice to players is to get on with it. I agree that it can be hard batting on those training wickets, but the reality is, if you can handle the conditions on those decks, and take a patient attitude to it, and make sure you don't lose your wicket on them, you'll find that batting on the weekend will be far easier.

From a bowler's point of view, it's pretty simple. I've seen that many bowlers, and a number of non-bowlers, get excited about the pitches at training, trying to hit people and cause as much mayhem as possible. How does anyone think that is going to help you, or the bloke facing up, with their game? The idea for the bowlers is simply practice putting the ball in the right areas; the areas that you'll be bowling on the weekends in a match. Remember that you're there for your own benefit, and to get the most out of it, you need to focus on your own game.

If we are serious about competing for Premierships and Club Championships, it should be pretty clear to most people that we need to start getting to training regularly. There is absolutely no substitute for hitting, catching and bowling balls, and if we as players expect to be able to turn up once a week on a Saturday and be firing on all cylinders, we're kidding ourselves.

Our social activities were also fairly poorly attended this season. With the exception of the annual dinner and the BBQ held after the last round of the regular season, there were always the same faces at after match drinks at the Ranch, and at our other functions.

Our relationship with U@MQ continues to strengthen, and we will be looking at using the relationship more and more over the coming season. We are also looking at trying to become an official part of the University again during the off season.

Our focus moving forward is to:

- Improve and increase our participating numbers;
- Make better use of our Alliance with Gordon DCC;
- Continue to improve our working relationship with U@MQ;
- To explore all possibilities to gain adequate facilities on the Northern Oval
- To improve our fund raising initiatives
- To help initiate an improvement in Club Spirit and social participation.

I'd like to congratulate all this seasons award winners, especially Clint Simpson on taking out the M R Gwilliam Shield for season 2008/09. I'd also like to pass on my personal thanks to Tim Morrow for all his efforts in the second half of the season in assisting the committee, especially in his help organising the annual dinner.

As always, thanks goes to the committee for their continued efforts throughout the season, without volunteers, a club such as ours cannot survive, so congratulations to you all for getting us through another season.

To Warren Montford, a huge thank you. You served with Smithy last season, and you were in a great position to help me learn the ropes in my first season as President. I will take a lot of the experience you have passed on forward as I try to forge out my own legacy over the coming seasons.

To the captains, thank you for your efforts over the season. It was not an easy year, but you all kept plugging away, and I hope we have all given the club something to build on in the coming years.

Finally, to all the people who volunteered any small amount of time over the past 6 months to help out, whether it be covers on a Friday night or Saturday morning, setting up for training, cooking a BBQ at an event, setting up for a social event or in the case of the WAGS, giving up your Saturday or Sunday to come an offer support to your partner and our club; all these efforts are greatly appreciated.

Here's to a greatly improved performance in 2009/10

Yours in cricket

Paul Clift
PRESIDENT

HONORARY SECRETARY'S REPORT

Season 2008-09 certainly represented a changing of the guard in more ways than one. With a fresh committee and the undeniable confidence of youth (present company excluded) we set about achieving an ambitious set of goals for the season ahead.

Firstly, we needed to continue the work done and solidify our relationship with the University. Whilst this is an ongoing work in progress, certain aspects of the relationship have moved into the current age and the next two to three years will be incredibly important to our development as the chief facilitator of cricket at the University. The signs are certainly positive that we can be re-admitted as a University Club and we are certainly moving towards that goal with vigour.

Certain aspects of our relationship have changed forever though. We now need to ensure we are a net positive contributor to the University's cashflow as well as the social and sporting calendar. This was the first season during which we were charged for ground hire and we certainly have a performance gap in terms of our ability to replace the \$30,000 per season swing in going from receiving grant money to paying for ground hire. Whilst we improved on this front this season, there still remains a significant deficit that needs to be addressed by the club and it's members as a matter of priority.

