MAQUARIE UNIVERSITY SPORTS

AND RECREATION AWARDS

CLUB OF THE YEAR AWARD

The 1990 Club of the Year winner was the Cricket Club.

SPORTS ADMINISTRATOR OF THE YEAR

In 1984 MUSR instituted the award of Sports Administrator of the Year. The award is presented to a leading Club Administrator for service over and above that normally expected. The Cricket Club members to receive this award are:

1985 Allan Mahoney

1996 David Webb

1997 David Folkard

BRIAN SPENCER AWARD

This award is given in recognition of outstanding service to a club and/or to MUSR by an individual on or off the field.

2001 Allan Mahoney

2003 Warrick Folkard

ROOKIE OF THE YEAR AWARD

The Rookie of the Year acknowledges the efforts of a student in their first year of involvement in a sporting club.

In 2002 Peter Procopis became the first member of the Cricket Club to win this award.

JOHN LINCOLN SERVICE AWARD

The John Lincoln Service Award acknowledges the efforts of a Club Administrator or Member who has provided outstanding service to their Club over many years.

In 2008 David Smith became the first member of the Cricket Club to win this award. In 2014 Paul Clift was awarded this prize.

UNIVERSITY BLUES

The University awards blues to sportsmen and women for outstanding sporting achievements. Performance standards are set by the Clubs and approved by the University Blues Committee. For Cricket, a Full Blue requires State representation whilst a Half Blue requires either 500 runs or 50 wickets in the Club's highest team. Current student status is also necessary.

Full Blue

1971 Kerry Mackay

Half Blue

1970 Mick Redden

1971 Frank Alley

1972 John Guiffre

1972 Peter Miller

1977 Laurie Ager

1978 Paul Bourke

1985 Chris Welsby

1988 Ivan Blyth

UNIVERSITY CLUB COLOUR AWARDS

In 1980 the University instituted the award of Club Colour to be presented to men and women who have made an outstanding contribution to Macquarie University Sport, through their respective clubs, from an administrative or organisational viewpoint. Cricket Club members who have received this award are:

1980 Peter Barclay
Grahame Blues
Ross Gwilliam
Peter Miller
Robert Vagg
Brian Jones

1981 Andrew Faulks
Keith Henry
1983 Graham Hargreaves
1984 Chris Welsby
John Wickham

1987 Allan Mahoney
1990 Al Davies
Warrick Folkard
1998 Jamie Breden
David Webb

President's Report

It is with an element of sadness and pride that I provide my second and final report as President of Macquarie University CC. However with the club finishing as strongly as it has now is the time to pass the presidency reins over to someone else to lead MUCC into a new and exciting era.

Throughout the season we had several highlights on the field. The Phoenix Tim Creer Cup side captained by Mohammed Ismail were deserved champions of the Tim Creer Cup competition. Paul Clift who captained third grade this season missed out on a Grand Final appearance by three runs. Second grade under the leadership of first time MUCC player Amrish played in a final's series for the first time in several seasons. 5th Grade NSCA led by Ash Singh played semi-final cricket. My thanks to all players and captains who represented MUCC throughout the season. On the back of these pleasing results MUCC finished sixth in the Club Champion table improving our position by 2 spots from the previous season. This is a pleasing result but not a time to rest on our laurels.

Individually, there were some terrific performances across the grades both on and off the field during the season. The specific team reports will describe these efforts in more detail, but from my point of view, a few of the stand-outs were:

- Mohammed Ismail- Premiership winning 5th Grade skipper of the Phoenix
- Luke Jones- whose dominating performances with both the ball and bat in the top grade saw him receive the Gwilliam Shield. My thanks to Paul Clift who housed Luke for the season
- Darshil Patel- A top debut season for MUCC was rewarded with winning the Mahoney- Folkard Rookie of the Year. First grade representation will be just around the corner
- Saurabh Tanpure- who made his first grade debut this season- a terrific effort from Saurabh and the winner of the "David Webb Most Improved" award
- Stephen and Helen Rose- whose efforts on and off the field over many seasons was justly recognised by receiving the Ivan Blyth Memorial Club-Man of the Year

The Cricket Club will face many challenges over the seasons ahead, and it is up to each member of MUCC- not just the committee- to play a role in ensuring its continuing viability and strength. These include:

- Working hard to have the Committee function more effectively than they have in the past. Too often, it is only one or two members doing 90% of the work.
- Maintaining a positive relationship with U@MQ. So MUCC can play proudly under the Macquarie University banner.
- An increased focus on fundraising and sponsorship opportunities. We need to look other options apart from the Ranch hotel.
- Ensuring our practice and training sessions are of as high a standard as possible.

