## UNIVERSITY BLUES

Blues are awarded by the University to sportsmen and women for outstanding sporting achievements. Performance standards are set by the Clubs and approved by the University Blues Committee. For Cricket, a Full Blue requires State representation whilst a Half Blue requires either 500 run or 50 wickets in the Club's highest team. Current student status is also necessary.

Previous awardees are:

### Full Blue

1971 K. Mackay

### Half Blue

1970 M. Redden  
1971 F. Alley  
1972 J. Giuffre  
1972 P. Miller  
1977 L. Ager  
1978 P. Bourke  
1985 C. Welsby  
1988 I. Blyth

## UNIVERSITY CLUB COLOUR AWARDS

In 1980 the University instituted the award of Club Colour to be presented to men and women who have made an outstanding contribution to Macquarie University Sport, through their respective Clubs, from an administrative or organisational viewpoint. Cricket Club members who have received this award are:

1980	P. Barclay G. Bleus M.R. Gwilliam P. Miller R. Vagg
1981	A. Faulks K. Henry
1983	G. Hargreaves B. Jones
1984	C. Welsby J. Wickham
1987	A. Mahoney
1990	A. Davies W. Folkard

## SPORTS ADMINISTRATOR OF THE YEAR

In 1984 the Sports Association instituted the award of Sports Administrator of the Year. The award is presented to a leading Club Administrator for service over and above that normally expected. The Cricket Club member who has received this award is:

1985	A. Mahoney
------	------------

## CLUB OF THE YEAR AWARD

Bob Symonds, owner of McDonalds Macquarie Centre, initiated "The Club of the Year" award in 1989 with a shield and a cheque for \$500 to the most worthy Sporting Club.

The 1990 Club of the Year winner was the Cricket Club.

## PRESIDENT'S REPORT

It is regrettable that this year will be remembered as the one when the loss of the Blue Barclay Pavilion really hit home. This will always overshadow the positive achievements:

- Four teams in the semis, three teams in the finals including two premierships - congratulations to all these teams.
- Our first women's premiership - auguring well for their continued growth.
- Our first D Grade premiership.
- The maintaining of the turf square on the Northern Oval.
- The successful introduction of the women's player/coach.
- The successful return to the Club of Tony Monaghan.
- The very successful first year of the sixth men's team - well done Mark Hughes! This team enabled more students to get a game at MUCC.
- The dramatic improvement of all 4 squares as a result of better equipment (partially funded by MUCC) and the continuing improvement in communications between the ground staff and us.

I believe that these things point to our most successful season ever. We need to look to the future and make the best use of the facilities that we have. You only have to play away to see why most opponents envy the quality of our grounds, wickets and after match facilities. The 'chapel' should not be used as an excuse for missing the ritual post-mortems and celebratory drink. If the new facility is not what we want then it is up to us to explain to MUSA what we need to make it our new 'home'. The senior more vocal members of the Club should look at their current contribution and how they can help the Club go forward rather than dwell on the past.

I would like to thank Jock for his co-ordination of the ground staff and preparation of the Northern Square - the wicket really came good after Christmas. Credit to Jock for the continued wicket improvements - he started in 1990 - the same year as our dramatic rise in M&S. The rewards of the continued negotiations are obvious - we now have ovals that are result oriented not "concrete park". Special thanks to Adam (Sheeran Oval), Peter (Gwilliam Oval and for running the show so capably in Jock's absences) and Troy (the practice squares).

The Club needs to examine its future. We are an aging Club with only 2 regular A graders under 24 and only 2 current students on Committee. Over the past five years a small number of dedicated individuals have run and organised the Club. These people are no longer playing or have other commitments. This is a student Club - we need input from the student members and we need to attract more students. How can we do this? Everyone needs to look at themselves to see what contribution they can make to the running of the Club. So, if you feel you have time to make a contribution for the whole season make it known!

Bruce Hort.  
President

## SECRETARY'S REPORT

It is with some regret that I pen this my first and last report as secretary of MUCC. The regret is that, after 5 years of happy association with the club, I have chosen to pursue my career elsewhere than Sydney, and by the time you are reading this, I am (hopefully) happily ensconced in far flung Port Macquarie. It is, however, with some pride, that as secretary of MUCC for the season 1993 - 1994, I was closely associated with the two premierships wins of D-Grade and the Women's XI, both of which secured their first ever pennants. My heartfelt congratulations to Douglas Latto and Janine Newby and the players of the premierships teams themselves. You should all be rightly proud of your achievements.

To the other teams who did not go so far, my commiserations, especially to Ken Dixon and the C Grade side, who were so competitive all year yet stumbled at the final hurdle. As a player and captain who has experienced such a disappointing end to a season a number of times, I can only offer you the thought that no achievements come without some pain and I have no doubt that those who played (and learned) from this year's defeat will return next year better and more mentally tough cricketers. In addition, congratulations must go to the sometimes unsung leader of the 6th men's side, Mark "Birdie" Hughes, for his fine effort in making the team's inaugural season so successful.

As Club Captain and Coach, Tony Monaghan has, I believe, proven himself to be a fine captain and player and I hope that this season's rebuilding process does not in any way diminish the perception of the efforts he has made for the club in the season 1993 - 1994. From a personal viewpoint I believe that Tony's influence in the coming season will once again see A Grade in contention for the premiership.

There are a number of people which I would like to thank for their support and general dedication to the club, and I believe that in doing so I echo the sentiments of each member of MUCC. Bruce Hort has proven himself to be political adept at one level, and yet an eager artisan when it was time to get his hands dirty, and it is primarily to him that we owe the successes the club has enjoyed over the past few seasons. His achievements and initiatives have been too many to list but they remain evident to all that take an interest in the welfare of the club.

To Dave Webb, Gwilliam-holder extraordinaire, Dave Folkard for his snags and other efforts, Ivan Blyth for his (un)timely cheques, Allan Mahoney for about 10,000 overs, Barry Brien and AA, Wick Folkard for his lack of spin, Angry Pills, the women's side for duck's feathers and the rest of the committee, a big **Thank you**.

What does the future hold for MUCC? I believe that almost without exception MUCC members now put winning first and moreover, they expect to win every time they take the field. If we can all as cricketers maintain these high demands of ourselves, whilst blending them with good humour and a regard for teamship then I can only see a better and more competitive future for the club, both on the field and off.

Good luck to you all  
Mark Ramsland.  
Honorary Secretary

## COMMITTEE MEETINGS

During the 1993-94 season the Committee met on 6 occasions. Attendances were as follows:

B. Hort	6
M. Ramsland	6
D. Webb	6
S. Wolfe	5
D. Folkard	5
I. Blyth	5
G. McFadden	4
D. Deller	4
B. Brien	3
D. Budge	3
S. Herps	1
M. Noonan	1

## Finishing Positions in Competition

	Position
M & S Club Championship Position:	3rd
A Grade:	7th
B Grade:	5th
C Grade:	2nd
D Grade:	1st
Women's XI:	1st
5th team:	5th
6th team:	3rd

## TREASURER'S REPORT

I am pleased to report that the Club's finances continue to be in good shape.

During the 1993/94 year, although the balance sheet demonstrates a drop in accumulated funds of \$6,769.24, that figure does not take into account the funding from the Macquarie University Sports Association for the 1994 calendar year, which has been approved at \$5700. Further, a significant purchase of cricket balls and equipment was undertaken in March, 1994 to cover much of the recurrent equipment expense for the 1994/95 season, and with those two items taken into account the balance sheet demonstrates a fairly even result for the 1993/94 year.

In anticipation of the planned 1994 UK Tour, no club project fund proposals were put to M.U.S.A., for the 1993 calendar year, and the only project put for the 1994 year was the UK Tour which ultimately did not transpire. Despite the lack of supplementary funding from the Macquarie University Sports Association through the Club project funds, the club has continued its commitment to provide quality equipment to all teams, and substantial purchases of covers, super-soppers and the like continued throughout the year to make equipment our largest expenditure item.

Profits from the social events reached a very pleasing figure. While our own social events were a major part of this, additional profits from serving drinks and sausage sandwiches to touch footballers greatly boosted that figure, and I would like to thank all those involved in assisting over several weeks, in particular the three Daves, David Webb, David Folkard and David Budge.

The 1993/94 season saw us paying a player-coach for the women's side for the first time, and the Club commitment in that respect I believe is a large part of the success which the women's side enjoyed. I would recommend that the Club continue and in fact expand, its commitment to payment of senior personnel in particular coaching staff in future years.

The 1993/94 season saw further expansion of the Club with 7 teams being entered in competition for the first time. It is pleasing that the Club has been able to fully equip all teams and manage the expenses involved with all these teams without a severe draining of accumulated funds.

As I retire as "Temporary Treasurer" I would like to encourage the club to commit to providing full equipment to players and to look at payment of senior players as well as coaching staff in an effort to improve performances. The Shires competition is increasingly becoming a professional competition, and we would not wish to look back on relatively unsuccessful seasons in the mid 1990's and regret that our attitude and commitment had not been as professional as the clubs who were successful. Let us not accumulate funds for the sake of it but let us use the funds in a sensible way for the benefit of all club members and the future success of the club in its various competitions.

I would like to thank the Sports Association for its support during the year. Through the efforts of the office staff and ground staff we have the privilege of playing on the best equipped grounds in our respective competitions. That is a privilege I have been most grateful for over the years and one which I would encourage the Club to recognise.

Finally, I would like to record my appreciation for the seemingly inexhaustible efforts of Bruce Hort throughout the last year and in the past. Most club members would be unaware of the mountain of administrative work involved in keeping a club of our size going, let alone expanding as we have over recent seasons. To Bruce for making that commitment and performing above reasonable expectations, and for Pip's support, my heartfelt thanks.

Hope to see you all again next season.

Ivan Blyth  
Honorary Treasurer

## COACHES' REPORT

Congratulations to the Club for third in the Club championship is a great result for the Club. Four teams from seven in the finals with two premierships, a second and third placing, is outstanding. Congratulations especially to the winners. We obviously have been doing something right, not only on the field, but at practice as well.

Firstly, thanks to Jock and his team for putting the effort into the 3 practice pitches. Good preparation of these pitches has a positive influence on the Club. It is easy to think of other Clubs without Jock's support and wonder how enjoyable it would be to play and practice there without it. Our facilities rank among the best in both Shires and Grade competitions.

Secondly, thanks to the earlybirds and stayers at practice, (often members of the Committee) who set up and put away the bowling mats, kit, stumps etc., for the rest of us to use as soon as we drop our own kits. The timekeepers, too, keep things rolling along.

### Next Year

The one thing we would like to encourage most in players at practice is a strong determination to improve. The way to tough it out on the field on Saturdays is to tough it out at practice - to go home tired from both days.

The skill we rate "No 1" is the ability to think straight under pressure. Examples of batsmen who bat all day (eg Damon Law in the C Grade Semi), or bowlers who are economical at the end of their spell as at the beginning (eg Budgie), fielders who stop singles no matter what the score (eg Webby) and game-breakers who can deliver results out of the blue (eg Toy) are good to watch and worth copying. How many times have we been frustrated by stubborn batsmen with seemingly limited talent, or been dismissed by bowlers who simply plug away? Players (and ultimately teams) who think straight under pressure, win more often.