On the field we weren't quite as competitive as last season although there were some good performances. Having been involved on the selection committee in what I would imagine was a record year in terms of total player numbers, a new challenge reared it's head. Out of a potential 75 new members this year the large majority were unwilling or unable to commit to a full season of cricket. The core group of regulars could not consistently cope with the changing team numbers and the lack of stability certainly showed in the results of some of the grades. Of what we believed to be a windfall in replacing our player numbers we had somewhere in the vicinity of 50 players play 3 games or less for the season, which made continuity a virtual impossibility this year and certainly the committee has it's work cut out next season to meet the demands of the current generation of player who struggles to be available for a full day of sport on the weekends.

The standout performances this season again went to the older brigade. My congratulations to Greg and the fourth grade lads on another outstanding season, unfortunately falling short at the final hurdle. Without doubt our Rock of Gibraltar continues to be the Steve O'Reilly allstars in Masters, continuing their record unbeaten streak through a third successive season and sweeping all before them again. Well done lads. and I look forward to seeing you do it all again next season.

I'd personally like to thank Paul for stepping up and leading the club this season into new and uncharted territory. It will certainly be an enjoyable ride the next couple of seasons. To Tim Morrow for showing that the youth of today is capable of commitment, you were a worthy recipient of the Ivan Blyth Memorial. To Ross for acting as our SCA delegate and continuing to support the club by any and all available means, your efforts are very much appreciated. To Paul Mac, Simon Fairlie, "Corey" McPherson and Wrighty and the rest of the committee, thank you again for your support this year, your club certainly appreciates you.

Onward to next season and a new set of challenges, I look forward to meeting them with you all next year.

Warren Montford
HONORARY SECRETARY

HONORARY TREASURER'S REPORT

2008-09 was certainly a very challenging year financially. Several factors contributed to yet another poor financial performance and require immediate addressing if the club is to have a viable financial future.

As stated last year, one of the major challenges facing the club is replacing the funding previously received from MUSR (now U@MQ) that was in the vicinity of \$20,000 during 2004 and 2005. For the first time this season we were charged for the hire of our grounds, meaning we now have an annual deficiency of around \$30,000 which we need to replace. Whilst work was commenced towards achieving this aim, the fundraising measures we are putting in place such as Bunnings BBQ's, Corporate Games canteens etc are certainly limited in their ability to replace this sort of cash drain.

A tightening of the belt this season certainly helped stem the flow. Player payments were down \$12,000 from the previous years spend of \$20,000 (including the \$1100 paid this season for outstanding University course fees) to \$8,000 for the current season. More work will be needed in this area – player payments past the 2009/10 season are certainly likely to be limited to genuine interest coaches playing fee free for the season rather than any monetary reward once the current obligations are finalised next year.

A secondary element needs to be reviewed that occurred this year. We had an astoundingly transient playing population this season. With nearly 50 players playing 3 games or less for the season charging and collecting fees from these players was nigh on impossible. Whereas we would normally have collected fees from 18 to 20 additional full season playing members, we were only able to collect scant amounts from this transient population and more work needs to be done by the committee next season on accepting only players committed to playing an overwhelming majority of games. As a result, membership collections were down nearly \$6 000 from the previous year although a significant proportion of that money has since been collected.

The club has reached a stage where the balance sheet needs to be rebuilt. I am reticent to allow the savings account balance to deplete below \$5 000 as this start-up money is needed each year going forward. A new fee structure will be trialled next year with significant savings for early payment and payment by direct deposit, rather than using a penalty system for late payments which has rarely been collected in the past. Your assistance in this is appreciated – whilst early payment will void an increase in general fee levels next season it is hoped this will significantly improve cash flow at the beginning of the year to enable new equipment to be purchased which the club now needs for each of it's grades.

By the end of next season it is imperative we have sourced and found a major sponsor for our club for our continued future financial viability. Fundraising activities will remain an important focus and savings will be made on the expenditure front, but for the balance sheet to improve in this new age for Macquarie a sponsor will solve a large portion of the cash deficit to allow fundraising to rebuild our former nest egg.

