PRESIDENT'S REPORT

The 2024-25 season was a good one for the club. Our performances on the field were commendable, and we increased our playing numbers from 3 teams to 4 teams in summer and 2 teams to 4 teams in winter. I'd particularly like to congratulate our 5th Singh summer team and Macquarie Magenta 22nd Division winter team who both had fantastic seasons by coming Runners Up in their competitions. I'd also like to thank all our captains for the hard work they did in organising their teams, and ensuring they competed with good sportsmanship.

In September the season began with some excitement as our nomination to be in 2nd Grade on turf was accepted by the NCU. Along with this excitement, was some nervousness as to whether we were up to the challenge. However, the addition of several experienced players from Bethel 2nd Grade to our core group of 3rd graders, left us feeling confident that we could compete successfully at this level and for most of the season, we did. It was only in the last round where a close win by North Shore enabled them to jump over us into the four.

The 2024-25 season will also be remembered the incredible number of runs scored by two 5th Grade players - Rajpreet Singh and Farhan Ali. Rajpreet scored 924 @ 84.00 and Farhan scored 918 @ 91.8. This is now the first and second most runs scored in a season in the history of our club.

For his efforts Rajpreet received the following awards from the NCU:

John Prowse Trophy - Cricketer of the Year

Keith Shaw Trophy - Highest Runs in all Grades - 924 Runs

Champion Player of 5th Grade

Ron Jeal Trophy - Most Runs and At least 30 Wickets

Herb Ward Memorial Trophy - Highest Individual Score - 214 no

Farhan also received:

4th Grade 2023-24 Fielding - Most Outfield Catches - 13 Catches

5th Grade 2024-25 - Batting Aggregate and Average Award

As you read through the 2024-25 Annual Report you will notice the extensive statistics for each team and grade. For this, I'd like to thank Mr Warrick Folkard for the terrific job he has done in ensuring that our NCU Records are complete.

I know he has spent many hours doing this and I'm sure you will enjoy poring over them in this Annual Report. I'd also like to thank him for proof reading each of the Captains' Reports.

Well done, Wick!

This season we were again sponsored by Angle Finance and I'd like to thank former player, Craig Edwards, for his generosity in making this possible.

As the new season approaches there are two important concepts I'd like to briefly discuss. The first is something that just sits quietly in the background until it is needed. When called upon it quickly differentiates between two teams, placing one above another. This is the concept of quotient, which is a team's batting average divided by its bowling average. The batting average for a team is obtained by dividing the total number of runs scored by it, by the total number of wickets lost. The bowling average for a team is obtained by dividing the total runs scored against it, by the total number of wickets taken.

All players should understand that in our games every wicket and every run counts. So, in simple terms you should try to take as many wickets as possible for as few runs as possible and score as many runs as possible without giving your wicket away. This should be always kept in mind, but particularly after a result has been obtained and you are playing out time. Luckily quotient didn't come into play for us this season, but no doubt someday it will.

The second is punctuality and this is something that has been letting us down for a few seasons now. To put it simply, punctuality is the quality of being on time. It is something that is a highly valued trait in both personal and professional settings. It demonstrates reliability and a commitment to fulfilling obligations. Being punctual at cricket is essential. Our captains have enough to worry about on game day without having to worry whether someone will arrive on time.

Despite this problem, we had some wonderful performances this season including a number of maiden centuries for the club.

Outstanding Performances this Season:

Batting:

2nd Grade

Aynal Rana 143 versus North Shore at Eastwood Oval. (Rana has made history by becoming the first century maker for MUCC in the NCU 2nd Grade Competition.)

Sree Sreelatha 103 versus Cammeray at Northbridge

Sunny Kumar 100 n.o versus North Sydney Leagues at West Epping Oval

Farhan Ali 104 versus Northbridge at Naremburn Park

Farhan Ali 103 Ret versus Macquarie University (Yahya) at Pidding Park

HONORARY TREASURER'S REPORT

Financial Year: 1 July 2024 – 30 June 2025

Welcome to Macquarie University Cricket Club Treasurer's Report 2024 – 25. This report summarizes the financial activities of the club for the period 1 July 2024 to 30 June 2025, including income, expenditure, and overall financial position. Revenue for the period 1 July 2023 to 30 June 2024 rose by \$6437 from the previous FY 2023- 24. It is an increase of approximately 38%. The main cause being MUCC introducing the number of teams to 4 in Summer 2024 – 25 NSCA competition and 4 teams in SMCA 2025 Winter competition. The club has shown continuous growth in participation which has resulted in increased number of teams and hence additional revenue through player registrations and other avenues. The club should continue to prosper in Summer 2025-26 season per ongoing participation trends. While the Treasurer considers that the financial statement for 2025 is better than the previous year, the balance sheet gives negative annual outcome and there is scope for further improvement. The key factors governing finances are as below.

