CLUB OF THE YEAR AWARD

Bob Symonds owner of McDonalds Macquarie Centre initiated "The Club of the Year" award in 1989 with a shield and a cheque for \$500 to the most worthy Sporting Club.

The 1990 Club of the Year winner was the Cricket Club.

PRESIDENT'S REPORT

Season 94-95 once again saw M.U.C.C successful with premiers in the men's 3rd grade and the women's 4th grade.

Being President of the Club was not only a learning experience but a very enjoyable time for me. Learning how a Club runs and dealing with the administration side has taught me how hard and easy this cricket Club can be run. All members in the Club, not only the committee, should be prepared to help with some of the every-day running during the season.

I feel the attendance at our social functions was poor and all members should try to attend more of them. Attendance at 'the Chapel' after each week for the reading of the scores was also poor. This should be a weekly commitment for all players. Cricket is a very social game and you can make a lot of friends by attending these score readings.

Tony Monaghan, as Club coach, has again reminded us that training is an important part of the commitment, and by training, the Club should benefit, as well as each individual player. The Club is saying goodbye to the Women's coach Amanda Pearton. This is a great loss to the Club and I would like to thank Amanda for all her time and effort. We are very grateful.

I would like to congratulate Simon Wolfe on his Most Improved Award, David Webb on the Shield for the third year in a row, Morna King for winning the Al Davies Trophy and Emma Hurst for winning the Amanda Pearton Award.

Congratulations to Craig Anderson, Phil Lenard and Steve Bateman for playing their 100 games for the Club. Congratulations also to Warrick Folkard for his 200 games.

During the season an M&S XI played against a Sydney XI. The Sydney XI contained all first grade players and the result was a surprise victory to the M&S XI. Tony Monaghan and David Webb were both selected in this side. Congratulations to Tony and David on their selections.

I would like to thank all of the committee members as well as Bruce Hort, Al Davies, Al Mahoney, Tony Monaghan and the old man of the Club, Warrick Folkard, for all their help and support.

In closing, I would ask all the members of the Club to help out. The Club is here for all of us to enjoy, so help out with paying your fees early and simple things that make everybody's job a lot easier.

SECRETARY'S REPORT

As we look forward to season 1995-96, the season just past has been memorable for a number of reasons. Firstly, Premiership wins in both third grade and the Women's teams saw Macquarie Uni continue a winning streak of 5 premierships in 3 years. Congratulations to Ken Dixon and his team for possibly the most comprehensive season that a team has shown in M and S for a number of seasons. Congratulations also to Janine Newby and her team for their second straight Premiership. Their dedication and enthusiasm has reaped great results and should continue into 1995-96.

Other exceptional performances throughout the season saw Dave Webb win his third straight Gwilliam Shield, an amazing feat from a guy who is extremely well liked and respected throughout the competition. We have been privileged to have had his services in the past and hopefully this will continue for many years to come.

Most definitely the 'find' of the season was Dave Budge. His handling of the President's position saw the Club run smoothly throughout the year. His tireless efforts continued the traditions set by his predecessors in B Hort and A Davies. My thanks to Dave for his leadership, assistance and friendship throughout the year. Our daily phone calls to solve the Club's and world's problems will be sorely missed. He did a sensational job and surprised a lot of people.

On a sad note we say goodbye to Amanda Pearton. It is no secret that she has been the driving force behind the women's past two premierships. Her leaving will be a great loss, but the dedication, enthusiasm and skill she has instilled in the women's team is a credit to her.

The next few years see some exciting changes for both MUCC and the M&S competition. A possible name change and formal changes for the competition will see more competitive and enjoyable matches throughout the grades. Discussions on varying the number of overs bowled in each grade, 20 minute tea breaks and fifty over a side one day matches have been addressed in the M&S delegate meetings. These made for controversial discussions but the underlying factor was trying to make our cricket more enjoyable.

Our Club itself has been going through a number of changes in recent years. The loss of the Blue Barclay Pavilion and the refurbishment of the 'Chapel' and canteen areas have been a disappointment. MUSA has seen the need to supplement its income with rents and hiring of grounds and facilities. This is something we must now come to terms with and make the most of. Our grounds and facilities were again rated in the top 10 throughout Sydney, (Grade and M&S).

As season 1995-96 approaches I reluctantly step down from the position of secretary. My approaching marriage will no doubt curtail available time to fulfil the role. My thanks to the current committee for the support throughout the year and I wish the new committee much success in season 1995-96.

Honorary Secretary

TREASURER'S REPORT

The Cricket Club's finances continue to remain healthy however, a few items are worth a mention as we proceed into season 1995/96.

- The increasing 'professionalism' of Shires cricket requires Macquarie University Cricket Club to play smarter, both on the field and financially, to succeed into the future.
- The Club's funds have been decreasing over the past few seasons due to a number of factors. They are:
 1. Decreased income from after match drinks and functions costed, not to make a profit, but to try to increase acceptance of the new facilities.
 2. Failure to obtain the normal SCA annual grant.
 3. Maintenance of the roller.
 4. Strongly subsidising our women's team.
 5. Not increasing Club fees for the past two years.
 6. Increased general expenses ie, equipment.

This can be reflected by our balance of funds shown below.

At	30 April 1993	17,275.93
	30 April 1994	17,318.09
	30 June 1995	12,519.16

Macquarie University's success last season can be seen in its commitment to the above, and in ensuring its stars of the future, particularly its student members of the future, are looked after and are not tempted to look at other clubs by recognising our facilities are first class as is our support from MUSA.

While recognising the above, we need to ensure our future by looking to other areas of income, particularly sponsorship from the local community, in order that the good work of the past years is not wasted and it is a priority for the 1995/96 committee to address.

My thanks go to those on committee last year, especially the two Davids, Budgie and Dermie, for their efforts and to those who helped bring in the little bit of extra income, in particular Craig Anderson for his contributions to raffles.

Wishing the Club continued success.

COACH'S REPORT

Congratulations to Ken and Janine for their 3rd Grade and Women's 4th Grade premierships. And thanks to Amanda for her wonderful efforts with the Women's team - our loss is Melbourne's gain.

We can feel pleased with 1st Grade, and "just OK" about our middle of the road finish in the Club Championship.

As coach, my view is most clearly on the development of all players, and the club championship is the expression of our success. I invite any player to approach me for support this year.

Looking back we can say we *done good*. But I have to confess, middle of the road finishes make me nervous. What can you say about them? It's not bad,.... but it's not good? We're a few games away from a great season,.... or a terrible one,.... or more frustratingly, another average one.

Average seasons tend to get average responses. When you're winning, its easy to stay fired up - it feels great. When you're losing, you know you have to, or else you just keep hurting. In between is the deadly comfort zone, like anaesthetic - doing just enough to keep the grim reaper from our door and not feeling a thing!

If we review our performances last season, two obvious opportunities to pick up Club championship points appear: 2nd Grade and U24s. This is not criticism, but a recognition that we should support our mates. We all struggle from time to time. All players carry the burden to improve.

- A serious concern is the widening gap between 1st and 2nd grade. Few 2nd graders are seriously pressuring higher players for spots. For us to compete aggressively with other clubs, we have to lift our personal standards - on the field and at practice.
- U24s have been neglected by the club and largely unsupported by anyone other than those who play. It is a matter of pride with other clubs. We have a poor winning record in spite of the talent that turns out. It costs us valuable club championship points (on a par with 3rd grade points). Commitment and pride must be restored to this team's performances.

Proposed improvements:

- that we form a coaching panel to assist/drive the practices. We need to agree on the right way to keep the winning momentum going through the use of our training. This should include players from all grades. We commit to coming, and practice till dark.
- that we announce an U24s Frank Gray Shield squad at the start of the season, include about 15 players in the squad and arrange squad practice sessions to build up skills, teamwork and spirit.
- fielding must become an obsession. The Australian catching in the West Indies demonstrates what can be achieved by taking every chance. Our own examples of players, such as Il Duce practising his slips catching, and Dover in the outfield, are our legends - with the 3rd grade premiership to prove it. What more motivation and direction do we need.

Ask the men's 3rd grade and women's 4th grade: winning is worth it!! Good luck this season!

Tony Monaghan
Club Coach

CAPTAIN'S REPORT - '1ST GRADE' SHIRES

Congratulations to Ken's 3rds and to Janine and Amanda's 4th grade wins (especially back to back now). Also to Budgie, Dermie and the Committee for their work this year.

We can be proud of the 1st grade effort this year. We made the semi-finals, played better cricket overall than the previous year, and enjoyed it more. The result of the final, and the way in which Canterbury won indicate how close we were to winning it ourselves.

We started the season poorly with two losses. But we stood up and made our season count after Warringah. We did not lose again until the last round. In every game where time was lost to rain, we were in strong positions and it cost us points - enough points to make the difference between 4th and 1st, between 'doubt' and that extra confidence to beat all comers.

The loss of Steve O'Reilly to work in Jakarta for 2/3 years caught us on the back foot, and his contribution to the club over the years has been tremendous. We wish him well.

Our side made some notable progress. All five of our major bowlers reached or approached 30 wickets for the season. Only two bowlers made 20 last year. Budgie was the big improver, taking 3 five wicket hauls.

Our batsmen struggled at times. We batted well as a team, but individuals need to stand up and take more responsibility, particularly with starts under their belts. Getting out in the teens and twenties consistently is simply lack of concentration. Mind you, maintaining waterproof concentration is the hardest part of the game! The Australian win and Steve Waugh in the West Indies showed us the value of it! That is how we will win next year.

A few comments about individual performances, (remembering of course that it remains a team game). Linus had his best year behind the stumps, Budgie and Murph were a great pair, and Wick used his experience well.

Peter Saliba is a great acquisition for our club; for batting, for fielding and for enthusiasm - an attribute that led to several gutsy and match-winning digs.

Brownie re-invented himself this year, opened the bowling superbly and added an extra level of maturity and commitment to the team.

Webby, with three Gwilliams under his belt, well, who is going to stop him getting four? And he's getting better every year.

There is one personal encouragement left to make, and it's to the only bowler, who did not take a wicket this season - Peter Saliba. Pete - lift your game! Even our wicket keeper got one!!

We could have won it this year, but our regular two or three dropped catches, our couple of soft dismissals *every game* simply caught up with us. Sooner or later it had to cost us a win. It happened to be the semi.

Thank you to every player who turned out for us this year. We enjoyed good team spirit and good team wins. I can happily say again that our team and individual players have improved, even though we didn't win. Thanks particularly to Webby and Murph whose support and ideas improved my captaincy.

We can enjoy our winter having had that winning feeling. But where is the silverware! We can be proud, but we also need to improve, and nurture our "desire". That hunger starts now!!

As we've been told by 2nds, 4ths and now 3rds - countless times -

It's our turn!!!

MATCH REPORTS - '1ST GRADE' SHIRES

v Lane Cove 220 lost to Lane Cove 239.

In a mirror image of the first game last season, the team batting first (us on this occasion) set a modest total, only to see LC pass us 8 down. Only Webby (85) and Edgo (64) did themselves credit with the bat. Their club-record partnership took us to 3/178, whence we collapsed, losing 7/42.