There are many people to whom I and the Cricket Club owe a debt of gratitude. In particular, I'd like to specifically thank:

- My predecessor, Paul Clift, who very much set the wheels in motion to make MUCC a force to be reckoned with in Shires

- David Smith who was always available to lend a hand or give some advice when asked
- Warwick Folkard and Tim Morrow, who did much work in keeping the club statistics and other information up to date, while also providing terrific content for www.mucc.org.au
- The past members of the Club Executive, including Simon Fairlie, Steve Rose, Paul Clift, and too many others to name, who provided me with much support and assistance over many seasons

While I am stepping down from the presidency I am looking forward to maintaining a close working relationship with the new president and secretary as treasurer for next season. See you at pre-season!

Peter Saliba

MUCC President

Secretary's Report

It gives me great pleasure to compose my second secretary's report for the MIGHTY MUCC.

On the park we had 4 teams who made final cricket. Of particular note was second grade who finished fifth at the end of the regular season and played finals cricket for the first time since the 2009-10 season. Thanks must go to Amrish who in his first year as captain of second grade moulded a tight and cohesive unit. It is my wish that second grade players remain at the club and push for selection in the higher grade next season.

Fifth grade NSCA played semi- final cricket and where unfortunately knocked out in the first week of the final. Big congratulations to Kendall Hunt who scored in his maiden ton for MUCC. Hopefully this will be the first of many for Kendall. MUCC Phoenix finished the regular season in first place after losing one game in the regular game.

Congratulations must also be given to ex-President Paul Clift who led third grade to second place on the ladder at the end of round 13. It was certainly a pleasure to be part of that team throughout the season. The QF was one of the most enjoyable games of cricket I have been involved in as we beat Georges River. We lost to Burwood in the Semi-final by a measly three runs. Paul also deserves thanks for housing our English import Luke Jones for the season. Through Luke the executive will facilitate an ongoing relationship with Warwickshire to allow Warwickshire U/19's members the chance to play in Australia. I would like to thank Helen Rose who has worked tirelessly behind the scenes to feed our first, third, Masters and our TCC sides this season. She has also taken an extensive collection of photos of members in action this season. Words hardly do justice to all your efforts this season but all I can say at this stage is THANK YOU!!

Fourth grade finished ninth in the regular season. Throughout the season fourth grade were the victims of late pull outs throughout the grades. My thanks to Phil who led fourth grade for the season - Ersko worked tirelessly often in trying circumstances throughout the season organising transportation for younger members, organising tea at home games and setting up the Tuesday net sessions for interested members.

Throughout the season we were able to continue our arrangement with ex MUCC member David Deller to sell radio ears at the Sydney Test match, Sydney ODI's and the T20 vs India. While the rain dented our chances of maximising our returns the club made over four thousand dollars from the days at the SCG. I'd like to thank members who volunteered their time to sell ears for MUCC. I'd also like to see those members who haven't yet volunteered to give special consideration to helping the club out next season.

Moving forward to season 2016-2017 the club is experiencing pressures coming from our controlling body U@Mq. U@Mq is requiring all sports clubs to lift their university student participation rates to ensure we retain use of the Macquarie University grounds at the highly subsidised rate we enjoy. The cricket club's use of grounds at Macquarie University is significantly subsidised compared to other Shires' clubs. Furthermore, the University is losing money on the use of grounds and all sports clubs have been asked to become more sustainable. The new committee will as a matter of priority will need to increase our student engagement.

I'd like to take the opportunity to thank Pete Saliba and Chris McPherson for their work through the season on the MUCC executive. Also, a big thanks to the committee especially John Salmond this season, without volunteers like yourselves, a club like ours cannot function, so all your help is greatly appreciated. Also to the non-committee members who were a huge help through the season,

especially Steve Rose, Phil Erskine, Mark Fairlie who had the unenviable task of editing my scribble and Paul Clift thanks for all your input and advice. Your actions significantly contributed to MUCC having such a successful season.

Until next season- go Maccas!!

Simon Fairlie

MUCC Secretary

Treasurer's Report

Season 2015-16 saw MUCC maintain a strong financial position – namely from continued success with fee collection - \$29555 collected (though \$8000 below forecast). Easier payment methods such as the leverage of a portable EFTPOS machine as well as heavy discounts for early payment saw fees hitting our bank earlier in the season than normal – enabling us to gain early season discounts on our bulk ball and clothing orders.

This season saw the continuation of our sponsorship agreement with the Ranch – tho not to the levels past seasons had yielded us – receiving only \$2052.33 to date (down just over \$3k from the previous season). However, the biggest fundraising opportunity was our ongoing relationship with Dave Deller and the sale of his company's cricket radio "ears". Dave's company gave MUCC volunteers the opportunity to sell radio "ears" at the January Sydney Test Match as well as a handful of one dayers throughout the summer. A special thanks to Simon Fairlie for his tremendous effort in liaising with Dave, as well as to the handful of volunteers who gave up their time in raising these essential funds for the club. These efforts saw the club raise \$4238 – a significant chunk of change!