Summary of Transactions

- Total Income: \$27505 for the year (including summer, winter and direct deposits to MUCC bank account) which is a big portion of MUCC revenue.
- Total Expenditure: \$28132 (umpire fees, association fees, clothing, gear, nets)
- Net Position: -\$627 (deficit for the year)

Major Income Sources

- Player Registrations -\$23720
- Sponsorship & Donations - \$1000
- Clothing sales - \$2110

Major Expenditures

- Umpire fees - \$2550
- Association Fees (NCU, SMCA)- \$13850
- Clothing & Gear - \$2577
- Cricket Nets & Training Costs - \$1680
- Cricket balls & other gear - \$5456
- Membership refunds - \$1420

Comments

- The club managed significant outflows this year primarily due to training costs, clothing costs, umpire costs and competition fees.
- Recommendation: Increase registration fee, sponsorship targets and fundraising initiatives to maintain positive cash flow next year. Find a more cost-effective clothing supplier.
- Incentive payments made to players & committee was kept at a minimum. Zero.
- Special thanks to our sponsors – Angle finance for \$1000. Thanks to continuous kind efforts of our club president.
- No grants were sanctioned to MUCC this year. We will continue to find ways in coming months for approvals.
- No annual dinners saved on costs too. All other overheads were kept to a minimum.

This leaves MUCC with bank balance of \$257.3 as on 30/06/2025 after incurring all the costs and a few costs due to be paid.

CAPTAIN'S REPORT – SECOND GRADE

Macquarie University's Second Grade team had a very mixed 2024-25 season. Playing on turf for the first time for several years, we won games that we probably shouldn't have, and lost ones that we should have won, especially towards the end of the season, and this ultimately cost us a place in the semis. Again, availability was a big problem and even worse was punctuality. We started a few games with less than 11 players, and this is not acceptable at this level. On paper the batting line up looked to be very strong but unfortunately this wasn't how it worked in the game as batsmen threw away their wickets when set. Our bowling was steady but lacked the penetration of some of the top sides. Once we work on fixing these basic problems, I'm sure we perform to our potential which I believe is very high.

MATCH REPORTS

Round 1 vs North Shore at Eastwood Oval

North Shore 8/268 defeated Macquarie University 4/267

A nail-biting game coming down to the 2nd last ball of the game. Brilliant start to the season with the bat by Rana opening his account with a very quick and hard hitting 143.

Unfortunately, our fielding and some short pitched bowling let us down having posted a very defendable total.

Aynal Rana after his brilliant 143 versus North Shore at Eastwood Oval.

Round 2 vs West Ryde Rovers at ELS Hall Park – Field 3

West Ryde Rovers 4/188 drew Macquarie University 0/52

A wet and windy day in the field having to be abandoned with Mac Uni well on top after only 6 of the 35 overs having been batted.

Round 3 vs North Ryde RSL at Castle Cove Oval

Macquarie University 191 drew North Ryde RSL 5/30

A very well batted 79 from opener Usman steadied the ship after a few quick wickets fell, and we were able to make 191. Macquarie was very unfortunate with Week 2 being washed out having taken five late wickets in the previous week's play. Bijil with 3/12 and Kapil with 2/1 had North Ryde on the ropes.

Round 4 vs Northbridge at Willoughby Park

Northbridge 0/51 drew Macquarie University 199

A few good batting performances saw us reach a total of 199 on a large Willoughby Park. Bilal who scored a very stylish 46 was the pick of the batsmen. After 13 overs Northbridge reached 0/51 at stumps on Day 1.

Week 2 was washed out.

Round 5 vs Carlingford Waratahs at Marsfield Park

Carlingford Waratahs 147 defeated by Macquarie University 166

Having won the toss and batting we scored 166 with good performances from Bilal with 41 and Priyank with 37.

Bowling and fielding efforts were of high standard knowing and we managed to bowl them out for 147. Shivangam, Ishraq and Saanuj picking up 3 wickets each.

Round 6 vs West Ryde Rovers at Koola Park

Macquarie University drew West Ryde Rovers - Match Abandoned

Round 7 vs North Ryde RSL at Koola Park

Macquarie University 6/180 defeated North Ryde RSL 6/179

This was another nail-biting finish in the first 20/20 match of the season. Tight bowling and energetic fielding kept North Ryde to 6/179.

A great performance by Rana with 62, set the foundation for this win.

Round 8 vs Carlingford Waratahs at Marsfield Park

Carlingford Waratahs 101 defeated by Macquarie University 6/147

Batting first the power hitting of Rana with a quick fired 37, followed by Shivangam 48 got us to a very defendable score.

Abhijit with 3 for 20 led the way and with 3 other bowlers picking up 2 each MUCC proved too strong for Carlingford.

Round 9 vs North Shore at Willoughby Park

Macquarie University drew North Shore – Match Abandoned

Round 10 vs Northbridge at Koola Park

Macquarie University 7/116 tied Northbridge 9/116

A tie in a 20/20 match! Mac Uni struggled with the bat with only two scores of 26 by Ishraq and Bilal getting us to 116. A solid performance by Abhijit with 3/14 off 4 overs got us back into this match.