I hope you are all well rested and look forward to seeing you all next year as we do it all again.

**Warren Montford on behalf of
Paul McInnes
Honorary Treasurer**

CAPTAIN'S REPORT – 1ST GRADE SHIRES

It was my pleasure to captain a relatively young and inexperienced side this season. After the first three rounds we were surprisingly in a position where we could make a run at the finals, but never consistently got going for two matches in a row and we fell short of what was a realistic goal of making quarter finals this year.

Hopefully this was a good learning experience for most of the team and the building blocks for the next 3 to 4 years were set in place. With only a few of the Parramatta connection from the past couple of seasons left, the pleasing aspect was the number of individuals who stood up at varying stages throughout the season. Individual performers will be mentioned shortly, but to sum our season up we could have made more of our opportunities had we lifted as a group at the critical stages of the games we missed out on. We were never far outclassed, and when we put it together showed we could match it with the best running around, however our general fielding needs to improve significantly if we are to compete week in and week out at this level and every individual needs to take responsibility for their own performance in this area. We can improve as a group by improving as individuals, and this will allow us to win more of the key moments of the tight games.

Highlights of the year included a stellar start by Whippa, who threatened to realise that boundless potential hidden within him. Dave Kelly proved that aggressive intent and heart goes a long way topping the batting aggregate for the year with 421 runs as an opener.

Tossa was certainly a find at the opening position and consistency will be the key to his permanent arrival in this grade. Scott Bratley contributed a pewter to the first grade cause with a masterful century against competition heavyweights Strathfield to save an outright defeat.

Jai Shyam came on as a genuine all rounder at this level and his bowling performances surprisingly exceeded the results of the abundant batting talent at his fingertips. AJ Gray certainly was never short of advice and showed he has the potential to be amongst the leading group of players at this level in years to come.

On the bowling front, Mark Fairlie showed glimpses of the maturity needed to compete consistently at this level and will look forward to his return as a seasoned campaigner next season. Greg Denlow was the undoubted find of the year bowling with a maturity well above his years, continually nagging away at the batsman and getting 14 wickets at the impressive average of a tick under 12 a piece – I look forward to the lifting of bowling restrictions in 4 to 5 years so he can dominate opposition line-ups for longer periods.

Mick Kelly was the typical laconic swashbuckling all rounder and certainly contributed immensely to our early season successes. Finally to Roundsy who was the epitome of the “goto” man this season and regularly shouldered the brunt of the responsibility to break an opposition partnership when it was travelling well.

Finally I'd like to thank my wife for permitting me the time to enjoy this passion we have. Congratulations to Phanto and Brownly on their teams stellar seasons, look forward to seeing you all again next year, kids and the Riff permitting.

Clint Simpson
FIRST GRADE CAPTAIN

CAPTAIN'S REPORT – 2ND GRADE SHIRES

Reflecting on the season makes you want to draw the positives from what was obviously a very disappointing one. I would like to thank all the guys for their efforts during the season and hope that the camaraderie found during tough times will forge a stronger belief in future seasons. I knew it would be tough from the outset, with probably only 3 or 4 regular 2nd graders available from the previous season, it would fall on those players and some young talent to allow us to be competitive, which we were. In the end there were a total of 27 players used throughout the season, always a sign of an unsettled line up.

In most games we needed to play to the best of our ability and make good things happen. The overall results line is depressing, with only 1 victory (in Round 2 at Epping) and one draw, which was fortunate as we were in deep trouble at 4/32 when the rain came. Out of the eleven losses we were in with a good chance to win 8 of the matches. The closest we went to an outright defeat was at Georges River when after being rolled in the first innings for a measly 64 we were able to set a target for GR and have them 7 wickets down chasing the total.