2015/16 saw us continue our agreement with Amir Nazir's cricket supplies company. The previous season saw Amir's company help us to achieve 40% cost savings on our existing provider and the quality of the gear increase tremendously. It is due to these cost savings that during the season we rolled out new One day playing shirts to the entire playing body.

Investment in Marquee players increased to \$5750 for this season – however didn't result in the outcomes on the park we were expecting from this flagship side. A review will be scheduled.

Investment in Cricket balls increased dramatically this season to \$14103 – taking advantage of heavy bulk discounts – to set us up for the upcoming season.

Moving into next season, we are in an excellent position to build upon this solid platform. Many thanks to the continuing support of the executive as well as the extended committee. Without volunteers a club like ours simply would not exist.

MUCC 2015-2016 1st Grade Captains Report

The first grade 2015/2016 season was a season of two halves. Our performances didn't start off on the right track and very quickly we found ourselves near the bottom of the ladder apart from two hard fought wins against Balmain South Sydney and Roseville. In general, we as a team did not perform up to a first grade standard in batting, bowling and particularly fielding which cost us what would have turned out to be crucial wins.

In the midst of a disappointing first half however there were some scintillating individual performances. Rehan's 74 against South Sydney was pivotal in taking us to victory and his 141* against Lindfield was one of the best individual innings you will ever see combining solid defence with some expansive shot play getting MUCC out of tricky situations in both matches. Harshith weaved his magic against South Sydney to return impressive figures of 5/16. Luke showed us his all-round skills against Roseville with an elegant 78 and 2/22 of his 10 overs. Hasana showed how dangerous he can be with the bat in a belligerent 74* against Warringah.

The post-Christmas period showed more of what we are capable of accomplishing as a team winning against the top two teams in the competition in Burwood and Georges River. Our bowlers really came to the party in the second half of the season and were instrumental in putting us in a position where a quarter finals berth was a possibility. Some notable performances came against the top teams with Sean Patterson picking up 4/44 and Tarun 3/39 leading the charge against Burwood and allowed us to defend a paltry score of 100 and brought us our third win of the season and with it confidence that would see us win the next two matches and put us in equal 7th position. Luke Jones starred with the ball against Georges River taking 4 scalps and followed it up with his first five wicket haul for MUCC against Norwest. Rehan again scored a brilliant 84 to lead us to victory against Georges River in a tense match with some heated exchanges between the two teams.

We beat Norwest in the penultimate round as expected but required an outright win to ensure a greater chance of finishing in the top 6. As it turned out, other results were not favourable to our march towards the top 6 and ultimately all but ruled us out before the last preliminary round match against Southern Districts. We ended up losing the last match to Southern Districts which left us with 5 wins for the season.

All in all, it was a disappointing season for MUCC first grade given the team on paper and although we were resurgent in the second half of the season, it took too long to hit our strides as a team and unfortunately it proved to be too late in the end. There were certainly positives to take out, in particular the heart and fight that we showed towards the end of the season. As with everything however, there are plenty of learnings we can take away from this season as a team and as individual players and ensure that we come back stronger for the 2016/2017 season.

Rehan Anjum

1st grade skipper

MUCC 2015-2016 2nd Grade Captains Report

It is both with pleasure and pride that I write the 2015-2016 Shires 2nd Grade Captains Report for Macquarie University Cricket Club (MUCC). The pleasure is because of the faith and trust bestowed in me by the MUCC committee, and the pride is because the boys responded so well in helping our 2nd grade qualify for the finals!

When Rehan, whom I have a lot to thank for, called during the winter to ask if I'd be keen to play for the club in Shires, I thought he was pulling a fast one! However after a few calls and realising he was serious, my mind opened to the idea of playing a higher competitive level and although my work was busy and body aging, I somewhat nervously, accepted.

A season on, I have not regretted that one bit, but more importantly thoroughly enjoyed my cricket and that is thanks to the members of the club, the supportive committee and most importantly my playing team – thanks guys

A huge personal thanks, and equal credit for our success must go to my VC, Abhishek – who was in the US when I called him to ask him come play for MUCC. From planning to play only a handful of games, he was energised and motivated to put in his all and ended up being the one player who did not miss a single game! In fact he led us on a few occasions in my absence. He was a pillar, always put the team and players first and a guide to many of the youngsters in the squad. Thanks Mate!