Round 11 vs Carlingford Waratahs at Marsfield Park

Carlingford Waratahs 9/283 defeated Macquarie University 147

A disappointing game for Mac Uni having sent Carlingford in trying to get first innings points on Day 1. A great knock by Carlingford Captain William Wark with 127 helped Carlingford to 9/283, a huge total to chase.

Our batting was very disappointing and we could only manage 147, the only highlight being Rana with hard hitting 57.

Round 12 vs North Shore at Castle Cove Oval

North Shore 138 drew Macquarie University 6/103

Another draw with Macquarie Uni holding out with the bat once it was apparent we couldn't win. Usman with a steady 39x kept us in it.

Bowling from Mac Uni was good with our bowlers receiving 2 wickets each.

Round 13 vs West Ryde Rovers at Castle Cove Oval

Macquarie University 129 and 62 defeated by West Ryde Rovers 245

This was our worst game of the season. Batting first we only managed 129 which West Ryde passed easily due to some poor bowling and fielding.

Our batting the second time was even worse and we capitulated for 62.

THE PLAYERS

Myles Lego – Returning captain, disappointing season with the bat having demoted himself from opening to the lower order. With more patience, runs will come. Showed steady hands with the keeping gloves.

Rayyan Alavi – Rayyan started the season off in 2nd grade as our young tear away and quickly learned that he needed to pitch the ball up on turf. With more experience he will improve quickly in seasons to come.

Kabir Bindal - Kabir had a disappointing season by his own standards leaving a lot of runs out on the field. With more patience he is very capable of making bucket loads of runs. Kabir worked hard on his bowling this season with some great spells of swing bowling.

Shivangam Malhotra – A late joining member of the team quickly made up for it with both bat and ball. Shivangam scored 159 @31.80 and was unlucky not to take more than his 8 wickets with his quick leggies having batsman in all sorts of trouble.

Karthic Nagarajan – With a wealth of cricket knowledge Karthic was a valuable member of the team. He bowled his off spinners well and his latter season promotion up the order saw him tiring out the opening bowlers with his resolute defence.

Priyank Rajvanshi – Priyank also joined us late and showed that he is a solid batsman. He scored a very good 37 against Carlingford Waratahs.

Bijil Ram – Bijil was the team's main all-rounder. Utilising his pace with the ball he collected 9 wickets at an average of 21.78. He was also very solid with the bat scoring 230 runs at an average of 23.

Aynal Rana – No surprises here with Rana leading the team with most runs for another year with 365 at 45.63. Rana was also very handy with his medium pacers when needed.

Bilal Shujaat – Bilal had a good season with the bat scoring 142 @ 28.40 and fielded very well taking 6 catches.

Anand Singh – Anand showed a great deal of promise in the 4 games he played scoring with both the bat and ball.

Sree Sreelatha – A latter edition to the team Sree was very dependable in the field. Unlucky with the bat but shows intent to score runs.

Kapil Taneja – Kapil had a good season with the ball, improving his turn with some sharp spells of leg spin bowling. Recording 10 wickets in the season at an average of 26.10. With the bat he left runs out on the field, but with more focus and patience runs will come.

Ishraq Ul Alam – Ishraq had limited opportunity with the bat this year but bowled some very tidy spells to keep the pressure on the batsmen.

Muhammad Usman – The anchor of 2nd Grade's batting. Can bat for extended periods of time with great patience. Scored a great 79 against North Ryde RSL.

CAPTAIN'S REPORT – THIRD GRADE

Macquarie University's Third Grade team had a mixed 2024-25 season, showing moments of brilliance, but struggled for consistency across formats. Batting was a major concern throughout the campaign, with several top-order collapses and a reliance on individual performances, particularly from Tharun Rameshbabu, who delivered stand-out knocks including a remarkable 129 against Cammeray. Kartik Verma and Hamza Yahya also chipped in with key contributions. The bowling attack, led by Sunny Kumar, Pratham Jagtap, and Rayyan Alavi, produced some excellent spells, including multiple three-wicket hauls and tight economy rates in T20s and one-day matches. While the team managed a few strong performances, including a convincing win over Cammeray and some close contests, we were often let down by an inability to build partnerships or maintain pressure in the field. Leadership shifted hands during the season, with Tharun and later Saurav taking the captaincy. In conclusion, we showed potential, but will be looking to improve depth, composure, and execution in key moments for a stronger finish next season.

MATCH REPORTS

Round 1 vs North Shore at Northbridge Oval

North Shore 6/250 defeated by Macquarie University 124 on forfeit.

North Shore won the toss and elected to bat first, getting off to a great start with the openers putting on a 97-run stand, which was then broken by David Willis when he bowled one of the openers for 31. Two more quick wickets fell courtesy of Sunny and Pratham. North Shore ended the innings at 6-250, with their captain scoring an unbeaten 154. The chase for Macquarie did not start the way we would have liked, with a fall of three early wickets that left us at 3-11. Tharun and Kartik then put on a blistering partnership of 90 scored from the next eight overs, until the fall of Kartik's wicket. We then collapsed, being bowled out for 124. Only sometime later did we find out that North Shore had forfeited the game for playing an ineligible player.

