MACQUARIE UNIVERSITY SPORTS
AND RECREATION AWARDS

CLUB OF THE YEAR AWARD

The 1990 Club of the Year winner was the Cricket Club.

SPORTS ADMINISTRATOR OF THE YEAR

In 1984 MUSR instituted the award of Sports Administrator of the Year. The award is presented to a leading Club Administrator for service over and above that normally expected. The Cricket Club members to receive this award are:

1985	Allan Mahoney	1996	David Webb	1997	David Folkard
------	---------------	------	------------	------	---------------

BRIAN SPENCER AWARD

This award is given in recognition of outstanding service to a club and/or to MUSR by an individual on or off the field.

2001	Allan Mahoney	2003	Warrick Folkard
------	---------------	------	-----------------

ROOKIE OF THE YEAR AWARD

The Rookie of the Year acknowledges the efforts of a student in their first year of involvement in a sporting club.

In 2002 Peter Procopis became the first member of the Cricket Club to win this award.

JOHN LINCOLN SERVICE AWARD

The John Lincoln Service Award acknowledges the efforts of a Club Administrator or Member who has provided outstanding service to their Club over many years.

In 2008 David Smith became the first member of the Cricket Club to win this award. In 2014 Paul Clift was awarded this prize.

UNIVERSITY BLUES

The University awards Blues to sportsmen and women for outstanding sporting achievements. Performance standards are set by the Clubs and approved by the University Blues Committee. For Cricket, a Full Blue requires State representation whilst a Half Blue requires either 500 runs or 50 wickets in the Club's highest team. Current student status is also necessary.

Full Blue

1971 Kerry Mackay

Half Blue

1970 Mick Redden

1971 Frank Alley

1972 John Guiffre

1972 Peter Miller

1977 Laurie Ager

1978 Paul Bourke

1985 Chris Welsby

1988 Ivan Blyth

UNIVERSITY CLUB COLOUR AWARDS

In 1980 the University instituted the award of Club Colour to be presented to men and women who have made an outstanding contribution to Macquarie University Sport, through their respective clubs, from an administrative or organisational viewpoint. Cricket Club members who have received this award are:

1980 Peter Barclay

Grahame Blues

Ross Gwilliam

Peter Miller

Robert Vagg

Brian Jones

1981 Andrew Faulks

Keith Henry

1983 Graham Hargreaves

1984 Chris Welsby

John Wickham

1987 Allan Mahoney

1990 Al Davies

Warrick Folkard

1998 Jamie Breden

David Webb

Western Suburbs Cavaliers Cricket Club	16.94
Lane Cove Cricket Club	16.49

Calculation:

Points earned for each team in a club (as per the current ladders) are multiplied by the weighting factors below. This figure is then divided by the number of matches played by each team. The points are then added across each team in a club, then divided by the total number of teams in the club to give the total for that club.

Grade	Weighting Factor
Sydney Masters Over 40's	1.00
Sydney Classics Over 50s	1.00
Sydney Masters Cricket Association Social Matches	0.00
Australian Over 50s	1.00

MUCC PRESIDENT'S REPORT

It gives me pleasure to provide my first report as President of the mighty MUCC Warriors.

I would like to start my report on a sad note, this season we lost club legend Michael "Roy" Denlow. "Roy" Denlow played for MUCC from 1974-2002 and played 234 games. He scored 4745 runs and took 58 catches. His highest score was 110 against Uni. of NSW in 4th Grade Cricket NSWCA (Grade Cricket) when he was captain. Michael captained MUCC at 4th Grade (NSWCA) level and 2nd Grade Shires level. He served on committee for a number of seasons. He was a quiet and undemonstrative player in the field but a fierce competitor with the bat in hand. I would like to extend my deepest condolences to Sandy, Greg and Brad on the passing of Michael. I was fortunate enough to have many a chat and a beer with Roy over my years at MUCC. He was always interested in the fortunes of the club and was always very keen to know how the club was faring. A nicer man you will never meet. RIP Roy.

On the field, our results were disappointing, no MUCC teams made the final series in Shires or the NSCA B/C competition this season. We also finished 12th in the Club Championship table this season. It is hard to put the results down to one reason however the club suffered from several last-minute pull outs on a Thursday and Friday nights throughout the grades. This meant lots of extra work for captains having to rearrange teams often to the detriment of the club. Moving forward members should be mandated to commit to a minimum of 11 games throughout the season.

Several players deserve mention for their wonderful seasons. AJ Gray hit 638 runs at an average of 79.8 this season across all grades. AJ also picked up 3 tonnes in second and fourth grade. His ton against Balmain South Sydney was one of the most tenacious centuries as AJ battled extreme heat stress to bat for near 60 overs. Josh Martin started the season with centuries in third grade against Roseville and Epping. Josh finished an average 46.5 and 511 runs this season with a top score of 129. Charlie Carter hit two centuries this season and finished with 390 runs for the season. Hopefully the lure of umpiring can be put off for another season. Congratulations to all other pewter winners for the season. It is interesting to note that we only had one bowling pewter for the season.