As the season started, the first ask for us as a team was to build a squad by getting to know one another, fill specific roles and start developing a team spirit that I see as the corner stone to ones' success. It took us a few games to settle in, have everyone available including movement between grades, to form a core group that ended up playing through the season. A victory in the first round was a helpful start to this!

At the end we were bitterly disappointed, not that we lost in the quarters, but that we saved our worst day of cricket all season for a knock out game! We knew we were not only good enough to get to the grand final but even win it and hence the way the season ended hurts even more! But that said, given where we were at the season start, I am really proud of the boys for the cricket we played and camaraderie we displayed.

We had a talented bunch of cricketers each with a distinct role, who played together well and most importantly enjoyed their cricket. As a captain this is what one strives to achieve, so one can extract the best out of the player. Whilst highly competitive and yet playing tough hard cricket, we made sure we enjoyed our time out in the middle and played like a close unit.

We had some highlights through the season, none more than two outright victories! Whilst these were thanks to our bowling effort let me provide some highlights with batting first.

The top order had the solid James Campbell who on many occasions helped play off the new ball with patience (54 in the first innings of our outright); and Gaamika at three – what an attractive and attacking player ala Aravinda De Silva! – he would take the initiative away from the bowlers very early with quick fire half centuries (three in seven innings, with an average of 38 - highest for us). Faisal our other opener and keeper, played a few good knocks and flirted on a few occasion with getting to fifty but never quite made it by a run or two (49 his highest). His keeping improved as went through the season and he took a few good catches (twice got 4 in an innings).

The middle order was both solid and classy. Sunny as he is nick named, batted very well and got a fair few runs (two fifties and highest runs 292) but it was his bowling that was the highlight of the season - ending also as our highest wicket taker with 38 wickets (including 11 wickets in a game against Lindfield). What an all-rounder! Aqif is a rock under pressure, scoring when it mattered including in a tense finish against North West Sydney (33 not out) that helped us qualify, and along with Abhishek formed a formidable middle order. Aqif also chipped in with a few wickets with his gentle swing that a few batsman found hard to play. Abhishek is a classy left hander who played a few innings that one would travel a fair distance to watch, and helped us secure a close win against Pennant Hills (55 not out in a tense run chase holding his nerve). Anirudh followed, and for all his skill and class he did not dominate the bowlers in the way I know he can. There were a few glimpses and cameos (46 against Lindfield), but we look forward to more in the coming season! He was also our main spinner and helped us on a few hot days, chipping away and breaking partnerships when needed.

Sameed played the latter half with us consistently and whilst he is a hard hitting all-rounder it was his bowling that stole the show. Always provided us an early wicket and sometimes a few more, he swung the ball and hit the deck hard (18 wickets in 6 games with us in the season). Tim, what a club man, played consistently throughout and bowled his heart out (21 wickets). Pace and bounce, when he was on fire like a spell on Day-2 in the QF, I'd rather be in the pavilion or watch from the non-strikers end. Tim also can hit the ball a mile and showed that in the very opening game of the season. Finally Shash, the young lad, got the new ball and made it talk. He was a consistent wicket taker (18 in all). However, it was his spells with the old ball in the latter part of the season that stood out. Against North West Sydney on a hot afternoon with an old ball he got the ball to reverse and move, taking two wickets in a spell that I will remember for some time to come!

This was the core, but thanks to the others who played with us too – Abbas, Charlie, Kieran, Sam, Luke, and his truly Simon. Simon bowled superbly and batsman found it hard to score off.

One thing I'd like to call out is that we went into Christmas placed second on the ladder only to come out the other side with one loss and a couple of washouts that pushed us back down! That was a disappointment but we fought back with two wins as we comfortably qualified for the quarters.

In closing I'd like to sincerely thank Peter, Simon and the committee for both their welcome, and their support. To our coach Sanjeev for his constant inputs, to my fellow captains for your support and understanding (especially Rehan and Paul as selections were never an issue) and to my dear friend and VC – Abhishek, for being my sounding board, my strength and source of advise.

Amrish Bhatia

2nd grade captain

Third Grade Captain's Report 2015/16

What a season we had in 3rd grade this year. It was a truly tremendous effort to find ourselves as the highest ranked side left with just one match to go to reach the Grand Final. Alas it wasn't to be.

The season started with murmurs in the Shires community about how poor we must be having spent some 75 overs accumulating 125 on day one of the season with debutant Satpreet making a half ton and VC Howie 40 odd, but this was the first of many building blocks to our hugely successful season. We defended that total bowling Auburn out for 61 with the introduction of the returning Simon Fairlie the pivotal moment. He finished with 5/8 including a bowled on his first delivery that rivaled Shane Warne's 'ball of the century' to Mike Gatting.