Our bowlers did well to have them battling at 5/93, and from there we ought to have won. However, two partnerships got them to the edge of victory. Limitations in the field hampered our attack, a legacy from last year. Budgie 3/62, Webby 2/53, Murph 2/45. A disappointing start to the season.

v Warringah 5 dec. 289 lost to Warringah 303.

This loss was soul destroying. The dressing room grieving afterwards ran deep. In hindsight, this was the loss we had to have.

Won the toss, batted and did really well. Edgo, Legs, Hort all 20s, Mono 151 and Webby 58x. Even had them 1/20 overnight. Invincible, we all thought!

First of all, in spite of our loss, our bowlers didn't bowl badly! They consistently created chances and took wickets, but remained unable to control the scoring rate.

Had them 5/143 at one stage, but they went to tea at 5/180 (160 off the 40 overs before tea!). Catches dropped, easy catches dropped, misfielding, and that sick feeling of watching ourselves get beaten, unable to save ourselves. Even got them to 7/213, with their main man gone. Dermie 4/63, Toy 2/20 late in the game gave us a hint of hope.

All in all, just very, very sad.

v Lindfield 1/24 drew with Lindfield 239.

Rain destroyed the second week, and with it our chances to affect an immediate turn around.

Won the toss, bowled on a good deck, and were delighted to end the day needing only 220 the

second week to win. Not a perfect performance, but definitely better. Brownie 3/56 and Wick 3/60.

v Burwood 8/146 defeated Burwood 109.

Won the toss and bowled on a moist pitch that suited us perfectly - "Hail Marys" all round. Burwood all out in 58.3 overs. Budgie and Murph each bowled 20 overs straight to tie Burwood in knots: 3/37 and 3/24, respectively, Webby 2/15.

At the crease and at 3/8, we actually had not started all that well. Mono (84) and Webby (19) almost saw us through to the end. History tells that this was the first win over Burwood in 1sts for 20 years. Our first points of the season! What an omen!

v Holroyd 6/175 defeated Holroyd 171.

Elected to bowl first. An inspiring first over saw Webby take a wicket off the first ball and get hit for 6 off the last. Consistently took wickets to have them 6/86 off 27 overs. Took the 7th wicket at 163, as the last 4 fell for 8 runs: 171 off 58 overs. Webby starred with the ball: 18-2-69-6. Dermie and Murph chipped in with 2 each. Edgo (39) and Legs (27) played courageously for us to reach 0/44 overnight.

The second week was a much tighter contest, with us stumbling to 6/125 against some useful pace bowling. Saliba (53x) and Murph (15x) nursed us home. Match-winning performances by Webby and Saliba. 2 wins now and on the road again!

v Baulkham Hills 5/181 defeated Baulkham Hills 9/180.

Elected to bowl again in a one day game reduced to 56 overs each. Off to a great start again with Brownie getting a wicket in the second over and took our advantage to 5/48.

Butterworth's 82 saved them from embarrassment. All the bowlers got some: Webby 2/39, Brownie 3/41, Murph 2/49, Budgie 2/45.

Began the chase shakily (2/6) needing 3.22 per over. Mono (72) and Saliba (41) re-established some momentum, but at 5/132 off 40 overs, the match was alive. Toy (39x) and Brownie (6x) won through, with a memorable 18 runs off the 48th over to turn the tide our way. A great result against a very good bowling side - 3 in a row!

v South East Sydney 8 dec. 173 & 0/4 defeated South East Sydney outright 87 & 86.

They chose to bat but weren't up to it on a placid Uni deck. Yet another 1st over wicket got us rolling, and from 2/37, Murph (4/10) and Budgie (5/43) cleaned them up in 42 overs. This included a super, one-handed, overhead catch from Edgo at fine leg off a Budgie (ahem!) bouncer.

We reached 8/173 in 41 overs for an overnight lead of 86. Mono 59, Webby 31, Legs 25, Murph 21x and Wick 6x.

Declared overnight, and took wickets in the first 2 overs this time. Took their last 5 wickets for 4 runs - all out 86 off 36 overs and scores tied! (the skipper declared too early). Brownie did the early damage with 4/24, Murph 3/3, Budgie 2/24, Webby 1/35.

Enter the new opening pair of Budgie and Wick for the one run required: and bless our collective souls to see Budgie (off the first and only ball) play the best, spanking off-drive for 4 that you could ever wish to see (glorious shot, that!): timed to perfection, between the bowler and mid-off, along the ground all the way and up the hill at the tennis court end....(Wick 0x).

A bowler's game though, with Budgie's and Murph's match figures of 24.3-8-67-7 and 20-13-13-7 respectively; just sensational.

This win really marked a lift in our self-confidence and a more relaxed approach to our play. 4 wins in a row now, 28 points and all of a sudden, equal third. Bexley next, one win behind us!

v Bexley 8/245 defeated Bexley 193.

Lost the toss and batted in a one-dayer. A steady start helped the middle order take full toll: Toy 69, Webby 38, Saliba 34. Brownie's responsible 39x at the end ensuring a good total.

Bowled very well, with Murph (1/64 off 17) leading from the front, smothering Bexley's chase. Wick 3/29 at just the right time. Our best form, however, was in the field - 4 run outs - 2 from direct hits (Webby and Murph). This display of our ability was not even near the surface at the start of the season.

5 in a row.

v Pennant Hills 185 & 2 dec. 68 defeated Pennant Hills 129 & 9/73.

Lost the toss and batted. Could only fit in 23 overs before the rain came - extra overs next week, but the loss of overs still proved costly. Raced to 4/169, and in the search for more quick runs lost the tail quickly. Webby 56, Legs 26, Hort 23, Saliba 20, and oh!, Budgie 7 (including 1 x 6). Overall, not many runs but always enough for this opposition.

Budgie starred with the ball (5/43), and Wick (2/15). A fielding lapse, missing 3 chances, after tea (8/106) cost us valuable runs and overs.

With 33 overs still available to play, set them a target of 125 in 25 overs. It was beyond them to even get close. Edgo recorded a personal best 3/12 without actually using the facilities, Wick 3/14 and Murph 2/27.

Hmmm, those extra overs.....an outright would have been handy. 6 in a row now and equal second!

v Roseville 2/49 drew with Roseville 148.

Lost the toss again and bowled on a good batting strip. Brownie roared with 4/25 off 16 overs, including the Test player - middle stump out of the ground! (although it did fall very slowly!), Webby 2/33 and Wick 2/36. Neat run-out from a Budgie/Murph combo.

Went to tea at 8/109 from 42 overs, but took 16 overs and 40 runs to clean up the tail after the break.

The target was out of our reach for Day 1 - faced 25 overs (Edgo 21x, Linus as night watchman 18x). Their hanging on after tea mattered, with no play the following week.

For the second time in a row, rain washed out play and cost us points. Third place now, and a broken winning streak.

v Epping 9/154 drew with Epping 237.

This Saturday / Sunday game would probably qualify for an episode of Twin Peaks. It never followed a normal script.

Won the toss and bowled - rain forecast all weekend. After 10 overs, had them 5/16. With the score at about 6/50, it began to drizzle, making the pitch faster and straighter, and the ball greasy.

Courtesy of a Bensley century, strange umpiring, Mono and Budgie having spits, and some dropped catches, Epping turned it right around. No play after tea, 7/150 overnight, lo and behold, clear skies day 2.

With the ball soft from the rain, they batted on for a total 82 overs, and left us 57 overs for the target. Brownie 5/82 off 25 overs, Webby 3/67 off 27 overs were the mainstays in the bowling.

Saliba (48) led the way in the run chase, however too many early wickets meant it was beyond us. Wheeler and Wick hung on well for seven overs at the end to fend off defeat.

Epping's defensive approach got them closer to a win than it should have. We played well for the most part, and were closer to a win than the scores indicate. No points and slipped to 5th.

v Blacktown 6/232 defeated Blacktown 110.

Lost the toss and bowled in a one-dayer - great pitch. Took wickets steadily throughout - Budgie (6/47) grabbed a pewter by adding a runout (direct hit at the bowler's end from point) to his tally of wickets.

Stumbled early in our chase to be 4/38, but Brownie (22) and Saliba (23) got us close enough to relax. From there, Toy stole the show with a blistering display of hitting - 102x within the space of 20 overs. (Murph, 25x, a welcome return to form!). 6 points and back to 4th.

v Auburn 147 & 6/77 defeated Auburn 146 & 6 dec 116.

Lost the toss and bowled. Again, took wickets steadily throughout, on a two-paced pitch. Webby took the honours with 5/28 off 17 overs, with Wick taking 3/37 cleaning up at the end.

We batted for 29 overs, as the pitch and standard of umpiring deteriorated, and found ourselves 5/80 overnight - stumbling early again.

The pitch was wet, therefore better, the second week, but that did not stop us from stumbling to be 8/108, then losing 3/1. Budgie and Webby resurrected us to 136, before Budgie and Wheeler got us home, Budgie out next ball for a courageous 17. With 50 overs left to play, Auburn set us a difficult chase with an entertaining display. Edgo was the pick of the bowlers with a crowd-pleasing 3/81 off 8 overs, although Wick (on the best turning wicket of the year) had to be removed for bowling too well. Little cameos by Saliba and Kendall (1/4) were "enlightening"! The chase never really got going, so we closed up shop - Dermie 22x.

As it turned out, this was our last win of the season, but it was enough for us to hang on to 4th and into the semis.

v Canterbury 1/45 drew with Canterbury 157.

Lost the toss and bowled on a pitch with plenty of grass. Took wickets throughout, and it was the Miser, 19-11-22-4, who stopped them. Budgie and Wick slipped in with 2 each for an excellent result against the team coming third.

Batted for 19 overs with a win one sunny day away - but it rained - heavily.

We're blaming Linus! Three times he had been nightwatchman for us this year, and three times day 2 had been washed away.

v Strathfield 121 lost to Strathfield 152.

Won the toss and bowled in a one dayer, after rain the first week. A slow pitch and wet outfield meant a very slow and low scoring day. We ground it out all day, and it was Wick who stole the show with a sensational diving one-handed catch at short fine leg, and at the end with 5/35 off 13 overs.

It took us all our overs to get as close as we did. The going was very slow and the commitment of all the players to hang in was great. Nevertheless, a loss at this stage was nerve-racking.

Semi-Final:

v Holroyd 203 lost to Holroyd 274.

Our side:

T. Monaghan	M. Edgerton
G. Brown	G. McFadden
C. Kendall	W. Folkard
P. Murphy	P. Saliba
J. Breden	D. Webb
D. Budge	

Won the toss and batted on a good Monty Bennett track. Started well and at 2/137 were looking very comfortable. Kendall (30) and Saliba (60) had done the hard work, and it was clear Holroyd were tiring.

Then we just "lost it". It started with Mono (23) and the side just kept sliding.

Mossy bowled well, and in this case, well enough for 9/76 off 38 overs.

Our turn came and we gave ourselves every chance. Had them 1/43 overnight, and then 4/95 with plenty of momentum and pressure. It was in the balance here, but a good partnership held them together till 196, and it was over by then. It was a game Holroyd won through two big performances: Mossy, and Curtis' 117. If we'd scored another 30-40, that might have been enough to psych them out. We'd had our chances but dropped 3.

Webby's bowling stood out with 2/51 from 19 aggressive overs.