Round 2 vs Cammeray at Northbridge Oval

Macquarie University 8/240 defeated Cammeray 6/215

Macquarie won the toss this time, deciding to bat first getting off to a good start with an opening partnership of 68. The second wicket partnership was the highlight of the match with a 107 run stand between Tharun and Mohit, where Mohit was dismissed for a well-made (44). We then went on to finish the innings at 8-240 with the bulk of the runs coming from Tharun who played a fabulous innings of (129). In the chase Cammeray also got a 50+ run opening partnership which was then broken by Kartik. Though the second wicket partnership for Cammeray was not an easy one to break, it was finally ended by Pratham who broke the 96-run stand. The next 4 wickets did not put up much of a fight. Cammeray then went on to finish the innings 6-215, unable to get 36 from the last over.

Round 3 vs Rydalmere Wrens at Upjohn Park

Macquarie University 96 and 6/72 defeated by Rydalmere Wrens 5/322 dec.

Rydalmere Wrens secured a dominant 226-run victory over Macquarie University in this match. Batting first, Rydalmere Wrens posted an imposing 5 for 322 declared, with Ijaz Aziz scoring 112 not out, Dhrumil Shah adding 87, and Hari Vaheesan contributing 55. Macquarie University struggled in response, getting bowled out for just 96 runs in 48.4 overs, despite Priyank Rajvanshi's (24 not out) and Bijay Thakur's (21). Ijaz Aziz took 4 for 12, while Scott Nicholson claimed 3 for 12. Enforcing the follow-on, Rydalmere Wrens continued their dominance, reducing Macquarie to 6 for 72 in 22 overs, with Mahad Ahmed scoring (37) as

the only major resistance. Aziz starred again, taking 5 for 23, supported by Nicholson's 1 for 30. Despite a fighting effort from Macquarie, Rydalmere Wren's all-round superiority ensured a comprehensive win, showcasing their strong batting depth and bowling attack.

Round 4 vs West Epping at West Epping Oval

Macquarie University 136 and 167 defeated by West Epping 7/223 dec. and 3 /78

Macquarie University fell short against West Epping, losing by three wickets. Batting first, Macquarie struggled, managing only 136 runs in their first innings, with Kartik Verma top scoring with (47). West Epping responded strongly, declaring at 7 for 223, with Alexander Hudson (67) and Keshav Krishna (60) leading the charge. In their second innings, Macquarie put up a better fight, scoring 167, with Hamza Yahya contributing (40), but we still set a modest target. West Epping chased down the total with ease, reaching 3 for 78 in just nine overs, powered by Krishna's 48. Ghanesh Sureshkumar was the stand-out bowler for West Epping, taking 5 for 29 in Macquarie's first innings. Despite some resistance, Macquarie was outplayed across both innings, with West Epping's aggressive batting and disciplined bowling sealing the win and further exposing Macquarie's batting vulnerabilities.

Round 5 vs North Sydney Leagues at Lofberg Oval

Macquarie University 133 defeated by North Sydney Leagues 5/136

North Sydney Leagues defeated Macquarie University by five wickets in this One- Day match. Macquarie University batted first but struggled, posting only 133 runs in 33 overs. Sumit Sharma was the stand-out bowler, taking four wickets for just 16 runs, while Peter Edwards and James Yardley claimed two wickets each. Despite contributions from Mahad Ahmed (23), Sunny Kumar (21), and Bijay Thakur (27 not out), Macquarie's batting line-up failed to build partnerships. In response, North Sydney Leagues chased down the target in 30 overs, finishing at 5 for 136. Michael Thomson provided a strong start with 33 runs, while Andrew Giles (30 not out) and Alberto Mendez (21 not out) ensured a comfortable win. Kartik Verma took three wickets and Tharun Rameshbabu claimed two, but it was not enough to stop North Sydney.

Round 6 vs Cammeray at Northbridge Oval

Cammeray 7/207 defeated Macquarie University 206

Cammeray secured a three-wicket victory over Macquarie University in this two-day match. Batting first, Macquarie University posted a competitive 206 in 49.5 overs, led by a brilliant (103) from Sree Sreelatha. Anurag Marale added (26), while extras contributed significantly

with 30 runs. Ryan Galbraith and Charlie Sato led Cammeray's bowling attack, each taking three wickets. In response, Cammeray chased down the target with 7 for 207 in 52.4 overs. Jonathan Hughes anchored the innings with a superb 110 off 167 balls, supported by Benjamin Jones (19) and Yiannis Koulouris (18). Despite wickets from Kartik Verma and David Willis, who took two each, Macquarie University couldn't prevent Cammeray from reaching the total. With consistent partnerships and Hughes' dominant batting, Cammeray secured a well-fought win. Macquarie University showed resilience but lacked the cutting edge in their bowling to defend their total successfully.

Round 7 vs Rydalmere Wrens at George Kendall

Rydalmere Wrens 123 defeated by Macquarie University 6/138

The outfield was slow, and the pitch was a lot bouncier than normal which made the game a low-scoring affair, with more running between the wickets and fewer boundaries. Both teams were fierce and competitive. Some calls regarding wides and LBWs were seemingly harsh, but understandable. Overall, a good game of cricket that came very close in the end.