We moved on to Warringah where a solid and persistent bowling effort on day one saw us dismiss the MIG for 192 with Sameed being the star taking 3. He starred on day two along with Tim Grellman making 91 and 52 not out respectively to guide us home by 4 wickets. I think this was the day we realized we had a strong squad capable taking this season all the way.

Round 3 against a weak South Sydney could have been a disaster. We created enough chance to bowl them out more than twice, but we dropped a grand total of 13 catches on day one to see SS make a formidable and some what lucky 235. We then found ourselves 9/191 in response when junior Fairlie joined Kieran Pradeep at the crease. The two batted superbly, Simon unmoving in his solid defense and taking every opportunity to work a single to get KP on strike. Kieran plundered perfectly, taking advantage of every loose ball bowled and made a super star 83 not out to get us over the line by one wicket. If belief was high after beating Auburn and Warringah, it soaring after this win when we had played two of our worst days of cricket for the season.

Strathfield was washed out both days which lead us on to Pennant Hills. That magic first innings number of 125 was all we could muster again, but experience told us we could defend it, and this we did, bowling PH out 88 with the skipper leading the way with 4. We saw the day out and then set about piling on the runs to set up an outright. That man KP again salvaged a shaky situation making 55 no in a big partnership with the senior Fairlie who made 31 no. Together they backed Doc Asif's blistering 74 at the top of the order. We declared 5/196 setting Penno 230 off 48 overs to chase. Junior Fairlie stepped up again to claim 4/45 to knock them over for 161 with about 6 overs to spare to take full points.

An inspired spell from the skipper against Lindfield in the first session of day one saw him claim career best figures of 7 for 35 including a triple wicket maiden to see the Lawyers all out for 97 at tea. We made short work of the chase with AJ Gray making a half ton before a declaration before stumps paid off seeing Lindfield one down second time around at the end

of the first day still trailing by 40 odd. Day two was very hard work, and in honesty we were outplayed by Lindfield almost to serious detriment. Clift claimed his first 10 fa in his career, but Lindfield batted perfectly leaving us 142 to chase off 28 overs. It was just enough time for both sides to have a sniff, and our final total of 7/36 was abysmal even taking into account the fact that we weren't trying to score off the last 15 to 20 overs we faced, but merely survive. Unfortunately, this set the tone for most of our batting performances for the remainder of the season.

We did put in a clinical one day batting performance against Roseville in the last round before Christmas, amassing 219 from our 50 overs with Giyan making 57, and Dylan and Saurabh 43 each, but in reality, that ground and against that attack, par should have been 300, so we even under cooked ourselves. Fez and Burf claimed three each and young Benny Smith took 2 to help dismiss the Roses for 95 and get us a bonus point. The win saw us sitting undefeated at the top of the table over the Christmas break, which was a great feeling for everyone involved in the squad.

The first game after the break was a rain affected one dayer against eventual Grand Finalists Epping that saw the stand in skipper sent in on a wet deck, and promptly bundled out for 101 with Epping taking a bonus point off us chasing it 3 down. It was bad enough to only have a one day game against Lane Cove, but to have it washed out as well saw 7 points go begging.

We then faced eventual premiers and our semi final opponent Burwood. An inspired century from Charlie Carter, his first for the club, saw us make a very respectable 169. Burwood batted very carefully against us and a number of lapses in captaincy judgment saw them pass us 5 down with only one half chance being missed. The way the game was played, and the caution shown by Burwood meant that we knew we could beat them if the opportunity came up again.

We then took on Georges River in what was to be a big rivalry for both sides. This first encounter saw one of the greatest come backs I have ever been involved in. We made a paltry 110 the first time around with Ben French the stand out with a half century. In response we had them 5/69 overnight. They passed us 8 down and declared 9/115. We knew what we wanted to set, but the gods didn't appear to be on our side when all we could do was hang around to make 102 with Satty hammering 32 at the death. Bolts and Burf set about their work having GR 4/6 at one point, and Clift and Simmo did the rest, bowling River out for 82 off the first ball of the final over of the match to take an unlikely outright.

We took on another finals contender in North West Sydney in round 12 and found ourselves in a familiar position being dismissed for 111 with Rosey the only one to make a mark on the scoreboard with 31 not out. Again we had the opposition 5/70 overnight, but they passed us 8 down. They had seen what had happened the week before and promptly shut up shop to make our lives difficult, batting well to end up all out for 183, Sam Bolton the pick taking 5 fa. There was little joy in the second innings, the game finishing with MUCC 6/113.