We were blessed with good weather for the club's fundraising efforts this season at the test match and the one-dayers in Sydney. It was disappointing to note the numbers of members who committed to volunteering and then failed to show for the day. We were able to raise just under \$4000 dollars from the sale of radio ears. Thanks must be given to Dave Deller and his company Sound Dec Pty Ltd who gave the club this opportunity. Hopefully more members can take up the opportunity of a free ticket to the cricket next season. An increase in sponsorship to cover the always increasing cricket costs needs to be considered for the new committee.

My congratulations to all MVP's and perpetuals award winners this season and especially Peter Saliba who was awarded Life membership of our great club. Furthermore, I would like to ask thanks all members of the committee for their efforts this season and thank both Clyne Fernandes and Peter Saliba who have both decided to step down from the committee for their contribution to the committee over several seasons.

I hope to see a large contingent of members at the 50th Anniversary celebration in September.

See you at pre-season training in late July.

Simon Fairlie

MUCC SECRETARY'S REPORT

It gives me great pleasure to be able to write my first Secretary's Report for 2016/17. I would like to take this opportunity to thank the membership and Simon for their faith in me to take on this very important role. I must say that the role was more intensive than I expected and I must especially thank the work that Simon has put in this year. He has taken on the majority of the committee work this year and was able to take pressure off my shoulders when other commitments in my life had taken hold.

It has been a significant year of change for the club as we head into our 50th year. We have welcomed a lot of new players; new committee faces, restructured our teams and faced some policy changes from MQ Sport.

RESULTS SUMMARY

- 1st Grade 13th
- 2nd Grade 14th
- 3rd Grade 9th
- 4th Grade 8th
- 5th Grade 7th
- U24s 7th (Sixers Conference)
- SCA Club Championship 12th
- Masters 6th

It's been an incredibly tough year in all grades and it is hard to point the finger at why the results are the way they are. Be that as it may, we must pull together, recruit well and have a solid pre season to ensure that we return the club to the results we have achieved for the past 3 seasons.

I would firstly like to extend a big congratulations to Rehan Anjum (1st Grade Captain) who was selected in the Shires Team of the Year. This is a high honour and we are very proud as a club to have another representative in this team. Rehan has performed well all year scoring 472 runs @ 42.9. Again, well done Rehan!

I would also like to highlight the work of first time captain Jagath Rajendran as 4th Grade Captain. Jags was appointed by the committee, because we felt that it was a great opportunity to develop his leadership skills and by all reports handled himself well and with maturity. Well done Jags!

ADMINISTRATIVE ISSUES

MQ Students Numbers

About this time last year, MQ Sport notified clubs of a new banding structure for ground hire. Macquarie University Sport (part of Campus Life or U@MQ Ltd) makes a substantial loss every year which is offset by the revenue made from the Sports Centre. The new structure means that clubs are required to pay a percentage of ground hire based on student membership. Currently, we pay approximately 11%.

The ground hire banding is as follows:

<30%	-	30%
30 - 60%	-	20%
>60%	-	10%

This scheme will not affect the club until next season. Looking ahead, the club needs to continue to make every effort and to engage more students to play. This is not necessarily restricted to the structure that we have at the moment – we can try to enter extra teams such as a Women's team to help our overall percentage.

Registration & Fee Procedures

This year you would have noticed that fees and registration procedures have been different from past years. MQ Sport requires all fees and registration to go through their payment portal and into a bank account overseen by them. This year was its first full year of using the system and despite some teething problem it worked reasonably well. At this current point the system only accepts credit/debit card payment and does not accept partial payments. We do accept that it isn't the most user friendly system and we will liaise with the university to try and make this process smoother next season.

LOOKING AHEAD

Pre Season: With the closure of Silverwater Indoor, the committee will be working on a new structure and venue(s) for the upcoming season.

Uniforms: The University has rebranded again by changing the colour palette. The black and red on our current uniforms has been substitute to charcoal, deep red, magenta and sand. This will affect our one day and training kits and the committee will be working with the university and supplier in due course.

MQ Student Incentive: The new committee will be working on a way to allow the current membership a chance to bring university students into the club. Details to follow...

50th Year Celebrations: The Sub Committee led by Simon has been doing a fantastic job in organising our Jubilee Dinner. It will be held on Friday September 15 at the Marriott.

Again, it was not the year we as a club wanted. If we pull together, work hard and remain committed to the task ahead, we will achieve the results that this great club aptly deserves.

John Salmond

Honorary Secretary

TREASURER'S REPORT **FOR THE SEASON 2016-7**

Financial Performance

For the period 1 July 2016 to 30 June 2017, Macquarie University Cricket Club ("The Club") returned a profit of \$3,403.36.

Financial Position

Retained Earnings stood at \$14,596.22 as at 30 June 2017.

Remarks

Cash at Bank as at 30 June 2017 was \$13,264.42, and Cash on Hand (petty cash) was \$1331.80. At 30 June 2017, The Club had no outstanding receivables or any accrued expenses.

An external audit of The Club's financial statements for the FY 16-17 was completed in August 2017, and the auditor was satisfied that the statements presented fairly the financial position of the club and the surplus attained or FY 16-17.

The audit for FY15-16 was presented to the Club's AGM in May 2017 and accepted.