We tend to adopt one of two approaches at practice. By turning up and only going through the motions we reinforce both our good habits and our bad ones. When training becomes routine, we may mentally have slipped back to the maintenance mode.

Developing our skills means improving the good habits and minimising the bad ones - getting surprised or tested (by a good ball or dropped catch or lack of rhythm), and then doing something about it. It's at this point that the coaches can help. The difference between the two approaches is cricketers who push themselves, and the results are more runs, more wickets, more enjoyment and higher grades.

We may try some things next season to encourage this. One experiment this year was to invite Women's Test keeper Chris Matthews to work with our keepers. This worked well and may be something we sample again. We may try structuring a "skills" net so that if you have something specific to work on, you can. Something like this would give me more of a chance to serve the whole club as well.

We would be delighted if players approached us with their opinion of these simple options, or some new suggestions that we could try. Congratulations once again to the Club for your results and for your commitment to practice throughout the season.

Anthony Monaghan  
Amanda Pearton

## CAPTAIN'S REPORT - 'A' SHIRES

Following the near win last year, it's naturally a disappointment that we didn't win this year, let alone reach the semis. Despite the changes in personnel, we had the chances to get there and let them all slip through our fingers...literally. If our catching had been better....well, we all know how this ends, don't we. If.....!

### Points of interest:

- Finished equal 8th, with 5 wins, 4 losses and 3 draws.
- + Four of the top 6 batters scored 340+ runs and averaged above 30. It was good to see some batters turn their potential into form. The lower order though didn't get their opportunities to develop.
- + Our bowlers were consistent with three reaching 20 wickets. Only once, though, did a bowler take a good start onto a 5 wicket haul.
- Our fielding was poor - catching, mobility in the field and lack of throwing arms cost us wins. Only one opposition batter reached fifty without a "life".
- + Only twice did we miss taking 10 opposition first innings wickets. On the other hand, we were only bowled out 4 times all season. We never lost defending a total. Our chasing of totals lost us 4 games but won us 2, nearly 3.
- Losing Nasty, Gavo, Murph and Craig Bayliss were big blows to us. Only 5 players played every game. 17 others were picked at some point for a total of 22 having played A grade this season! It's hard to build a winning team with such changes. Injury, work and going overseas took their toll.. Without a stronger engine room next year we won't do much better.

In summary, we played ourselves into winning positions but were too often unable to force a win. Patchy concentration let us down. I reckon we've got the skills, but we were not "with it" for long enough periods in a day. Congratulations to Lindfield on yet another A Grade win.

Lastly, a personal note of thanks to the team for their support. After 3 years of semi-finals, I am disappointed (who isn't) that we went downwards rather than upwards on the ladder. Gavo had done a good job. Nevertheless, I do sense that individuals have improved, so hopefully with better teamwork, we'll take two steps forward next season.

Anthony Monaghan  
'A' Grade Captain.

## MATCH REPORTS - 'A' SHIRES

### v Lane Cove 5/221 defeated Lane Cove 219

A great start to the season. Did very well on a super Uni wicket to bowl them out after they were 1/157. Dermie on debut took the bowling honours when all the bowlers were excellent. When batting, had the mother of all horror starts; 2-0 in the first over of our first innings in our first game! Legs (78no) and Phantom (87) resurrected us to 4/153, with Legs (turning on the power) and Murph (22no) then chipping in to see us home late in the day.

**v Strathfield 153 lost to Strathfield 202**

A one-dayer after day 1 washed out. Overall we performed well in the field, however their total was boosted by their skipper's 92, Webby 3/51. A gettable target on an awkward pitch, we hung in but were never able to mount a good partnership to actually take control. All out with 7 overs to go, - Mono (49), CB (23). Disappointing to lose, but they simply bowled better than we did.

**v Epping 204 & 4/215 defeated Epping 132**

Won the toss, batted, and ought to have set a larger target having faced only 67 overs! Webby, Mono and Phantom all scored 40's. Bowled brilliantly to have them 3/12 overnight. The next week saw Epping at 5/26 and then rolled for 132. Dermie's "outies" picked up 4 wickets. Second innings belonged to CB - scored 96 in about 60 balls with sensational shots around the ground, 19 boundaries.

**v Burwood 7/242 drew with 265**

Lost the toss and bowled well on another belter. A poor display in the field. We could have restricted them to 200, hence a win. Toy snared 4/48 and was also the most committed in the field. Wick was unlucky with 2/44 off 23 overs. With 80 overs to bat, Edgo (76) and Legs (43) gave us a dream start 0/133, only to then tumble to 3/133 and struggle from there chasing 4+ per over. There were lots of positives from the game - we created opportunities to win - but then we wasted them while fielding, and batting (by not finding gaps or being content with singles). These misses made the difference in a close game, hence a draw.

**v. Lindfield Draw - no play**

Rain washed out both days of the whole competition. Lucky it didn't happen next round!

**v Pennant Hills 7(dec)/148 defeated Pennant Hills 90 & 8/154**

Won the toss, and after having them 5/29, the intensity dropped and a couple of run-outs were missed. At the end we took 4/3 to finish them. Webby and Frankie Avalon each took 3-fa. As good as it was, it could have been better.

Batting was good on a poor wicket - Webby starred with 52. Intense lobbying from a faction within the team, (the bowlers), saw us declare for a final fling at them after a boiling hot day; 2/12 overnight. To their credit, Pennant Hills hung on the next week, on a wet (therefore better than usual) track - Murph and Budgie did well for 3-fa each.

**v Auburn 5(dec)/317 defeated Auburn 51 & 3/156**

Won the toss and batted. Everyone did well; Phantom (89no), Mono (81), Il Ducè (48), Legs (34), Webby (31no) and Schaafs (23).

Super performances by Dermie (6/25) and Webby (2/20) flattened Auburn. It took 24 overs on a faster Uni deck. Good catching supported them. The outright was on, but Auburn dug in well second time around.

**v Holroyd 187 lost to Holroyd 245**

Very disappointing to fall short of this target on the "postage stamp". This loss hurt us the most! Solid bowling - Murph 3/26, Webby 3/67, Frankie 2/49. Sadly again one or two costly catches missed during Holroyd's extremely frustrating batting - fortune definitely against us. Our batting was aggressive but careless, except for Webby's 67 holding us together.

**v Bexley 5(dec) 241 drew Bexley 9/191**

No points for our efforts - the scores showing us the better side. Rain meant everyone else played one-dayers that guaranteed results. Won the toss, batted and left Bexley 4 an over to win in a rain shortened game. Phantom (52), Legs and Mono 43 each, Webby and Toy 30s each in quick time. A tense game where Bexley left it late to mount a serious charge. Wickets fell quickly at the end, and again we dropped catches. We chased the last wicket for three overs without success. Budgie 4/30 and Wick 2/68 the pick, with some good work by Linus with a stumping and a few catches.

**v Roseville 119 & 1/88 lost to Roseville 6(dec)254**

Humiliating loss in the end. It typified our ability to get into a winning position and throw it away. Won the toss and sent them in on a green, grassy Uni deck. At 4/42, and after a dropped catch for 5/42, their skipper then got a streaky 68 and Beard 102no (dropped 5 times between them). Brownny 2/73 and Dermie 3/37.

At 3/98 doing well, being all out for 119 was a disaster losing the last 6 wickets for 4 runs. Phantom (44), Mono (22no). The highlight for Roseville was their opening bowler finishing us off with 6 wickets in 13 balls. Better forgotten,....if only we could!. Second dig Ivan smashed them for 59no.

**v Canterbury drew with Canterbury 9/ 234 (under protest)**

At this stage, it was "must win" cricket to make the semis having left ourselves a win off the pace. Bowled very tightly to have them 6/150 off 60 overs, however they hung on well. Doc made a sparkling debut in A's with 3/53. All the bowlers did well.

It rained the next Friday night and on a sunny Saturday it was clear that Canterbury had failed to lay covers. We protested and "wuz robbed" of 6 points as the rules dictate. Evidently, Canterbury administrators laid a separate set of covers (other than the dry ones folded away in the change rooms) that we, their own players and groundsman knew nothing about. No umpires appeared to settle the dispute.

**v Warringah 105 lost to Warringah 125**

Won the toss and bowled on a wicket with plenty of grass. We thought we had done well to dismiss them cheaply (in spite of more dropped catches). However the thick kikuyu outfield made it a much tougher total. We thought they slogged, but they knew the only way to score runs was to loft it. Our chase using orthodox batting (Doc excluded) was painfully slow (singles and twos only) and ultimately fruitless.

Webby 3/35 and 18, and Doc bowling medium pace 3/10 and 17 stood out in the bowling and batting. Five batsmen made it to the teens and failed to keep going.

**v Baulkham Hills 9(dec)313 defeated Baulkham Hills 243**

Lost the toss and batted. Great opening stand of 81 between Legs (44) and Edgo (40). Mono dominated the rest of the day with 149. Declared overnight to Frankie and Budgie's despair, and won the game with 4 overs to spare. The spin twins bowled us home - Frankie 3/67 and "the dark horse, the spell-binding, unplayable" Phantom, 4 for 67 off 15 overs. This game also featured cameo roles by Gavo and umpire Tom Brooks in his last Shires match. It's nice to finish on a winning note, even if these were our only points since Christmas (shudder!).

## CAPTAIN'S REPORT - 'B' SHIRES

1993/94 was a season that started full of promise but ended in disappointment. We set out to defend our premiership but finished equal 5th and so did not figure in the semi-finals.

We talked a lot early in the season about the difficulties that are associated with defending a title and how we would face those difficulties. However, a combination of loss of players to "A" grade, a lack of mobility and fitness, the unavailability of key players and a loss of form and confidence saw us struggle, particularly after Christmas. We won only 1 of our last 5 games and in the end were relying on other teams losing to make the semis. We finished with 6 wins, 4 losses and 3 draws. You cannot drop more than 2 games if you want to be there at the end. Losses to Bexley and Warringah, who both finished well down the table were costly. Significantly, all grades of M&S were, once again, won by the minor premiers. Congratulations to Doug Latto and his "D" grade team and Janine and the women's team for their premierships.

On an individual level, Ramsland had a great season, taking 34 wickets at 17.67 each, including 7 for 47 against Burwood. Pedavoli picked up "B" grade's first ever hat trick. Brown topped the batting aggregate and average with 318 at 53 including 100 not out against Pennant Hills. He also took 23 wickets at 18.13. Brien also took 21 wickets at 22.6. Blyth was the only other batsman to pass 200, making 289 at 36.1. This is in stark contrast to the previous season where 8 batsmen topped 200 runs for the season, including 2 over 400. It is not hard to see where the problems came about in 1993/94. We need to return to that level of consistency next season. I would like to thank my fellow captains and the Committee for their help and support during the season. Also, to the ground staff, congratulations on a job well done.