Round 8 vs North Sydney Leagues at West Epping Oval

Macquarie University 8/106 defeated by North Sydney Leagues 8/126

North Sydney Leagues secured a 20-run victory over Macquarie University in our 3rd Grade T20 match. Batting first, North Sydney posted a competitive total of 126 for eight in 20 overs, with Michael Thomson scoring 37 off 20 balls and Peter Edwards contributing 32 not out from 29. Macquarie's bowlers put up a strong performance, with Sunny Kumar taking three wickets for five runs in four overs, while Rayyan Alavi claimed two wickets for 29 runs. In response, Macquarie University struggled to build momentum and finished at 106 for eight, falling short of the target. Kartik Verma top-scored with (39), and Rayyan Alavi added (22 not out), but wickets fell regularly. James Yardley and Peter Edwards each took two wickets, while Alberto Mendez played a key role behind the stumps with three catches and a stumping. Despite a strong bowling effort, Macquarie's batting line-up failed to chase down the total.

Round 9 vs North Shore at William Cowan Oval

North Shore 1/12 drew with Macquarie University 206 - Match Abandoned.

The game between Macquarie Uni and North Shore ended in a draw due to the second day being a complete wash-out. On the first day we won the toss and chose to bat and made a reasonably good first inning score of 206. The opening stand was a decent one and the top-

order made valuable contributions. However, none of the batters could go on to make a big score and we were eventually bundled out for 206. In return, we had four overs at the end of the day, and we managed to get the prized wicket of the North Shore captain, Michael Irragang, for a low score and we were looking to take a sizeable first inning's lead but it did not happen due to the rains.

Round 10 vs West Epping at West Epping Oval

Macquarie University 74 defeated by West Epping 0 for 75

This was a T20 game and MUCC had a really forgettable outing. We were down to ten players as one of the key batsmen pulled out hours before the game owing to an injury. We won the toss and we chose to bat. We had a decent opening stand but we completely lost our way in the middle of the innings and were bundled out for 74. West Epping came out all guns firing as they were chasing a low score and our bowlers could not make early inroads. There were barely any chances created that we could grab and they just smashed their way to win the game by ten wickets.

Round 11 vs North Sydney Leagues

Macquarie University 69 and 4 for 268 defeated by North Sydney Leagues 8 for 280

North Sydney Leagues won this match on the 1st innings. We started this game short of players, and we took the field with ten. Winning the toss, we chose to bat and our batting collapsed once again, and we were bundled out for 69. Only two of our batsmen could manage double figures. A late flourish of (31 not out) by Sunny Kumar led us to that score. We started well while bowling and we put pressure from the beginning, and we took 3 early wickets before a few dubious umpiring decisions denied any further inroads. Next week we started bowling to a plan and we took four early wickets and had them 7 down for 160 when one of the batsmen started an onslaught and he went on to score a smashing century which contained many mishits and missed chances. They declared their innings at 280. They were trying to win outright, but in the second innings our batsmen batted responsibly and showed great courage batting out the day losing only four wickets. Sunny Kumar hit his maiden unbeaten century in the fading hours of the game. Hamza made (75 not out) and contributed well.

Round 12 vs North Shore at Gore Hill Park

North Shore 210 defeated by Macquarie University 172 on forfeit.

North Shore secured a 38-run victory over Macquarie University in this match. Batting first, North Shore posted 210 for six in 58.1 overs, with James Dempster scoring 63 and Ram Krish contributing 61. Rohit Arora added a crucial 28, while Macquarie's bowlers worked hard to contain the scoring. Sunny Kumar took two wickets for 39 runs, while Kartik Verma and Rayyan Alavi picked up one wicket each. In response, Macquarie University struggled to build strong partnerships, and we were bowled out for 172 in 56 overs. Sunny Kumar led the resistance with (56), while Hamza Yahya chipped in with (30). However, Mayur Dutt proved to be the game- changer for North Shore, taking five wickets for just 40 runs, dismantling Macquarie's middle-order. Despite some resilience, Macquarie fell short, and North Shore's disciplined bowling and steady batting ensured a well-earned victory. As in Round 1 Macquarie received a win by forfeit as North Shore had used a duplicate fill-in.

Round 13 vs Cammeray at Northbridge Oval

Cammeray 6/205 defeated Macquarie University 203

Cammeray claimed a four-wicket victory over Macquarie University in this match. Batting first, Macquarie posted 203 in 64.1 overs, with Hamza Yahya top-scoring with (54), supported by Mahad Ahmed's (26) and Vivek Thangaswamy's (29). Colm Walsh was the stand-out bowler for Cammeray, taking three wickets for 18 runs, while Jonathan Hughes and Charlie McGowen picked up two each. In response, Cammeray chased down the target, reaching 205 for six in 60.4 overs. Jonathan Hughes led the way with 85 off 143 balls, while Benjamin Jones added 41 and Ryan Galbraith remained unbeaten on 43. David Willis was the pick of Macquarie's bowlers, taking (3-52), while Sunny Kumar and Saurav Kumar chipped in with one each. Despite taking early wickets, Macquarie was unable to contain Cammeray's chase, as steady partnerships guided them to a well-earned victory.