T.G. FRENCH
TREASURER

6 September 2017

Friday 3rd June 2016

Mr Bruce Whitehouse
Secretary
Sydney Cricket Association
PO Box 333
Paddington NSW 2021

Dear Bruce

Income & Expenditure Statement and Balance Sheet 2016-17

I wish to confirm that the Statement of Income & Expenditure and Balance Sheet for 2015-2016 (attached) was presented to, and adopted by, the members of Macquarie University Cricket Club at its 51st Annual General Meeting held on Saturday 27th May, 2017

Yours faithfully

John Salmond
Honorary Secretary

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF THE
MACQUARIE UNIVERSITY CRICKET CLUB**

SCOPE:

I have audited the financial statements of the Macquarie University Cricket Club for The year ended 30 June 2017. The Committee is responsible for the preparation and presentation of the financial statements and the information they contain. I have conducted an independent audit of the financial statements in order to express and opinion on them to the members.

My audit has been conducted in accordance with Australian Auditing Standards to provide Reasonable assurance as to whether the financial statements are free from material misstatement. My procedures include examination, on a test basis, of evidence supporting the amount and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. The club predominantly trades on a cash basis, which is the normal; trading basis for the clubs of the kind. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards.

LIMITATION OF SCOPE:

I have not sighted the cash on hand as such do not provide an opinion on the existence of the \$443 and \$889

OPINION:

In my opinion, the financial statements present fairly in accordance with the applicable Accounting Standards, the financial position of the Macquarie University Cricket Club as the 30 June 2015, and the surplus of the period 1 July 2016 to 30 June 2017.

Yours faithfully,

Prime Focus Growth

FIRST GRADE CAPTAIN'S REPORT

The 2016/17 season saw First Grade endure a long and unforgiving season at the lower end of the table. Persistent injury, lack of fitness, and overall listlessness in all forms of the game found us beaten convincingly on many occasions. However, despite the ordinary table result, there were glimpses of high quality individual performance and improvement over the course of the season. The recurring story for First Grade was the regularity and ease with which teams could topple our batting order. Our bowlers faced an ongoing struggle to defend scores consistently below par. Furthermore, they were constantly hindered by the poor standard of fielding that often let teams off the hook at crucial moments. It was definitely a season that we can put behind us as we attempt to learn from what went wrong.

Notable season performances:

- ❖ Rehan Anjum (12 matches, 14 innings, 472 runs at 42.91 and high-score 77*)
- ❖ Danish Ahmed (12 matches, 170 overs, 26 wickets for 579 runs at 22.27 and economy 3.41)
- ❖ Sean Patterson (11 matches, 12 innings, 178 runs at 16.18 and high-score 84*; 91 overs, 13 wickets for 411 runs)

Much to our disbelief, the first half of the season did not unfold as we had anticipated. The side was injected with a host of new faces in what we expected to be a strong side. Although it was still early, the opening round saw one of the most promising First Grade starts for 4 seasons. Our first matchup was against relatively weaker opponent Roseville. The strength of our bowling attack shone through, dismissing them for just 129. However, the vulnerability of our batting also shone through as we crossed the line 9 down. A recurring theme with our batting began to creep into our performances over the next few rounds.

Unfortunately, the draw for the first half of the season set up a string of games against top six sides. Given our start to the season, however, we felt we were up to the challenge. Epping, Georges River, Northwest Sydney and Mounties all made quick work of us with the ball. Facing much stronger batting line-ups, we found ourselves in the field for lengthy periods of time and left with chases upward of 350 runs. Apart from the game against Burwood, we were unable to post much in reply as the top and middle order were regularly dismissed for 50 runs at the first drinks break. Rounds 3, 4 and 5 found us all out below the 150 run mark. Although there were many low team performances, Rehan consistently led from the front with the bat – top scoring in each of these games.

Pre-Christmas Highlights

- ❖ Rehan (77*) and Sean's (84*) 160 run partnership against NWS in the second innings to save us from losing outright
- ❖ Rehan's 77 runs against Lane Cove when we were dismissed for 136
- ❖ Rehan (60) and Sameed's (50) innings against Burwood in our highest score for the season
- ❖ Danish's 5/89 in 23 overs against Epping and 4/50 in 24 overs against Georges River
- ❖ Sean's 4/52 against George's River

The second half of the season gave us a look at some of the weaker sides in the competition, giving us a chance to redeem ourselves and aim for a chance at a top six spot. Due to injury and unavailability, the side was under perpetual recruitment and reshuffling just to get 11 men at the ground. Having to recruit players from lower grades and elsewhere to make a full team each week put a strain on the already lacking consistency of the team. The lack of consistency bled into our performances as we were repeatedly unable to stand up with the bat. One of the positive aspects that emerged, however, was the opportunity for players – particularly younger players – to step up in a higher grade.

The table for this half of the season didn't reflect the work the boys put in since Christmas. Due to washouts and heatwaves, we found ourselves getting used to the 50 over format. On more than one occasion we found ourselves up against the conditions with wet pitches, inconsistent bounce, and

quality bowling attacks to contend with. Some of the closer games of the season came against Warringah – all out for 160 in 45 overs on a wet and popping deck, chased down in 47 overs with 3 wickets remaining after their top scorer was given numerous chances. Batting on another wet deck against Strathfield put us at a substantial disadvantage as they were rewarded with a hard pitch when the sun came out. We were able to scrape away with a couple of very tight victories against Auburn and Pennant Hills to secure 13th spot on the ladder and avoiding the undesired wooden spoon. Despite a lack of noteworthy individual performances for the second half of the season, our team performances were slightly better when taking into account the circumstances.