The final game of the season saw us needing to win with a bonus point against Southern Districts to guarantee second place and a home final. We played a great game that day bowling SDs out for 105 with Burf taking 4 and Dylan 3. The chase was done to perfection with Satty making 42 and the finishers Saurabh and Ben French bringing it home within the 30 overs to get us the BP. One of the best things I heard was of an SDs player asking one of ours where we were on the table. When the response was '2nd' the SDs player was surprised. He couldn't believe how relaxed we were for a team that high up the table about to play finals cricket and how much we just seemed to enjoy going out and playing the game and playing with this group of people. This I think was the key to our success all season; it was an amazing group of people to be involved with.

13 rounds done and we found ourselves second on the table only a few points behind minor premiers Burwood. We had performed well, especially with the ball and in the field to find ourselves here, and there was huge belief that we could go all the way.

Our QF appointment was with none other the Georges River, and their attitude to the game hadn't changed a bit.

Losing the toss, GR did what I hoped they would and batted first. We rolled through them just after lunch for 111 with Mark Fairlie cleaning up the tail to take 3/7. Our batting was a little shaky, but solid enough to get the first innings win on day one. We found ourselves 9/131 at stumps. A very important 30 runs and 25 overs was taken up by the skipper and Simmo on the morning of day two that took time and runs away from GR and from there they were always struggling. At 5 down when they finally drew level, the result seemed to be a foregone conclusion. GR were eventually all out for 91 the second time around with Dylan taking 6. We chased the runs needed for the outright 2 down and celebrated hard that afternoon. We were even louder when news filtered through that Burwood had been beaten outright in their QF meaning we had a home ground appointment with them in the Semi.

We did everything right come the semi, winning the toss and sending Burwood in, and then watching them make hard work of it for just over two sessions to make 132 losing their last 3 wickets for 0. Dylan again claimed the best figures taking four. We batted well in short bursts and found ourselves 3/70 at stumps with the Dharmadasa brothers at the crease. We steadily scored as we steadily lost wickets to be 8/124 at lunch with Rose and Mark in. Rosey fell and we needed 8 to win (7 to advance) with one in hand and a fairytale ending of Clift and Mark Fairlie at the crease to see us over the line was the prospect. Alas a horrible decision saw us fall 3 runs short of going through and rain put an end to any chance of an outright. It is the most gut wrenching loss I have ever taken at the club, and it is fair to say that over a month later I am still not over it...

Thanks to the committee for asking me to take charge of this grade this year, I always appreciate your confidence in me, and a special thanks to Simon for all the work he took on

this year at the club, you did an amazing job mate, and the club would be in a terrible state if it wasn't for your tireless work.

A big thank you to the guys who played multiple games for 3s this season but didn't get a run in the finals series; Kieran Pradeep, John Salmond, AJ Gray, my ever reliable VC Chris Howie, and Ben Smith who will be a star at this club in the coming seasons. Thanks also to Ben for doing the 12th man duties in the finals.

To the 11 who took on the finals games, Satpreet, Bolts, Burfy, Fez, Tinkerbelle, G-spot and double Ds, Rosey, Saurabh, Frenchie and Chuckles, thanks for an amazing effort guys. As I said, we will all reflect once we get over that Burwood game on what a great season it was, and I really hope to be able to spend a lot more time on the park with you guys, or at least with guys who take the same attitude and perseverance on to the park each week.

To my fellow captains thanks for the cooperation through the season, and congratulations on what was a really successful MUCC campaign as a whole.

My final huge thanks goes to Helen (and Stephen) Rose for all their efforts during the season. These two deserve a medal for all the work they do for this club, and most of it seems to go unseen, and some underappreciated. But again, on behalf of myself, this squad, and the club THANK YOU VERY MUCH for making the experience of playing at MUCC so enjoyable and easy. Your support is so important to me and us, so much so that it can't be fully expressed in words.

This has been such an enjoyable season on and off the field and the people that have been around me for it are what made it so. I really hope that if we're not together as a group next season that we can instill the passion and attitude we had across the club. Thanks for everything guys, it's been a privilege to lead you this year.

Here's to a successful season, and bring on 2016/17!!

Paul Clift

Fourth grade Captain's Report 2015-16

The opening match of the season exemplified how our season went. Sent in on one of the wettest decks I've seen, we hung in to compile a very good 247. When our turn to bowl came, we got ourselves into a winning position, with Auburn 6/155. Unfortunately, we couldn't quite finish them off and they passed us 6 down in the 41st over due to some inexperience and poor fielding on our part and some luck on their part. There were a lot of positives to come out of the game. We had a young side and they'd shown a lot of fight for most of the game.

Unfortunately there was to be a similar story for most of the season. Of the 11 games that we actually played, we got ourselves into winning positions in 9 of the 11 games but only managed to win 4.