Semi Final vs North Ryde RSL at Pidding Park

Macquarie University Singh 232 defeated North Ryde RSL 159

North Ryde RSL has emerged as a fierce rival of Macquarie University in recent seasons, known for their aggressive gameplay and constant sledging. Facing them in the semi-final only added fuel to the fire — and Singh's team was more determined than ever. Batting first, Singh's innings didn't start well, with the top-order collapsing under pressure. However, Sameer Khalid stepped up when the team needed it most. Coming in down the order, he played a crucial counterattacking knock of (80), guiding the team to a competitive total of 232. Backed by one of the strongest bowling units in the competition, the team took the field with confidence. His spell broke the backbone of North Ryde's batting line-up, and he finished with of four wickets. The fielding effort matched the intensity of the bowling. Sameer capped off his all-round performance with brilliant catches in key moments, showcasing the kind of commitment that defines a champion side. Grand Final vs Cammeray at George Kendall

Cammeray 258 drew with Macquarie University Singh 7/78

The Grand Final ended in heartbreak for Macquarie University Singh, as an incredible season came to a close without the trophy the team so richly deserved. Despite dominating throughout the year, the odds were stacked against us going into the final, with Cammeray holding the top spot on the points table which meant a draw would be enough for them to claim the championship. Singh won the toss and elected to bowl, looking to force a result. However, Cammeray came in with a clear strategy, slow the game down and play for a draw. Their ultra-defensive approach saw them crawl to 200/2 by the end of Day 1, effectively stalling the game. On Day 2, we fought back, taking quick wickets to dismiss Cammeray for 258. Unfortunately, the situation worsened as rain interrupted play, costing the Singh side 45 minutes of valuable time — a major setback in an already time-constrained match. Needing to chase 259 in just 19 overs, Singh went in with a bold, attacking mindset. But from the very first ball, Cammeray spread nine fielders to the boundary, aiming to shut down any scoring opportunities. Despite their best efforts to attack and push for a miracle win, Singh ended at 7/78, and the match was declared a draw. Due to their superior standing on the points table, Cammeray were crowned champions, but the spirit, skill, and sportsmanship shown by Macquarie University Singh throughout the season remains a point of pride for the entire team and club.

THE PLAYERS

Rajpreet Singh - Rajpreet led from the front with an outstanding all-round season. As the highest run-scorer for Macquarie University Singh, he anchored numerous innings and consistently delivered in pressure situations. But his impact didn't stop with the bat — Rajpreet was also a force with the ball, finishing as the second- highest wicket-taker of the season with 31 wickets.

Farhan Ali - Farhan had an exceptional season, amassing 918 runs, making him the second-highest run-scorer behind Rajpreet. Known for his ability to clear the boundary with ease, Farhan earned the nickname “Sixer King”, often sending bowlers – and fielders – into the bushes looking for the ball.

Finn Corbett – Finn showed great promise with his off-spin bowling. Unfortunately, a back injury in the second half of the season cut short his playing time, but his performances early on were encouraging.

Ravi Gujjar – Despite joining mid-season and facing NCU restrictions on both batting and bowling, Ravi impressed with the ball and added punch with the bat through quick-fire cameos. A valuable late addition to the squad.

Nitin Gupta – A stand-out new addition, Nitin quickly made his mark with his clever use of variations and control over the old ball. He proved to be a partnership-breaker in key moments and a real find for the team this season.

Abdullah Haseen – A fiery pace bowler who led several bowling spells, including key performances in tight games.

Sahil Jatain- One of the fastest bowlers in the squad, he battled through an ankle injury that sidelined him for parts of the season. However, he bounced back strongly, saving his best performance for the finals.

Alby Joseph - A team-first player who brought energy and dedication both on and off the field.

Vicky Kajal – Though Vicky had limited availability, he made the most of the matches he played. As a dependable all-rounder, he contributed with both bat and ball, often providing balance and stability to the team.

Sameer Khalid – Sameer proved to be the backbone of the middle-order, scoring a solid 586 runs despite fewer opportunities to bat up the order. His ability to rotate strike and build partnerships was key. He also contributed significantly with the ball, often breaking crucial partnerships with his clever spin.

Farjaad Khan – While Farjaad didn't have a stand-out season with the bat, his efforts behind the stumps were critical. His consistent wicket-keeping added a layer of confidence to the bowling unit.

Abheek Rana – A consistent squad member who supported the team throughout the season with his off spin. He is a developing Chinaman bowler who has a great potential in the future.

Lucky Randhawa – One of the team's most experienced players, Lucky played an important role in leading the team to the finals with his valuable insights and experience which was very helpful for the team and the captain during difficult times. Lucky led Macquarie's spin attack with consistency and skill throughout the season. He also chipped in with valuable runs in the top-order, showcasing his all-round utility.