Post-Christmas Highlights

- ❖ Rehan's 71 runs against Auburn to see us over the line in our second victory for the season
- ❖ Sean's 3/22 against Pennant Hills

In a season with more downs than ups, it's tough to reminisce over the fond moments of the season – rare as they were. With some much needed rest and relaxation before pre-season training in July, we hope to rebuild and return next season to hunt for a place in finals contention. In the 2013/14 season, First Grade saw a ladder reversal from wooden spoon victors to minor premiers in the timeframe of a year which is a target we seek to replicate. This season has exposed many players to the high standard of First Grade shires cricket. We can take comfort in the fact that there is still a hunger in those players to succeed, and to succeed at a high level of cricket.

Ben French

MUCC T20 REPORT SEASON 2016-2017

This season the Shires competition introduced the SportsWave T20 competition which was embraced by the players at MUCC. Our thanks to Glenn Workman who initiated this competition. Unfortunately, the results did not go our way this season. We only won one game this year- a tight contest against the Auburn Eagles. MUCC extends its thanks to those players who doubled up on Saturday's and Sunday's throughout the competition. Leading run scorer was Rehan Anjum who scored 96 runs and Jehan Bilimoria who claimed three scalps.

SECOND GRADE CAPTAIN'S REPORT

What a season - difficult to describe. From the high of scoring 300+ totals on a few occasions to the lows of scoring a few 60's, from bowling out oppositions easily to being unable to get wickets, and from only a handful of wins with plenty of draws (6 of 13) to even a tie to show for! The best way to sum up the season is that although we won only two games, one of those was a convincing victory against the eventual premiership winners Burwood Briars – this speaks of inconsistency yet shows the potential and something we can leverage to improve on next season.

The year started with a depletion of some quality resources, not only in two's but also in one's, requiring number of players from our lower grades to come up. And they were up to the ask which is a good sign for MUCC, showing there is fair depth and talent within the club. However, this also meant new playing combinations after settling well last season and being a serious contender, and whilst we tried to re-settle into a new eleven, with further pull outs and injuries the side never really settled. What was heartening though is the good performance from a number of our players in two's meant that they got opportunities in one, and in some cases played the rest of the season there – James Campbell, Giyan Dharmadasa, Mohammed Adil and Ashwin Premkumar being cases in point!

Undoubtedly the standout player of the season was Charlie Carter – what a player, what a character and what a sportsman - role model to all of us! A special and warm thanks to my mate, it made the season a whole lot more fun and gave me the strength and support as we went through a pretty tough six months'. He dealt with personal tragedy, balancing that with his umpiring duties, yet making himself available when we needed and playing for majority of the season and ending up as the top scorer for second grade across all clubs and matches! He has a special pre-match trick which we perfected – take a few throw downs right under the opposition camp so they can see him striking the ball and let me tell you his swing consistently took the ball out of the park – a great mental way to start any game - not with words but action! With his talent, he converted that threat into opposition misery on a regular basis.

The season started with one of the most amazing innings you will witness. In some trouble chasing and then holding out against Roseville, James Jimmy Campbell, played a "light saberesque" innings that took him from 80 to 153* in about 30 balls as he smoked boundary after boundary (most through a swirl of the wrists that took the ball through mid-on) and even hit one of his first sixes! From trying to save that game, we went into a position where we would win it and eventually ran out of time by just a couple of overs! The game also outlined the all-round skills of James Jimmy Herron who took 2 wickets and scored a good 57 in partnership with the other Jimmy. Draw one, to start the season ...

... and draw two it was against Epping in round 2. This time some fighting and dogged batting by Ather Saeed (33*) towards the back end staved off the Epping comeback, this after we were on track to win the game thanks to a classy and elegant innings from Giyan Dharamadasa (80 odd and ran himself out – oh dear!) and a quick 46 from Aqif Khalil – an innings that highlighted a trademark shot of his through the season, a drive on the up over extra cover for six!

Round 3, enter Charlie Carter, and after falling behind at 7-45 and facing humiliation, along with super support from my friend Shabba Nabba (Nabeel Jamal 27) put on a partnership of 135 for the eight wicket and was on course for a double century. He was hitting the ball with will, to parts of the neighbourhood he wanted and residents were at risk around Tantallon Oval. That hitting rubbed off on Nabeel who hit probably an even bigger six onto the road and over. Charlie ended up with a swashbuckling and unbelievable innings of 137 that had 15 fours and 4 sixes, one where the ball went flat and so long that the players didn't even bother going to look for it. Ashwin opening spell was fantastic – quick and unplayable (4-25) and put us in a position to go for an outright – unfortunately a dropped catch on day two over one cost us the outright.