CAPTAIN'S REPORT - '2ND GRADE' SHIRES

Second Grade had its worst season in memory coming second last with 3 wins, 8 losses and 4 draws. We were humbled by teams that finished well down the ladder, yet defeated the premiers Lindfield and also Strathfield who were leading the competition for much of the season.

Our performances were not consistent. At times the team appeared capable of beating anybody. However, it was rare for us to sustain a winning level of performance throughout a match. In general our bowling lacked penetration. The batting, in particular the top order, suffered from poor concentration and technical deficiencies. Our fielding in most games was not up to standard with the catching on occasions embarrassingly poor.

Winning and losing are habit forming and unfortunately losing became a habit with us.

Over recent seasons Second Grade has become accustomed to success. It has come through talent, concentration and effort. The right mix of these qualities was not present this season.

A few words of thanks. Firstly to the Committee for their efforts during the season. Thanks also to my fellow captains and to the Second Grade players who stuck to the cause through what became a very difficult season. The ground staff have again done an excellent job.

Finally congratulations to Third Grade and the Women on their premierships.

Allan Mahoney
2nd Grade Captain

MATCH REPORTS - '2ND GRADE' SHIRES

v Lane Cove 285 drew with Lane Cove 9/272

Lane Cove invited us to bat on a hard and grassless Macquarie pitch. We were all out for 285 in the 82nd over, Brown (56) and Folkard (51) batted well. Lane Cove fielded with 10 all day. The following week they batted in similar conditions. When we had them 5/123 a win seemed likely. However, the man who had not fielded the previous week came in at number 7 and batted beautifully for 95. Together with some very stubborn tail enders he saved the match for Lane Cove, they finished at 9/272. Brown was outstanding with the ball taking 6/63 off 26 overs. Our performance was notable for the 6 catches we dropped. Unfortunately the fielding on this day set the standard for the remainder of the season.

v Warringah 279 lost to Warringah 7/283

Batted first at Macquarie after winning the toss. Saliba (50) and Blyth (80) put on a rapid 99 for the first wicket. We compiled 279 off 80 overs. We all felt it should have been more. On day 2 our bowling was average and they passed us 7 down.

v Lindfield 181 defeated Lindfield 143 and 1/62

Sent Lindfield in to bat on an Acron wicket that promised to help the bowlers. They were all out for 143. Davies was superb with 6/38 and he was well supported by Batten with 3/29. We

were 5/92 at the end of day 1. On day 2, after a long wait for the wicket to dry, we passed Lindfield 8 down. Folkard (31) and Batten (32) batted solidly against a very determined Lindfield team. Ours was one of only a few games that got on, a credit to the determination of the Lindfield captain.

v Burwood 140 lost to Burwood 5/142

We were sent in by Burwood in a 1 day game at Macquarie. The wicket did plenty and we were all out for 140, with one of their opening bowlers getting 8 wickets. Hayman (39) saw us to a reasonable total after we were 6/62 early on. We had Burwood 5/92 and struggling when their captain came in and finished the game quickly with some powerful hitting.

v Holroyd 186 and 5/114 lost to Holroyd 202

We made the journey to Holroyd and were sent in. At 4/42 we were in trouble before Kendall (38) and Breden (67) helped us to 186. Holroyd passed us 7 down with one missed catch proving the difference. Smith 3/65 and Breden 3/40 both bowled well.

v Baulkham Hills 151 lost to Baulkham Hills 213

A one day game, won the toss and sent Baulkham Hills in to bat in conditions ideal for bowling. Once again catching was poor and Baulkham Hills finished with 213, Hayman was the best of the bowlers taking 4/56. Our top order batting was humiliated by Baulkham Hills, at one stage we were 6/53, all out 151. Deller (36) put up solid resistance at the end.

v South East Sydney 69 and 8 dec 231 lost to South East Sydney 1 dec 76 and 8/152

Sent in by South East Sydney on a green Macquarie No 1 wicket. Batting went from bad to pathetic, all out 69. They passed us 1 down and declared. Second time around the batting improved dramatically and we were able to declare at 8/231. Lenard (83) and Hayman (37) both solid. South East Sydney were 8/152 when the overs ran out. Slattery finally started to display his talent with 5/42. This game was notable for the appalling behaviour of the South East Sydney team, their complete lack of knowledge of the rules of the game and their total disregard for the spirit in which the game should be played. A thoroughly unpleasant match.

v Bexley 187 lost to Bexley 5/228

A one day game following rain the first week. I sent Bexley in on a hard wicket. They got 5/228 from their 60 overs, our bowling was average and catching miserable. We never looked like getting the runs, Kendall (59) and Deller (41) lacked support.

v Pennant Hills 4/79 drew with Pennant Hills

Sent in to bat in very difficult circumstances at Pennant Hills Oval we got to 4/79 before rain ended proceedings.

v Roseville drew with Roseville 8/220

Roseville won the toss and laboured to 8/220 at Macquarie, more dropped catches from us. Smith 3/75 and Slattery 3/32 the best of the bowlers. Day 2 was washed out.

v Epping 7 dec 257 defeated Epping 169

Sent in at Epping oval with rain threatening. When stumps were drawn due to poor light after 49 overs we were 4/132. Deller (54) batted really well. On Sunday we declared at 7/257, Mahoney (66x) finally getting some runs. Epping were dismissed for 169 with Mark Smith

7/68 getting his first 7 wicket haul for the Club. It was good to win another game at last. Also very pleasing that the input of the 4 players making their second grade debuts was so very positive.

v Blacktown 168 lost to Blacktown 4/197

A one day game in which Blacktown elected to bat first on a brand new wicket at Whalan. The sprinkler system had not worked for the previous week so the wicket was bone dry and deteriorated as the day progressed. We started well having them 4/61 before an unbroken partnership of 136 saw Blacktown to 4/197 off their 60 overs. At 5/52 we were no chance, however Hayman (62) batted beautifully to get us up to 168. Beaten by a better team but we had been competitive all day against a team that made the final.

v Auburn drew with Auburn 9/228

Auburn won the toss and batted on an excellent Macquarie wicket. They finished the day at 9/228, Slattery and Hayman picked up three wickets each. Probably our worst fielding day of the season, simply terrible. Day 2 was washed out.

v Canterbury 109 lost to Canterbury 3/116

Elected to bat on a very slow Hutchinson wicket. Playing with 10 after a selection stuff up, we showed a complete lack of discipline and were rolled for 109. Canterbury passed us 3 down that afternoon as we again dropped more catches. A gutless performance which for me was the low point of the season, thankfully day 2 was washed out.

v Strathfield 3/151 defeated Strathfield 150

A one day match after the first day was washed out. Strathfield, who were leading the competition and playing for the Minor Premiership, elected to bat on a grassy Macquarie wicket. Debutante, Wellham, bowled unchanged for 30 overs, had 4 catches dropped and still got 5/82. Strathfield all out 150, should have been less than 100. We passed them 3 down, Davis top score with 52. Strathfield went from 1st to 5th. A good way to finish a poor season.

CAPTAIN'S REPORT - '3RD GRADE' SHIRES

After losing the final by a handful of runs in season 1993-94, it was a great relief for 6 of last season's finalists to be playing when we beat Roseville to win the competition. It is amazing in all sports, how often teams seem to lose a final, learn from the experience and win the competition in the following year.

Whilst our final's performance was stronger this season, our pre-final's performance was not nearly as good. We lost three games chasing very "gettable" scores. Two of those targets being below 170 on plum batting decks. While I don't want to dwell on our poor performances it was those games that were our most important in terms of winning the competition. I think thirds this year and last year expected to win every game and when a loss did occur everyone took it personally.

That feeling is the one thing I noticed change when we won the club championship in 1990-91. This flowed on to premierships in B-Grade, D-Grade and this year's thirds. The club now expects success in each game and when it is not achieved; **it hurts!** That does not mean sulking after a game but it means carrying this "I'm not going to let that happen again" attitude all week. It was amazing how many phone calls I received from players after losses compared to a minimal number after victories - interesting.

I'm determined however not to get carried away with our premiership this season because it will mean nothing if the current group of players do not firstly come back to progress to higher grades and, secondly, go on to take leadership roles in the Club.

Leadership means getting on the committee, helping junior players, making suggestions, attending all social functions or just taking the initiative to get to games or practice early and help with setting up. As Al Mahoney has mentioned on many occasions, the running of the Club and higher grade teams are very dependant on the over 30's group and we are only a season or two away from losing a great percentage of those players.

Keeping with the theme of not getting carried away, our win this year is very much a result of 1st grade fielding, 2nd grade bowling and 3rd grade batting. What I mean by that is we had as good a fielding side as I have ever seen at Macquarie. The bowling this year would have been very competitive in 2nds but our batting was comparable to an average Third Grade Team. There is simply no reason why this should be the case when you look at the fact that a majority of our top eight batsmen have been successful in A-Grade teams and are still young enough to be playing there. Our most successful batsman was Paul Chew (Good on ya Paul!) who incidentally has never played A's and only one game in B's. Paul scored at an average of 30 opening the batting. Paul's efforts in the field were incredible and at last count he had 8 run-outs for the season.

In summary, if 2nd grade next year are relying on thirds for a better batting season it could be another disappointing year.

The bowling was a completely different story with Pedavoli, Roberts, Bateman, Lenard, and the writer all getting wickets. There is no reason, with the exception of Carlo Pedavoli, who I hope is considering captaincy, that all those players won't be playing higher grades at some

stage next year. In summary, an excellent year for our bowlers with Pedavoli moving the ball about, Roberts bowling immaculate line and length, Lenard tantalising batsman with flight and spin, Bateman bowling with great pace and Dixon once again benefiting from the new ball and a huge number of overs. Special mention must go to our wicket-keeper Ashley Stanwell who kept very well all year and has a big future at this club, both keeping and perhaps captaining in years to come. Also thanks to my vice captain Phil Lenard, who many times took over captaining. There is no way we would have had the success over the last two seasons without him.

Thanks also to the committee, particularly David Budge and the other grade captains Tony Monaghan, Al Mahoney, Doug Latto, Mark Hughes and Sam Herps. Also thanks to Lego and Hort for fitting into thirds so easily and helping steady the ship - particularly Lego in the final. Bruce Hort did not have the batting success he would have hoped for but his slip catching, which took hours of practice, was as good as I've seen,.

Congratulations to all the Thirds' players and in particular the squad of 12 who played in the semi and final.

MATCH REPORTS - '3RD GRADE' SHIRES

v Lane Cove 7 Dec. 239 defeated Lane Cove 123 & 82.

As with our last season the policy of putting our opposition into bat first was adopted. Our spinners took all the wickets on a slow dry wicket. Smithy the pick with 3/32 off 17, Phil Lenard with 2/8 and after many years out of the game Bernard Folkard 4/24 off 8. The catching was outstanding. Our batting got off to a very ordinary start being around 4/60 overnight, mainly the result of some attempted flamboyant shots. The following week we cruised to 7/239 dec. A lead of 126. Paul Batten and Ashley Stanwell on debut scored 90 and 29x respectively. Both showed maturity beyond their years. Batten was brutal on the on side scoring his runs with ease. Dixon also helped steady the ship with 43.