Yashpal Sharma – Yashpal had a short stint with the team due to travel commitments, but during the first half of the season, he was sharp with the ball and picked up key wickets at crucial times.

Ajaybir Singh – A committed team player who contributed whenever called upon. Neelesh Kumar – Reliable and second wicketkeeper for the team who was always ready to step up for the team.

Jaskaran Singh – A rising leg-spinner who made an impact in key matches with crucial breakthroughs.

CAPTAIN'S REPORT – FIFTH GRADE (Yahya)

Overall, 5th grade Macquarie (Yahya) had a disappointing season finishing near the bottom of the competition. However, it was a season filled with many learning opportunities especially for new, young players who were playing their first games for the club. At the start of the season some players played within their shells before gaining some confidence in their gameplay. Poor fielding and dropped catches probably cost us a few games which could have changed the end result.

MATCH REPORTS

Round 1 vs Macquarie University Singh at Curtis Oval

Macquarie University Singh 2/141 defeated Macquarie University Yahya 137

With a relatively new team, we decided to have a bat after winning the toss and with a slow start and an early wicket the pressure was on. A good innings by Mahad scoring (50) and Saad also scoring a supportive (34) we set a low but defendable target of 137. The bowling started well with Ali Akbar taking an early wicket but from there it just went downhill with Macquarie Singh chasing it easily.

Round 2 vs Chatswood Gypsies at William Cowan Oval

Macquarie University Yahya 104 defeated by Chatswood Gypsies 7/56 by forfeit.

After winning the toss we decided to have a bat, seeing that the rain was about to arrive. With no good performances and just some runs here and there we were rolled for 104. With an excellent start our opening bowlers took wickets and put them under pressure with Saad taking (2 for 5) and substitute player Syed taking (2 for 21). The rain came shortly after with some heavy showers. After a long break we were back on the field and bowling. Despite some good bowling, unforeseen circumstances led to a forfeit with Chatswood Gypsies 7/56.

Round 3 vs Cammeray at Pidding Park

Cammeray 6/326 dec defeated Macquarie University Yahya 143 and 2/105

Losing the toss and getting put in the field on a scorching hot day, we were in for a long day. An early wicket gave us some hope but poor fielding put us in a bad situation with two of their players scoring centuries and putting up an enormous total. A good start was made by Shishir, getting a quick (45) however, quick wickets meant that we were in a bad situation by the end of the day, four down for around 70. Day two started with some rainy conditions and the same as our previous matches we had issues with our batting, Haris Haider showed some courage with (23). The second innings started with an early wicket but Ben Sharon showcased his talent with a well-played (50) closing the day on a good note but an unfortunate loss nonetheless.

Round 4 vs Carlingford Waratahs at George Kendall

Macquarie University Yahya 136 and 1/55 defeated by Carlingford Waratahs 9/258 dec.

After a winning the toss and choosing to bowl first, we took an early wicket with Saad Siddiqui showing his fielding skills with an exceptional run-out. Later, we regretted the decision to bowl first after two of their players scoring fifties. Towards the end of the innings, Saad Siddiqui wrapped up the tail and removed set batsmen with some good “death” bowling. After losing both of our openers on the same day, the situation was looking bad. We commenced day 2 at two down for less than twenty runs. Like before, our batting struggled except for Shivangam scoring a courageous (40 not out). With the hopes of an outright win, they put us in again but the openers showed some resistance with Rabee scoring a patient (16 not out).

Round 5 vs Northbridge at Pidding Park

Northbridge 7/169 defeated by Macquarie University Yahya 3/216

On a hot summer day we won the toss and chose to bat. The openers started slowly with an early wicket, but Rabee and Sharon came out of their shells and each scored fifties. They were supported by Syed. H, scoring an explosive, rapid-fire (50). A good all-round bowling effort by the team, with Saad Siddiqui taking (2 for 22).

Round 6 vs Chatswood Gypsies at Wellington Oval

Macquarie University Yahya 86 and 4/83 defeated by Chatswood Gypsies 164

After losing the toss, we had a good start in the field with some early wickets and decent bowling to bowl them out for 164, however, we conceded too many extras. The poor batting continued with the team all out for 86. Batting a second time we again lost wickets ending the day on 83 for 4.

Round 7 vs North Shore at Wellington Oval

Macquarie University Yahya 9/125 defeated North Shore 106

Winning the toss and batting, we lost some early wickets but a great 60 run partnership by Saad and Rabee gave us some momentum. A great effort by Rabee scoring (40) and some runs from Ali Akbar made the total defendable. Some early wickets from Saad gave us a good start and then an amazing spell by Ali Hasan Sheikh taking (4/10) secured the game with Macquarie defending a low target.

Round 8 vs North Ryde RSL at North Ryde RSL

Macquarie University Yahya 124 defeated by North Ryde RSL 6/196

Winning the toss and batting first we lost some early wickets but later secured a very defendable 131 with some good performances from Syed (40), Sharon (37) and Saad (29). We had a dreadful start with the ball, with their opener crunching 69, basically set up their victory. Later their skipper came and finished the game off with the assistance of some ordinary Macquarie bowling, despite Siddiq Mohammad's (2/23).