The best team batting performance was 6/284 dec against Strathfield (Chris Savage scoring the only century for the team during the season) and the following game was the worst, a 188 runs loss at Warringah in which we were rolled for 99. Bowling wise Marty Payne had the best individual figures of 4/30 and match figures of 7/79 at Georges River in the near miss for a surprising outright victory.

Statistically the batting average of 19.66 runs for the loss of a wicket compares with previous seasons, but it was the average of 25.68 runs for each wicket taken which points to our inadequacy to hold on to the chances created by our bowlers that cost us. Regularly we would have to create 5 or 6 extra chances to bowl out the opposition.

Individually, AJ Gray was the find of the season scoring 293 runs at the very healthy average of 36.63 from 7 appearances, giving us 3 games in which he provided the backbone of the innings to allow us a competitive score. The innings of 67 at Castlewood on a tough deck with a really slow outfield was my pick of the season and we came within 3 overs of a win defending a small total.

Marty took the bowling honours collecting 21 wickets @ 20.76. He earned his golden arm reputation by regularly breaking any partnerships, averaging 2 wickets in each of his 11 appearances. No reference of Marty can be complete without his masterful 'chat' and commitment, a pleasure to play with and a well deserved MVP for the side.

Finally I would like to outline some of the players' efforts and highlights. In no particular order:

Andrew 'Toss' Tosolini – converting him to an opener was a highlight and we quickly lost him up to 1st grade, but the 388 runs scored over all grades points to a bright future in higher grades, now all we need is a season in which the batting and bowling talents combine.

Anthony 'Choppy' Hale – quickly taken from Brownie's grasp in 4th's Choppy was a revelation with the fitness program (and Skins) creating a reborn man. He was able to repeatedly get the early breakthrough, swinging the ball prodigiously (taking 13 wickets) and proved a handy, lower order batsmen with his patented Choppy style, including a memorable 42 at Lane Cove.

Greg Denlow – moved through 2nd grade quickly bowling. With maturity, speed and movement combining to trouble the best batsmen in our grade, this was borne out in his 1st grade performances. It was too brief.

Yousef 'Rooster' Sethi – quickly found himself in 2's and contributed with the bat and ball, 171 runs @ 21.4 and 10 wickets @ 20 a piece with his wily off spin in 6 appearances and his memorable 'Waiting' call. I hope his work commitments don't end his contributions to the club.

The club stalwarts who performed admirably in 2nd grade, notably Paul McInnes, Warren Montford, Ross McIntyre, Stephen Rose, Richie Cann and Pete Saliba in their all too brief appearances.

Tim Morrow and Simon Fairlie came back into 2's the hard way and performed well taking 8 and 10 wickets respectively.

The young brigade of Chris McPherson, Greg Joffe, Niraj Pathak and Jason Tabrett who came in and provided much needed enthusiasm mostly towards to end of the season and showed glimpses of their potential in a couple of appearances in 2's.

Lastly, Chris Savage, ultimately moving to Brisbane with Penny for work, was a loss to the club not only as a player but as a person. His contribution on the field was notable for the 260 runs @ 29 (including the 100 against Strathfield), and as a regular source for inspiration and a steady calming influence. I wish him all the best for the future, and thanks for all your help.

Onwards and upwards.
Linus

CAPTAIN'S REPORT – 3RD GRADE SHIRES

Season 2008/09 was a very disappointing one for 3rd grade a MUCC. After consecutive semi finals appearances, it was a let down to be the skipper who broke the run. The lack of depth across the club during the season was difficult to cope with, with 3s going into a couple of games with only 10 players during the season. After a bad start to the season, we were pretty much out of contention at Christmas. We needed a lot to go our way in January, but all the close games that you need to get over the line in, went against us. This also meant that the talent had to be focused elsewhere later in the season, with 4s the only team guaranteed of a finals spot.

There were a number of positives to come out of the season. First and foremost was the young talent emerging through the team. Greg Denlow made an impact from the very beginning of the season, and despite my best efforts to hide him, he moved quickly from 3s to 1s where he opened the bowling under the guidance of Captain Clint.