Lane Cove were put in again and what can you say, Batemen bowled straight and fast taking 7/17 off 11. A comfortable outright win.

v Warringah 7/200 defeated Warringah 198.

Warringah won the toss and batted on a very good pitch. They crawled to 1/118 but the bowling and fielding were excellent. After taking the score to 4/188 you would have thought Warringah would have accelerated. Soc (D. Roberts) bowled himself to a stand still. In the best spell of bowling for the season he took 5/50 of 25 overs. He was ably supported by S. Bateman with 3/17 off 14. Warringah lost 6/10 and we were right in the game.

Our top order got starts but did not continue; Bradley 25 Bateman 29. Dixon, who was wicketless for the season so far, thought it important to score some runs; getting 60. He was supported by Morosin (25) and Lenard (20). Anderson, after a long absence from Macquarie cricket, hit the winning runs.

v Lindfield 0/22 drew with Lindfield 232.

We won the toss and put Lindfield in to bat. At Macquarie in good batting conditions we bowled and fielded steadily. The wickets were shared around. Pedavoli 3/62 off 18, Smith 2/60 off 18. Roberts 2/25 off 9 and Lenard 3/38 off 11. A solid start from openers Chew and Davis saw us 0/22 overnight. Second Week washed out.

v Burwood 194 lost to Burwood 8/216.

This was a replay of last year's final and meant a great deal to a number of players. We got off to a tremendous start having Burwood 6/89, after a 51 opening stand. Then two of their experienced players put on 85 for the eight wicket taking them to 216. The bowling figures, Dixon 4/70, Pedavoli 3/93.

At 2/97 with plenty of overs to spare things were looking good. Then we suffered one of the collapses which plagued our batting during the season. After Mather, who opened, scored 50 and Morosin at three scored 53, the rest of the batsmen failed on a great batting strip. Shwabsky fought hard for 26x. A match lost that should have been won.

v Holroyd 3 dec. 188 defeated Holroyd 186 & 7/177.

Finally after a very quite year Dixon got a haul with 5/33 off 21. Other wicket takers were Pedavoli 2/28 and Lenard 2/61.

In one of our best batting displays our top three all performed well. Vella 70, Davis 39, and Morosin 73. Both Vella & Morosin showed how good they can be when their confidence is there. Two of the best innings played all year. This was Craig Anderson's 100th game and while he did not bat, he bowled admirably with 1 over 0/3.

In the second innings the wickets were spread around with the pick being Shwabsky 2/42 of 14. A good display.

v Baulkham Hills 131 lost to Baulkham Hills 136.

A welcome return was made by a slim Barry Brien who bowled quickly but erratically to get 4/52. Roberts, accurate as always, and with good pace took 3/40 and Lenard 2/22. The fielding was also good.

The platform was set for an easy win. Unfortunately a pathetic batting display followed; the only player to shine being our 18 year old wicket keeper Stanwell scoring 32x. An awful display and we could all have learnt something from Stanwell's batting that day.

v South East Sydney 108 & 1/56 defeated South East Sydney 60 & 125.

On an outfield at Birchgrove Oval that was very lush, high scores were not possible. Actually 60 probably translated to 130 on a normal ground. The bowling was not up to its usual standard but was good enough against a weaker team. The figures were Dixon 1/18, Govindan 3/18 and (Boy wonder) Law an amazing 5/11. The fielding was outstanding.

After a streaky start, 2/7, we passed them 4 wickets down, but were rolled in an average display for 108. Best bats Bradley 22, Chew 24 and Pavlov 19x.

South East Sydney improved in the second innings, and were rolled for 125. The bowlers Dixon 3/20, Edgerton 2/18 and 3 run-outs. Unfortunately we ran out of time for an outright win being 1/56, Bradley 28x Chew 23 - falling 20 runs short.

v Bexley 9/237 defeated Bexley 9/184.

At 2/31, in a one day game, we did not get off to a great start. Dixon 60 and Chew 70 however put on a 128 run partnership to take the score to 159. At 4/203 with plenty of overs to go we looked like getting a big score, Mather 25 and Bradley 20 batted positively, but Bexley fought back restricting us to 9/237. We actually only scored about 5 runs off the last 5 overs.

237 was always going to be too much against our bowling and it was obvious after 10 overs that Bexley were not going to get there. Shwabsky (3/42) and Pedavoli (3/38) were the best of the bowlers.

v Pennant Hills 4/85 & 3/80 defeated Pennant Hills 76 & 84.

A game played in very wet conditions both weeks saw an easy outright win against poor opposition. Whilst we played well some of our players were too excited about this victory. Dixon 7/34 and Wolfe 2/0 enjoyed wickets in 1st Innings and Bateman 3/16 and Lenard 3/29 in the 2nd. Bateman was the pick of the batsman in both innings with 26 and 29.

v Roseville 176 defeated Roseville 168 & 2/96.

This was a game we should really have lost. Roseville, coming 2nd in the competition, had by far the best of the conditions batting in perfect conditions. All out for 168. The wickets were shared around with Dixon 2/29, Pedavoli 2/38, Bateman 2/22 and Mather 3/17. Macquarie were 4/90 overnight (Chew 30).

Next week when just about every game in Sydney was called off, and after a delayed start, we collapsed to 7/114. Lenard (21x) and Bradley (46) got together to get us home, putting on a 57 partnership. They did this by batting very aggressively in terrible conditions. A very important victory and one where we showed a lot of spirit.

v Epping 142 lost to Epping 169 and 1/40.

A shocking performance. After being 3/128 we were unable to get the 42 runs we needed and lost 6 for 14 on an excellent batting strip.

Our bowlers and fielders worked hard to get Epping out for a very achievable target. The figures were Dixon 2/51, Bateman 2/15 and Roberts 2/30 with 2 run outs. The less said about the batting the better. An important result as it turned out to be our last loss of the year.

v Blacktown 0 dec. 99 and 3/45 defeated Blacktown 86 and 125.

Another very good bowling and fielding display. Pedavoli 3/44, Dixon 2/14, Roberts 2/8 and Lenard 1/2 with 2 run-outs. In Blacktown's 2nd Innings Dixon 5/38, Bateman 3/25 and Mather 1/0.

Our batting was on track in the first innings with Lego 52x and Chew 31x. Lego's inning was brutal towards the end. A crazy run chase in the second innings where we needed 10 an over.

v Auburn 5 dec. 252 defeated Auburn 129 & 1/37.

A very solid batting display Chew 33, Lego 22, Hort 83x, Bateman 43 and Mather 49, on a pitch that was inconsistent. It was an excellent performance, particularly from Hort who had had an ordinary season to date.

It was Bateman's day with the ball, taking 5/23 off 14. Good form with the Finals just around the corner.

v Canterbury drew with Canterbury 210.

Pedavoli bowled beautifully for 5/51 off 22 with Hort taking some excellent first slip catches. Rain washed out the 2nd week.

v Strathfield 4/70 defeated Strathfield 57.

A good toss to win as there was a bit of moisture in the pitch causing it to play slowly. Dixon benefited from first use of the ball with 6/13 off 20. Slattery, who got a wicket with his first ball, took 2/17 off 14.

Strathfield, who were undefeated until this game, showed they were a strong bowling side, causing our batsman problems. Bateman top scored with 26.

Semi Final

v Strathfield 200 defeated Strathfield 101.

After rolling Strathfield for 57 in round 15, my biggest fear was Macquarie's over confidence. My fears were unrealised as we fought very hard to get 200. Chew 36, Mather 30, Lenard 32 and Pedavoli 20x. A real team effort on a pitch that was doing a bit. The efforts of Lenard and Pedavoli, our elder statesmen, meant so much in taking a possible 140 to 200.

As it had been all year, our bowling was great. The clamps were put on Strathfield's scoring and Roberts 3/29 was the best, ripping through the middle order. Bateman 2/23, Pedavoli 2/26 and Dixon 2/16 also chipped in. An excellent result with excellent fielding.

Final

v Roseville 185 defeated Roseville 126.

A very similar game to our semi. Scores of over 150 give our bowlers a real chance.

Lego 51 batted for 2 1/2 sessions and his innings was the difference between the 2 teams. Lego's innings was slow, but his concentration was brilliant against a "talkative" opposition. Whilst a quicker scoring rate has always been my preference for winning, the game justified the means. Dixon scored 34, and Pedavoli 25 once again came to the rescue under pressure.

Our bowlers at 0/44 were a little nervous but Bateman (3/30) dismissed both openers and Dixon 4/39 got the middle order and Pedavoli 1/25, Mather 1/2 and Chew (run out) got the tail. Ben Bradley took one of the greatest catches you could ever see off Mather.

An Unforgettable Win !

CAPTAIN'S REPORT - '4TH GRADE' SHIRES

After winning the final last year we were looking forward to another successful season. An outright win against Lane Cove in the first match seemed to fool us into a false belief that it was going to be easy.

A careful look at the performances shows that our batting let us down. Only Simon Burchett and Douglas Latto passed the 200 mark. Team scores of 200 plus seemed very hard to come by.

Last year we played most matches with a squad of 14. This year we would have 5 or 6 changes every match. This was largely due to poor availability in higher teams with frequent drop outs at the last minute. The batting reserves in 5th and 6th grade were not as strong as last year and generally did not put much pressure on the higher grade players.

Our bowlers performed well again. Only once did a team score 300 against us. There were a number of matches in which the bowlers dismissed teams for a low score only for the second day to be lost to bad weather.

There were two new bowling discoveries. Glen Wellham showed plenty of pace and durability. He bowled better as the season went on. He was awarded a second grade game at the end of the season and took 5 wickets.

Kandon Venkatraman bamboozled many batsmen with his mixture of leg-spins, top-spins and googlies. He was the leading wicket-taker with 27. As he learns to flight the ball more he will only get better.

Damon Law and Andrew Cearn also put in good performances. If Damon Law could sort out his availability there wouldn't be such a waste of talent in the second part of the season. Rashesh Govindan did not bowl to his full potential and needs to bowl at the pace of last season. Paul Sweeney could bowl at a higher grade if he improved his availability.

Some players may feel that we were unlucky to lose three matches by 1 wicket. The truth is that we should not let teams get that close.

I would like to thank the other captains and the committee for their support. My special thanks to Al Mahoney, Ken Dixon and Mark Hughes for their concern and encouragement throughout the season.

I am sure that we can get back on track next season. We should be the best team in the league. Better availability at higher grades and a greater commitment by some players (especially batsmen) is required. The trophy is on loan to Strathfield and I look forward to getting it back next year.

Douglas Latto
4th Grade Captain.

MATCH REPORTS - '4TH GRADE' SHIRES

v Lane Cove 5/134 & 1/71 defeated Lane Cove 122 & 81.

The team got off to a great start with an outright win. R Govindan took 6/32 in the first innings and A Cearns took 3/29 and 4/10. S Davis made a brisk 51x in our first innings and D Latto ensured the victory with 38x in the second.

v Warringah 211 lost to Warringah 9/222.