Finally, I will take this opportunity to express my total dismay at the loss of facilities this season following the take-over of the Blue Barclay Pavilion by the Restaurant. In my 17 years of involvement with the Sports Association it has been my understanding that the facilities were for the use of students and Clubs. It concerns me that this no longer appears to be the case.

It goes without saying, that the Club's finances and tradition are effected by the modern day facilities. The after match beer and post mortems form an integral part of our culture. The Committee, needs to ensure that this tradition survives; a great challenge given that we are now offered less than in the past.

Allan Mahoney  
'B' Grade Captain

## MATCH REPORTS - 'B' SHIRES.

v Lane Cove drew with Lane Cove 9/262.

We made the trip to Longueville Oval and I invited Lane Cove to bat on a flat wicket. At the end of the day the easy beats from the previous season had amassed 9 for 262. Our bowling, with the exception of Ramsland (2 for 28 off 19 overs) was inaccurate and lacked penetration. Our lack of mobility in the field was alarming. The second day was washed out. It would be fair to say that we were over-weight and over-confident as we set out to defend our title.

v Strathfield 2/136 defeated Strathfield 135

This was a match reduced to a one day limited over fixture due to rain the first week. Strathfield chose to bat on an excellent Macquarie deck. By the end of the second over they may have regretted that decision being 3 for 1 with the 1 being a wide. They never recovered and were all out for 135. Randall bowled quickly to take 3/9 and Ramsland again bowled well to take 4/35. Brown opened for us because he had to leave early to go to a wedding, this turned out to be a good

tactic as he belted 72 before retiring. The target was achieved for the loss of 2 wickets off 38 overs. This was a comprehensive victory against a team that ultimately made the semi-finals.

**v Epping 4 dec/128 defeated Epping 8 dec/123 and 6/190.**

Epping batted on another excellent Macquarie wicket. We bowled and fielded well with wickets falling regularly before the Epping Captain made a surprise declaration. The wickets were shared with Brown, the main contributor, taking 3/41. We had 23 overs to get the runs before stumps and did so for the loss of 4 wickets. Blyth remained unbeaten on 68. On day 2 the Epping Captain expressed a desire to obtain an outright result but apparently did not communicate this to his batsmen. Due to injuries and weddings we were reduced to 3 bowlers who toiled away against plodding Epping batsmen. A halt was called after 72 overs by which time Epping had crawled to 6/190. Brown bowled a marathon 33 overs to take 2/79 and Ramsland took 3/51 off 23 overs.

**v Burwood 60 & 1/80 lost to Burwood 234.**

Burwood chose to bat on a beautiful Rothwell wicket. At 4/210 they seemed assured of a big score. We had missed a couple of early chances and seemed set to pay for them. However, the Burwood batsmen lost the plot and became overly aggressive, this combined with Ramsland's patience saw them dismissed for 234. Doc bowled with great control and took the last 6 wickets for 3 runs, he finished with 7/47 off 22.3 overs. At stumps we were 1 for 17. On day 2 we arrived full of confidence: A beautiful fine day, a flat track and one of Burwood's opening bowlers out injured. The first ball of the day was a no ball, we then lost a wicket per over for the next five overs to be reduced to 6 for 19. We were all out for a pathetic 60. Burwood enforced the follow-on and we finished the day at 1 for 80. Burwood went on to be minor premiers. This match had a profound impact upon the team's performance over the remainder of the season, we never fully recovered our self confidence and ability to get ourselves out of tight situations.

**v Lindfield - washed out**

**v Pennant Hills 6 dec 322 defeated Pennant Hills 103**

We batted on a good Macquarie wicket hoping to set a big score for Pennant Hills to chase (who had not been competitive up to this point of the season). At 4/83 the match was evenly balanced, however, O'Keeffe (81) and Brown (100 not out) shared a 156 run partnership allowing a declaration before stumps. Pennant Hills lost 1 wicket during the 11 overs they had to bat. Day 2 was interrupted on several occasions due to rain but we bowled enough overs to dismiss Pennant Hills for 103. The wickets were shared between the four bowlers used.

**v Auburn 231 defeated Auburn 146**

We made the journey to Mona Park for what is always a difficult match. Won the toss and elected to bat. At 4/46 and 5/100 we were in trouble, however, Brown continued his good form to make 83 and Hayman displayed his ability for a hard hitting 54. We continued batting on the second day and were all out for 231. Brien (2/24) and Pedavoli (2/46) opened and bowled well to have Auburn struggling at 4/27, Brown (5/27) finished the job for an excellent win. The numerous catches dropped off Ramsland's bowling was a major concern.

**v Holroyd 5 for 303 defeated Holroyd 8 dec 297**

This was one of the most difficult games of cricket I've ever played. It was in the middle of the bushfires that ravaged Sydney on two exceptionally hot days. Lost the toss and not surprisingly we were invited to field. The unavailability of a number of players saw Ramsland open the bowling into a strong, hot westerly wind. In a performance of great courage he bowled 39 overs to finish with 4/135. Bateman hurt himself after bowling 1 ball so Brien had to bowl 19 overs. Barry was so tired at the end of the day it took him an hour to change, he finished with 3/54. Hayman toiled away to take 1/83 off 21. The rest of us had nothing but admiration for the 3 of them. Holroyd finished the day at 8/297. On day 2 it was Holroyd's turn to suffer with soaring temperatures, a hot wind, bushfires down the road, a smoke filled day. Blyth (96) and Schaafsma (60) set up a win with an opening stand of 139, Ivan falling short of a well deserved century due to exhaustion.

O'Keeffe, who had come from the Central Coast via a hitched ride across to Palm Beach sealed the win with an unbeaten 50. This was a game that will be talked about over a few beers for years to come.

**v Bexley 143 lost to Bexley 7/177**

A fixture reduced to a one day limited over match due to rain on day 1. We won the toss and put Bexley in to bat on a good Macquarie wicket. Bexley were 7/120 at one stage and we were looking for an early finish. They rallied to finish at 7/177 off 60 overs. We did not bowl well, however, the highlight of the bowling was Pedavoli's hat trick, the first in "B" Grade. It was achieved by the judicious use of a long hop, a rank full toss and Pedavoli's famous slow ball. A target of less than 3 per over should not have presented any difficulties, but Bexley bowled steadily and our batting was pathetic, all out 143. A lamentable performance which cast serious doubts on our ability to figure in the finals even though we were still in second place.

**v Roseville 208 lost to Roseville 7/250**

We were invited to bat on a Roseville wicket which featured variable bounce. This game was effectively a match to determine 2nd place on the table. We again batted without conviction and totalled 208 on the small Roseville ground. Roseville were never troubled in passing us 6 down and proved themselves to be a quality team. Randall was the pick of the bowlers picking up 3/61 after a 4 match absence.

**v Canterbury 4 dec 97 & 4/88 defeated Canterbury 96 & 6 dec 179**

We put Canterbury in to bat on a lively Macquarie wicket. Brien turned in his best performance of the season to pick up 6/41 off 17 overs to out Canterbury for 96. We passed their total for the loss of 4 wickets, Hort batted well for 52. Canterbury batted again to be 3/27 at stumps. Wickets did not come so easily on day 2, due to good batting and rainy conditions which made the ball virtually impossible to grip. Canterbury declared at 6 for 179. The run chase ended when the showers turned into a downpour. We picked up 6 valuable points which kept us in third position on the table.

**v Warringah 199 lost to Warringah 263**

Won the toss and invited Warringah to bat on a well grassed Macquarie wicket. This was a must win game against a team that had won only 2 games all season. They batted well to finish day 1 at 6/218 off 72 overs following an early finish due to rain. They batted on and were all out for 263 using up 17 overs on day 2. Brown was the best of the bowlers taking 4/50 off 24 overs. This left us the task of scoring 264 to win off 66 overs. At 4/40 we were never a chance and were eventually all out for 199, Wheeler top scored with 42. We were comprehensively outplayed in all facets of the game and now faced the prospect of having to win our last game to qualify for the semi-finals.

**v Baulkham Hills drew with Baulkham Hills 7/309**

Baulkham Hills chose to bat on a rock hard McLaughlin wicket and we did well to have them 5/111 shortly after tea. We then lost our composure, dropped a multitude of catches and were thrashed all over the park. Ramsland bowled 35 overs to take 6/131. Day 2 was washed out and we did not make the semi finals; what a miserable way to finish the season.

## CAPTAIN'S REPORT - 'C' SHIRES

Firstly congratulations to Doug's D Grade team and the Women's team for their competition wins.

Well it wasn't difficult to work out after selecting the C-Grade team for Round 1 that this season was going to be an enjoyable one with lack of team spirit never going to be a problem. Playing with old names familiar to the writer of Lenard, Chew, Tube, Hook, Kendall & Pedavoli meant a great deal and made me all the more determined to have a successful year.

In combination with newer players, C Grade's year was certainly successful being undefeated up until the final, finishing clear second and only missing the premiership by 20 runs.

The great result was due to an aggressive attitude by all players with every player expecting to win every game. Our batting and bowling let us down on occasions but we always managed to turn the game around. Our fielding was by far our strongest asset and "older" players like Chew, Lenard (ungloved) and Hook can be very proud of their efforts.

Bateman and Tube were our best bats this year, both being brutal on occasions. Unfortunately most of the rest of us were guilty of the "flashy 20's & 30's syndrome" and failed to capitalise on starts.

As for the bowling Dixon benefited from shrewd captaincy, took his fair share of wickets with younger bowlers like Roberts, Law and Shwabsky leaving me in no doubt that they have the ability to play higher grades. Unfortunately we lost Pedavoli to B's. I've known him since I was 4 and as long as I've been playing Cricket, he has always had a knack of getting out top order batsmen. He did that again this year.

As for Damon Law, his Finals' performances speak for themselves. He is a very fine cricketer and will be missed next season. Good luck with your studies Damon.

Special mention must also go to our young keeper Shane Vella, whose batting under extreme pressure, saved the team on 3 occasions.

Thanks to my Vice-Captain Phil Lenard and to Con Korkofingas for providing constructive advice all year. Thanks to all the players, other Captains and Bruce Hort & his committee along with the groundsmen for the Gwilliam Oval for producing result-orientated tracks. All these efforts have produced a truly remarkable season.