Greg Joffe was another talented youngster to come through 3s. He made an impact in the field and was rewarded with the Greg Gavin Fielding Award at the annual dinner. He also showed great promise with his bowling, taking some valuable wickets throughout the season. His batting was also very impressive, and as he matures, he'll be a great asset to the club. His efforts culminated in his maiden fifty for the club against South Sydney along with a massive partnership (and learning experience) with Dave Gracie.

Josh Chan was another young lad who came through well during the season. He may have been slightly outclassed at times during the season, but he always gave his all in the field, and was always able to bowl to a plan for me when asked.

The skipper takes a lot of the weight when a side is not going well. I have to admit that I didn't manage to lead from the front as well as I wanted to this season. The other senior players tried to take some of the weight, but all in all, we were caught well short of being a competitive side this year.

My thanks go to Rosco for his help during the first half of the season. Also to Robbie Walker and Stephen Rose throughout when they were on board in 3s. Congrats as always to Brownie and his fourth grade side for making finals again, and bad luck on the loss in the semi's. To Linus thanks for making the transitions as easy as possible during the season.

Phanto and his old boys, well done yet again.

Paul Clift

CAPTAIN'S REPORT – 4TH GRADE SHIRES

The 2008-09 season saw the return of the alienation of the gods of cricket. A stellar season as minor premiers was unfortunately unable to be followed up with the grail we captured last year.

During the regular season we were untouchable, but again we weren't able to lift for the finals which unfortunately our opponents were able to do.

It has been truly a pleasure to play with this remarkable group of individuals again this season. Perhaps the trophy mattered less than the camaraderie of spirit this team possesses, but probably not in their eyes or mine.

To have used 38 players in our campaign this season and to have remained as steadfastly competitive as we did throughout was an amazing tribute to the core group of regulars within this side and the hunger and confidence they are able to inspire in all who play with them.

Again, there were many personal individual milestones achieved by our team but I will only mention but a few.

It was personally rewarding to see Clyne return to the top of the batting aggregate this season and to see the fire renewed in that perpetual umpires best friend Budge. The development of Izzy and Hari as players this year has been a joy to watch and be a part of.

To my fellow captains, I thank you for the endless selection hours endured this year. Hopefully next season will be better for all of us and the one legged man who played for us this season won't be required.

To my beautiful wife and understanding children, I thank you from the bottom of my heart for your generosity and sacrifice.

I look forward to seeing you all again next year, it is certainly my pleasure to strive with you on this never ending quest for glory that is cricket.

Greg Brown

CAPTAIN'S REPORT – UNDER 24'S- FRANK GRAY SHIELD

In terms of results, the Macquarie University Frank Gray Shield team had an inconsistent season winning, just two games. From last season, we lost several players who had experience in One Day competitions at both Shires and Grade level. As a result we welcomed several inexperienced players who quickly realised that there is a big jump in the intensity and standard needed to play Frank Gray cricket.

With the bat we were guilty of getting “starts” and not capitalizing on our hard work early with big partnerships. This was evidenced that there was not a partnership over 100 throughout the season. Also another factor was that on only one occasions we batted for the full fifty overs, an essential part to one day cricket. However throughout the season team members provided performances which deserve mention. Anthony Gray playing his first season for Macquarie University made a determined 52 against Southern Districts. Jairam Shyam made two effortless 60's throughout the season. Prashant Rai had a stellar year with the bat making over 250 runs at his innings. These performances bode well for future Macquarie Frank Gray sides.

With the ball, we were able to create pressure on opposing side with the line and length's we bowled, however our fielding let us down. Too many times we dropped chances, which allowed opposition batsmen to post big scores. I would like to recognise the efforts of Greg Denlow. Greg playing his season of Frank Gray cricket showed increased consistency with each game in the areas he bowled. Greg is to be congratulated on his excellent first season picking up 7 wickets this season. I hope there are many seasons to come

I would like to express my sincere thanks to all the members of the Frank Gray squad and supporters for giving up their Sundays to play and watch cricket for Macquarie. It is a time consuming commitment and I am grateful to each and everyone. I would also like to thank my Vice Captain Andrew Tosolini for his valuable support throughout the season.