With points on the board, confidence and momentum took us into the game against premier winners Burwood. An all-round batting performance saw us get past 300 and the declaration wasn't taken well by a young bloke called the Double D's (Dylan Dharmadasa 34*) so he took the ball and got 4-41 to put in a performance that gave us points again! A superb win. Credit to the openers for a solid start, to

the welcoming of Sharjeel Khanwise and Ben French (both of who's innings meant they would play one's for the rest / majority of the season) and to some good bowling and fielding to see us through.

Spin at the Northern – that's a mantra or rather a no brainer, and my season's spin twins did the job against George's River for us. Presso Simon Fairlie (3-44) and the cool and calm Anirudh Narasimhan (3-15) helped restrict GR to 191 but a "hat trick" and one of the seasons many batting collapses, broke our chase and handed us our first defeat – in Round 5 at that!

The remainder and latter part of the season saw the curve dip and we struggled to win more games. One close, very close game resulted in a tie, but that game was marked by yet another Carter hundred. This time we sat in the pavilion and laughed as Charlie picked the area the fielder had just been moved from, to clear the boundary and he hit some long balls clearing the Northern rope with regularity – that is difficult when you see the size of the ground!

There were a few standout performances, none better than AJ Gray's hundred that not only hammered down the opposition but also took a fair bit out of him on a sunny afternoon. This was on the back of a miserable first innings where the skipper showed glimpses of his ability to bat, top scoring in a low innings, that made the opposition think they would bowl us out again for nothing - but then ran into AJ. The emergence of Naba Haider as a solid top order batsman with a super temperament for a young (read kid's) age, coupled with his ability to bowl leg spin augurs well for us next season. Aqif Khalil's ability to swing the new ball, something modern day bowlers sacrifice for pace, and his ability to regularly pick up wickets at the inning start was a huge asset. A super final over bowled by Anirudh Narasimhan against Auburn in a tie, keeping cool as a cucumber and showing why he is one of the calmest characters on a cricket field (and off it too!). And finally, the emergence of an old timer in Ali Haider and the ability to hit as clean as Carter was a pleasure to see and we hope that he plays with us next year to score many more!

As I round off this report, I would like to thank the committee for giving me the opportunity to lead the side, Simon for his continued guidance, my fellow captains for making the season a pleasant one, and most importantly my team mates for their support and commitment. A special thanks to a few blokes who captained in my absence – John Salmond, Tim Morrow and my mate and close friend Charlie Carter.

Amrish Bhatia

THIRD GRADE CAPTAIN'S REPORT

A very up and down year for 3rds in 2016/17. We kicked off the year undefeated in our first three matches and made it look like we could replicate our 15/16 form of being unbeaten at Christmas, but from round 4 on it became a big task with consistent unavailability and tough opponents.

We defeated Roseville first up in a canter off the back of a Josh Martin century, and then beat Epping in a nail biter with Josh again toning up. A stubborn effort on a great deck cost Lane Cove a win as we drew 9 down after they batted 90+ overs. Then came our big test against last year's premiers Burwood who defeated us in the Semi last season by 3 runs. They put us in our place, unfortunately, and only a stubborn 10th wicket partnership between the skipper and Ben Smith prevented Burwood from putting us back in for a second try.

Playing another tough opponent in Georges River next made it a huge game. We posted a reasonable score, but they proved they had improved from last season where they lost outright to us twice, by passing our score 4 down. Round 6 against North West was probably our best win of the year, Cliff and Smith again doing the heavy lifting with the bat as we crawled from 7/41 to post 88. The young NWS side buckled a little under the experienced pressure from Bolton, Burford and Cliff to be bowled out for 82.

Season's can sometimes hinge on one game, and so it proved for us. Round 7 was a one day match against Mounties. Had we won this game we would have gone in to the Christmas break in the top 6... as it happened, we lost by one wicket and found ourselves in 9th... The most telling issue with this match was that we had 9 changes from the previous round...

After the break, and needing to win at least 4 if not 5 out of the 6 matches. I thought we were a good chance against Warringah. I have never seen a side so incapable of playing spin bowling. They posted 200 with half of it off the 30 overs of spin along with 8 of the 9 wickets. Alas, they bowled well, and we struggled to get the rate up high enough to make a plausible chase eventually bowled out for 160 with Marto contributing a half century.

It was now all or nothing against the competition leaders Auburn on a stupidly hot day. They were too good for us, and rightly so. They finished minor premiers on 80+ points, 20 ahead of second place. Tom O'Reilly taking 4 wickets including Auburn's first grade individual highest score record holder, and Kendall Hunt's resistance with the bat were the only real highlights.

Mathematics on the table were still on our side, but after a bizarre wash out day one against Souths, we sealed our fate at 5/5 in the first innings on day two. They rolled us for 50, with Karan Patel proving his value as a batsman. Pat O'Reilly's debut yielded him a five wicket haul, so there is still plenty of future in the O'Reilly name at the club! Despite having us 5 for negative 42 with overs to burn, South's pulled up sticks for the day. Rounds 11 & 12 were clinical one dayers for us. We bowled well, fielded ok, and only had to chase 105 against Strathfield and 67 against Pennant Hills. Winning both games with bonus points. Giyan took 5 against Strathfield, and Burf and Ishan Iyer took 3 each against Penno.