There were a number of highlights during the season. David Gracie's 138 not out against South Sydney in which he shared in an unbroken partnership of 137 with young all-rounder Venkat Viswanathan. David all passed 4000 runs for MUCC during this innings. Venkat's leg spin bowling was a revelation, taking 19 wickets at a strike rate of 27, including a best of 6/36 in a one day match against Roseville. With that feat, Venkat became what we think is the youngest bowler ever to take a 5 fa for MUCC. He is a rare talent and has a bright future. Another highlight was the left arm swing bowling of our young opening bowler Hilal Tawakal with season figures of 25 wickets at a strike rate of 33. Hilal swings the new ball a long way and at a good pace. Every batsman who face him found him a hand full. Once our keeper A.J. Gray went up to 3rd grade in Rd3, we struggled to find a keeper. Young Anantha Panchalingham stepped up and filled that role. It was pleasing to see his continual improvement as a keeper throughout the season. Hopefully he'll keep at it. As the season progressed he also more settled into the opening bat role. He also has a bright future and is a future MUCC leader. Tony Barnes was, well....Barnesey. Always stoic, always giving 100% with the bat and in the field. Marty Payne joined us in the 3rd round and, as usual put his heart and soul into everything he did, taking 20 wickets at a strike rate of 36.

At various times we fielded probably the youngest sides a MUCC team has ever put on the paddock. In Rd 11 against George River, our side had three 14yr olds, a 16yr old, a 17yr old, an 18yr old and a 19yr in our team. Georges went into the match unbeaten at that stage, They sent us in on a grassy wicket expecting to run through us quickly. The young guys showed a lot of courage against probably the most hostile attack we faced during the season. Again we got ourselves into a position to win but weren't able to finish G.R off. We lost but it was a very creditable performance.

Our results could have been better but the young players gained a lot of experience which will hopefully benefit them in the future. Overall I was pleased with the enthusiasm and effort of the team.

Phil Erskine

4th grade Captain

MUCC 2015-2016 Masters Captains Report

This season we were delighted to welcome some new Masters players to the team which included Paul Chew, Stuart Cook, Sanjiv Dubey and Andy Coey. These guys linked up with a real established core group of Masters players, many of whom played when we won our four premierships. If you look at our recent history you would think that we would be very disappointed with a season that consisted of 6 losses, 4 wins and a washout. On reflection though there wasn't a game that we didn't give our best and as important, we never lost our sense of humour. That's saying something when you have 2 comedians like Payne and Folkard in your team.

We've always had a wonderful comradery and spirit in the team and that continued in every game this season and our new players fit in perfectly. We are facing the reality of getting older and in most games we have 9 of our 11 all over 50 years of age.

We were in the top half of the drawer this season and as you'll see in our Match Reports we did suffer some heavy losses but towards the end of the season when we lined up against some of the lower placed teams we acquitted ourselves very well.

I'm confident we'll have a competitive team on the field again next year and I ask all players to keep their eyes out for new players next year and at the risk of sounding ageist, keep an eye out for younger ones (just over 40's) as well.

Our thoughts continue to be with Steve O'Reilly (Phantom) who has for years taken care of the "day to day" running of the team, who is taking some time out to deal with a health challenge. Thanks to my vice-captain John Sutton and Steve Rose for stepping in and taking on some extra responsibilities. Special thanks also to Helen who supports us by providing outstanding teas all through the season and being our wonderful team photographer.

Finally, congratulations to Greg Brown who has achieved a record that will never be beaten by taking 1000 wickets for Macquarie Uni. I have played cricket with Greg for 30 years and while he might be half a yard slower than he was in the late eighties he is as effective now as he ever was. This year he proved that by taking two five wicket hauls which is very difficult in a 40 over match. An amazing performance Greg, congratulations!

Ken Dixon

Masters Captain

Under 24's Season report Frank Gray Shield Season 2015-2016

This season the Frank Gray Shield was spilt into 2 conferences; the Sydney Thunder and the Sydney Sixers divisions. This was a change that was well received by the players.

The season started poorly for Macquarie University as we lost our first two games to Lane Cove and Lindfield. These performances were disappointing as we were outplayed but the boys refused to drop their heads. We came home with a wet sail winning our remaining four games with 2 bonus points against Roseville and Pennant Hills to finish fourth in our conference with 26 points. A match highlight of the season was defeating the eventual grand finalist Epping in a classic at North Epping. Making 146 with Ben French making 45 and Darshil Patel 41 we dismissed the Bulls for 142 in the 40th over. This sparked some riotous celebrations at the Ranch that night.

Player highlights of the season include first year member Darshil Patel. Sunny was third in the 24's batting aggregate for the season and fourth in the bowling averages and aggregate for the season. Furthermore, Ben French another first year member at MUCC who was deservedly named 24's MVP for season 2015-2016 had the amazing average of 39.33 in U24's in his first season at the club.