The match was played in most unpleasant circumstances with a lot of swearing and threatening of the batsmen and umpires by the opposition captain. This resulted in an appearance before the Sydney Cricket Association. The game was tantalisingly close. Our batting was poor and we collapsed to 8/117. Our new wicket-keeper C Maxwell played a mature innings of 68x. He combined with the tail putting on 31 with "Wazza" and 63 with G Wellham. Warringah seemed to be coasting at 0/102. A collapse to 7/130 changed the position. At 9/189 we were looking good but Warringah got home.

v Lindfield 0/34 drew with Lindfield 5 dec. 303.

Due to the drought the outfield was like glass and the wicket was perfect for batting. Lindfield believed 300 was enough and declared. We raced to 0/34 and were feeling confident. Unfortunately the drought broke and we were denied the chance to chase.

v Burwood 6/112 defeated Burwood 106.

This was a one day match. Played on a damp pitch Burwood were always struggling. They were 3 wickets for 1. We struggled to 5/75 but M Finney (25x) and A Cearns saw us home.

v Holroyd 96 & 7/67 lost to Holroyd 235.

This was the team's worst performance for a couple of years. We had Holroyd 6/53 but their tail wagged, despite living dangerously. P Sweeney and M Warren each took 4 wickets. The second day saw a damp pitch on a hot day (who watered it??). Batting was nearly impossible and we saved outright defeat with an innings of 32x from C Maxwell.

v Baulkham Hills 229 defeated Baulkham Hills 223.

This was an exciting one day game. We batted briskly with D Law 38 and A Pavlov 63 setting the pace. We made the mistake of not using the 60 overs. Baulkham Hills' reply was spirited and they needed 7 off the last over with 2 wickets left. D Law took the wickets with the first 2 balls and finished off with 4/55. A Cearns took 3/34.

v South East Sydney 133 & 1/110 lost to South East Sydney 143.

Another close match saw a loss by 1 wicket again. With the exception of S Wolfe 57x the batting was appalling. The bowlers put in a tremendous effort. K Venkatraman took 3/45 and G Wellham showed his potential with 5/51. We had our chance to win when they were 6/73 but let the match get away. The 2nd innings saw S Burchett score 50x and D Latto score 42 - too late.

v Bexley 4/199 defeated Bexley 192.

Bexley got off to a fast start with one guy knocking us about the field. Everything changed with the introduction of K Venkatraman and D Law. The latter finished with 4/47. The team

batted well with S Wolfe 36 and A Pavlov 55x top scoring. Andy's innings was notable for his first ever quick single.

v Pennant Hills 219 lost to Pennant Hills 9/227.

Played on astro turf, the match gave an opportunity for aspiring 5th and 6th graders. The first day saw us reach 1/140 in the rain due to an opening partnership of 125 by D Latto 71 and S Burchett 57. The second day was one of the most disastrous in the team's history. We collapsed to 219 all out. We bowled in the rain. Wickets fell steadily and at 9/136 the match looked in the bag. However, the last wicket put on 91. There were 6 dropped catches during this stand and one guy scored 153x. Some people will have to work hard, a lot harder, if they want to play M & S Cricket.

v Roseville 0/52 drew with Roseville 148.

This was a repeat of last year's final. Roseville showed little resistance and K Venkatraman bowled impressively for 5/28. We were 0/52 at the end of the first day. Unfortunately rain prevented us from completing the victory.

v Epping 198 defeated Epping 196.

The first day was cut short by rain but we had Epping at 6/87. They recovered to 196. P Sweeney had the best figures - 3/51. We had an excellent start with S Burchett 63 and D Latto 47 putting on 111 for the first wicket. Then the batsmen seemed to freeze. The scoring went down to a trickle and wickets fell regularly. We passed their score with 9 wickets down. Having lost 3 matches by 1 wicket it was good to win one by the same margin.

v Blacktown 8/185 defeated Blacktown 183.

Played on a ground twice the size of the MCG, nearly everything had to be run. Blacktown were batting steadily at 5/160 but collapsed to 183 all out. K Venkatraman cleaned up the tail with 5/42. We were looking comfortable at 2/108 but then batted very slowly, resulting in pressure on the latter batsmen. We won by 2 wickets in the last over. A match we should have won comfortably.

v Auburn 2/64 drew with Auburn 201.

On a perfect batting strip Auburn missed out with 201. K Venkatraman 4/69 and P Sweeney 3/50 were the best bowlers. We were looking comfortable at 2/64 but again the second day was washed out.

v Canterbury 1/7 drew with Canterbury 211.

Canterbury batted surprisingly slowly considering we both had an outside chance of making the top four. They crept up to 5/178 but collapsed to 211 all out. We were 1/7 at the close. Day 2 washed out.

v Strathfield 102 lost to Strathfield 140.

On a wicket helping medium pacers, Strathfield struggled to 140. D Law 5/46 put in his best bowling performance of the season. Macquarie batted poorly with only S Robertson 28 showing any resistance. Strathfield bowled well and were worthy winners of the final.

MATCH REPORTS - 'UNDER 24s'

v Lane Cove 167 lost to Lane Cove 8/216.

Lane Cove won the toss and decided to bat first on a wicket that would provide little assistance to the bowlers. However, Paul Batten defied the conditions to take 3 for 22 off 12 overs. He was well supported by Paul "Cracker" Sweeney (0/41 from 12), Simon Wolfe (1/37), Kandon Venkatraman (0/25) and in particular Damian "Soc" Roberts (2/46). The team's lack-lustre performance in the field, made it particularly difficult for these bowlers to apply the constant pressure required to get on top of the opposition in conditions so favourable to the batsmen. After 60 overs, Lane Cove were 8 for 216.

We started the chase horrendously, losing our first 4 wickets for 28. However, for a while it seemed possible that either Ben Bradley (29, including 6 four's) or Ashley Stanwell, who compiled a very classy 50, would rescue the team.

Unfortunately, this was not to be, with Macquarie being bowled out in the 55th over for 167.

v Roseville 227 defeated Roseville 219.

After winning the toss, I decided to bat first. Mark Hughes and Ben Bradley got us away to a flying start, each hitting boundaries in the first couple of overs. Mark was dismissed first (16) followed by Ben (14) when the score was 45. Both Pete Saliba (25) and myself (25) were out just as it looked like we were settling in. Undoubtedly the two stars of the innings were Paul Batten and Simon Wolfe. Paul constructed his innings of 62 perfectly, starting cautiously - when the team needed someone to build an innings, then accelerating in the final overs. When Wolfe's turn came to bat, a score of 180 was the most we could have hoped for. Wolfe changed that with an innings of 34 in 40 minutes, including the 6 hit out of the ground and into the backyard of a nearby house. Crackers contributed to the carnage with 17 in 20 minutes including a spectacular exhibition of running between wickets.

While 227 was way beyond even the most optimistic expectations halfway through our innings (we were 6 for 88 after 30 overs), it was still going to take some defending, particularly taking into consideration the short boundaries and the fact that Roseville were primarily a team of batsmen.

Batten (2/29), Roberts (3/40), Sweeney (1/27), Law (0/42) and Nicholas Edgerton (1/23) all bowled superbly particularly in the latter stages of the game when the pressure was intense - with 10 overs remaining, Roseville needed 48 to win with 5 wickets in hand. They were bowled out for 219 in 58.3 overs.

The most outstanding aspect of this win was the way in which the team lifted its performance in the field. The intense pressure applied to the batsmen, a result of both tight bowling and desperate fielding, was what led to the regular fall of wickets (3 Roseville run outs).

v South East Sydney 135 lost to South East Sydney 6/271.

This was always going to be a difficult match. The rain had ensured we had no chance of making the semis, in contrast South East Sydney were leading our pool. South East Sydney won the toss and decided to bat first. They proceeded to make 6 for 271. Their number 3 contributing 112 of their runs. Paul Sweeney was the pick of the bowlers, conceding only 38 runs from 12 overs, while Steven Davis bowled without luck early in his spell.

We went about chasing this total aggressively. Unfortunately, this led to the rapid fall of wickets. At one stage it looked like we were going to have a very early end to the match. However, all this changed once Eddie and Paul Sweeney got together. They came together in the 39th over and were not separated until the 55th, creating an Under 24s record 10th wicket

partnership of 41 and enabling the team to reach a respectable 135. Crackers was finally dismissed for 38, leaving Eddie 16 not out.

This was an extraordinary Under 24 season in that 4 out of the scheduled 7 games were washed out. Had we played those games, particularly the ones immediately following the Roseville game, I've no doubt we would have enjoyed more victories. Nevertheless, it was a pleasure being involved with all the guys in the games we did play. I would like to thank Ken Dixon and Doug Latto for helping me select the team, Mark Hughes for his support on the field and Eddie Aphaiswongse and Dave Budge for their support and help with such things as covers and drinks.

CAPTAIN'S REPORT - 'B GRADE' GDJCA

Season 1994/95 was a disappointment for Macquarie Uni in the Gordon competition with a handful of wins, numerous draws and too frequent losses leaving the 5th grade side near the bottom of the ladder. Assisting our poor relative position was a number of wash-outs on our home wicket while our competitors picked up valuable results on synthetic turf. A real lack of batting depth saw scores of 170 plus being too many to chase. A lack of concentration at this level of cricket found out many a good start not converted into big scores and promotion to Shires.

Our bowling depth was excellent with pressure on our opposition at all times, however fielding, particularly outfield catching, let us down. Too often, traps were set and the mice baited only to let them escape with the cheese and back into their hole to tell their mates of another great escape.

Enough metaphors however, but it's worth saying that 5th grade enjoyed its season with special thanks to the following players for their contribution.

Mark Warren	22 wkts
Steve Jurd	21 wkts
Ben Roberts	19 wkts
Paul Webster	8 wkts and 173 runs
Eddie Aphaiswongse	174 runs
Howard Pitts	133 runs

MATCH REPORTS - 'B GRADE' GDJCA

v Pymble Nomads 162 & 1/169 lost to Pymble Nomads 3 dec 303.

Won toss and chose to bat on a very small ground and set a very small total. Only Hughes (35) and Robertson (29) contributed. Nomads took 49 overs to rack up 300 and left us with a nasty session to avoid outright. Aphaiswongse (56) and Venkatraman (105x) gave then a mouthful back and restored pride.

v Roseville 9/87 lost to Roseville 1/94.

Stand in Captain W Folkard (10 runs and 0/12 off 3) won toss and chose to bat. Aphaiswongse (25) top scored in another poor batting performance for the team. Roseville made light work of the chase for a comfortable victory.

v West Pymble Trojans 253 lost to West Pymble Trojans 4/256.

Lost toss and invited to bat. An improved effort saw us post a respectable score thanks to Richards (48), Hughes (59) and Pitts (29), especially from 5/135 with Jurd (30x) and Webster (21) contributing. Trojans batted well to pass us 4 down, with dropped catches costly, Warren (4/81) claiming the spoils.

v Hackers 7/152 defeated Hackers 8/150.

A team effort from our bowlers who restricted Hackers to a gettable score. Roberts (1/24 off 8) and Congreve (4/46 off 9) the picks with Jurd, Dowdell and Webster all chipping in as well. Macquarie chased well scoring 4 an over to never get behind the run rate, thanks to Campbell's aggressive 26 and Hughes' anchor 52x. Nice to get a win!

v NDC Hogs 204 lost to NDC Hogs 287.