Ken Dixon  
'C' Grade Captain

## MATCH REPORTS - 'C' SHIRES

v Lane Cove drew with Lane Cove 271

A good batting display from Lane Cove but our fielding restricted them to a reachable target. Being the first game our bowling was a bit rusty but Pedavoli 3/47 and Hayman 3/64 bowled well.

v Strathfield 4/223 defeated Strathfield 9/219

Early chances were missed which probably cost Gus Hook 4 wickets. Dixon using Gus's share of luck took 6/38. A very solid batting display by Lenard 49, Con K 48no and a blazing 39no from the Tube saw an easy win with 7 overs to spare.

v Epping 5/119(dec) defeated Epping 115 & 5/91

The wickets were shared with Bateman bowling very quickly taking 3/13, Law 2/19 & Dixon 3/28. The fielding was excellent. I think Lenard thought we could win the game in 6 overs hitting 3 fours in the first over. We won on the next Saturday with Kendall top scoring with 35x.

v **Burwood** 8/248 (dec) drew with Burwood 6/208

Losing a couple of early wickets in conjunction with a lush outfield meant slow going for our batsmen. Our best bat for the first week, making a welcome return, was C Welsby 43. Hook 46 and Edgerton N 52x blazed during the second week. Burwood batting with fewer overs but better conditions, never really took up the challenge. Best bowlers were Houseman 2/51 & Shwabsky 2/45.

v **Lindfield** Washout

v **Pennant Hills** 7/290(dec) defeated Pennant Hills 136

This was Houseman's match scoring 116 and taking 4/41. Other contributors were Bateman 37, Con K 54 and Hook 30x. This should have been an easy victory but constant rain interruptions made it exciting. Shwabsky saved the day with 2/18 bowling well in very difficult conditions.

v **Auburn** 9/264 defeated Auburn 262

Well they don't come any more exciting than this. Auburn took 88 overs to score their runs leaving us 81 overs to get ours and we used every ball. **With one ball left and nine wickets down we needed 3 runs to win.** Any result was possible but "Lucky" Newell had only one result in mind. **Batting at No 11 he slammed the last ball of the day for 4 through covers.** Bateman was the pick of the bowlers with 4/59 with Dixon getting 3/48. The batting was a team effort all the way Chew 47, Dixon 42, Bateman 47, Folkard 59 and Vella 25. An unforgettable win.

v **Holroyd** 8/170 defeated Holroyd 154 and 6/94

While our bowling wasn't at its best Holroyd's batting was worse. The wickets were shared around Dixon 3/22, Shwabsky 2/55, Sweeney 1/7 and the leg spin duo of Hook and Lenard 2/40 & 2/16 respectively. Our top order batsman performed well, Lenard 30, Morosin 71 and Vella 37 made the task look very easy and 3/133 chasing 154 should have been easy but we lost 5 wickets for 14 runs before Hook and Shwabsky saw us home passing them 8 down. Paul Sweeney bowled very well in both innings taking 3/37 in the second.

v **Bexley** 8/170 defeated Bexley 168

After winning our last two games eight and nine wickets down I was looking for a more relaxing win this time. We bowled and fielded very well and once again the wickets were shared around, Dixon 3/46, Law S 3/56 and Law D 2/43. Our top order decided it was their turn to collapse and we were 5/51 in response. Our middle and lower order did the job with Dixon 36, Vella 32 and D Law 20x. For the third game in a row it was nail biter and **we passed Bexley with one ball left in the last over.** Dixon was seen leaving the ground looking for a Doctor.

v **Roseville** 8/117 dec & 2/154 defeated Roseville 7/269 dec & 0/0 dec outright

Roseville were not well placed in the competition. At one stage they were 1/209. Our bowling was not that bad with D Law the best with 3/46. Despite the ugly looking scoreboard our fielders never gave up making Roseville earn every run. Our batting however was disgraceful with the exception of Tube 25x. While I was sulking in the corner Con suggested we declare in the hope that Roseville would make a game of it. What followed is perhaps the most amazing hour of cricket I have witnessed. We needed 153 off 29 overs and did it with 8 overs to spare, Tube 40 and Bateman 77x were brilliant. Bateman's innings was the most brutal I have seen and included 5 sixes. A very lucky six points after being completely outplayed in the 1st innings.

v **Canterbury** drew with Canterbury 8/265 - Game washed out.

Dixon 2/27 Pedavoli 2/43 Roberts 2/58. Average bowling and fielding display.

**v Warringah 5/215 dec defeated Warringah 102 & 2/77**

This was a crucial game for us as Warringah were on equal points and while we were still undefeated had not performed well for two months. The rut was now over. While we got the better of the conditions we completely outplayed Warringah. Dixon enjoying the moist conditions taking 5/39 and "Key" Smith an enticing 3/22. Chew 42, Bateman 71 and Tube 55x saw us to an easy but crucial win.

**v Baulkham Hills 4/241 defeated Baulkham Hills 9/228 dec**

Baulkham Hills recovered well after being 9/164 but they were assisted by Dixon putting down a sitter off Lenard of all people. Dixon chasing a trophy managed 6/53 while Roberts bowled very well getting 2/11. In our best batting display Lenard 41, Kendall 102 & Bateman 57 performed very well. Colin at times outscored Bateman highlighting how entertaining his innings was. It was a pleasure for me batting at the other end to watch Colin destroy the bowling.

**Semi Final**

**v Lindfield 185 & 7/122 defeated Lindfield 180 & 8/126 dec outright**

Lindfield were put into bat on a track that had a bit in it. While we should have dismissed them for under 180 it was still a solid effort. Our fielding was excellent. The best bowlers were Bateman 3/30 & Shwabsky 3/48.

Things were looking very grim at 5/46 but two fine innings by Tube 30 and Law 66 got us home. Law's innings was a credit to his concentration and maturity. Hook also scored a valuable 17.

With the number of overs dwindling Lindfield smashed 8/128 with Law taking 3/22 & Roberts 2/34. Once again we were in trouble at 5/53 and once again Tube and Law saved the day with 35 & 32 respectively.

**Final**

**v Burwood 111 lost to Burwood 132 & 4/175**

**The team to represent Macquarie was:**

Ken Dixon (c)	Chris Hook
Paul Chew	Shane Vella
Phil Lenard	Jon Shwabsky
Steve Bateman	Damon Law
Damien Roberts	Con Korkofingas
Dave Folkard	Carlo Pedavoli (12th man)

Our bowlers and fielders really put us into a situation that should have seen us win. With probably our best bowling and fielding effort of the year in favourable conditions for bowling, Burwood were rolled for 132. Unfortunately our batting, which had been inconsistent all year, let us down. At 1/42 (Lenard 34) we should have wrapped it up but failed to do so. Damon Law was outstanding once again with 41. No doubt all the players will never forget this match and hopefully will learn from it.

In summary C's had 6 games that could have gone either way and we won 5 of them highlighting how important it is to win the close ones.

## CAPTAIN'S REPORT - 'D' SHIRES

In last year's report I stated that we had the best team in the league at the end of the season. If we could maintain a team of similar standard we could win the league. It was this belief that made me determined to try again as captain. The prophecy proved to be correct.

If you were told the following statistics you probably would not associate them with a winning team:

- \* Only one century scored
- \* Second highest score 69
- \* Only 17 scores of over 50
- \* 5 or more wickets in an innings only 3 times
- \* Highest average 30.85 for any batsman who played more than 2 games
- \* Most wickets by one bowler (22)
- \* Conceded 3,107 and scored 2,773 runs.

The major factor was that this was a true team performance and not one of two or three stars carrying the team. Every player could state that they made important contributions throughout the season.

Another important factor was that 14 players played in excess of 4 games resulting in a regular core of players for each match. This engendered a true team spirit.

This season saw only two matches unfinished due to rain. We won our first nine completed matches on first innings. In only one game did we bat first, against Strathfield, who commenced the game with 9 players.

Our bowlers regularly dismissed sides in under a day and our openers must have thought that they were in as permanent night watchmen. However, we never succeeded in winning a match outright. It was due to teams batting twice, to our once, that we had more runs scored against us. However, we took 156 wickets to 104 lost.

In the second last round, against Warringah, we lost. This was our only defeat of the season. We had probably won the league by this point and the team became complacent. This reminded us that turning up was not sufficient for winning. The last round match required a lot of batting resolve to save it. All this came as a timely reminder for the finals.

The team performed to its full capacity in the semi-final and the final. A score of 205 off 113 overs was an excellent effort in difficult conditions. A Pavlov's marathon effort of 53 off 76 overs held us together. The second day saw a day of high quality bowling and catching.

The final was against Roseville who had won from third position in the last two years. Batting for 155 overs was an amazing team effort. S Burchett outlasted A Pavlov to score 57 off 80 overs. A score of 351 off 57 overs was always going to be too steep for Roseville. The result was the first "D" grade premiership for Macquarie University.

My thanks to the other Captains, especially Kenny Dixon, Tony Barnes and Mark Hughes with whom I spent many hours on the phone.

In particular, I would like to thank Bruce Hort for his support through the season and his personal effort in making the finals run as smoothly as they did.

The challenge now lies ahead for the "D" team. Three other clubs have won the trophy twice, two of them consecutively. I am sure Macquarie can make it a hat-trick. Only two years to go!

Douglas Latto  
'D' Grade Captain

## MATCH REPORTS - 'D' SHIRES

**v Lane Cove 4/50** drew with Lane Cove 159

Won the toss and put Lane Cove in. Wickets fell steadily and all bowlers bowled accurately. M. Smith picked up 5/61 in an impressive first spell of the season. In gathering gloom we slumped to 4/50 at the close of the first day. The second day was washed out. The highlight was the opposing captain's dog chewing the match ball during the tea break in an effort to get them back into the match.

**v Strathfield 253** defeated Strathfield 198

Reduced to a one-day game we won the toss and batted as two opposition players were late. Had a flying start with S Davis scoring 53 in 12 overs. The middle order batted solidly, if less spectacularly. S Law, batting in his first knock for the club, made 55no in about 12 overs! Strathfield were never close to making their target after a poor start. Two batsmen made good scores but it was too late. D Law was the best of the bowlers with 4/46.

**v Epping 3/95 & 8/66** beat Epping 93 & 7(dec)156

We put Epping in and they collapsed with little resistance. N Edgerton put in what was to be the best bowling performance of the season. He took 6/29. Early on the second day we passed them with three wickets down, D Latto was 40no. Epping lost 5 early wickets in their second innings by batting aggressively but a sixth wicket partnership enabled them to set us 155 off 25 overs. M Smith took 3/35 off 15. We nearly threw the match with a dramatic collapse. Only N Edgerton with 35 made double figures.

**v Burwood 4/286** defeated Burwood 6 (dec) 279

Burwood elected to bat first on a perfect day. They lost 3 for 51 but the subsequent batting was aggressive and successful with one player making 102. We dropped a number of catches which could have put us back into the game. Macquarie batted aggressively throughout. P Morosin, in his first M&S game, made 106 in exciting style. He was ably supported by S Burchett (67) and S Wolfe (56no). We passed the score with 8 overs to spare.

**v Lindfield** - No Play because of rain.

**v Pennant Hills 6/184** defeated Pennant Hills 180

Pennant Hills elected to bat first. Against a poor batting side we let them off the hook in getting 180. A Cearns had the best figures of 3/22. The second day was rain affected but we passed their score with 6 down. A Pavlov with 55 was the best of the batsmen.

**v Auburn 7/213** defeated Auburn 197

Auburn were the then competition leaders. Batting first they were 5/50. P Sweeney put in his best performance for the Club with 5/66 off 27 overs. Their tail wagged and they got 197. We dropped a number of simple chances. Overnight we were 3/9. The second day saw a lot of character from our batsmen. M Fitzgerald made 43 in his first knock and B Bradley carried his bat for 69.