Lastly huge thanks must be made to our scoring guru Ian Wright. Wrighty, was a constant presence throughout the season. His willingness to give up his time and score for Macquarie is a testament to the generosity.

To the under 24's players for next season, best wishes I hope you can bring the trophy to Macquarie in 2009/2010.

CAPTAIN'S REPORT - 5TH GRADE (TIM CREER CUP)

A win in round 1 against Roseville was the perfect start to the season but a series of losses followed which had us on the back foot early in the season. We got things back on track with back to back wins against Burwood and Epping. The later with a crushing win after losing first innings points. Another win against the covies just before Christmas left us mid pack and fighting for our season after the Christmas break.

Wins against Burwood and Souths after the break and a few dropped games that we should have won would ultimately leave us needing maximum points in our last two games against Epping and Roseville to be a chance.

Our season was mathematically put to rest when we decided the best way to get maximum points would be to send Epping in but that plan didn't work as Epping bat out day 1 and ended our finals hopes. A strong win against Roseville in our final match showed us what could have been but we fell just short of a finals spot. Losing winnable games against eventual semi finalists in both Lindfield teams certainly didn't help our cause.

Some pivotal matches in our season included:

Round 8 vs Epping Macquarie University won outright after losing first innings

After knocking Epping off for 115 in the first innings we were brought down to earth in our reply almost losing first innings on day one. A couple of early wickets on day 2 took care of the first innings result. Epping then started their second innings looking to declare. Bob Gallapatti then had other ideas and ripped through Epping taking 5 for 13. Chasing 180 to win after tea we cruised home in 36 overs after some brutal hitting from Sandeep (93*) saw us home.

Round 14 vs Lindfield Gold Macquarie University lost first innings

This was a game that would end up pivotal as the season wound down because Lindfield ended up playing finals cricket and we didn't. With half the team trying to find the ground in one car we had no choice but to bat first. The aim was to bat time with the first few batsmen so we could return to a normal batting line up when the others found the ground. Sandeep made up for running late by smashing 72 and well supported by Reza with 41. We were bowled out for 147.

Lindfield were cruising and at 5 down and in sight of the total we took 3 quick wickets to send a scare through their camp. Unfortunately we were 20 runs short in this one and lost first innings.

Round 15 vs Burwood Macquarie University won first innings

In another must win game for us the rain clouds threatened to end our day before it started. Our enthusiasm to get the game started took us to the local bunnings for saw dust so we could get the game going. When the skies finally cleared we won the toss and sent Burwood in. Wickets fell steadily and the pick were Olles and Dan Pugh with 3 each. Burwood bowled out for 104. We the made light work the chase and passed Burwood 4 down.

Round 17 Vs Epping Macquarie University lost first innings

In a game we had to win outright to have a realistic crack at the finals we decided to take the risk and send Epping in on a road. Unfortunately Epping decided to use the match for batting practice and set about accumulating 7/282 towards the end of day one. We decided to still go for our shots in the hope of quick runs but we were bowled out for 171. Sandeep backing up his round one score with another 41.

Some individual statistics of note include:

Sandeep Singh 493 runs @ 37.92

Adrian Lulka 297 runs @ 17.47 and 18 wickets @ 25.89

Reza Billimoria 167 runs @ 83.50

Ash Singh 16 wickets @ 22.69

Kaushel Singh 14 wickets @ 23.64

In conclusion, we want to say congratulations to the eventual premiers in Georges River and let's see everyone back for a bigger and better 2009/10.

Adrian Lulka

CAPTAIN'S REPORT – 6TH GRADE (N.S.C.A. – C Grade)

This was both an incredibly enjoyable and challenging year to captain our 6th Grade team. Assisted by club stalwart Tony Barnes, who also happened to make the NSCA representative side this season (congrats Tony), I was able to find my feet in my first year as a captain for our club.