Won toss and sent Hogs in. Too many dropped catches, ie 15 plus - catches, not SPF sunblock! Roberts (1/56) bowled without luck while Gillies (3/44) took the cheap wickets at the end of the day. We let a great start with the bat of 2/82 slip, with 7 players scoring less than 5, only Hughes (71) and Law (62) threatened the total.

v Greengate Social 6/134 lost to Greengate Social 6/143.

Against a bowling attack worthy of second grade Shires, Macquarie were sent in and scrambled well to post a score thanks to Richards (33) and Webster (26x). Our bowlers fought hard against a slogging line-up to just go down, Jurd (4/34 off 8) and Congreve (1/16 off 7) the best.

v Lindfield 173 & 7/170 lost to Lindfield 6 dec 246.

Skipper Jurd won toss and batted. Lack of application in batting once again saw a moderate total posted. Webster (45) and Congreve (27) the main contributors. Absolutely smacked around the park and invited to bat again. Fared a little better in the second: Congreve (39), Pitts (26). A disappointing result.

v Old Ignatians 158 lost to Old Ignatians 311.

Jurd again won the toss and chose to bowl: Roberts (6/81 off 22) and Webster (2/91 off 27) did the bulk of the work. The chase was over when Robertson (62) was run out, folding from 3/115. Semi Finals out of the question at the Christmas break.

v Barbarians 6/129 defeated Barbarians 114.

Playing with only 9 men. We won the toss and managed a moderate score dominated by Finney (60) in a return to form. Inspired skipper Jurd (4/45 off 9) and Roberts (4/25 off 7) led by example to post a thrilling win.

v Roseville drew with Roseville 178.

At home we bowled and fielded tremendously, Jurd (2/42), Roberts (4/28) and Webster (3/60 off 293) containing a great attacking batting side. Rain robbed us of any hope the next week.

v Hackers 8/179 lost to Hackers 6/180.

Another one day game; won the toss and chose to bat. Ballantyne (47) scored 40 of the first 47 runs to get us off to a great start but we fell away with Hughes (23) the next best score. Apart from Warren (4/27 off 10) our bowlers sprayed them around, so much so that Hughes 1/1 had a bowl, but alas brought himself on too late!!

v Greengate Social 97 & 7/73 lost to Greengate 167 & 9 dec 92.

Won toss and bowled. Warren (7/68) absolutely awesome - stumps hit 6 times. Capitulated against great bowling with only Congreve (25) and Baume (27) resisting. Warren (6/34) got amongst'em again to post great match figures but the chase for outright was aborted at 5/25 with Webster (20) and Hughes (19x) saving the game. Great match Wazza!!

v Barbarians 121 drew with Barbarians 4/59.

Lost the toss and sent in on green home wicket. Pitts (32) and Dunkerley (24) batted well to give us a score to defend. Jurd 2/27 got amongst them early, only to be washed out at a crucial point in the match. Round 14 was also washed out typifying our season.

CAPTAIN'S REPORT - 'C GRADE' GDJCA

At the onset I'd like to say how much I enjoyed the task of captaining C Grade over the summer. Although there were just two wins in 15 matches the team relished the challenge of competition by playing the game in the right spirit and by playing to win. The core of the team were new to the club and although inexperience told against us in tough match situations, there were plenty of personal and team highlights throughout the season.

Though occasionally walloped by superior teams, C Grade generally competed well. When victory arrived it was greatly savoured. The wins over Maccabi NSW and the eventual premiers, Barbarians, were outstanding team efforts.

A total of 43 players appeared for C Grade largely due to the regular last minute replacements required in higher grades. For players from these higher grades that appeared for C Grade such as Al Mahoney, Mark Hughes, Glen Wellham, Mark Smith, Chris Hook and Damon Law your support was indicative of the kind of assistance I received from the committee and the other captains. To Bruce Hort and other senior club players that helped with coaching and practice I can only offer thanks and hope that your efforts will be rewarded by future Macquarie victories.

In a season where the team sheet fluctuated there was a consistent core of players throughout that produced good performances. Stu Robertson was the outstanding batsman of C Grade; producing plenty of runs and often rescuing the team after poor starts. Stu also performed well when selected in D Grade. Alex Dunkerley, John McMurtrie and Jason Ford gave enthusiastic displays that often carried the fortunes of the team. All three trained hard and unsurprisingly, they improved their games as the season progressed. Alex showed numerous polished performances with the bat and was always good in the field. John opened the bowling tirelessly, developed good control of his outswinger and was an outstanding team-man. Jason Ford took wickets with his aggressive leggies and in combination with Paul Carter's gung-ho batting provided plenty of the season's lighter moments.

Tony Barnes answered the call with the ball in hand and his determined performances always lifted the team in the field. Tony was on hand throughout to provide useful tactical advice and encouragement. Pat Baume was combative with bat or ball and there are many other players like Bill Monger and Scott Dowdell who contributed good performances to the entire team effort.

With greater experience, the players that appeared for C's in 1994-95 will meet with success in coming seasons. The improvements of our game in all areas as the summer progressed is a cause for real optimism.

Congratulations to our winning Women's XI and Third Grade Shire teams; these are achievements that the entire Club shares and takes pride in. Finally, thanks goes to Mark Hughes who enthusiastically shouldered the organisational tasks required in putting a team in the field. To Bill Monger, John McMurtrie and Alex Dunkerley who helped organise transport and players and kit, your help was crucial to our entire team effort. To all the players that gave their best on the field thanks for your support and commitment in what was an enjoyable and spirited season.

Sam Herps
6th Grade Captain

MATCH REPORTS - 'C GRADE' GDJCA

v Roseville 80 & 1/211 lost to Roseville 7 dec 145.

A Macquarie team full of new faces collapsed quickly after electing to bat on perfect turf in good conditions. In reply a great start by Stephen Jurd and Mark Briedis had Roseville 4-41 but 80 was never enough. Sent in on Day 2 Sam Herps (88x) and Steve Campbell (83x) put together an unbeaten partnership of 145 to stave off the outright.

v Bluegum Barbarians 137 lost to Bluegum Barbarians 3/139.

Macquarie were sent in to bat for this 35 over match on the Gwilliam. Struggling against aggressive bowling only Howard Pitts (62) with a great display passed 25. Macquarie had the Barbarians 3/68 and though striving for a further breakthrough couldn't crack some strong batting.

v Epping 210 lost to Epping 8 dec 295.

Ah!! the joys of playing at the Koola postage stamp!! Macquarie won the toss and batted in hot conditions. From 2/13 Damon Law with 54 (3 zacs) hit hard before an entertaining late order partnership between Pat Baume (51) and Paul Carter (26). On Macquarie debut, Pat raised his 50 with a zac. Epping had a crack opening bat lurking in grades far too low, who scored a century. Damon Law deserved better than 0-103 from 23 overs of constantly threatening bowling. Our bowlers sweated at the task with Sam Herps stealing 3/28 with a variety of leggies and Stu Robertson taking 2 stumpings.

v Northside Monash 7/103 lost to Northside Monash 5/104.

Just 4 boundaries were hit when Macquarie batted first on the lush, vast William Cowan Oval. Against an accurate seam attack Stu Robertson showed his class by batting through the innings for 56x in oppressive heat. Bad luck struck the batting when Al Dunkerley had to retire hurt with a bung knee. Fielding short of numbers, Macquarie began like a cyclone with the fearsome Tony Barnes (2/20) taking the new cherry (Yes, that's right, the new ball) and striking in his 1st and 3rd overs. Alas Barnsey couldn't do it alone and Monash won easily.

v Redbacks 9/300 lost to Redbacks 339.

Venue, the sheep run at Chatswood High on Day 1 when 433 runs were scored Macquarie suffered by dropping catches and conceding 339. John McMurtrie defied the slog in a promising display of 4/90. At stumps Macquarie (2/94) had replied at will, Bill Congreve breezing to 52 with some beautifully timed strokes. On Day 2 Stu Robertson anchored the innings with a fine 84 while John McMurtrie scored a thoroughly deserved 48. It was a loss but a good batting effort to reach 300.

v West Pymble 139 lost to West Pymble 3/235.

Macquarie lost the toss and on the Barra Brui track the inexperienced bowling was carted. Only Pat Baume 1/33 conceded fewer than 5 an over as W.P. smashed 235 off 37. A highlight was Scott Dowdell's direct hit from deep mid-on to run out an opposition batsman for 99. In reply only Barnes' cavalier 64 (11 fours 1 zac) withstood the bowling.

v NSW Maccabi 230 defeated NSW Maccabi 201.

A WIN!! Sent in, Macquarie recovered from 1/3 to 3/161 with Stu Robertson contributing a class innings of 90. Alex Dunkerley smashed a vital 72x as wickets tumbled. Prior to stumps John McMurtrie blasted out 2 batsman in his opening over. Early on Day 2 in his opening over, Dunkerley suggested a field alteration and going from slip to silly point, he took a catch very next ball. John McMurtrie (4/43) and Jason Ford (3/63) fought to get their hands on the ball and each produced great performances. All round the fielding was terrific and Macquarie savoured a first victory. Well Done.

v Lindfield 9/173 lost to Lindfield 302.

Choosing to bowl first, Macquarie were soon on top with 2 quick wickets. A succession of dropped catches allowed Lindfield to make late capital on the short Saijala boundaries. McMurtrie with 2/72 off 20 overs deserved better support from the field. Tony Barnes strived hard in taking 1/40. After an opening stand of 49 only Sam Herps (66) and a fighting 37 from Paul Carter offered great assistance.

v Ku-ring-gai 48 & 2/44 lost to Ku-ring-gai 3/145.

Take cover, we were belted. Batting first, only Jason Ford of the Macquarie line-up reached double figures. Ku-ring-gai's bowling was accurate, fast and gained assistance from the overcast conditions. Ku-ring-gai then scored 3/145 off 15.3 overs, one opener battering 133x. Jason Ford thankfully prevented at least one of the deliveries of his 2nd over from sailing over the fence. The first 5 of the over were clean-hit 6's! Ku-ring-gai tried for the outright but Macquarie dug in. Ford avenged the slaughter with 18x.

v Barbarians 6/226 defeated Barbarians 208.

Macquarie achieved a top victory against tough opposition who were to finish as premiers. Sent in to field Macquarie responded positively. Though at 5/191 300 looked possible, Jason Ford ripped through the lower order with 5/51. Tony Barnes with 2/28 and John McMurtrie contributed to a great bowling effort. From a shaky 2/11, Tony Barnes with a gritty 28 and Stu Robertson with a confident and controlled 88 drew the fire out of the opposition. Pat Baume seized the opportunity with a defiant, hard-hit 48 to steer the team home.

v Northside Monash 117 lost to Northside Monash 9/278.

Macquarie elected the bowl on green turf with the assistance of overcast conditions. Mark Noonan bewildered the Monash batsman with his control and movement but unluckily received no reward in 17 overs of pressure. The rain spoiled bowling conditions and in the hard task, John McMurtrie with 4/67 and Tony Barnes with a clever 2/25 were rewarded. In perfect hot conditions for batting, Macquarie folded, with only Dunkerley with a high quality 58 resisting.

v West Pymble 82 & 7/109 lost to West Pymble 295.