**v Holroyd 3/117** defeated Holroyd 104 and 261

Holroyd elected to bat but never threatened to make a score. Chasing 104 we made 3/117 off 17.4 overs. S Law made 52 off 13 overs. Holroyd were given the opportunity to make a game of it but decided to take batting practice. D Law was the pick of the bowlers with 4/31 and 3/46. S Burchett took his first wickets for the club with 2/25.

**v Bexley 6/198 defeated Bexley 8/195**

Reduced to a one day game Bexley elected to bat first. After a slow start they accelerated after lunch. R. Govindan, in his first game for "D" grade, bowled well for 3/54 off 20 overs. Macquarie batted solidly throughout with R. Mather making 50 on his return to the club. The match was memorable for an opposing player who seemed to be high on drugs, providing us with continual abuse.

**v Roseville 9/119 and 5/125 defeated Roseville 117 and 6/159**

Roseville elected to bat. A top bowling and catching performance saw us roll them cheaply. D Roberts with 4/23 off 17 overs was the pick of the bowlers. At 4/95 at the end of the first day things looked good. Caught on a wet wicket on the second day we were 7/117 then 9/117. We scraped home and declared. Roseville had a "bash" and set us 158 off 35 overs. We batted cautiously. S Davis made 67. We wanted to make it difficult for Roseville to make the semi - final.

**v Canterbury 3/148 defeated Canterbury 134**

We put Canterbury in. In an inept batting display they made a slow 134. Wickets were shared with M Fitzgerald getting 3/10 and R Newell 3/32. We were 1/56 overight. On the second day rain threatened to stop us winning but we got on long enough. S Burchett carried his bat for 41.

**v Warringah 186 lost to Warringah 228**

Put in on a wet wicket D Latto (65) and S Burchett gave us a good start with 82 for the first wicket. Wickets then fell steadily with a leg spinner taking most wickets. The batting was the worst of the season. The second day Waringah passed us 5 down. We fielded poorly. This was a good reminder that, even though we were minor premiers, games were not won automatically.

**v Baulkham Hills 7/179 drew with Baulkam Hills 9/251**

Baulkham Hills got off to an aggressive start with 90 for the first wicket. The bowling was below standard with no one starring. The second day Macquarie batted slowly for 7/179 off 81 overs. We never threatened but some players took the chance for batting practice. A Pavlov made a patient 54no.

**Semi - Final**

**v Burwood 205 defeated Burwood 154**

Put in on a rain - affected wicket runs were hard to come by. Our 205 took 113 overs with the first boundary coming after 40 overs. The highlight was A Pavlov with 53 off 76 overs - a marathon effort. On the second day the pressure was too much for Burwood, created by accurate bowling and good fielding. From 1/34 they collapsed to 5/43. Despite valiant efforts from their tail, the target was beyond then. Their last wicket put on 39. The pick of the bowlers were N Edgerton 4/47 and R Govindan 2/30 off 24 overs.

**Final**

**v Roseville 350 defeated Roseville 241**

**The team to represent Macquarie was:**

Douglas Latto (c)  
Steve Davis  
Andy Pavlov  
Ben Bradley  
Simon Wolfe  
Nick Edgerton

Michael Fitzgerald  
Rhys Newell  
Mark Smith  
Rajesh Govindan  
Simon Burchett

Winning a vital toss we chose to bat. In an unparalleled effort from a Mcquarie D grade team we reached 350 off 159 overs. Most batsmen contributed through intense concentration and determination. Four players passed 50 - S Burchett (57), B Bradley (60), S Wolfe (58) and N Edgerton (67). Set 350 off 57 overs they got a flying start, but requiring 6.2 runs per over it was not enough. Loose bowling and fielding early on gradually tightened up. Four run-outs were effected. R Govindan with 2/51 showed great control. The match ended with 5 overs to spare.

## UNDER 24's COMPETITION - MATCH REPORTS

As the 93/94 season training began, the influx of new young players had me rubbing my hands together in glee at the number of players I would be able to draw on. In practice this was not the case, most of the newer players had little idea of U-24s and had many "other" commitments. My thanks goes to Mark Hughes and Bruce Hort for rounding up players on the day of the game. As a consequence our performances were inconsistent.

Glen McFadden  
Captain U24s

### Match Reports U24 - Frank Gray Shield

**v Lane Cove 182 defeated Lane Cove 120**

The season began at Lane Cove. Upon winning the toss and having 9 players we batted first, thankfully Lane Cove had 8 players. A total of 182 was reached, thanks largely to a fine 43 from D Law and 37 from Mark Hughes, with support from Matt Finney (27) and Will Burkitt (13). Lane Cove came out blazing with 39 off the first 5 overs, before a miserly spell of 7 overs, 3 maidens, 2 wickets and 7 runs from D Law put us back into the game. Paul Sweeney came back from an early set back to finish with 2/38 off 7 overs. Jamie Breden took 3/21 off 7.1 overs.

**v Lindfield 94 lost to Lindfield 2/98**

The second game unfortunately followed the pub crawl. The U-24's were well represented with 6 of the top 7 hung over. Playing only for "the experience", we were bundled out for 94. Toy scored 49. He followed this up with 2/18 off his full 12 overs including one scared opener, as Lindfield passed us 2 down.

**v Roseville 7/183 lost to Roseville 6/262**

Roseville were next and a change in tactics. 1/3 turned into 6/262 off 60 overs. As you would expect figures were not impressive. Toy bowled well again for little as did Doc, 1/40 and 1/45 respectively. Jon Shwabsky took 2/52. In reply we finished 7/183 after not being in the hunt at 4/42. Matt Edgerton & Matt Finney playing well for 39 each. Angry Pills (25) and Jon Shwabsky (36) both remained not out.

**v Warringah 109 lost to Warringah 5/112**

Warringah at Weldon. The batting failed with the top seven batsmen reaching double figures yet 18 was the highest score, totalling 109. Defending the total was near impossible but wickets fell regularly as Warringah were 4/50, Toy taking 2/28 and the "Crouch Potato" 1/10. The team fielded brilliantly before 2 partnerships of 27 and an unbroken 35 sunk us. The captain got 1/12.

**v Pennant Hills 2/175 defeated Pennant Hills 9/173**

The final two games meant Club Championship points. Pennant Hills coming off their first and only win looked tough. Another won toss and Pennant Hills limped to 9 - 173 off their 60 overs. Toy again bowled beautifully for 2/14 off 12, D Law ably supported with 2/25 and "Pills" with 1/11 off 7. The figures belonged quite rightly to Liam Waite with 3/31 off 12 overs. What followed was what this side was capable of, 2/175 off 44 overs. Edgie was the pick with 70no, myself 54 and Angry 23no. Perfect, well almost.

**v Epping 8/206 defeated Epping 202**

The final game saw the swapping of the Edgertons - Nick for Matt. Again the toss was won and Epping were bowled out for 202 at Epping Oval. The bowlers shared the wickets, Toy 2/20, The Law 2/37, Nick 2/40 and the surprising Angry Pills bowled well again with 3/28 off 12. An unsure start, some injuries (captain included) and 2/17 was not promising but middle order partnerships of

48 (4th wicket) and 54 (6th) put the game within reach. Disaster struck when the last ball of the opening bowler's spell had Toy for 65. The Law and Telecom ground it out for a satisfying finale. The Law finished 29no, Nick Edgerton 28 and the captain with 32 filled in the total of 8/206.

## CAPTAIN'S REPORT - B GRADE G.D.J.C.A.

Our second year in B Grade of the Gordon District Junior Cricket Association offered much for the cricketing thrill-seeker. Runs were blazed in spectacular fashion and wickets tumbled at a hair-raising rate. Many a six (60!!) disappeared into the bushland surrounding the small grounds. The two games played on the turf of Macquarie North provided welcome relief and produced quality performances.

The side finished four points outside the semi-finals without really threatening any of the top sides. Unfortunately our better bowling efforts were followed by uncertain batting endeavours. At times it seemed we were playing a different game to our opposition. They scored 2,204 runs in 418 overs at 5.27 while we replied with 2,112 runs in 653 overs at 3.37. Same runs-different rate. While our opposition lost a wicket every 31 balls we averaged 41 balls per wicket. We gave 10 lbw decisions and received one. The manic nature of the competition often meant that dropped catches allowed teams to get away.

The standard of behaviour in this particular grade of the competition seemed to fall well below what would be acceptable in Shires or Grade cricket. The bush league antics were an occasional hazard and resulted in a report being organised by Stephen Jurd after the Barbarians game. This addressed the need "to generally improve discipline in the competition" and the "consumption of alcohol during games". It was well received by the Association. It was pleasing to note that the players maintained their competitive and sporting spirit in the face of less disciplined teams. Two forfeit wins and the usual downpours and bush fires made for a slightly disrupted schedule.

Thirty nine players passed through fifth grade during the season. Thankfully there were a core of players who played five games or more. The addition of a sixth team certainly added to our playing talent but made for the occasional quick progression through the ranks. Players from the Gordon teams often had an immediate impact when selected in higher grades. Rajesh Govindan and Michael Fitzgerald were two such players. Steve Davis and Simon Burchett had useful spells in 5th grade before taking good form to D grade.

There were a number of notable performances during the season. Matt Barnett and Andrew Nestor combined for dual centuries in our first game to establish a new 4th wicket club record and set up an amazing run chase win. In another match, Kandan Venkataraman hit 82 and took 4-55, showing terrific spinning potential. Mark Briedis modestly went about accumulating wickets at a healthy rate while Stephen Jurd retained an uncanny knack for getting the initial breakthrough. Damien and Ben Roberts turned in eye-catching bowling spells. Ken Wiblin and Bill Congreve added appreciated experience to a team of new faces. Sam Herps maintained a high keeping standard.

The 1993/94 season was a fine year for the club and those co-ordinating the efforts of the SWCA 5th grade and Shires D grade sides should be congratulated. Both the premierships achieved represented the culmination of three years dedicated planning by those involved.

Finally I would like to thank the team for their assistance with the running of the side over half a year of Saturdays. The efforts of Mark Warren and Richard Lawson with the kit were particularly appreciated. Stephen Jurd provided invaluable input and enthusiasm. Mark Hughes proved to be a mercurial recruiter and organising dynamo for Macquarie's expansion in the GDJCA.

The growth augurs well for next season.

Tony Barnes  
5th Grade Captain

## MATCH REPORTS - GDJCA 'B' GRADE

### **vs West Pymble Nomads 4-378 defeated Nomads 8-343 dec**

A traumatic beginning as poor catching and big hitting saw our opposition cruise along at seven an over on the unique Barra Brui oval. Numerous sixes were despatched into the thick scrub. Doud Amin bowled with shrewd persistence to end with 4/93 off 16 overs. Our openers scored 40 without loss at the end of the day. The come-back continued the next week with Simon Burchett (68) giving evidence of the good form he would carry through the season. With his dismissal Andrew Nestor (103no) and Matt Barnett (116) came together for a club record 4th wicket partnership of 191. Both revealed a rare sense of judgement about how to go about chasing a large total, combining solid strokeplay with ruthless running between the wickets.