Round 9 vs Macquarie University Singh at Pidding Park

Macquarie University Singh 369 defeated Macquarie University Yahya 15 and 36

Playing a couple of players short, Macquarie Yahya was asked to bowl. Despite a decent start, we were unable to maintain the pressure with two of the opposition's players scoring hundreds. After ending at 369, we had an extremely hard chase. Unable to cope with the pressure, we had two very poor collapses with 15 in the first innings and 36 in the second innings. A very disappointing loss for Macquarie Yahya.

Round 10 vs Carlingford Waratahs at Gore Hill Park

Macquarie University Yahya 6/123 defeated by Carlingford Waratahs 3/127

Batting first, we lost some early wickets but some good performances by Syed H (47 not out) and Rabee (28) set a somewhat better score than the predictions, giving us a little bit of a chance to defend the total with some tight bowling. We began with some early wickets from a new player, Alby, but later we were unable to sustain the pressure, letting two of their batsmen guide them to victory.

Round 11 vs North Ryde RSL at William Cowan Oval

Macquarie University Yahya 101 and 76 defeated by North Ryde RSL 6/157 dec and 0/25

A slow start by the openers but good knocks by Siddiq Mohammad (31) and Saad Siddiqui (23) stabilised the middle-order before a terrible collapse. Some good bowling by Rabee Haider picked up two wickets before the end of the day. Day two started badly with their batsmen having a swing and putting some runs on the board before declaring in the hope of an outright win. The openers started well with Rabee scoring (36) and Ben Sharon scoring (23). As soon as the openers fell, we collapsed with seven wickets falling for thirteen runs, ending 76 all out. North Ryde easily chased the target without losing a wicket. Another terrible outright loss for Macquarie.

Round 12 vs North Shore at Curtis Oval

Macquarie University Yahya 221 defeated North Shore 112

In hopes of ending the last few games on a good note, we chose to bat after winning the toss. We enjoyed an amazing start by the openers, with Rabee scoring (31) and Ben Sharon (34). Later Syed Rasheed and Saad Siddiqui firmly held the middle-order together with Saad scoring (50) and Syed Rasheed ending on a well-made (28). A good batting performance ended with Macquarie on a very defendable 221 all out. On the second day Macquarie bowled amazingly, wrapping up North Ryde up for 112. Some good bowling performances from Siddiq Mohammad (4/16) and Haris Haider (2/17). A good win for Macquarie Yahya.

Round 13 vs Northbridge at Primrose Oval 3

Northbridge 241 defeated Macquarie University Yahya 70 and 6/96

After losing the toss we were asked to bowl. We enjoyed a decent start with Ali Akbar and Rabee picking up some wickets before we lost momentum and let their lower-order batsmen build a big score. A shift of momentum came when Ali Yousef picked up a wicket

and Rabee cleaned up the tail with some good “death” bowling but overall, a disappointing bowling effort, despite Rabee Haider getting (4/37) and substitute player James picking up (2/11). A terrible batting performance from Macquarie to end the season, as the team tumbled for just 70 and then struggled to 6 for 96 in the second innings.

WINTER CRICKET - CAPTAIN'S REPORT – 12th Division

The 2024 Winter season was a memorable and competitive campaign for Macquarie University Red A, marked by strong team cohesion, stand-out individual performances, and consistent progression into the finals. The team showcased a powerful blend of disciplined bowling, sharp fielding, and aggressive yet calculated batting across all rounds. The season opened with a dominant win over Hornsby A, defending a modest total with remarkable bowling from Kartik Verma (5/5). This set the tone for a series of solid performances, including a 10-wicket victory over Parramatta Cheetahs and a thrilling chase against Artarmon Maestros E that fell just three runs short. Macquarie's batting depth shone through in high-pressure situations, particularly through the leadership of Kabir Bindal, who anchored multiple innings, and consistent contributions from Tharun Rameshbabu and Netra Jayswal. The bowlers played a pivotal role throughout the season. Adarsh Sunil Nair and Kapil Taneja were regular wicket-takers, while Kartik Verma provided breakthroughs with both pace and control. The fielding unit also remained sharp, with direct hits and reliable catching supporting the bowlers. The team reached the finals with momentum, defeating Kellyville Supersonics in Round 1 thanks to quick run-chases and disciplined bowling. Despite a strong total in the Preliminary Final, the team fell just short against Artarmon Maestros E. Overall, Macquarie Red A can be proud of a well-rounded and spirited season, laying a strong foundation for future campaigns with teamwork, resilience, and cricketing excellence at its core.

In reply, we started steadily before a few quick wickets put the middle-order under pressure. Anchoring the innings was Vivek Thangaswamy with a composed and powerful (64 not out), 2 fours, 8 sixes, and he was ably supported by Mustafa Syed (42 not out), as the pair guided us home after a tense passage of play. Earlier, Atharva Katkar (19) and Mouzzam Zia (14) added valuable runs, while extras also proved helpful with 34 gifted by the opposition.