Sent in to defend the small Koola boundaries Macquarie toiled against some wild hitting. John McMurtrie gave an excellent performance in hot conditions to fully deserve 5/87 from 22 overs. Bill Monger chipped in with 2/41. The batting was a tough task and Dunkerley displayed good application in scoring 36 and 41.

v Ku-ring-gai 79 lost to Ku-ring-gai 3/225.

Macquarie was blasted out by a disciplined and superior attack for 79 in just 35 overs. Paul Carter (20) provided the highlight in carting a zac back over the bowler. Unfortunately, not even the presence of Liberal Senator Michael Baume in the Macquarie ranks could intimidate the opposition and when bowling we were put to the sword. The centurion of round 1 smashed the bowling again while James Murray-Parkes darted his off spinners cleverly for 2/43. Week 2 was washed out.

v Redbacks 43 & 7/22 lost to Redbacks 6/103.

On a sodden lush ground well struck shots stopped dead. No Macquarie batsman made double figures. At the bowling crease Glen Wellham bowled superbly and could easily have taken 5 rather than his 3/26 off 10 overs. Macquarie held off the outright but only just.

v Hackers 101 lost to Hackers 180.

In a final one dayer to finish the season, 8 players bowled when Macquarie elected to take the field. Barnes gave the new ball to Ford who promptly spun his way to 3/38. Wickets were shared around with Dunkerley taking 2/18. In reply Ben Roberts opened and relished the promotion scoring 18 while Barnes scored 20. Bill Monger finished off the season on a high note with a zac.

REPORT - '4TH GRADE' SWCA

Season 94-95 was a successful one for the women's team. After winning the 5th Grade premiership the previous season, we made it back to back wins with the 4th Grade title - a first in the SWCA competition.

A number of our 'old' players improved their performances on the field with Morna taking out the Al Davies Trophy for Most Improved. The new recruits of the season - led by Emma, who was awarded the Amanda Pearton Encouragement Award - added depth to the side particularly in the bowling department.

Our fielding has continued to improve due to the dedication of our coach and a number of other players who selflessly volunteer to set up fielding drills during training and prior to matches. Above all, what helped us get through the tight situations was the sense of camaraderie in the team.

It is impossible to describe, in this short space, the difference Amanda has made to the team. Not only has she helped us with the technical aspects of our game, but her playing skills have saved us on numerous occasions. Needless to say, our success would not have been possible without her and the confidence she inspired in us all.

We are also losing the services of our captain this season. Janine took us from a team that struggled to field eleven to one that has won two successive premierships. She has given unstintingly of her time in order to look after the back-breaking administrative work that goes into such an effort and has also led us well on the field. Both these players will be sorely missed.

On a happier note, the team would like to welcome Emma to her new role as captain and to extend an even bigger welcome to Mick - our new coach.

Finally, 'thank-you' to the Club for its support through the season and in particular to the President, the other Committee members, and all the guys who helped us with training and barracked for us during matches.

MATCH REPORTS - '4TH GRADE' SWCA

v Kur-ing-gai 6/144 defeated Kur-ing-gai 117.

Our first match in Fourth Grade (after sometime in the wilderness) and we had already achieved the near impossible - a full team!

We trekked to the other side of the city and decided to bat first. Stumpy/Morna scored 25x, with support from Arnie/Kirstin (19) and Easy/Emma (17)- so called because she has to be reminded to go easy when she throws the ball back in to the wicket keeper. Someone called Sundries batted extremely well and finished with 68 x. The team scored 144 for the loss of 6 wickets.

Easy, one of our new recruits, had an awesome day with the ball as well, taking 4/13 off 9 overs. Ange and Kezza/Kerri helped intimidate the opposition, taking 3/34 off 7 overs and 2/34 off 5 overs respectively. Kur-ing-gai were all out for 117 and the move to a higher grade did not seem as daunting as it had previously appeared.

v Gordon 5/110 lost to Gordon 5/114.

For the second of our season's encounters we returned to our home away from home (Philips Park), as we do many times through the season (hint!).

We were sent in to bat on an extremely cold and windy day. Tony Greig's Weatherwatch had monitored a low Player's Comfort. Stumpy and Weeby Woo/Janine top scored with 26 runs apiece. The overall run rate was slow, however, and the team finished with just 110 runs off 33 overs.

We struggled on to the field to defend our score. Remaining in our designated field placings was problematic given the arctic conditions. Easy bowled well again collecting 3/19 in 9 overs. Danielle, another new recruit, took 2/46 in her 8 overs. Gordon were able to pass our score in 30 overs, however, and our elation at the previous week's win was subdued.

v North Sydney 8/153 lost to North Sydney 4/198.

We had heard a lot about the opposition. They had played in Third Grade the previous season and we were therefore rather nervous (Actually we were something worse but I will be censored if I go into graphic details about bowel movements).

We won the toss and decided to send North Sydney in to bat. Our cause was not helped by the fact that we had only two 'full-time' bowlers - Danielle and Carolyn. We were belted out of the park. Norths finished with 198 runs off 32 overs, Danielle and Piglet/Amanda collected a wicket each and there were two run outs.

Piglet continued her good form with 52x. Carolyn's quick 42 and Sally's 17 helped but Piglet eventually ran out of partners. We made 153.

v Balmain 6/170 defeated Balmain 7/83.

The team endured the epic journey to Revesby yet again - and then had to put out our witch's hats in all their resplendent hot pinkness!

The toss was won and we elected to bat first. A strong partnership of 51 runs between Easy (29) and Stumpy (34 - runs, not years), followed by another of 55 between Stumpy and Betina (34) led to a solid batting performance from the side. Betina's score included five 4's and a huge 6. Chocky/Rebecca also contributed an impressive 13x. Macquarie finished with 170 for the loss of 6 wickets.

Balmain began well, scoring a quick 34 runs before the first wicket was taken. At drinks Kezza was told to warm up as she would be bowling next. She did this by lighting a cigarette

- in all likelihood it was not the first for the match. She then went on to bowl and collected 5 wickets for 7 (our first pewter for the season) in just 3 overs. We have all decided to follow in her illustrious footsteps by taking up the habit. Balmain were 7/83 in their 21 overs.

v Berala 9/129 defeated Berala 49.

Buoyed by the team's solid batting efforts in the previous week, we elected to bat first. Wickets fell quickly, however, and we accumulated just 36 runs for the loss of 6 wickets. One particularly 'Agro' player forgot to put on her batting gloves and had to return from the crease in order to remedy the situation - sneaky delay tactics or memory loss? Dharini/Thunder Thighs also suffered from memory loss when, realising she was having no luck with the bat, she decided to play a full toss with her head! Contrary to all expectations the ball did not travel very far. Our coach, Piglet, rescued us once again with her much needed 51x and the phantom batter (alias Sundries) whom I still cannot locate, increased the total by 24. Piglet and Danielle were able to negotiate the last overs and we were 9/129 at the close of our innings.

Danielle continued to frustrate the opposition and took an incredible 6/16 off 6 overs. Carolyn captured 2 wickets for 5 in her 2 overs. Chocky assisted the bowlers with two great catches - leading Stumpy to compare her to AB. (Mind you Stumpy is old and ...) Berala were all out for 49.

v Penrith 4/144 defeated Penrith 4/136.

A rare occurrence - more extraordinary than Thunder Thighs successfully negotiating a single, even more unusual than Kezza quitting smoking - a home game at home! It must have been a day for rarities because Liz decided to field.

We celebrated in an appropriate manner, Betina sent Penrith's opening batter packing with the very first delivery of the innings. This was welcome news as the batter had an awesome reputation for making grown bowlers weep like men. Betina gave away a miserly 5 runs during her 12 over spell. Piglet took 2/38 off 12 and the opposition scored 4/136.

Sally opened the batting and scored a steady 17 to get the team off to a good start. Easy then decided she was seeing the ball like a watermelon and scored an innings of 78x which was pure brilliance. The match was very close and, towards the end, Easy and Piglet were informed by a rather nervous cheering squad of the number of balls remaining and the runs needed after each delivery! Macquarie made the runs with just two overs to spare - a good victory given that Penrith were the competition leaders.

v Marrickville 9/117 defeated Marrickville 45.

Another game at home - the feeling at the 'pre-match pow-wow' was good. The loss of the toss was inconsequential as Marrickville sent us in to bat. Our intrepid opener, Sally, yet again provided the team with a good foundation of 18 runs. Piglet (24x), Easy (21) and Stumpy (18) helped further the score. The opposition captain brought herself on and induced a middle order collapse - suffice it to say she mesmerised us by not only spinning the ball but giving it plenty of flight. A rather panic-stricken team ended up with 9/117. (A couple of the 1st Grade players wandered over to our field and consoled those of us who failed to perform - NOT! Pity is due to Thunder Thighs who opened the batting, got out in the first over and had to put up with the rather pathetic witticisms of our illustrious President for the rest of the day).

Spurred on by the sarcasm, we took to the field and had Marrickville all out for 45 runs. Betina was at her most intimidating and took 5/6 off 6 overs. Easy was also economical conceding just 12 in her 10 overs and collecting 2 wickets. Danielle and Piglet shared the remaining wickets.

v Kur-ing-gai 3/85 defeated Kur-ing-gai 80.

The team struggled to get to the only Sunday match of the season - which was unfortunately on the day after the Club Trivia Night! To make things worse it was an extremely hot and humid day - Tony Greig's Weatherwatch was feeling decidedly ill, as were all the players. The only thing hotter than the weather was the hot tip received the night before to go for an outright. We therefore decided to field first despite the conditions. Our hopes of dismissing the opposition quickly, however, were not realised. The combination of frequent drinks breaks and 35 degree heat slowed down our efforts.

Despite these factors, our three bowlers were valiant. Betina again terrified the opposition and took 5/33 off 11 overs. Danielle and Easy were equally impressive with 3/25 off 12 overs and 2/16 off 8 respectively. Easy had to rush off the field at one stage because she was feeling sick. She claimed this was due to the fact that she had not eaten - however those team members who had been present the night before suggested other reasons. Kur-ing-gai were all out for 80 runs.

Our batters performed well. Our coach, who was on her way back from Melbourne at the time, would have been proud. Easy had recovered and top scored with 24 (including a massive 6). Sally (21) and Stumpy (20x; including four stylish 4's) also contributed towards the winning total. Soon after we passed their score a huge storm broke which made it impossible to continue. As we were leaving the field a rather large tree crashed into the lorry in front of Stumpy's car - she and Agro were lucky to escape!

v Gordon 7/108 defeated Gordon 8/107.

The team was keen to beat Gordon to make up for the indignity of having lost the previous meeting. Our first encounter had been fairly close and one which we felt we should have won - we were all rather 'psyched' up and the sledging was impressive (not to mention imaginative).

Gordon batted first and wickets fell regularly, but despite the employment of a number of ... um... interesting tactics by Macquarie, we were unable to bowl Gordon out.

Easy took 5/28 and Danielle 1/43 off their 12 over spells. Gordon scored 8/107.

An excellent partnership of 64 between Sally (18) and Easy (50) made us a bit overconfident and led inevitably to a rather major batting collapse. We degenerated from 3/92 to 7/108.