### **vs West Pymble Trojans 88 lost to Trojans 1/92**

An old fashioned thrashing against a team that held all its catches and applied enough pressure in the field to also force a run out. Our batting lacked application and no-one scored more than 20. The sole highlight was Richard Lawson putting a six over the dressing rooms. Mark Warren took the only wicket to fall and was the best of the bowlers. We were completely outplayed.

### **vs N.D.C. Hogs 97 lost to Hogs 126 & 3/95**

A tremendous game played on the Macquarie North turf. Winning the toss there was no hesitation sending the Hogs in on a wicket softened by rain. The fourth ball of play saw Michael Fitzgerald hold a sharp chance off the bowling of Damien Roberts (4/16). Damien ripped through the top order, a precursor to a fine season as an opening bowler. Fitzgerald (4/28) began his bowling spell by knocking back the stumps of a batter who only six months before had belted us for 150. Michael then departed to the outfield where he took a spectacular catch off the bowling of Andrew Linfoot (2/38), who used the large ground to his advantage. Having dismissed the Hogs for 126 our batsman were shell-shocked to find the ball swinging prodigiously under heavy cloud in the late afternoon gloom. The day finished even with Macquarie 4/33. The second day saw our batsmen fight hard but only Andrew Jackson (31no) had the technique to combat high quality bowling. In the Hogs' second innings Andrew Linfoot took another two wickets and Sam Herps showed his class with two stumpings.

### **vs NSW Macabi first innings forfeit win**

Two weeks without centre wicket cricket was a disappointing set-back.

### **vs Roseville 200 drew with Roseville 0/32**

Back to Barra Brui for a game against a very young Roseville team. Only Ken Wiblin (23) and Steven Viney (28) got to double figures in the top order. At 8/109 we were in desperate trouble. Andrew Cearns (56) and Mark Warren (44) then combined for some highly entertaining big hitting. Wazza clubbed four very impressive zacs. Roseville replied with 0/32, six of those being a catch that was only just taken over the boundary. Our hopes of applying the pressure to an inexperienced team were thwarted by torrential rain the following week.

### **vs Lindfield 9/169 drew with Lindfield 233**

A game that fluctuated over two days of intense cricket. Having committed to fielding on a scorching day, the bowlers lifted in a superb all-round performance. Seven of the first eight overs were maidens as Mark Warren and Steve Jurd bowled an immaculate line to defensive batters. Wazza's was perhaps the best wicketless spell I have seen. Ken Wiblin reaped the rewards of the early bowling and picked up 3/48. Michael Fitzgerald contributed two more spectacular outfield catches. Mark Briedis cleaned up the tail to take 3/32. The second day was interrupted twice by rain

and both teams struggled with the conditions. Matt Barnett (53) played with wristy style to lead the batting and Sam Herps (22no) and Mark Briedis (4no) ensured a hard fought draw.

#### **vs Old Ignatians 209 lost to Old Ignations 346**

Carnage ensued at Wellington Oval as dropped catches proved fatal against batters who didn't need encouragement. Faring best in the onslaught were a plucky Rajesh Govindan (4/88) and the tail routing Mark Briedis (4/41). In reply our top order made starts but failed to go on with it. The middle order collapse after tea was also disappointing. Phil Hart looked good compiling 35. The game was almost salvaged by a committed Andrew Linfoot (46) and reluctant debutant Elliot Jurd (7no). They were five overs away from forcing a draw against a team that completely overwhelmed us.

#### **vs Barbarians Round cancelled due to bushfires**

With the Gordon area ravaged by raging bush fires Macquarie cricketers proved their madness by staging a 5ths vs 6ths replacement game at Macquarie North for the cancelled round. Part of the outfield was scorched black and the sun was a weak globe behind billowing overhead smoke. The sight of exploding eucalyptus trees behind the tennis courts punctuated the fall of wickets-a peculiarly Australian day. 6ths batted first (12/120) and were no match for the strongest 5ths attack of the season. Rajesh Govindan (3/23) proved an awkward customer on turf and Steve Davis (6/30) picked up wickets at will with sharply turning off-spinners. Bill Congreve chipped in with 2/13. Steve (50 retired) and Bill (51no) unleashed a wide array of strokes to cruise past the nominal target.

#### **vs Northside Monash 223 defeated Monash 160**

The first week was washed out by heavy rain so a Koola Park one day match was in order. We motored along at a steady rate with good hitting right down the order. Those to take advantage of playground size boundaries were Tony Barnes (61), Steve Davis (33), Matthew Finney (27) and a cavalier Liam Waite (35no). The guest bowling appearance of volleyball ace Mark Noonan (3/25) added vital new ball clout. Monash had no answer to fast late outswing. Matthew Finney's three slips catches were a precious and morale boosting commodity. Liam Waite (3/42) showed great spirit to snuff out a middle order come-back and Steve Davis (2/11) again proved his value by out-thinking the innings' top scorer. A convincing win.

#### **vs West Pymble Nomads 7/232 lost to Nomads 2/236**

A one day match at the punishing Allan Small oval. Nomads won the toss and no doubt remembering our last encounter chose to field. Seven batters scored between 18 and 49, enabling us to rattle up 232 in 40 overs. Good fielding and the absence of a really big hitter until Andrew Cearns (25) kept Nomads in the game. Those striking the ball well included Tony Barnes (30), Ken Wiblin (39), Matthew Finney (49), Bill Congreve (27) and Ben Bradley (23). Nomads got the runs in a canter. Eight sixes sailed into the blackberry bushes. Dropping the hitter of half those zacs before he had scored was an act of masochism. The bowling figures will not be revealed.

#### **vs West Pymble Trojans 188 lost to Trojans 5/191**

An unpleasant game played against a fine cricket side made up of boorish individuals. Next season can't come quick enough. After slumping to 4/53 against sustained bowling and fielding Tony Barnes (42) and Bill Congreve (43) combined to nudge the score along. Andrew Cearns (27) boosted the total while others toiled hard. After a late start due to rain on day two the bowlers applied themselves well with a ball bloated by the damp conditions. Most impressive was Mark Briedis (2/49). Michael Pickering took two good catches. Given that Trojans were a leading side in the competition the mean-spirited way they played cricket was disturbing.

### **vs Barbarians first innings forfeit win**

From bad blood to farce as Barbarians took their bat, ball and case home. After winning the toss and electing to bowl, Barbarians then refused to take the field due to insufficient numbers. We improvised a five-a-side game and Matthew Finney proved he could hit sixes as far as any Nomad.

### **vs Barbarians 5/214 defeated Barbarians 212**

A match overshadowed by the acrimony it engendered. Played at Barra Brui we did extremely well to contain the opposition to 212. Our luck turned as nine catches and a stumping provided good support to persistent bowling. Stephen Jurd (2/30) led the way with early wickets and Richard Lawson (2/50) picked up a crucial wicket before tea. Kandan Venkataraman showed what he could do in an extended spell of 12 overs to return 4/55. Getting bounce and turn his ability to spin it both ways suggests significant ability. After the saturation of medium pacers in this competition it was fun to watch Kandan at the crease. His batting was also a revelation displaying sweet timing in an innings of 82. Ken Wiblin (34) and Tony Barnes (47) provided their usual tradesman-like support to set up a too-easy win.

### **vs Lindfield 105 lost to Lindfield 139**

An enjoyable game to finish the season. Paul Sweeney (2/40) powered through 15 overs of high quality, intimidatory quick bowling to provide a major disincentive for batters contemplating a long stay at the crease. Stephen Jurd (1/29) gave another sustained display of challenging outswing bowling. Mark Briedis (1/26) bowled an immaculate length to be unhittable. Best of all was Ben Roberts (5/31) who destroyed the Lindfield batting by taking five wickets in seventeen balls. Sam Herps took four catches. Unfortunately our batting didn't match the bowling as we quickly crumbled against a former A grade Melbourne quick and a fine away swing bowler. Andrew Nestor (15) looked compact and calm before getting a good yorker. Tony Barnes (42no) and Mark Briedis (6) displayed good technique and a reluctance for the season to end but fell short of the target.

## CAPTAIN'S REPORT - C GRADE G.D.J.C.A.

When one thinks of a season of sixth grade for Macquarie University Cricket Club, one might think of substandard, go through the motions, struggle with the numbers, least important team in the club, waste of time..... list goes on. I'd like to think that at the end of the season, all those who played enjoyed themselves immensely in a reasonable standard of cricket in a side that got on well as mates, had a heap of laughs and played good, positive cricket.

To field a side each week, let alone make the semi finals and finish third was a great achievement. To do this it would not have been possible without the help and support of the committee and Tony Barnes (5th grade Captain). To those who gave up ambitions to play higher grades to have fun in 6ths especially Grant Hooper, Will Burkitt, Paul Bamforth, Warren Montford, Michael Crouch, and Phil Hart, I am especially grateful. Here's hoping that in future seasons 6ths can have more of a taste of satisfaction and success in years to come.

Mark Hughes  
6th Grade Captain

## MATCH REPORTS - GDJCA 'C' GRADE

**v Barbarians** 195 and 5/100 lost to Barbarians 304

Macquarie's 6th debut game saw 7 debut players against a hard hitting opposition who won the toss and elected to bat. A poor start from our bowlers let our opposition away to a flying 0/143 before Bill Congreve (3/24) standing in as skipper pegged Barbarians back to 7/235. Dropped catches were again costly as the tail wagged. Ben Roberts finished with 3/51. Nine bowlers were used. Macquarie started confidently but were 2/43 at stumps on day one. Wickets continued to fall regularly around a great dig from Michael Fitzgerald (89) to see us following on in our first game. Only Andrew Linfoot (23) lent support. At 4/25 in our second dig an outright loss was imminent however a cavalier Congreve (80no) saved the day. 7 teams on 7 points Mac. Uni 3 points in 8th place.

**v Lane Cove** 9/191 tied with Lane Cove 7/191

40 overs a side at Pottery Green. Oppressive heat had us batting after a handy start but a great knock from Paul Morosin (77, 5 fours, 1 five, 5 sixes) and support from Will Burkitt (22) had Lane Cove chasing 4.8 per over for victory. Cruising at 3/148 with overs to spare, Mark Briedis (2/20 off 10) and Ben Roberts (2/49 off 10) brought Macquarie back into the game with a couple of wickets but runs for Lane Cove did not seem a problem with three to win off the last over, four wickets in hand. Great bowling from Liam Waite (2/41 off 10), aided by excellent fielding saw Macquarie steal a tie in an exciting finish.

Ku-ring-gai, WP Twilights, Greengate and Barbarians 14pts. M. Uni 8 pts in 10th place.