Many thanks to all attended games throughout the season and supported the boys. However, special thanks must be given to the special U24's manager Paul Clift. Paul helped set up the ground at Macquarie University and scored throughout the season amongst countless other thankless tasks. Paul was always there to lend a hand and advice to me. Clubs can't survive without member's commitment, so on behalf of all the 24's players this season, thanks for volunteering all of your time to help us prepare for games. Lastly, to all the younger members it was an absolute pleasure to play with you this season. It is my hope that you will stay at Macquarie for the foreseeable future so we can develop a strong cohesive playing unit in Under 24's and push for finals.

Josh Martin

5th NSCA Grade Season 2015-2016

5th Grade had another enjoyable season this year with 6 wins and a draw out of 14 games. This was a considerable feat given that we had to play 3 matches against teams that were in a higher grade than us.

As always we started the season well with wins on our first 2 games, and by the halfway point into the season we were 3 wins and a draw from 7 games, which put us in good stead for semi's contention. These were against comparable teams such as Centrals, Northbridge, Kirribilli and Old Ignatians (eventual winners of the competition).

The second half of the season we struggled with numbers to make up 11 and this showed in our results, winning only 3 further games. Fortunately enough this was enough to get us into the semi's based on the games we won earlier in the season.

We made the semi's 2 years in a row playing the Kirribilli Crusaders. Having won the toss, I elected to bat. We batted well on a very quick outfield and managed to scrape 192 all out. This total however could have been higher if we had a few more partnerships, but we thought that batting first we had runs on the board (and Semi Final runs are hard to chase down). Having being bowled out before the end of the day we were energetic to have a crack at the Kirribilli line up. We walked into the field high spirited, but somehow every chance we created went to a gap rather than hands. We bowled very well, but unfortunately Kirribilli were 0/30 at the end of the days play.

On the second days play we managed to get a wicket 10 overs into the day, but by stage Kirribilli had slashed their way to 1/55. The bowlers toiled hard all day, but unfortunately that was the only wicket that we were going to get all day. Kirribilli passed our total 1 down, and we then shook hands and called it a day. It hurt to lose 2 Semi's in 2 years, but we played the game in good spirit and I was happy with the way that the guys played all day. Hopefully next year we can go 1 further and hold up the Premiership Trophy.

Ben French was a new comer to MUCC and was he a star. His fielding was spectacular, batting was superb and overall his attitude was one where he was committed to the game and was a team player. He brought new energy to the side and deservedly he moved up the grades to play 3's, which he earned respectfully. Ben scored 3 50's @ an average of 38.71 from 6 games for 5's.

Blake Milligan although no longer a rookie was also a standout as he managed to score his highest amount of runs in an innings (12 runs) with his previous best being 2. He also managed to hit his first 4 for the club. However, Blake's biggest improvement was with his fielding, taking 6 catches throughout the season.

The other key individual performances were Kendell Hunt scoring 117* against Centrals. This was a well constructed innings and well deserved by Kendell (his first century for MUCC). Nasser Yussouf bowled well this season and took 20 wickets. Jacques Visser also took 20 wickets this season and a 5 fa against Old Ignatians.

It has certainly been an enjoyable season and I look forward to winning the Grand Final the upcoming 2016/2017 season.

5th Grade Tim Creer Cup Season report

This season Phoenix had two teams enter the Tim Creer Cup competition under the banner of MUCC.

The Phoenix side finished the regular season in first position like last season after losing one game during the regular season. Obviously, it was important to go further than last season where we were kicked. There were several highlights through the season including Bags 103 Not out against Lindfield and Ismail's season with the bat where he hit over 500 runs. With the ball Krishnasamy had an amazing season of 43 wickets. We defeated Balmain South Sydney in the elimination semi-final and North West Sydney in the semi-final. Both games were see-sawing affairs where we only gained the upper hand in the last few overs. We then drew Mt Pritchard Southern Districts in the grand final to be played at the Gwilliam Oval. It was safe to say that after only scoring 101 there were some despondent players however we not stopped believing. The boys put in a lion-hearted performance with the ball and in the field and we dismissed MPD for 90

The Suraz side played competitive cricket throughout and where in with a shout of making the top 8 until the last round. All players throughout the season performed valiantly. Kannan was a deserved MVP of Suraz as he achieved 43 dismissals throughout the season. Vishnu Subramanian was the star with the bat achieving 453 runs at an average of 30.2. Suraz finished 10th at the end of the regular season.

As usual I need to thank the many players in the Phoenix club who provided much appreciated assistance with getting the kit to games, providing lifts to those who couldn't get to games and in the case of Helen Rose, taking numerous excellent photos. And in this year, more so than in any other, many thanks to the club executive, committee and fellow captains for their effort