The final round was completely washed out, so as it happened, in the second half of the season, we played 4 one day matches and an all day one day match... not a great run when you're trying to build momentum. Last year where we finished second on the table, we had a grand total of 24 players play in 3rd grade for the whole season and 8 of them played 4 or less matches and 9 players play 7 or more. Which means we had a consistent core to the side. This season, we had 38 players, and only one of them made it to double figures in games played... this is a telling stat across most grades this year, and is something we must all work on for next year. Cricket is a big commitment for a whole season, but we need to make sure every grade ends up with those 8 or 9 guys who play 9 plus games a season... it's the only way to have continuity and create a positive culture in the team and the club. I hope that everyone can go away and have a think about that over the off season and come back committed to playing at least 10 games next year.

The highlights for the season were definitely Josh Martin's batting. He is an incredibly talented batsman, and his glove work is great to watch as well. Watching some young guys with the ball like Naba Haider, Ishan Iyer and a couple of other ringers from Mosman and Gordon was great too, and hopefully we can snare a couple of them going forward, as they are all talents that would fit in well around the club.

Another couple of highlights in terms of future prospects for me are Anantha Panchalingam and Kendall Hunt. AP showed he is growing in to a more mature and capable bat, and his keeping will come along. Kendall is a mysterious jack of all trades... the bloke bowls beautiful offies (taking 2 against Warringah), keeps (taking 5 dismissals against Souths) and is a very capable bat (if lacking a little luck sometimes!). More than anything his determination and tenacity are what make him my kind of cricketer. The runs will come mate.

Ben Smith was again a highlight for me. What he's doing doesn't always go right for Ben, but when it doesn't, he pushes himself to contribute in any other way in that match. If he didn't take wickets, he was working his ass off in the field, or showing the top order how to bat patiently, and vice versa. Ben was rewarded with selection in 2s in the latter part of the season.

Watching the Prez tweak away was as pleasurable as always too. The man is a machine with the ball in hand. Actually, he's not too bad with the bat in hand either. Fez nearly won us the Mounties game with the ball, he hung with Marto to get us over the line 9 down against Epping, and he held on for the 9 down draw against Lane Cove, despite playing the ball on to the stumps second last ball of the match. Aside from all his on field talent, he is an under-appreciated worker off the field for us. Yes he volunteered to be President this season, and yes he'd done a couple of years as secretary before that, but with the lack of volunteers at the club, he's had to cover most of both jobs the last two years, and cover the treasury this season. Simon needs help doing all this, his hair is already really thin guys, please, think about nominating for a committee position for season 2017/18.

I'd like to finish by saying thanks to the committee and the other captains for your help and efforts during the season. I guess we just put this one behind us and come back stronger next year.

Paul Clift

FOURTH GRADE CAPTAINS REPORT

So we finish the season saying what no player or captain wants to say "What if". After a decent 2015/16 seasons, a few retirees and a new skipper this season it was going to be somewhat a developing year for 4s. Throughout the year we played some absolute fantastic cricket. At different times we also let ourselves down with inconsistencies and performances but gutted is the only way to describe the feeling at the end of our season as bad luck on our side throughout the season.

Despite an ordinary end to the season the team had plenty of highlights throughout the competition. We started the season off with a fantastic win against Roseville after chasing down 234 in 52 overs. Butal and Kendal took 3 wickets each as other chipped in to keep Roseville down to 234 (upsetting since we had them 6/77). The following week our batsmen all chipped in with runs lead by Phil with 69 runs and Kendal with 68. A determined team arrived on the Gilliam for round 2 looking to keep our form with the bat and ball but a flat track and scorching temperature saw Epping compile 341/7 off 75 overs. Skipper Jags bought up his first ton for MUCC with figures of 0-111 off 22 overs. As a bowling unit we bowled good areas but the weather and pitch made it all but comfortable for the Epping batsmen. We were able to prevent the outright after being bowled out for 108 but learned valuable lessons as we progressed into the next round. A good win on round 3 saw us primed to take on Burwood the following week but much like the Epping game; we were outplayed and ended up losing outright.

Desperate for a win the team geared up to take on Georges river in what would turn out to be one of the best wins I have been part off. AP and Pete O batted very well laying a foundation for the batting unit but the day belonged to AJ who finished with a knock of 102 not out. The team was able to bat around AJ to see the days play at all out for 240. Butal was the chief destroyer with the ball taking 4-16 and Pete again chipping in with 3-18 bowling Georges out for 96. Unavailability's saw our team structure change throughout the season. We were constantly moving up and down the ladder but losses against North West Sydney and a wash out against pennant hills all but confirmed our chance of playing finals cricket was close to nil.

Despite the overall disappointment at the end result the team clicked together and had an outstanding culture throughout the season. The performances from our younger players show exciting times for the club. I would like to thank all the players who played during the season especially Phil for helping me with the off field activities. In what was an interesting season the team spirit remained strong and most days we were still able to find something to laugh about after stumps, even if it was each other.

Anthony Gray – Our best batsmen throughout the season. AJ piled up 446 runs in 8 innings with 2 hundreds and 2 fifty's averaging 82. Best highlight was probably the match-winning knock against Georges River. Always keen to play and contribute to the team both on and off the field. Well done champ.