Selections proved difficult this season with many last minute phone calls about player availabilities but we were able to field a competitive side each week and I would like to thank Adrain and Brown for their support during the year.

We made finals this season bowing out to the strong Cammeray team, and I look forward to going one better next year with the current group of guys we have.

I'd like to congratulate Barnesy for yet another stellar year with the bat, amassing over 420 runs and leading our aggregate yet again (he's not only good at Fantasy League comps), whilst Bryan Thomas led the averages with more than 300 runs at an average over 34. I look forward to watching Bryan progress through the grades.

Messrs Travers and Zaman certainly made the year entertaining and were both solid contributors with both bat and ball. Deepak didn't have the best numbers he's ever had but was always my partnership breaker when I needed one.

Thanks to all who contributed this year and I look forward to another enjoyable season with a great bunch of guys.

Asita Galappatti

CAPTAIN'S REPORT – SYDNEY MASTERS

This was yet another unforgettable year for MUCC Masters with another season producing yet another premiership. To have achieved the three-peat of three consecutive undefeated seasons and to have won 31 games in succession stretching back to February 2006 are both wonderful achievements.

This year we basically fielded the same team to that which won the premiership last year. Despite everyone being another year older (and undoubtedly wiser), everyone contributed to our success during the season underlining the depth that we are fortunate to be able to draw upon.

In the batting department, Stephen Rose was again the standout performer scoring 255 runs and coming within a whisker of again being the leading run scorer in Masters. Solid batting contributions came from Clyne Fernandes, John Sutton, Neil Howlett and Graham Lego.

In the bowling department, Warrick Folkard was the star snaring 23 wickets at a schoolboy average of just over 8. Wick also had the honour to receive the trophy as the leading wicket taker in the Masters competition, continuing our domination of this trophy with Danny McVey and Greg Brown having won it previously.

In a sense I guess every season comes down to one game – this year it was, without a doubt the Doyalson game. Defending a modest 167, we were in all sorts of trouble with Doyalson 1/80 at the half-way mark. With Danny having done his back earlier that day, he should have been resting on the sidelines but insisted on just fielding even though he was unable to bend. With Danny gone and being a bowler or two short, we were literally in all sorts, but at the drinks break, Danny suggested he could try an over. Anyway, to cut a long story short, Danny got through that first over and then continued to bowl, and bowl and bowl, picking up wickets regularly. Ably assisted by Wick and Derm at the other end, Danny got us back in the game and with Doyalson needing eight to win off the last over, Danny kept the pressure on and picked up the last wicket as we snatched victory from the jaws of defeat. In so doing, Danny finished with his best-ever Masters figures of 6/39 before finally succumbing to his back injury which required a month of treatment before we saw him again.

Thanks to the MUCC Committee for their assistance throughout the year. Thanks also to our wives and partners for their forbearance throughout the year and for putting up with our Monday morning complaints. A huge thank you to Helen Rose who ably supported the team throughout the year and was tireless in organizing our home games and taking many memorable photos of the action during the year.

As for our winning streak, it will, like all good things, come to an end. But, in the meantime, to win three consecutive unbeaten premierships and four titles in five years has sure been a lot of fun and, despite what happens in the future, we will always have a reason to celebrate!

Steve O'Reilly
MASTERS CAPTAIN

MUCC CRICKET CLUB **HISTORICAL STATISTICS**

The Cricket Club is currently undertaking a major project to place the entire clubs historical statistics into the ResultsVault on-line database. As this project is on-going, it was decided by the Committee not to include historical statistics in this Annual Report (other than those for current players (40 game minimum) listed above).

Manually updating the historical statistics is a time consuming effort, and this Project will make the job of compiling future Annual Reports a much simpler process, as well as ensuring that individual and club records and performances are documented with 100% accuracy.