Stumpy watched from the non-striker's end as three of her partners were bowled for ducks. 2 runs were needed for victory with 4 wickets in hand (2 other batters had left early because victory had seemed assured). The rest of the side was feeling extremely ill by this stage. After Gordon had celebrated their bowler's hat trick, Danielle (our final batter) went in and weathered the storm until the end of the over. Stumpy took a single at the beginning of the next over and the next delivery was signalled a no-ball by Thunder Thighs (who was umpiring at the time). Needless to say the team was rather relieved to escape with the narrow win.

v North Sydney 45 & 5/61 lost to North Sydney 4 dec. 133.

Another disaster against North Sydney. We won the toss (and not much else). Our opening bats were suffering from the Morning After the Night Before Syndrome, so we decided to

bat!?! To make things worse we were one player short. Wickets fell with sickening regularity at 6, 14, 22, 22, 22, 23, 23, 35 and all out for 45.

We took to the field in a valiant attempt to at least keep their run rate down so that the indignity of an outright loss could be avoided. North Sydney scored a quick-fire 4/133 off 23 overs, however, and then declared. Kezza and Carolyn collected 2 wickets each.

We struggled through our second innings but a well played 27x by Piglet saved our butts once again. We were 5/61 at the close of play and considered ourselves lucky to have escaped the outright loss.

v Balmain 6/117 defeated Balmain 8/73.

We won the toss and batted first. Things were going smoothly with the score at 21 off 6 overs and all wickets intact when the opening (very) fast bowler decided to convert to leg spin and immediately bowled a wicket maiden. Sally (29) and Stumpy (who top scored on 39) took the score from 2/24 to 3/100, but we lost 3 quick wickets and finished on 6/117 off 38 overs.

The bowling started extremely well with Balmain losing wickets regularly. Their no. 10, unfortunately, was able to score 33 runs and took the score from 8/37 off 20 overs to 8/73 off 32. A frustrating state of affairs although we were happy to win. Sally was even happier to leave the grounds because she decided it was overgrown with "evil weeds" - a theory which she is always happy to explain (more so after a few too many).

v Penrith 2/170 defeated Penrith 114.

We trekked all the way to Penrith on the hottest day this side of hell. Despite the conditions, Piglet (72) and Easy (71x) slaughtered the opposition sharing a 169 run partnership in 28 overs. At the end of our innings we were 2/170 (off 33 overs).

Fatigue hardly seemed to affect the two batters as they undertook bowling duties. Easy took 2/18 off 6 overs, Piglet 1/22 off 4. Betina took 2/36 off 7 but the most successful bowler was Danielle who ended up with 4/34 off 10 overs. Penrith were all out for 114. Our victory was sweetened by the rumour that so far this season no other team had managed to bowl Penrith out.

v Berala 6/186 defeated Berala 6/121.

Our first week back after the Christmas break and we were keen to preserve our record of the previous season of not losing a game after the break.

We lost the toss and were sent in to bat which fitted in with our tactics(!). The new opening paring of Sally and Kezza (who is known for her preference for slogging the ball in order to save herself the bother of running) was cheered on to the field - particularly by our mascot Rolly. Berala's opening bowler, however, took on the role of party-pooper and took 4 wickets in the first half-hour of play and worried a few other members of the side.

Betina (76x) and Weeby Woo (46), however, salvaged the team pride by putting together an impressive 140 run partnership in just 19 overs. Weeby Woo was run out in the penultimate over of our innings but our final score was a respectable 6/186.

Stumpy was so overjoyed at one stage that she threw Rolly's bone up a tree. Jeremy had to rescue it by climbing the tree and has since declined to come to any of our matches.

Our bowling and fielding was impressive as usual, the highlight being Michelle's classic catch at cover. Kezza took 3 for just 44 off 11 overs and Betina finished with 3/17 off 7. At the close of play, Berala were 6/121.

v Marrickville Washed out.

v Kur-ing-gai 1/60 defeated Kur-ing-gai 57.

Kur-ing-gai batted first on an overcast day. The concern was that the match would get washed out, so our bowlers were fired up to get rid of the opposition quickly. They took just 1 hour and 40 minutes to achieve this. Kezza took 4/14 off 8 overs, Betina 2/20 off 11, and Michelle (bowling for only the second time this season) and Easy took a wicket apiece. Kur-ing-gai were all out for 57.

Our first wicket fell with the score at 32 (off just 5 overs!). Michelle (28x) had opened and scored five 4's and a single off her first six scoring shots. Kur-ing-gai complained about the rain but play eventually resumed. Michelle and Easy (19x) took the score to 1/60 off 9 overs(!). Unfortunately, the rain prevented the possibility of an outright win. We relaxed by playing a variation of six-a-side with Stumpy getting in on the bowling action and Sally taking over the wicket keeping duties.

v Gordon 4/89 defeated Gordon 42 & 3/62.

We arrived at the picturesque oval for yet another grudge match. Carolyn has fond memories of sending balls over the fence and into the gutter (on the full, of course) at this oval - and probably all the other ovals at which we have played.

We were able to dismiss Gordon for just 42 runs due to a great team effort. Danielle's hat trick (the first ever for MUWXI), however, was the highlight with Agro taking two great catches at mid on to dismiss the second and third hat trick victims. Danielle's final figures were 4/20 off 8 overs. Easy took 4/17 off 9 and Betina 1/1 off 4.

There were a nervous flutters as we lost a few quick wickets and team members began to relive the nightmare of our last encounter with Gordon. Betina and Stumpy, however, steadied the proceedings and we declared at 4/89 (at 4:20 pm).

Despite some great bowling once again from Easy (2/15 off 8), Danielle (0/8 off 7), Betina (0/1 off 6) and Piglet (0/13 off 5) which was supported by the fielders, we were unable to bowl the team out. Sally, Arnie and Chocky decided to take over and, much to the rest of the team's dismay, Arnie took her first wicket of the season (a fact which she has insisted on repeating to us on numerous occasions). We sympathise with members of the Australian men's team who have had to put up with Merv Hughes in the dressing rooms.

At the close of play Gordon were 3/62 and we had to be content with a first innings victory.

v North Sydney 4/58 defeated North Sydney 53.

We were to play North's on our own territory for the first time and were therefore hoping to finally beat them. We won the toss and sent them in to bat. The tactic worked - North's were all out for 53 off 22 overs (the first time we had bowled them out.) Easy took 3/15 off 5 overs, despite receiving a bruising, care of Piglet, who threw the ball straight at Easy's head when she was not looking! Betina collected 3/17 off 7 and Kezza 3/7 off 5.

Our run rate was slow to begin with and the loss of wickets during the middle of our innings did not help matters. Piglet (25x) saw us through by scoring half the runs needed! We passed their score in the 27th over and were delighted to have finally got the monkey (or should I say bear?) off our backs.

v Balmain Washed out.

v Penrith 6/133 defeated Penrith 73.

Macquarie won the toss and it was (almost) unanimously decided that we would bat first. The major question burning in the minds of the opening bats was why is it always 20 scorching degrees hotter in Penrith than in the rest of civilisation when we play at Grey Gums? Thunder Thighs played another delivery with her face (at least this time it was not a full toss!). The opposition bowled well and we were 3/28 at the end of 14 overs. Betina (58) and Stumpy (38) shared yet another essential partnership, this time worth 83 runs off 18 overs, and we finished with 6/133 off 35.

Easy opened the bowling in style with a wicket maiden and ended up with 3/18 off 9 overs. Betina chipped in with 3/19 off 8, as did Danielle (2/16 off 6) and Kezza (1/19 off 5). Piglet took two great catches and tried to improve her 'post-catch ball toss'. It is handy she takes so many catches as we believe she needs practice in the 'tossing' department. Penrith were all out for 73 and the effort in the heat was worth it - almost.

v Berala Forfeited by Berala.

v Marrickville Washed out AGAIN!

Semi-Final

v Penrith 6/100 defeated Penrith 76.

We arrived at the oval allocated to us for our semi-finals to find that it was being used as a car-park by the spectators of a baseball game in the adjoining field! It took as long to clear the field as it did for one of the umpires to actually make it to the pitch.

Penrith won the toss and put us in to bat. Piglet (48x) opened and at one stage it looked as though she would run out of partners (familiar story?). We lost 3 wickets for just 11 runs to be 4/39 off 19 overs. Betina, however, went in to bat and scored 17 runs (including a 6) in 25 minutes. The loss of two more quick wickets slowed the run rate down towards the end of our innings (particularly as this meant that Thunder Thighs had to go in!) and we finished with 6/100 off 35 overs.

With our slow run-rate weighing heavy in our minds, we took up our fielding positions.

Danielle (one of our opening bowlers) began with a maiden and followed it up with a wicket in her next over - at this stage she had conceded all of one run. Her final figures were 1/20 off 6 overs. Easy (our other opener) took the two last wickets in consecutive deliveries to finish with 4/25 off 9, Betina took 4/20 off 8 (including 2/0 off her first over and 2 caught and bowled), and Kezza took the remaining wicket for 8 runs off her 6. The fielding was impressive as usual, the highlight being Stumpy's two catches.

Penrith were all out for 76 in the 29th over and we were through to the finals, although at several stages in the match it had looked as if they would beat us.

Final

v North Sydney 4/131 defeated North Sydney 112.

We batted first having just received the news that Danielle (one our opening bowlers) could not play due to a back injury. North Sydney were back to full strength and bowled and fielded extremely well as usual. Their opening bowlers conceded just 7 and 12 respectively off the first 12 overs. When we lost the first wicket in the 19th over we had just 33 runs on the board (of which Piglet had scored 22). Easy was next in and her quick-fire 15 (including an impressive 6) helped boost the run-rate, as did Betina's knock of 18 runs. We were 3/102 off 33 when Kezza had to put out her cigarette and don the batting gloves and pads. Piglet

decided to run for everything - so much so that when Kezza got run out halfway through the last over, she complained about having scored 6 and run 30. She had, however, enjoyed the break in the game when Rolly had scampered on to the field and had to be rescued by Stumpy, who in turn had to be aided by Arnie. Stumpy went in for the last two deliveries and got run out on the last ball! We had scored 131 for the loss of 5 wickets in our 36 overs. Piglet was not out on 67 (more than half our total) and Sundries was second top scorer.

We suffered a major setback to our campaign in the initial overs - one of the North Sydney opening bats took a liking to everything that was thrown at her. When we finally broke through in the 16th over the opposition had scored 52 and things looked grim. The fall of another wicket did not improve the outlook much as both batters at the crease were proving hard to dislodge. When they reached the 19 over mark they had scored 61 for the loss of just 2 wickets (28 runs more than us at the same stage!). Piglet was brought on, however, and took 2 wickets. North's were 4/75 off 23. Betina also took 2 wickets at this stage to have the opposition at 7/99 in the 30th over. They had to score 33 runs in 6 overs with 3 wickets in hand - supporters from both sides were getting excited and Rolly undoubtedly had to be restrained several times. Easy, as usual rose to the occasion and took 2 wickets in her final over to finish with 4/31 off 12 overs. We could only relax when Kezza bowled a wicket maiden to end the match - her figures were 2/31 off 9. Betina also took 2/31 in her 8 over spell and Piglet (bowling through cramps and despite a broken finger) took 2/17 off 5. North's were all out for 112 in 34 overs - only the second time this season that we had beaten them! Macquarie had won the Fourth Grade Premiership and the champagne flowed freely.....