Phil Erskine – Phil started the season off very well with a solid 69 (similar to how he spends Saturday nights) and batted throughout the competition with good form. Mostly batting in the top order Phil gave the team a positive start and was truly a team player throughout the season. He also consistently helped with on and off field duties making my life a lot easier.

Peter O'Reilly – Pete's stats only say half the tale. His batting improved every ball he faced throughout the season. His best knock of 60 against Balmain displayed both class and patience during the innings and most of the time looked impossible to get out. Poor lbw decisions and bad luck saw Pete unable to capitalise on his good starts. His bowling contributed immensely to the team along with his magical pair of hands in slips. His advice and experience was shared throughout the season and everyone really appreciated his help during the season.

Venkat Viswanathan - Venky really enjoyed his time this year getting a lot more opportunities with his bowling. He bowled very good areas and always looked threatening every time he was called upon. Probably the best spinner in the team throughout, very exciting future for this kid and looking forward to see his magic next year.

Animesh Singh – Anni was my go-to bowler throughout the season. Consistently got wickets and fielded very well. Batted with good temperament and shot selection but was unlucky to have more opportunities with the bat.

Butal Harmass – In my opinion out best player of the season. Contributed heavily with the bat and ball being the team's top wicket taker and 2nd with most runs. Very keen to see what he can do next season

Larson Rungwerth – Lars played 5 games in the season and brought a lot to the team culture. Always chipped in with wickets, runs and good chat. He was also the pick of the bowlers the games he played. Can't imagine the damage he could have caused if he played more games.

Tom O'Reilly – Tom was one of the biggest improvers throughout the season. His bowling got better every game. His batting ability was underused this season. Always struck the ball well and played with confidence. More opportunities with the bat next season would see Tom grow into a good future prospect for the club.

Kendall Hunt – Kendal started the season with a big score and was able to chip in with runs but unfortunately bad luck was on his side throughout the season. Trained well as ever session. Expecting a big season from him next year.

Andrew Coey – Andy's enthusiasm and athleticism was fantastic throughout the season. One of the best fielders in the club and biggest hitters, Andy shined with his knock of 67 against Balmain and was able to chip in with scores when needed. His bowling significantly improved towards the back end of the season. Look forward to seeing him next year.

This was the review of all the core players in the team who played 5 games or more. Conclusively it was a really tough season and I have to say I was and still am mentally fatigued and damaged after this season.

The Uni is in a great position going forward with so much youth present in the club. Look forward to seeing everyone next year.

MASTERS CAPTAIN'S REPORT SEASON REPORT

The season started with a few new names and a few key absences, namely the skipper Steve O'Reilly and his older brother Peter who had chosen to play Grade cricket with his son. Coupled with the absence for the first round of Greg Brown we had lost over a century of cricket experience and significant run-scoring and some potent wicket taking potential. Despite this we opened our account with a win against Burwood, welcoming back Hale and Greenwood after many years absence. Stu Cook, establishing a theme that was to continue whenever he played, dug us out of a hole to score a solid 40. Egerton and Folkard renewed the spin twin association and shared six wickets between them. Another victory in Round 2 against an understrength St. Ignatius Old Boys saw possibly the best shot of the season, a straight drive for 4 by David Gracie, followed by what was universally agreed as the worst shot next ball to be dismissed meekly. As always, entertaining. Rosie, Cook and Egerton amongst the runs and Payne and Cook leading the wicket takers. After 2 rounds we were leading the comp and Round 3 at Lindfield was to test our mettle.

After bowling Lindfield out for 169 with Payne getting 4 sticks, our run chase started well but when Steve Sidhu was dismissed for a violent 27, it was left to new boy Craig Hoskin and old hand Wayne Travers to steer us home. The next game was to be another tight one as Collaroy visited a slow and low Gwilliam. After setting a total of 136 with Sutton and Cook (again) making 40, Collaroy looked well in control until a flurry of late wickets saw them fall just short. Cook again with 3 wickets and Payne taking the crucial last wicket of the returned retiree. 4 wins from 4 and momentum was building.

Round 5 saw us host Lane Cove who won the toss and batted, scoring 162. Folkard and Egerton again shared the spoils but new man of mystery Craig Elliot, although wicketless, bowled a critical spell when things were getting away. As it was, this total was never going to be enough as the top 4 effectively did it on their own with Rose, Sutton, Gracie and Goulstone all amongst the runs. Undefeated with one game to go before Christmas, we hosted CCNSW at Gwilliam. Their performance defied their early season form and they bowled well and, after a slashing start from Sutton and Rose whose partnership managed 76 in 13 overs, restricted us to 152 despite the only half century of the year, 52 n.o. from Sutton. This game also saw the first Masters appearance of Peter Saliba. Despite a valiant effort in the field, and a few dropped catches, the opposition achieved the task with 2 overs to spare. Our first loss.