**v Lindfield** 7 dec 365 defeated Lindfield 232

Another toss won and chose to bat. 0/48 became 3/66 but that was it for Lindfield as Macquarie took total control. Burkitt 68(15 fours) smacked Lindfield around, Xavier Beaubols (60no) took to a tired attack and a century for the skipper Hughes (122, 22 fours and first ever zac) saw a huge total set. Lindfield 0/27 off 4 at stumps. A ground relocation for the second week due to a six hit into residential took Macquarie to a larger dimensional ground, where the victory was achieved by Briedis (3/48), Burkitt (2/42) and Paul Bamforth (2/42).

Twilights, Greengate 24, Kuring-gai, Barbarians 21, M.U. 15 (6th spot).

**v West Pymble Twilights.** 7 dec 140 defeated Twilights 134 and 4/127

Another toss won and for a change decided to let the bowlers win a game. They didn't let us down as Ben Roberts (3/39), Rajesh Govindan (2/8), Briedis (2/37) and a luckless Mark Warren (2/40)

ripped through the then competition leaders. Macquarie laboured to victory with Hooper (42) and Hughes (22) scoring, the match petering out in Twilights' second dig with Briedis in it again (2/21). Greengate 31, Twilights 27, 3 teams on 24 with Macquarie 22.

**v Saxby Bridge - Washed out - No Play**

A costly washout against a team that lost 6 outright games.

**v Epping 2/28 defeated Epping 7 dec 359 (outright forfeit)**

Lost the toss in 40 degree heat and politely asked to chase leather. 7 declared for 359 off 50 overs pretty well much sums up the day, Michael Crouch 2/73 the best of a bad lot of crap bowling. We were 2/4 at one stage. Govindan finished with 22 no night watching including 16 off the last over, zac last ball. Epping did the unforgivable and didn't turn up next week, giving us an easy outright win!

Greengate 45, Macquarie 36, Barbarians 35.

**v Roseville 9 dec 356 defeated Roseville 317**

Won the toss and chose to bat with what I thought was a below strength batting line up. Wrong! Debut opener Kandan Venkatraman (56) played a safety first innings while Burkitt played a faultless knock to record his first ever ton 116, (21 fours) to have us at 1/205. The rest of the batmen chased quick runs and Hughes (47) and Waite (30) ably supported. To Roseville's credit they made a valiant chase for the runs and were 6/302 before the tail was cleaned up, best bowlers were Crouch (5/91), Richard Lawson (2/51) and Waite (2/59).

Greengate 52, Barbarians 45, Macquarie 43, Epping 38, Twilights 37.

**v Hackers Burnt out from bushfires, no play.**

A hastily organised match against fifth grade ensued, with sixth grade 12/120 off 40 v Fifth Grade 1/126 off about 30. Butt kicked by Barnesy's Boys!

**v Old Knox Grammar 255 defeated Knox 217**

Won toss and chose to bat in damp conditions on Allan "Small" Oval. A great start by our openers had us 0/95 at tea, ready to launch an attack on a very damp, spongy ball. Grant Hooper laid the foundation for our score with a great ton 106, (16 fours, 2 sixes) with innings of support from Andrew Nestor (34) and Hughes (31). Because of rain 8/254 at stumps gave us ten minutes next week to increase by 1 run for loss of 2 wickets. Our bowlers pulled back dangerous situations of 1/116 and 5/196 to secure victory with Andrew Caiger (4/72 and 2 great catches) and Warren (2/61) spearheading the victory. A match played in good spirits.

Greengate 63, Barbarians 59, Macquarie 54, Twilights 48, Epping 45.

**v Ku-ring-gai 115 off 34 lost to Ku-ring-gai 8/123 off 35**

Won the toss and elected to bowl with what appeared to be favourable conditions. Wickets fell consistently against a great pace bowling attack to restrict Ku-ring-gai to just over 3½ runs per over. Warren (3/33 off 10), Crouch (2/11 off 8) and Caiger (2/39 off 9) shared the spoils. Our first batting collapse of the year was impressive 7/29 and the match was apparently over. However, Crouch had other ideas as a 37 run partnership with Linfoot (15) became 8/66 then 9/67. Mark Warren played a 'sheet anchor' role at 11 while Crouch posted 68 unbeaten runs including 26 off 11 balls to get us within reach, only to have us fall 8 short of a victory.

Greengate 70, Barbarians 66, Macquarie 57, Hackers 52, Twilights 51.

**v West Pymble Colts 243 lost to West Pymble 8 dec 314**

Lost the toss and were invited to field. The opposition's decision was justified at 0/100 off 14 overs. Macquarie fought back to 6/196 but having been run into the ground there was no gas in the bowlers' tanks and their tail wagged to an impressive 8 dec 314 off 55 overs. Liam Waite held credibility with 3/91. We were languishing with 1/19 at stumps. A dreary second week followed with both captains agreeing to play in pouring rain, both desperate for points. A great partnership by Hooper (49) and debuting batsman Brad Louis injected life into our hopes, yet not even a century by

Louis (105) could prevent a collapse from 1/145 to all out for 243 with only Hughes (28) and Emery (27) also making double figures.

Greengate 73, Barbarians 69, Hackers 62, Macquarie 60, Ku-ring-gai and Twilights on 58.

**v Greengate Social** 104 and 4/104 lost to Greengate 5 dec 170

At home and a lost toss had us batting on a damp, green track. 2/1 off 6 became 4/33 off 34 at tea. Cricket was the winner! All out 104 Hughes (29) and Venkatraman (21) stuck it out. Week two saw a damp, green track become brown, concrete rock where Greengate struggled past our moderate score, Briedis (2/19) and Bamforth (2/56) our best. Having to bat again to save face, Bamforth (79) secured us to safety with a powerful knock. Our third straight loss, left us in fourth spot, no hope of catching third with five teams within an outright result of us.

Greengate, Barbarians and Hackers followed by Macquarie on 63, Ku-ring-gai, West Pymble Twilights and Lane Cove on 61.

**v Northside Monash** 9 dec 318 defeated Northside Monash 102 and 5/85

Won the toss and chose to bat. The top order of Hooper (85), Bamforth (37) and Louis (61) all came back disappointed that they hadn't posted three figures after getting on top. 1/173 became 6/228 and our advantage slipped until a particularly mean Crouch (74no) put paid to our opposition's chances. 0/1 at stumps. Next week all of our bowlers picked up wickets to roll our opposition for 102, Warren Montford (4/18 off 12) and Crouch (2/11 off 9) our best. Following on they struggled one short to 5 for 85, Montford again amongst the wickets with 3/14.

Results went our way to scrape in to the finals by 2 points over Lane Cove, who, if they had scored one more run in round 2 against us would have made the finals taking our place.

Greengate 87, Barbarians 83, Hackers 76, Macquarie 70.

### **Semi Final**

**v Greengate Social** 77 & 7 dec 158 lost outright to Greengate 162 and 3/76

Lost the toss and were invited to bat, mindful of our batting effort the previous occasion we played. What followed was the most disappointing display of batting against a formidable bowling line-up. When Liam White joined me at the crease at 7/22 our only thoughts were to survive until Andrew Linfoot returned to the ground to pick up his whites. Warren Montford, batting at eleven top scored with 23. At 5/142 at stumps, saving face on day 2 was our primary concern.

In the space of 8 overs our game came alive with Montford (6/36) cleaning up the tail to give ourselves an outside chance if we could score quickly and set some sort of total to defend. Bamforth (28) and Waite with career high score of (56) saw Macquarie declare 7/158 off 32 overs setting Greengate 74 to win off 21 overs. Never giving up they passed us on the last ball, Michael Crouch farewelling the Club to Melbourne with 2/17.

### **Play off for third place**

**v Hackers** 191 defeated Hackers 7/158 (off 35)

In a more relaxed spirit we went into the game keen to enjoy ourselves. Liam White led the side and won the toss, electing to bat. Sam Herps anchored the innings with a great 77 while the rest of the team threw the bat to score 191.

After Mark Warren (3/36) ripped through the top order and the run rate required pushed up to 36 an over, the time was right to bring Hughes on who responded with a career best 1/3, much to the disgrace of the Hacker batsmen, and dismay of Macquarie team-mates!

## CAPTAIN'S REPORT - SWCA 5TH Grade

The 1993/94 season for the Macquarie University Women's team has been one of success and achievements. Following some earlier disappointing seasons, the team has had a reversal of form, winning a Women's Club Premiership for the first time.

We have had numerous highlights over the season which have included the loss of only three of our games during the competition. It was also the first season we have beaten our old rivals Blacktown, after three years of being smacked around in every game - it was even more memorable that we could do this in the Final!

Our bowlers have had a great season with Ange, our biggest wicket taker, collecting 31 dismissals and our Danish import Betina, getting best bowling figures 6/8. Added to this, Ange, Betina and Kerri all picked up pewters for each of their 5 wicket hauls.

In the batting, three massive undefeated fifties were scored by Amanda, Carolyn and Betina, all having to retire at these scores. There have also been some big sixes hit during the competition.

Another highlight of the season has been the classic catches. The first of these was a brilliant catch taken by Dharini at first slip. Our wicket keeper, Morna took some difficult catches, particularly in the semi-finals where she collected three catches. Amanda, our coach, also took some great catches at square leg, but took her best catch in the Final at silly mid-on.

The success of the side has been attributed to a number of factors including:

- \* Amanda's ongoing contribution to the side, through her coaching during training sessions and games. This has both helped to develop individual skills but has particularly boosted confidence in the side.
- \* a keen group of players, illustrated by the second half of the season where we fielded a full side in each game.
- \* continual support from the Club, providing new equipment during the season, organising activities, and cheering us on in the finals.

Overall it has been a great competition and we look forward to seeing what damage can be done by the Women's team next season when we progress to 4th Grade.

Janine Newby

Captain Women's XI

## MATCH REPORTS - SWCA 5th Grade

**v Blacktown 6/99 lost to Blacktown 0/136**

Our first game of the season was played against our last year's rivals Blacktown. The venue was Princes Park at Auburn a new field that the Association had found. The field was so bad that Ange declared 'she wouldn't put her own cows on this paddock.' Blacktown decided they would bat first and proceeded to once again smack us around the paddock. They finished with a score of 0/136. We replied finishing 6/99, with Janine top scoring on 22 and both Louise and Amanda scoring 13 runs each.

**v Waverley 7/89 defeated Waverley 5/81**

A long drive for many of our team members to the south side of Sydney to play at Tempe. The toss was lost again and Waverley decided they would bat. The outfield, was very slow due to thick grass and Waverley scored just 5/81. Ange (or Effie depending on what sort of mood she is in) bowled well with 2/18, and also helped in a run out. Our coach, Amanda also bowled and surprised herself with great efforts of 2/5 off 6 overs. After 23 overs, our batters passed Waverley's score - not difficult when there were 43 sundries. Melissa opened and top scored with 23 runs.

**v Gordon 4/119 defeated Gordon 9/111**

Our first game on the North side of the city at South Turramurra. We won the toss and elected to bowl first. Kerri and Sally our new members raced onto the field after getting lost trying to find the field. Despite good bowling, Gordon were a strong team getting 9/111 off 31 overs. Amanda added more wickets to her previous week's haul with 4/15, Kerri and Ange also picked up a wicket each. Liz got her debut wicket picking up their opening batter. Macquarie were slightly worried when our first three batters got out for ducks. However, Carolyn and Amanda saved the game. Carolyn hit an impressive 53no and Amanda finished with 25no. We ended up winning on 4/119.