Christmas came and went and we faced Roseville in the New Year with a fair amount of rust and cheer on show. At 5-42 we were in serious strife before ring-in Pat Kelly (Bob's mate) saved us with a patient and crucial 40 before Coey and Marty Payne finished the innings off with some hefty blows. Roseville were never in the hunt as Folkard and Elliot shared the spoils. Our next game against traditional rivals Mosman was to determine the competition lead and unfortunately they were too strong. The batting of Cook, in what was his final game for the year, probably the only highlight. After heat caused the cancellation of our game against Ryde Hunters Hill, we played what was to be our last fixture of the year against Roseville Navy. This game saw the return of the evergreen Clyne Fernandes and the debut in Masters of Mayu Pasupati. Roseville batted and, after we claimed a few early wickets, they set a total of 182 that was to be way too many for us. The only saving grace was the sublime batting of Fernandes who finished not out 38 in a total of 125. Pasupati, who showed enough to warrant another game, suffered the misfortune of having his stumps thrown down from side on to be run out, a rarity in Masters.

In a year when we played our best cricket prior to Christmas, the final ledger of 6 wins, 3 losses and 2 unplayed (draws) left us in 6th place in a competition of 16. Highlights included the consistent batting at the top of the innings of Rose, Sutton and Cook (when he was there), the occasional grace of DG and Phil Goulstone, and the regular lower order contributions of Coey, Payne and Folkard. New boys Craig Elliot and Craig Hoskin certainly held their own and made significant contributions. Paul Chew played regularly enough to have a statue erected of him at Gwilliam. Our bowling was certainly of high quality with Folkard, Payne and Egerton amongst the top 10 wicket takers in the competition. Whilst it was a struggle to find players each week, the welcome re-appearance of MUCC stalwarts Hale, Greenwood, Saliba, Sidhu, Pasupati and Fernandes (albeit briefly) indicated we may have a slightly

larger pool to draw from next year. All in all we had 22 players represent the Masters and contribute to an enjoyable atmosphere throughout the season.

Bob Egerton

FIFTH GRADE CAPTAINS REPORT - 2016/17 CRICKET SEASON

This was an enjoyable, but tough year for 5th Grade this season. We struggled for numbers this year, regularly playing with 9 or 10 players, which reflected on our position on the ladder. Out of 14 games played, we had 2 draws and 12 losses.

In the first half of the season we had a few close games that could have gone either way. The first game we played was against Northbridge C and that came down to the last wicket, where we fell 2 runs short of winning the game. Highlights of that match was where Richard Mildren & MK Vasist put on a 10th wickets stand of 77 runs. We fell 19 runs short of a win in our second game against the Chatswood Gypsies. Andrew Coey starred with the bat getting to 50. Saqib Chaudhary chipped in with 3 wickets for 33 runs and a handy 37 with the bat.

The other game that we could have won, but lost by not being able to take our catches was in Round 6 against Killara United. We batted first, posting 127 all out. We figured with some decent bowling we could have a chance here and we almost did. Killara passed our score 9 down, with MK Vasist being the star with the ball and getting figures of 8/50 from 22 overs.

The second half of the season we continued to struggle with numbers to make up 11 and this showed in our results. Although we had a lot of fun playing cricket, in the second half of the season we never got close to actually winning a game. What I can say however is that our general fielding throughout the season was an improvement over the last few seasons.

MK Vasist was a new comer to MUCC and was he a star. His bowling was superb, he had a great attitude and was a team player. Due to his form MK also got a game in 4th grade which he deserved. Mk got 20 wickets @ an average of 17.10 from 9 games for 5's.

As for the batting there were a few candidates who performed extremely well throughout the season. Nick Wasiliev was the highest aggregate scorer in 5th grade with 277 runs for the season from 9 matches. Along the way he also notched up two 50's, with 63 being his highest score.

The other key individual performances were Oliver Fraser scoring 139* against Cammeray. This was a well-constructed innings and well deserved by Oliver (his first century for MUCC). Saqib Chaudary scored 105 against West Pymble. Andy Coey also made 86 against West Pymble and fell 14 short of his first century with MUCC. It was a great knock.

Jacques Visser and Nasser Yussouf also contributed with the ball and took 13 & 10 wickets respectively.

Although the results did not go our way this season, I look forward to a more competitive 2017/2018 season.

Ash Singh

5th Grade Captain

FRANK GRAY SHIELD UNDER'S 24S SEASON REPORT

The Macquarie University under 24's season of 2016/17 unfortunately only garnered one win against Lane Cove for the season. Nevertheless, there were many highlights throughout. Jimmy Campbell mustered a fantastic 70 leading us to this victory in Macquarie University's highest opening stand in Frank Gray Shield history. Butal Harmass also showed great execution with his bowling, taking 4/29 off his 10 overs against the Covies and as leading wicket taker for the season.

Other notable performances throughout the season with the ball were from Ashwin Premkumar and Sam Evans who consistently were able to deliver their 10 overs for minimal runs and a couple of wickets to help restrain the batting side. For a few of us, including Tim Grellman, Giyan Dharmadasa and I, this was our last season. On behalf of all of us, I would like to say a massive thank you to all players of every season we have been involved in that have made this such a unique and enjoyable experience. A special mention also to Paul Clift who scored every game for us over the last few seasons and was always there to help the boys in anyway possible.

Whilst the season was not as successful as we would have liked, the boys developed a fantastic culture that was a joy to be apart of and to captain. This is something that we can build on for future seasons with the likes of Kendall Hunt and Ben French, amongst others, who can lead this side for years to come.

Josh Martin