**v Berala 7/137 defeated Berala 86**

We returned to our first game's venue at Princes Park to play Berala. The paddock was slightly improved after complaints from various teams to the Association. We were sent in to bat first and hit an impressive 7/137 off 31 overs. Amanda top scored with 27no. Morna supported with 20no, Sally and Carolyn also scored well with 15 and 14 runs respectively. Ange served a freshly cooked chocolate cake for tea, boosting energy levels. Berala collapsed early when Ange, probably eating more chocky cake than everyone else, took two early wickets. She finished with 4/27. Amanda also bowled well with 2/9 and Carolyn, Kerri and Janine picked up the last wickets. Berala were all out for 86 runs.

**v NSW Uni 2/116 defeated NSW Uni 98**

A huge trek out to Little Bay to play NSW Uni was endured by the Northern suburb members of our team. NSW Uni won the toss and decided they would bat. Kerri, Ange and Amanda all bowled their maximum 8 overs finishing with excellent results, 3/27, 2/33 and 1/10, respectively. Only having nine players, they finished all out for 98 runs. Amanda was told in the tea break that she was too 'competitive' but this did not appear to affect her when she top scored with 37, retiring hurt. Melissa and Morna scored well winning the game with their 29no and 14no respectively.

**v Bankstown 9/76 lost to Bankstown 6/90**

This game promised a clash of the ...er...titans - we were to play against Bankstown, the co-leaders of the competition. Of course the importance of grabbing the six points and going on to gain outright first place was not lost on us...most of us were praying for rain!?! We won the toss and put them in to bat, although fielding was a bit difficult given that the pitch was about two metres above the rest of the field! Ange intimidated the opposition as usual and took 2/24 and Amanda bowled economically for 1/8. We restricted them to 6/90 off 35 and were pleased with our efforts. Unfortunately, we hadn't reckoned on their star bowler, a very fast bowler who is apparently only 14. We crashed to an embarrassing 9/76, deeply regretting the fact that we didn't have a full team. Louise took the batting honours with a well played 35.

**v Blacktown no play - washed out**

The rain we had prayed for the week before arrived seven days later. Our match against the Headhunters (I mean Blacktown) was cancelled. Needless to say the side was "disappointed".

**v Waverley 6/112 defeated Waverley 6/83**

We played at Tempe and decided to bat first, and scored 50 off the bat. The rest, 62 of them in fact, were extras, quite ironic given that we have to retire at 50. Morna was forced to retire hurt at 17 after a mid-pitch altercation with Janine. Our bowlers again performed well tying Waverley down to 6/83 as compared to our 6/112. Ange took 3/27 and Janine 2/11.

**v Gordon no play - hailed out**

The team made its way out to South Turramurra but a hailstorm, to rival the one that stopped play at the GABBA during the 1992/93 season, ended any chance of our playing at Gordon.

#### **v Berala 5/75 defeated Berala 71**

Our first home game at home (ie. not a supposed home game that is held on the other side of Timbuktu). We bowled Berala out for 71, our bowlers had splendid figures. Ange, playing with a knife wound to the stomach, took 4/13; Carolyn took 3/13 and Janine 3/8, claiming wickets with the opening deliveries of her first two overs. She was taken off because her third wicket did not come from the opening delivery of her third over. We had another early batting collapse but Amanda 22no and Morna 14no saved us yet again. We made 75 for the loss of 5 wickets. Morna, it must be remembered, was still recovering from the ankle injury caused when Janine beat her up.

#### **v NSW Uni 2/79 defeated NSW Uni 5/66**

Yet another home game, and again at home. This time we "the competitive bitches" met NSW Uni, and it was an important game as the COACH was away. We won the toss and took to the field. Our bowling was brilliant and UNSW made just 5/66 off 35 overs. Unfortunately it was a rather boring innings because the batters seemed keen on remaining not out rather than getting runs. Ange took 3/15, Carolyn 2/17 and Janine 1/12. Kerri, playing with a suspect hamstring, gave away a miserly 5 runs off her 8 overs. We went in to bat and only lost two wickets. Kerri started with the bat, scoring an unbeaten 27 (needless to say a good majority of her runs were boundaries!). Dharini (yes she also has problems spelling her last name) scored 23. A great victory to tell the coach about, and of course we didn't exaggerate. Even more amazing was the fact that we had fielded a full team.

#### **v Bankstown 2/66 defeated Bankstown 59**

Our first game back after Christmas. It was yet another important game because we were meeting Bankstown with whom we thought we were tied first on the table. Unbelievably we had a full team (twice in a row!). We fielded well and bowled them all out for 58. Kerri took 3/7, Amanda 2/13 and Janine 2/16. Kate in her first match back after an absence of about one and a half seasons had a great day in the field taking a catch, effecting a run out and cutting off a number of boundaries. We lost an early wicket (despite the fact that their star bowler wasn't playing) and looked like facing another batting collapse. Kate and Kirstin (Arnie), however, steadied the innings. Kate, having opened, remained not out on 29 and Carolyn was also unbeaten on 23 (including a massive six). We finished with 2/66 in 19 overs and gained outright first place on the points table.

#### **v Blacktown 8/128 lost to Blacktown 1/132**

Any lead we had was short lived when we faced Blacktown at Shalvey in the next round. Winning the toss, we elected to bat. Dharini, Amanda and Alison (Agro) all proved they were not scared of the Blacktown members scoring 20, 19 and 17no, respectively. We were quite happy with our final score of all out for 128 runs. However, we were soon smacked around the field once again. They passed our score in just 19 overs, with the loss of only one wicket.

#### **v Waverley 7/158 defeated Waverley 58**

We had a pep talk from our coach, Amanda, after last week's disappointing loss. She said we would need to get a score of 150 - 160 to beat Blacktown in the finals. We won the toss and decided to bat first. Wanting to keep our coach happy, we hit an impressive 7/158, with Janine, Morna, Betina and Agro scoring 37, 35, 24 and 20no, respectively. Our bowlers once again outdid themselves. Our newest import Betina, from Denmark, finished with great figures of 3/13 off 8 overs. Amanda also bowled well finishing with 2/12, and Ange and Dharini picked up the last two wickets. Waverley were all out for just 58 runs.

#### **v Gordon 5/46 defeated Gordon 35**

We played again at our home ground at Macquarie. Determined to play, despite wet weather, Agro, Dharini and Janine won the Super Soaker award, soaking up the excess water around the pitch. Gordon batted first and were quickly all out for just 35 runs, Ange collected the first pewter for the season getting 5 wickets. Amanda also bowled well with 3/8, the remaining wickets were collecting by Carolyn and

Betina. An early collapse from our batters, caused some concern. At one stage we were 4/17 but this was short lived with Betina scoring a quick 21no and Kirstin picking up the winning runs.

#### **v Berala 4/165 defeated Berala 41**

Another high score from Macquarie, our highest yet. We made 4/165. Huge efforts from our batters, including Betina 41, Carolyn 40 no, Kerri 33no and Morna 18, contributed to this excellent score. Our bowlers were also impressive with 3/0 from Kerri, 3/5 from Janine, and 2/6 from Carolyn.

#### **v NSW Uni 4/191 defeated NSW Uni 6/51**

In preparation for the finals, we wanted to get another big score. We went in to bat first, Amanda 47, Carolyn 34, Morna 33 and Betina 26no were all impressive and we finished up with a huge 4/191. NSW replied with their slow 6/51. Betina picked up 3 wickets and Kerri finished with 2/8. Kirstin in her debut bowled well conceding only 3 runs.

#### **v Bankstown 0/29 defeated Bankstown 16**

Our trek out to Revesby for our last game before the semi-finals proved profitable. With only 8 players, they wanted us to win hoping that we would end up playing them in the semis so they wouldn't have to play Blacktown. Bankstown batted first. A top bowling performance from Betina, who picked up the second pewter for the season with 6/8. This, along with tight fielding, helped to demolish their side who were all out for just 16 runs. After Kerri and Janine quickly scored 29 runs off 3 overs, the game was over by about 3pm.

### **Semi-final**

#### **v Berala 9/109 defeated Berala 45**

Playing at our old home ground at Phillip Park in Auburn against Berala to whom we had not yet lost a game, we should have been confident. However, most of the team were feeling nervous due to pressure from having got this far, and also from a certain Club President who was keen to see the first Women's Club Premiership. Berala won the toss and decided, due to uncertain weather and a very slippery wicket, to put us in to bat. After Amanda's talk and a warm-up session, Sally and Janine opened the batting. They started off well but Janine ran herself out. When Betina and Sally also managed to run themselves out, the side was slightly anxious. Amanda and Kerri steadied the team with a 41 run partnership before Kerri was bowled for 19. Amanda was bowled shortly after finishing with 17 runs. Carolyn came in and hit a much needed 24 and Morna remained not out on 15, the team scoring 9/109. Spectacular fielding and bowling achievements gave us the game. Berala started off well but a magnificent catch from Morna behind the stumps off Carolyn's bowling turned the game around. Kerri 4/11, Betina 3/8 and Carolyn 3/6 all bowled well. Morna ended up taking three catches in the game, Berala were all out for just 45 runs.

### **Final**

#### **v Blacktown 4/197 defeated Blacktown 103**

#### **The team to represent Macquarie was:**

J. Newby (c)

C. Brown

K. Yule

S. McManus

K. Morrin

B. Langerhuus

A. Culpin

A. Pearton

M. King

D. Ganesan Raju

A. Woods

As expected, Blacktown were our opponents. With no warm up and a rent-a-kill crowd, it was apparent they were feeling pretty good. After a disappointing effort in the semi, and not having beaten Blacktown over the last three seasons, the Macquarie team was feeling very determined to change this. We also had our own fan club with Liz, Louise and supporters from the Club coming along to bravely compete with Blacktown's supporters. After winning the toss, we decided to bat first. Amanda and Janine opened,

getting the team off to a positive start with their 71 run partnership, before Janine was run-out again on 25. Amanda retired with an outstanding 50 not out. Betina and Carolyn soon sped up the run rate with Betina, after nearly losing a tooth, retiring with a huge 51 and Carolyn scoring a quick 17 runs. Sally came in adding more to the score with 13no. The final score was a massive 4/197, off 35 overs, our biggest score. I think Blacktown were still in shock when they went in to bat, despite the fact they were very capable of beating our score. Carolyn and Betina opened the bowling attack, picking up two quick wickets which boosted the confidence of the side and of winning the Premiership. Amanda took a brilliant catch at silly mid-on and had a red raw hand to prove it. Two more wickets were collected from the openers before Ange and Kerri were brought into the attack. Kerri bowled brilliantly, picking up the third pewter for the season, with 5/31 off her 8 overs. Ange also picked up a wicket and Blacktown were all out for 103. Needless to say the side was ecstatic, finally beating Blacktown and winning a Premiership for Macquarie.
